SOLARI

Your presentation is scheduled on the following date and time:

FRIDAY June 7, 2024 9:30 am - 11:30 am Arizona time

Invitees:
AHCCCS invitees will include the evaluation team members, the procurement team, and other internal stakeholders. Offerors are welcome to invite any individuals from your organization, or the organization of any subcontractor, that are best able to present your submitted proposal. Though not mandatory, AHCCCS recommends that key personnel listed in your proposal attend the presentation. No outside individuals or consultants may attend. Please email your invitee list including names, titles, and email addresses to the procurement officer no later than 24 hours prior to your presentation time.

Meeting Platform:
The presentation will take place virtually through Google Meets, or as otherwise identified by AHCCCS. Invitees will be emailed a calendar invite containing the virtual meeting link. The Offeror will have the ability to share their screen to present materials if desired. The AHCCCS procurement office will host a pre-meeting with the Offeror to confirm your ability to access the platform and test functionality upon request. Any presentation materials used during the presentation shall be emailed to the AHCCCS procurement office after the presentation.

Please note: As indicated in the instructions to offerors, oral presentations are not scored separately for this procurement, however information presented could impact the Offeror's final evaluation/score of any part of an Offeror's submitted proposal.

The meeting agenda is as follows:

9:30 am – 9:45 am	Introductions
9:45 am – 10: 45 am	Offeror Presentation (60 Minutes)
10:45 am – 11:30 am	Questions and Answers (45 Minutes)

Offeror Presentation Topics:

The Offeror is invited to present on any topic desired within your allotted timeframe. AHCCCS is specifically interested in hearing more about the following topics. Please keep in mind anything you have listed in your proposal that would require enhancement to your proposed solution and how that enhancement would be managed and/or accounted for by both parties.

1. Please provide an overview/presentation of the various program integrity requirements for this program that include but are not limited to; referrals of suspected FWA, compliance to the OIG self-disclosure program, and clarification around contractor roles for subcontractor requirements.

2. Please present an overview of your proposed billing and claims processes specific to this H20 Program. Please include information relating to your comment in RTM (CLM-0002/ Billing Claims) referring to adjudication of claims.

3. Please present on the collaboration with your proposed subcontractor including responsibilities, oversight and reporting structure.

4. For both Solari and its proposed subcontractor, please explain your proposed process to review key staff's allocation for this contract, and any other work assigned, to ensure that resource allocations are adequate to maintain contractual compliance and achieve outcomes in all functional areas of this contract. Please explain any ongoing review of staff allocation, and the plan for revision of time allocation should the need arise.

5. Please present your proposed process for the development of your provider network.

6. Please present your proposed plans for ensuring sufficient care coordination occurs for members with SMI beyond automated reporting.
