

# Consolidated Appropriations Act - Additional Block Grant Funding

# Consolidation Act of 2021

- In December 2020, Congress approved and then-President Trump signed the Consolidated Appropriations Act of 2021.
- The law includes two separate investments in the SAPT Block Grant: \$1.858 billion through the annual or “regular” FY 2021 appropriations process and \$1.65 billion in supplemental funding provided as part of the law’s section dedicated to COVID-19 relief

# Supplemental Funding as part of Consolidated Appropriations Act

- Total appropriation: \$1.65 billion
- Allowable uses: Some flexibility communicated from SAMHSA but same target populations are required
  - NTXIX
  - SUD
  - SED
  - SMI
  - FEP

# Supplemental Funding as part of Consolidated Appropriations Act

- Allowable uses: Some flexibilities were discussed to allow states to request specific opportunities related to COVID-19 needs including:
  - PPE
  - Transportation to vaccinations
  - Outreach
  - Workforce Development
