SECTION B: CAPITATION RATES AND CONTRACTOR SPECIFIC REQUIREMENTS

The Contractor shall provide services as described in this contract. In consideration for these services, the Contractor will be paid the following rate per member per month for the period October 1, 2016 through June 30, 2017 unless otherwise modified by contract amendment.

**ARIZONA DEPARTMENT OF CHILD SAFETY (DCS)
COMPREHENSIVE MEDICAL AND DENTAL PROGRAM (CMDP)**

Capitation Rates:**Capitation Rates for: 10-01-16 – 12-31-16**

Prospective: \$231.53
PPC: \$305.93

Capitation Rates for: 01-01-17 – 06-30-17

Prospective: \$232.03
PPC: \$305.93

Contractor Specific Requirements:

Geographic Service Areas: The DCS/CMDP Contractor serves eligible members statewide in the following Geographic Service Areas (GSAs) and counties:

GSA	County
02	Yuma, La Paz
04	Apache, Coconino, Mohave, Navajo
06	Yavapai
08	Gila, Pinal
10	Pima, Santa Cruz
12	Maricopa
14	Cochise, Graham, Greenlee

Zip Code Alignment: Zip codes 85542, 85192, and 85550 were moved from the GSA which includes Gila County and assigned to the GSA which includes Graham County. As part of the Greater AZ Integrated RBHA implementation effective October 1, 2015, this move occurred to align tribal members from a single tribe into a single RBHA. This change was implemented for this contract as well in order to keep zip code assignment consistent between AHCCCS lines of business.

High Need/High Cost Program: The Contractor shall collaborate with the Regional Behavioral Health Authority (RBHA) to select members for the High Need/High Cost Program and implement interventions for care coordination in order to promote appropriate utilization of services and improve member outcomes. The Contractor is required to include the number of members indicated below, by RBHA, and as further outlined in Section D, Paragraph 24, Medical Management of the contract:

CMDP Geographic Service Area	# of High Need/High Cost Members		
	Health Choice Integrated Care (HCIC)	Cenpatico Integrated Care (C-IC)	Mercy Maricopa Integrated Care (MMIC)
Statewide	5	5	10

[END OF SECTION C]

SECTION D: PROGRAM REQUIREMENTS**1. PURPOSE, APPLICABILITY, AND INTRODUCTION*****PURPOSE AND APPLICABILITY***

The purpose of the contract between AHCCCS and the Contractor is to implement and operate the provisions of the Comprehensive Medical and Dental Program (CMDP) approved under A.R.S. §36-2901 et seq. relating to the furnishing of covered services and items to each enrolled member. The terms of this contract apply to the Contractor, any provider participating in the Contractor's provider network, and any provider that furnishes items and services to an enrolled member upon the request or authorization of the Contractor.

In the event that a provision of Federal or State law, regulation, or policy is repealed or modified during the term of this contract, effective on the date the repeal or modification by its own terms takes effect:

1. The provisions of this contract shall be deemed to have been amended to incorporate the repeal or modification; and
2. The Contractor shall comply with the requirements of the contract as amended, unless AHCCCS and the Contractor otherwise stipulate in writing.

INTRODUCTION**AHCCCS Mission and Vision**

AHCCCS' mission and vision are to reach across Arizona to provide comprehensive quality healthcare to those in need while shaping tomorrow's managed health care from today's experience, quality and innovation.

AHCCCS is dedicated to continuously improving the efficiency and effectiveness of the Acute Care Program while supporting member choice in the delivery of the highest quality care to its customers.

AHCCCS expects the Contractor to implement program innovation and best practices on an ongoing basis. Furthermore, it is important for the Contractor to continuously develop mechanisms to reduce administrative cost and improve program efficiency. Over the term of the contract, AHCCCS will work collaboratively with the Contractor to evaluate ways to reduce program complexity, improve care coordination and chronic disease management, reduce administrative burdens, leverage joint purchasing power, and reduce unnecessary administrative and medical costs.

AHCCCS has remained a leader in Medicaid Managed Care through the diligent pursuit of excellence and cost effective managed care by its collaboration with Contractors.

The Contractor must continue to add value to the program. A Contractor adds value when it:

- Recognizes that Medicaid members are entitled to care and assistance navigating the service delivery system and demonstrates special effort throughout its operations to assure members receive necessary services.
- Recognizes that Medicaid members with special health care needs or chronic health conditions require care coordination, and provides that coordination.
- Recognizes that health care providers are an essential partner in the delivery of health care services, and operates the Health Plan in a manner that is efficient and effective for health care providers as well as the Contractor.
- Recognizes that performance improvement is both clinical and operational in nature and self-monitors and self-corrects as necessary to improve contract compliance or operational excellence.

- Recognizes that the program is publicly funded, is subject to public scrutiny, and operates in a manner consistent with the public trust.

Additional information may be obtained by visiting the AHCCCS website: www.azahcccs.gov.

3. ENROLLMENT AND DISENROLLMENT

In accordance with A.R.S. §8-512, CMDP provides comprehensive medical and dental care for each child who is: a) placed in a foster home; b) in the custody of DES and placed with a relative, in a certified adoptive home prior to the final order of adoption, or in an independent living program as provided in A.R.S. §8-512; and c) in the custody of the Arizona Department of Juvenile Corrections (ADJC) or the Administrative Office of the Courts/Juvenile Probation Office (AOC/JPO) and placed in foster care.

The Contractor is not responsible for determining eligibility.

