CONTRACT AWARD

Solicitation Number: YH18-0033
Service: Provider Management System

After careful review of the proposals, the Chief Procurement Officer has determined the offer from Client Network Services, LLC (CNSI) is most advantageous to the state based on the following reasons:

1. The offeror is responsive and responsible;
2. The offeror is not suspended or debarred;
3. The price is fair and reasonable; and
4. The offer is determined to be most advantageous to the state based on the evaluation factors set forth in the solicitation.

Meggan Harley, CPPO, MSW
AHCCCS Chief Procurement Officer
