The AHCCCS Medical Coding Unit is pleased to announce we have our own page
on AZAHCCCS.GOV website.   This site will include Medical coding related news and
updates.

Accessed via the Plans/Provider tab.
https://www.azahcccs.gov/PlansProviders/MedicalCodingResources.html
Current topics include:

- News and Updates;
- Reference Table Review and Update Request (including the revised RTRU form
  and instructions)
- The New and Improved Behavioral Health Services Matrix
- Reference Extracts
- An FAQ page
- As well as Contact Information for the Medical Coding Unit

Much of the data to populate and inform each of these topic areas is still being
developed and/or finalized, so we encourage you to continue to visit for updates and
additions.

Any questions please let us know. Thanks!