AHCCCS has the exclusive authority to enroll and disenroll members. AHCCCS does not use passive enrollment procedures [42 CFR 438.6(d)(2)]. AHCCCS operates as a mandatory managed care program and choice of enrollment or auto-assignment is used pursuant to the terms of the Arizona Medicaid Section 1115 Demonstration Waiver Special Terms and Conditions.¹ AHCCCS will enroll the child with CMDP and notify CMDP of the child's AHCCCS enrollment. CMDP is responsible for timely notification to AHCCCS if a member no longer meets the criteria for CMDP coverage as set for in A.R.S. §8-512. Children who are enrolled with CMDP when placed temporarily in detention may remain Title XIX or Title XXI eligible. When it is determined that the child does not meet the "inmate of a public institution" status as determined by the Children in Detention Policy, AHCCCS enrollment will remain with CMDP. CMDP may not disenroll because of an adverse change in the member's health status, or because of the member's utilization of medical services, diminished mental capacity, or uncooperative or disruptive behavior resulting from his or her special needs [42 CFR 438.56(d)(5)(iii)].

Prior Quarter Coverage: Pursuant to Federal Regulation 42 CFR 435.915, AHCCCS is required to implement Prior Quarter Coverage eligibility which expands the time period during which AHCCCS pays for covered services for eligible individuals to include services provided during any of the three months prior to the month the individual applied for AHCCCS, if the individual met AHCCCS eligibility requirements during that month. AHCCCS Contractors are not responsible for payment for covered services received during the prior quarter. Upon verification or notification of Prior Quarter Coverage eligibility, providers will be required to bill AHCCCS for services provided during a prior quarter eligibility period.

Prior Period Coverage: AHCCCS provides Prior Period Coverage for the period of time, prior to the Title XIX member's enrollment during which a member is eligible for covered services. When a child is not already AHCCCS eligible and enrolled with a Contractor, Prior Period Coverage for CMDP members refers to the time frame from the date the child is removed from the home to when the Medicaid eligibility determination is made. The Contractor receives notification from AHCCCS of the member's enrollment. The Contractor is responsible for payment of all claims for medically necessary covered services, excluding most behavioral health services, provided to members during Prior Period Coverage. AHCCCS Fee-For-Service will be responsible for the payment of claims for Prior Period Coverage for members who are found eligible for AHCCCS initially through hospital presumptive eligibility and later are enrolled with the Contractor. Therefore, for those members, the Contractor is not responsible for Prior Period Coverage.

Hospital Presumptive Eligibility: As required under the Affordable Care Act, AHCCCS has established standards for the State's Hospital Presumptive Eligibility (HPE) program in accordance with federal

requirements. Qualified hospitals that elect to participate in the HPE Program will implement a process consistent with AHCCCS standards which determines applicants presumptively eligible for AHCCCS Medicaid covered services. Persons determined presumptively eligible who have not submitted a full application to AHCCCS will qualify for Medicaid services from the date the hospital determines the individual to be presumptively eligible through the last day of the month following the month in which the determination of presumptive eligibility was made by the qualified hospital. For persons who apply for presumptive eligibility and who also submit a full application to AHCCCS, coverage of Medicaid services will begin on the date that the hospital determines the individual to be presumptively eligible and will continue through the date that AHCCCS issues a determination on that application. All persons determined presumptively eligible for AHCCCS will be enrolled with AHCCCS Fee-For-Service for the duration of the HPE eligibility period. If a member made eligible via HPE is subsequently determined eligible for AHCCCS via the full application process, Prior Period Coverage for the member will also be covered by AHCCCS Fee-For-Service, and the member will be enrolled with the Contractor only on a prospective basis.

Newborns: The Contractor is responsible for notifying AHCCCS of a child's birth to an enrolled member even though the newborn may not be under the custody of the Contractor.

For newborns eligible for CMDP: Capitation for the newborn will be retroactive to the date of birth if notification is received no later than one day from the date of birth. In all other circumstances, capitation for the newborn will begin on the date notification is received by AHCCCS. The effective date of AHCCCS eligibility for the newborn will be the newborn's date of birth, and the Contractor is responsible for all covered services to the newborn, whether or not AHCCCS has received notification of the child's birth. AHCCCS is available to receive notification 24 hours a day, seven days a week via the AHCCCS web site. If the newborn meets statutory requirements for CMDP coverage as set forth in A.R.S. §8-512, CMDP shall remain the newborn's health plan.

For newborns ineligible for CMDP: Newborns who do not meet statutory requirements for CMDP coverage are auto-assigned to an Acute Care Contractor. Mothers of these newborns are sent a Choice Notice advising them of their right to choose a different Contractor for their child, which allows them 30 days to make a choice.

7. AHCCCS MEMBER IDENTIFICATION CARDS

The Contractor is responsible for the production, distribution and costs of AHCCCS member identification cards and the AHCCCS Notice of Privacy Practices in accordance with ACOM Policy 433. See also Attachment F3, Contractor Chart of Deliverables.

8. ACCOMMODATING AHCCCS MEMBERS

The Contractor shall ensure that members are provided covered services without regard to race, color, national origin, sex, sexual orientation, gender identity, age or disability and will not use any policy or practice that has the effect of discriminating on the basis of race, color, or national origin, sex, sexual orientation, gender identity, age or disability [42 CFR 438.3(d)] [45 CFR Part 92].

Examples of prohibited practices include, but are not limited to, the following:

- a. Denying or not providing a member any covered service or access to an available facility;
- b. Providing to a member any medically necessary covered service which is different, or is provided in a different manner or at a different time from that provided to other members, other public or private patients or the public at large, except where medically necessary;
- c. Subjecting a member to segregation or separate treatment in any manner related to the receipt of any covered service; restricting a member in any way in his or her enjoyment of any advantage or privilege enjoyed by others receiving any covered service; and
- d. The assignment of times or places for the provision of services on the basis of the race, color, creed, religion, age, sex, national origin, ancestry, marital status, sexual preference, income status, AHCCCS membership, or physical or intellectual disabilities of the participants to be served.

The Contractor shall assure members the rights as delineated in 42 CFR 438.100.

The Contractor must ensure members and individuals with disabilities are accommodated to actively participate in the provision of services and have physical access to facilities, procedures and exams. For example, the Contractor must provide appropriate auxiliary aids and services to persons with impaired sensory, manual, or speaking skills. The Contractor must provide accommodations to members and individuals with disabilities at no cost to afford such persons an equal opportunity to benefit from the covered services. [45 CFR 92.202 – 92.205]

If the Contractor knowingly executes a subcontract with a provider with the intent of allowing or permitting the subcontractor to implement barriers to care (i.e. the terms of the subcontract act to discourage the full utilization of services by some members) the Contractor will be in default of its Contract.

If the Contractor identifies a problem involving discrimination or accommodations for individuals with disabilities by one of its providers, it shall promptly intervene and require a corrective action plan from the provider. Failure to take prompt corrective measures may place the Contractor in default of its Contract.

9. TRANSITION ACTIVITIES

The Contractor shall develop and implement policies and procedures for the acceptance and transfer of members in accordance with contract and AHCCCS policy. The Contractor shall comply with the AMPM, Chapter 500, Care Coordination Requirements, and ACOM Policy 402 for member transitions between Contractors.

The Contractor shall designate a person with appropriate training and experience to act as the Transition Coordinator. The individual appointed to this position must be a health care professional or an individual who possesses the appropriate education and experience and is supported by a health care professional to effectively coordinate and oversee all transition issues, responsibilities, and activities. This staff person shall interact closely with the transition staff of the receiving Contractor to ensure a safe, timely, and orderly transition. See ACOM Policy 402 for more information regarding the role and responsibilities of the Transition Coordinator.

10. SCOPE OF SERVICES

The Contractor shall provide covered services to AHCCCS members in accordance with all applicable Federal and State laws regulations and policies, including those listed by reference in attachments and this contract. The services are described in detail in AHCCCS Rules A.A.C. R9-22 Article 2, the AHCCCS Medical Policy Manual (AMPM) and the AHCCCS Contractor Operations Manual (ACOM), all of which are incorporated

herein by reference and may be found on the AHCCCS website [42 CFR 400(a)(1)]. To be covered, services must be medically necessary and cost effective. The covered services are briefly described below. Except for behavioral health and children's dental services, and consistent with the terms of the demonstration, covered services must be provided by or coordinated with a primary care provider.

The Contractor must ensure the coordination of services it provides with services the member receives from other entities, including behavioral health services the member receives through a RBHA provider and Children's Rehabilitative Services (CRS). The Contractor shall ensure that, in the process of coordinating care, each member's privacy is protected in accordance with the privacy requirements including, but not limited to, 45 CFR Parts 160 and 164, Subparts A and E, and Arizona statute, to the extent that they are applicable [42 CFR 438.208 (b)(2) and (b)(4) and 438.224].

The Contractor is prohibited from paying for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) with respect to any amount expended for which funds may not be used under the Assisted Suicide Funding Restriction Act of 1997. (1903(i) final sentence and 1903(i)(16) of the Social Security Act.ⁱⁱ

Services must be rendered by providers that are appropriately licensed or certified, operating within their scope of practice, and registered as an AHCCCS provider. The Contractor shall provide the same standard of care for all members, regardless of the member's eligibility category. The Contractor shall ensure that the services are sufficient in amount, duration and scope to reasonably be expected to achieve the purpose for which the services are furnished [42 CFR 434.6(a)(4)]. The Contractor shall not arbitrarily deny or reduce the amount, duration, or scope of a required service solely because of diagnosis, type of illness, or condition of the member [42 CFR 438.210(a)(3)(ii)]. The Contractor may place appropriate limits on a service on the basis of criteria such as medical necessity; or for utilization control, provided the services furnished can reasonably be expected to achieve their purpose [42 CFR 438.210(a)(3); 42 CFR 438.210(a)(4)].

Moral or Religious Objections

The Contractor must notify AHCCCS if, on the basis of moral or religious grounds, it elects to not provide or reimburse for a covered service. The Contractor may propose a solution to allow members' access to the services. If AHCCCS does not approve the Contractor's proposed solution, AHCCCS will determine how the services will be provided. That proposal must:

- Be submitted to AHCCCS in writing prior to entering into a contract with AHCCCS or at least 60 days prior to the intended effective date of the change in the scope of services based on moral or religious grounds;
- Place no financial or administrative burden on AHCCCS;
- Place no significant burden on members' access to the services;
- Be accepted by AHCCCS in writing; and
- Acknowledge an adjustment to capitation, depending on the nature of the proposed solution.

If AHCCCS approves the Contractor's proposed solution for its members to access the services, the Contractor must notify members how to access these services when directed by AHCCCS. The notification and policy must be consistent with the provisions of 42 CFR 438.10, must be provided to newly assigned members within 12 days of enrollment, and must be provided to all current members at least 30 days prior to the effective date of the approved policy [42 CFR 438.102(a)(2)].

Authorization of Services

The Contractor shall have in place and follow written policies and procedures for the processing of requests for initial and continuing authorizations of services. The Contractor must have mechanisms in place to ensure consistent application of review criteria for authorization decisions. Any decision to deny a service authorization request or to authorize a service in an amount, duration or scope that is less than requested, must

be made by a health care professional who has appropriate clinical expertise in treating the member's condition or disease [42 CFR 438.210(b)].

Notice of Action

The Contractor shall notify the requesting provider and give the member written notice of any decision by the Contractor to deny, reduce, suspend or terminate a service authorization request, or to authorize a service in an amount, duration, or scope that is less than requested [42 CFR 438.400(b)]. The notice shall meet the requirements of 42 CFR 438.404, AHCCCS Rules and ACOM Policy 414. The notice to the provider must also be in writing as specified in Attachment F1, Enrollee Grievance and Appeal System Standards of this contract [42 CFR 438.210 (c)]. The Contractor must comply with all decision timelines outlined in ACOM Policy 414.

The Contractor shall ensure that its providers, acting within the lawful scope of their practice are not prohibited or otherwise restricted from advising or advocating, on behalf of a member who is his or her patient, for [42 CFR 438.102]:

- a. The member's health status, medical care or treatment options, including any alternative treatment that may be self-administered [42 CFR 438.100(b)(2)];
- b. Any information the member needs in order to decide among all relevant treatment options;
- c. The risks, benefits, and consequences of treatment or non-treatment; and,
- d. The member's right to participate in decisions regarding his or her health care, including the right to refuse treatment, and to express preferences about future treatment decisions [42 CFR 438.100(b)(2)(iv)].

Ambulatory Surgery: The Contractor shall provide surgical services for either emergency or scheduled surgeries when provided in an ambulatory or outpatient setting such as a freestanding surgical center or a hospital-based outpatient surgical setting.

American Indians: American Indian members, title XIX and XXI, on- or off-reservation, eligible to receive services, may choose to receive services at any time from an American Indian Health Facility (I/T/U) - Indian Health Service (IHS) Facility, a Tribally-Operated 638 Health Program, Urban Indian Health Program [ARRA Section 5006(d), and SMD letter 10-001].ⁱⁱⁱ The Contractor shall not impose enrollment fees, premiums, or similar charges on American Indians served by an American Indian Health Facility (I/T/U) - Indian Health Service (IHS) Facility, a Tribally-Operated 638 Health Program, Urban Indian Health Program (ARRA Section 5006(d), SMD letter 10-001).^{iv}

American Indian Health Program (AIHP): The AHCCCS Division of Fee-For-Service (DFSM) will reimburse claims for acute care services that are medically necessary, and are provided to Title XIX members enrolled with the Contractor in an IHS or 638 tribal facility, eligible for 100% Federal reimbursement when the member is eligible to receive services at the IHS or 638 tribal facility. Encounters for Title XIX services billed by an IHS or tribal facilities will not be accepted by AHCCCS or considered in capitation rate development.

The Contractor is responsible for reimbursement to IHS or tribal facilities for services provided to Title XXI American Indian members enrolled with the Contractor. Payment rates must be at least equal to the AHCCCS Fee-For-Service rates. The Contractor may choose to subcontract with an IHS or 638 tribal facility as part of its provider network for the delivery of Title XXI covered services. Expenses incurred by the Contractor for Title XXI services billed by an IHS or 638 tribal facility shall be encountered and considered in capitation rate development.

Anti-hemophilic Agents and Related Services: The Contractor shall provide services for the treatment of hemophilia and von Willebrand's disease. See Section D, Paragraph 57, Reinsurance, Catastrophic Reinsurance.

Audiology: The Contractor shall provide medically necessary audiology services to evaluate hearing loss for all members, on both an inpatient and outpatient basis. Hearing aids are covered only for members under the age of 21 receiving EPSDT services.

Behavioral Health: The Contractor shall provide behavioral health services as described in Section D, Paragraph 12, Behavioral Health Services.

Children's Rehabilitative Services: Children's Rehabilitative Services (CRS) is a program for children with special health care needs. The CRS program is administered by AHCCCS utilizing a CRS Contractor for children with special health care needs who meet CRS eligibility criteria. The CRS Contractor provides various combinations of acute, behavioral health and specialty CRS services for these children. The Contractor shall refer children to AHCCCS Division of Member Services (DMS) who are potentially eligible for services related to CRS-covered conditions, as specified in A.A.C. R9-22, Article 13 and A.R.S. Title 36. See ACOM Policy 426 for the processes used to accept and process referrals to the CRS Program. In addition, the Contractor shall notify the member when a referral to CRS has been made. The Contractor is responsible for all care of members until those members are determined eligible for CRS by AHCCCS, DMS. In addition, the Contractor is responsible for CRS covered services for CRS-eligible members unless and until the Contractor has received confirmation from AHCCCS that the CRS Contractor will provide the medically necessary, CRS covered service. The Contractor shall require the member's Primary Care Provider (PCP) to coordinate the member's care with the CRS Contractor. For more detailed information regarding eligibility criteria, referral practices, and Contractor-CRS coordination issues, refer to the AHCCCS Medical Policy Manual (AMPM) and the AHCCCS Contractor's Operation Manual (ACOM) located on the AHCCCS website.

The Contractor shall respond to requests for services potentially covered by CRS in accordance with the related ACOM and AMPM policies. The Contractor is responsible for addressing prior authorization requests for CRS covered services if the CRS Contractor denies or fails to comply with the prior authorization timeframes specified in the related ACOM and AMPM policies. The Contractor is responsible for the payment of emergency department facility and professional claims (in or out of network), regardless of whether the service is related to the CRS condition. In addition, the Contractor remains ultimately responsible for the provision of all AHCCCS-covered services to its members including services denied by the CRS Contractor for the reason that it is not a service related to a CRS condition.

Referral to the CRS Contractor does not relieve the Contractor of the responsibility for providing timely medically necessary AHCCCS covered services not covered by the CRS Contractor. In the event that the CRS Contractor denies a medically necessary AHCCCS covered service for the reason that it is not related to a CRS condition, the Contractor must promptly respond to the service authorization request and authorize the provision of medically necessary covered services. The CRS Contractor cannot contest the Contractor prior authorization determination if the CRS Contractor fails to timely respond to a service authorization request. Contractors, through their Medical Directors, may request review from the CRS Contractor Medical Director when it denies a service for the reason that it is not covered by the CRS Program. In the event that the Contractor disagrees with a coverage decision by the CRS Contractor, the Contractor must cover the care or service while submitting an appeal to AHCCCS as specified in AMPM. The Contractor may also request a review of the decision with AHCCCS if it is dissatisfied with the CRS Contractor's determination. If the AHCCCS review determines that the service should have been provided by the CRS Contractor, the CRS Contractor shall be financially responsible for the costs incurred by the Contractor in providing the service.

Chiropractic Services: The Contractor shall provide chiropractic services to members under the age of 21 when prescribed by the member's PCP and approved by the Contractor in order to ameliorate the member's medical condition. For Qualified Medicare Beneficiaries, regardless of age, Medicare approved chiropractic services shall be covered, subject to limitations specified in 42 CFR 410.21.

Dialysis: The Contractor shall provide medically necessary dialysis, supplies, diagnostic testing and medication for all members when provided by Medicare-certified hospitals or Medicare-certified end stage renal disease (ESRD) providers. Services may be provided on an outpatient basis or on an inpatient basis if the hospital admission is not solely to provide chronic dialysis services.

Early and Periodic Screening, Diagnostic and Treatment (EPSDT): The Contractor shall provide comprehensive health care services through primary prevention, early intervention, diagnosis and medically necessary treatment to correct or ameliorate defects and physical or mental illnesses discovered by the screenings for members under age 21. The Contractor shall ensure that these members receive required health screenings, including developmental and behavioral health screenings, in compliance with the AHCCCS EPSDT Periodicity Schedule, and the AHCCCS Dental Periodicity Schedule (Exhibit 430-1 and 430-1A in the AMPM), including appropriate oral health screening intended to identify oral pathology, including tooth decay and/or oral lesions, and the application of fluoride varnish conducted by a physician, physician's assistant or nurse practitioner.

The Contractor shall ensure the initiation and coordination of a referral as individuated on the EPSDT forms received, to the T/RBHA system for members in need of behavioral health services. The Contractor shall have processes in place to follow up with the T/RBHA to monitor whether members have received these EPSDT services. The Contractor will ensure coordination of referrals and follow-up collaboration, as necessary, for members identified by the T/RBHA as needing acute care services.

Emergency Services: The Contractor shall provide emergency services per the following:

- a. Emergency services facilities adequately staffed by qualified medical professionals to provide pre-hospital, emergency care on a 24-hour-a-day, seven-day-a-week basis, for an emergency medical condition as defined by AHCCCS Rule 9 A.A.C. 22 Article 1. Emergency medical services are covered without prior authorization. The Contractor is encouraged to contract with emergency service facilities for the provision of emergency services. The Contractor shall be responsible for educating members and providers regarding appropriate utilization of emergency room services including behavioral health emergencies. [42 CFR 438.206(c)(1)(i)] The Contractor shall monitor emergency service utilization (by both provider and member) and shall have guidelines for implementing corrective action for inappropriate utilization. For utilization review, the test for appropriateness of the request for emergency services shall be whether a prudent layperson, similarly situated, would have requested such services. For the purpose of this contract, a prudent layperson is a person who possesses an average knowledge of health and medicine.
- b. All medical services necessary to rule out an emergency condition; and
- c. Emergency transportation,

Per the Medicaid Managed Care Regulations, 42 CFR 438.114, 422.113, 422.133 the following conditions apply with respect to coverage and payment of emergency services:

The Contractor must cover and pay for emergency services regardless of whether the provider that furnishes the service has a contract with the Contractor.

The Contractor may not deny payment for treatment obtained under either of the following circumstances:

- a. A member had an emergency medical condition, including cases in which the absence of medical attention would not have resulted in the outcomes identified in the definition of emergency medical condition 42 CFR 438.114.
- b. A representative of the Contractor (an employee or subcontracting provider) instructs the member to seek emergency medical services.

Additionally, the Contractor may not:

- a. Limit what constitutes an emergency medical condition as defined in 42 CFR 438.114, on the basis of lists of diagnoses or symptoms.
- b. Refuse to cover emergency services based on the failure of the emergency room provider, hospital, or fiscal agent to notify the Contractor of the member's screening and treatment within 10 calendar days of presentation for emergency services. Claims submission by the hospital within 10 calendar days of the member's presentation for the emergency services constitutes notice to the Contractor. This notification stipulation is only related to the provision of emergency services.
- c. Require notification of Emergency Department treat and release visits as a condition of payment unless the plan has prior approval from AHCCCS.

A member who has an emergency medical condition may not be held liable for payment of subsequent screening and treatment needed to diagnose the specific condition or stabilize the patient.

The attending emergency physician, or the provider actually treating the member, is responsible for determining when the member is sufficiently stabilized for transfer or discharge, and such determination is binding on the Contractor responsible for coverage and payment. The Contractor shall comply with Medicare Managed Care guidelines regarding the coordination of poststabilization care.

For additional information and requirements regarding emergency services, refer to AHCCCS Rules A.A.C. R9-22-201 et seq. and 42 CFR 438.114.

Family Planning: The Contractor shall provide family planning services in accordance with the AMPM, and consistent with the terms of the demonstration, for all members who choose to delay or prevent pregnancy. These include medical, surgical, pharmacological and laboratory services, as well as contraceptive devices. Information and counseling, which allow members to make informed decisions regarding family planning methods, are also included. If the Contractor does not provide family planning services due to moral and religious objections, it must contract for these services through another health care delivery system or have an approved alternative in place.

Foot and Ankle Services:

Pursuant to A.R.S. §36-2907, podiatry services performed by a podiatrist licensed pursuant to A.R.S. Title 32, Chapter 7 are covered for members when ordered by a primary care physician or primary care practitioner.

Children: The Contractor shall provide foot and ankle services for members under the age of 21 to include unionectomies, casting for the purpose of constructing or accommodating orthotics, medically necessary orthopedic shoes that are an integral part of a brace, and medically necessary routine foot care for patients with a severe systemic disease which prohibits care by a non-professional person.

Home and Community Based Services: Assisted living facility, alternative residential setting, or Home and Community Based Services (HCBS) as defined in A.A.C. R9-22, Article 2 and A.A.C. R9-28, Article 2 that meet the provider standards described in A.A.C. R9-28, Article 5, and subject to the limitations set forth in the AMPM. This service is covered in lieu of a nursing facility.

Home Health: This service shall be provided under the direction of a physician to prevent hospitalization or institutionalization and may include nursing, therapies, supplies and home health aide services. It shall be provided on a part-time or intermittent basis.

Hospice: These services are covered for members who are certified by a physician as being terminally ill and having six months or less to live. See the AMPM for details on covered hospice services.

Hospital: Inpatient services include semi-private accommodations for routine care, intensive and coronary care, surgical care, and obstetrics and newborn nurseries. If the member's medical condition requires isolation, private inpatient accommodations are covered. Nursing services, dietary services and ancillary services such as laboratory, radiology, pharmaceuticals, medical supplies, blood and blood derivatives, etc. are also covered. Outpatient hospital services include any of the above services, which may be appropriately provided on an outpatient or ambulatory basis (i.e. laboratory, radiology, therapies, ambulatory surgery, etc.). Observation services may be provided on an outpatient basis if determined reasonable and necessary to decide whether the member should be admitted for inpatient care. Observation services include the use of a bed and periodic monitoring by hospital nursing staff and/or other staff to evaluate, stabilize or treat medical conditions of a significant degree of instability and/or disability. Refer to the AMPM for limitations on hospital stays.

Immunizations: The Contractor shall provide medically necessary immunizations for adults 21 years of age and older. Refer to the AMPM for current immunization requirements. The Contractor is required to meet specific immunization rates for members under the age of 21, which are described in Section D, Paragraph 23, Quality Management and Performance Improvement.

Incontinence Briefs: In general, incontinence briefs (diapers) are not covered for members unless medically necessary to treat a medical condition. However, for AHCCCS members over three years of age and under 21 years of age incontinence briefs, including pull-ups and incontinence pads, are also covered to prevent skin breakdown and to enable participation in social community, therapeutic, and educational activities under limited circumstances. In addition, effective December 15, 2014 for members in the ALTCS Program who are 21 years of age and older, incontinence briefs, including pull-ups and incontinence pads are also covered in order to prevent skin breakdown as outlined in AMPM Policy 310-P. See A.A.C. R9-22-212 and AMPM Chapters 300 and 400.

Laboratory: Laboratory services for diagnostic, screening and monitoring purposes are covered when ordered by the member's PCP, other attending physician or dentist, and provided by a free-standing laboratory or hospital laboratory, clinic, physician office or other health care facility laboratory with Clinical Laboratory Improvement Act (CLIA) licensure or a Certificate of Waiver.

Upon written request, a Contractor may obtain laboratory test data on members from a laboratory or hospital-based laboratory subject to the requirements specified in A.R.S. §36-2903(Q) and (R). The data shall be used exclusively for quality improvement activities and health care outcome studies required and/or approved by AHCCCS.

Maternity: The Contractor shall provide pregnancy identification, prenatal care, treatment of pregnancy related conditions, labor and delivery services, and postpartum care for members. Services may be provided by physicians, physician assistants, nurse practitioners, certified nurse midwives, or licensed midwives. Members may select or be assigned to a PCP specializing in obstetrics while they are pregnant. Members anticipated to have a low-risk delivery, may elect to receive labor and delivery services in their home from their maternity provider, if this setting is included in the allowable settings for the Contractor, and the Contractor has providers in its network that offer home labor and delivery services. Members anticipated to have a low-risk prenatal course and delivery may elect to receive maternity services of prenatal care, labor and delivery and postpartum care provided by certified nurse midwives or licensed midwives, if they are in the

Contractor's provider network. Members receiving maternity services from a certified nurse midwife or a licensed midwife must also be assigned to a PCP for other health care and medical services. A certified nurse midwife may provide those primary care services that they are willing to provide and that the member elects to receive from the certified nurse midwife. Members receiving care from a certified nurse midwife may also elect to receive some or all her primary care from the assigned PCP. Licensed midwives may not provide any additional medical services as primary care is not within their scope of practice. Members who transition to a new Contractor or become enrolled during their third trimester must be allowed to complete maternity care with their current AHCCCS registered provider, regardless of contractual status, to ensure continuity of care.

The Contractor shall allow women and their newborns to receive up to 48 hours of inpatient hospital care after a routine vaginal delivery and up to 96 hours of inpatient care after a cesarean delivery. The attending health care provider, in consultation with the mother, may discharge the mother or newborn prior to the minimum length of stay. A normal newborn may be granted an extended stay in the hospital of birth when the mother's continued stay in the hospital is beyond the 48 or 96 hour stay.

The Contractor shall inform all assigned AHCCCS pregnant women of voluntary prenatal HIV/AIDS testing and the availability of medical counseling, if the test is positive. The Contractor shall provide information in the Member Handbook and annually in the member newsletter, to encourage pregnant women to be tested and instructions about where to be tested. Semi-annually, the Contractor shall report to AHCCCS, Division of Health Care Management (DHCM) the number of pregnant women who have been identified as HIV/AIDS-positive for each quarter during the contract year. This report is due as specified in Attachment F3, Contractor Chart of Deliverables.

Medical Foods: Medical foods are covered within limitations defined in the AMPM for members diagnosed with a metabolic condition included under the ADHS Newborn Screening Program and specified in the AMPM. The medical foods, including metabolic formula and modified low protein foods, must be prescribed or ordered under the supervision of a physician.

Medical Supplies, Durable Medical Equipment (DME), and Prosthetic Devices: These services are covered when prescribed by the member's PCP, attending physician or practitioner, or by a dentist as described in the AMPM. Prosthetic devices must be medically necessary and meet criteria as described in the AMPM. Medical equipment may be rented or purchased only if other sources are not available which provide the items at no cost. The total cost of the rental must not exceed the purchase price of the item. Reasonable repairs or adjustments of purchased equipment are covered to make the equipment serviceable and/or when the repair cost is less than renting or purchasing another unit.

Nursing Facility: The Contractor shall provide services in nursing facilities, including religious non-medical health care institutions, for members who require short-term convalescent care not to exceed 90 days per contract year. In lieu of a nursing facility, the member may be placed in an assisted living facility or alternative residential setting, or receive Home and Community Based Services (HCBS) as defined in A.A.C. R9-22, Article 2 and A.A.C. R9-28, Article 2 that meet the provider standards described in A.A.C. R9-28, Article 5, and subject to the limitations set forth in the AMPM.

Nursing facility services must be provided in a dually-certified Medicare/Medicaid nursing facility which includes in the per-diem rate: nursing services; basic patient care equipment and sickroom supplies; dietary services; administrative physician visits; non-customized DME; necessary maintenance and rehabilitation therapies; over-the-counter medications; social, recreational and spiritual activities; and administrative, operational medical direction services. See Paragraph 41, Nursing Facility Reimbursement, for further details.

The Contractor shall notify the Assistant Director of the Division of Member Services, by Email, when a member has been residing in a nursing facility, alternative residential facility or receiving home and community based services for 45 days. This will allow AHCCCS time to follow-up on the status of the

ALTCS application and to consider potential Fee-For-Service coverage, if the stay goes beyond the 90-day per contract year maximum. The notice should be sent via e-mail to HealthPlan45DayNotice@azahcccs.gov.

Notifications must include:

- a. Member Name
- b. AHCCCS ID
- c. Date of Birth
- d. Name of Facility
- e. Admission Date to the Facility
- f. Date the member will reach the 90 days
- g. Name of Contractor of enrollment

Nutrition: Nutritional assessments are conducted as a part of the EPSDT screenings for members under age 21, and to assist members whose health status may improve with nutritional intervention. Assessment of nutritional status on a periodic basis may be provided as determined necessary, and as a part of the health risk assessment and screening services provided by the member's PCP. AHCCCS covers nutritional therapy on an enteral, parenteral or oral basis, when determined medically necessary, according to the criteria specified in the AMPM, to provide either complete daily dietary requirements, or to supplement a member's daily nutritional and caloric intake.

Oral Health: The Contractor shall provide all members under the age of 21 years with all medically necessary dental services including emergency dental services, dental screening, preventive services, therapeutic services and dental appliances in accordance with the AHCCCS Dental Periodicity Schedule. The Contractor shall monitor compliance with the AHCCCS Dental Periodicity Schedule for dental screening services. The Contractor must develop processes to assign members to a dental home by one year of age and communicate that assignment to the member. The Contractor must regularly notify the oral health professional which members have been assigned to the provider's dental home for routine preventative care as outlined in AMPM Chapter 400. The Contractor is required to meet specific utilization rates for members as described in Section D, Paragraph 23, Quality Management and Performance Improvement. The Contractor shall ensure that members are notified in writing when dental screenings are due, if the member has not been scheduled for a visit. If a dental screening is not received by the member, a second written notice must be sent. Members under the age of 21 may request dental services without referral and may choose a dental provider from the Contractor's provider network.

Orthotics: Orthotics are covered for AHCCCS members under the age of 21 as outlined in AMPM Policy 430. Orthotics are covered for AHCCCS members 21 years of age and older if all of the following apply:

1. The use of the orthotic is medically necessary as the preferred treatment option and consistent with Medicare guidelines;
2. The orthotic is less expensive than all other treatment options or surgical procedures to treat the same diagnosed condition; and
3. The orthotic is ordered by a physician or primary care practitioner.

Medical equipment may be rented or purchased only if other sources, which provide the items at no cost, are not available. The total cost of the rental must not exceed the purchase price of the item. Reasonable repairs or adjustments of purchased equipment are covered for members under the age of 21 to make the equipment serviceable and/or when the repair cost is less than renting or purchasing another unit. The component will be replaced if at the time authorization is sought documentation is provided to establish that the component is not operating effectively.

Physician: The Contractor shall provide physician services to include medical assessment, treatments and surgical services provided by licensed allopathic or osteopathic physicians.

Poststabilization Care Services: Pursuant to AHCCCS Rule A.A.C. R9-22-210 and 42 CFR 438.114, and 42 CFR 422.113(c) and 422.133, the following conditions apply with respect to coverage and payment of poststabilization care services, except where otherwise noted in the contract.

The Contractor must cover and pay for poststabilization care services without authorization, regardless of whether the provider that furnishes the service has a contract with the Contractor, for the following situations:

- a. Poststabilization care services that were pre-approved by the Contractor; or
- b. Poststabilization care services were not pre-approved by the Contractor because the Contractor did not respond to the treating provider's request for pre-approval within one hour after being requested to approve such care or could not be contacted for pre-approval.
- c. The Contractor representative and the treating physician cannot reach agreement concerning the member's care and a Contractor physician is not available for consultation. In this situation, the Contractor must give the treating physician the opportunity to consult with a Contractor physician and the treating physician may continue with care of the patient until a Contractor physician is reached or one of the criteria in 42 CFR 422.113(c)(3) is met.

Pursuant to 42 CFR 422.113(c)(3), the Contractor's financial responsibility for poststabilization care services that have not been pre-approved ends when:

- a. A Contractor physician with privileges at the treating hospital assumes responsibility for the member's care;
- b. A Contractor physician assumes responsibility for the member's care through transfer;
- c. A Contractor representative and the treating physician reach an agreement concerning the member's care; or
- d. The member is discharged.

Pregnancy Terminations: AHCCCS covers pregnancy termination if the pregnant member suffers from a physical disorder, physical injury, or physical illness, including a life endangering physical condition caused by or arising from the pregnancy itself, that would, as certified by a physician, place the member in danger of death unless the pregnancy is terminated, or the pregnancy is a result of rape or incest.

The attending physician must acknowledge that a pregnancy termination has been determined medically necessary by submitting the Certificate of Necessity for Pregnancy Termination. This form must be submitted to the Contractor's Medical Director and meet the requirements specified in the AMPM. The Certificate must certify that, in the physician's professional judgment, the criteria have been met.

Prescription Medications: Medications ordered by a PCP, attending physician or dentist, other authorized prescriber and dispensed under the direction of a licensed pharmacist are covered subject to limitations related to prescription supply amounts, Contractor formularies and prior authorization requirements. An appropriate over-the-counter medication may be prescribed as defined in the AMPM when it is determined to be a lower-cost alternative to a prescription medication. The Contractor shall comply with AMPM Policy 310-V.

Pharmaceutical Rebates: The Contractor, including the Contractor's Pharmacy Benefit Manager (PBM), is prohibited from negotiating any rebates with drug manufacturers for preferred or other pharmaceutical products when AHCCCS has a supplemental rebate contract for the product(s). A listing of products covered under supplemental rebate agreements will be available on the AHCCCS website under the Pharmacy Information section.

If the Contractor or its PBM has an existing rebate agreement with a manufacturer, all outpatient drug claims, including provider-administered drugs for which AHCCCS is obtaining supplemental rebates, must be exempt from such rebate agreements. For pharmacy related encounter data information Section D, Paragraph 65, Encounter Data Reporting.

Medicare Part D: The Medicare Modernization Act of 2003 (MMA) created a prescription drug benefit called Medicare Part D for individuals who are eligible for Medicare Part A and/or enrolled in Medicare Part B. AHCCCS does not cover prescription drugs that are covered under Part D for dual eligible members. AHCCCS will not cover prescription drugs for this population whether or not they are enrolled in Medicare Part D. AHCCCS covers federally reimbursable drugs ordered by a PCP, attending physician, dentist or other authorized prescriber and dispensed by or under the direction of a licensed pharmacist, in accordance with Arizona State Board of Pharmacy Rules and Regulations, subject to limitations related to prescription supply amounts, and the Contractor's prior authorization requirements if they are excluded from Medicare Part D coverage. Medications that are covered by Part D, but are not on a specific Part D Health Plan's formulary are not considered excluded drugs and are not covered by AHCCCS. This applies to members who are enrolled in Medicare Part D or are eligible for Medicare Part D. See AMPM Chapter 300, Section 310-V.

340B Drug Pricing Program: All federally reimbursable drugs identified in the 340B Drug Pricing Program are required to be billed at the lesser of: 1) the actual acquisition cost of the drug or 2) the 340B ceiling price. The Contractor shall ensure that these drugs be reimbursed at the lesser of the two amounts above plus a professional (dispensing) fee. See Laws 2016, Second Regular Session, Chapter 122, A.R.S. §36-2930.03, and A.A.C. R9-22-710 (C) for further details. The 340B drug pricing program includes:

Eligible Organizations and Covered Entities	Effective Date
Drugs dispensed by FQHC/RHC and FQHC Look-Alike 340B pharmacies	Already implemented
Drugs dispensed by other 340B covered entities	Effective the later of January 1, 2017 or upon CMS approval
Drugs administered by 340B entity providers (including drugs administered by physicians)	To Be Determined during CYE 17
Drugs dispensed by licensed hospitals and outpatient facilities that are owned or operated by a licensed hospital	Excluded from 340B reimbursement mandate at this time
Drugs administered by providers in licensed hospital and outpatient facilities that are owned or operated by a licensed hospital.	Excluded from 340B reimbursement mandate at this time

The Contractor is required to comply with any changes to reimbursement methodology for 340B entities.

Primary Care Provider: Primary Care Provider (PCP) services are covered when provided by a physician, physician assistant or nurse practitioner selected by, or assigned to, the member. The PCP provides primary health care and serves as a coordinator in referring the member for specialty medical services [42 CFR 438.208(b)]. The PCP is responsible for maintaining the member's primary medical record, which contains documentation of all health risk assessments and health care services of which they are aware whether or not they were provided by the PCP.

Radiology and Medical Imaging: These services are covered when ordered by the member's PCP, attending physician or dentist and are provided for diagnosis, prevention, treatment or assessment of a medical condition.

Rehabilitation Therapy: The Contractor shall provide occupational, physical and speech therapies. Therapies must be prescribed by the member's PCP or attending physician for an acute condition and the member must have the potential for improvement due to the rehabilitation.

Occupational and Speech therapy is covered for all members receiving inpatient hospital (or nursing facility services). Occupational Therapy and Speech therapy services provided on an outpatient basis are only covered for members under the age of 21. Physical Therapy is covered for all members in both inpatient and outpatient settings. Outpatient physical therapy for members 21 years of age or older are subject to visit limits per contract year as described in the AMPM.

Respiratory Therapy: Respiratory therapy is covered when prescribed by the member's PCP or attending physician and is necessary to restore, maintain or improve respiratory functioning.

Support Services (State Only): Support services including, but not limited to, prevention education, ongoing support to maintain employment, and supported housing, are provided by the Regional Behavioral Health Authorities (RBHAs) as outlined in the AHCCCS Covered Behavioral Health Services Guide, to facilitate the delivery of or enhance the benefit received from other behavioral health services. The Contractor shall assist members with how to access support services and shall coordinate care for the member as appropriate.

Transplantation of Organs and Tissue, and Related Immunosuppressant Drugs: These services are covered within limitations defined in the AMPM for members diagnosed with specified medical conditions. Services include: pre-transplant inpatient or outpatient evaluation; donor search; organ/tissue harvesting or procurement; preparation and transplantation services; and convalescent care. In addition, if a member receives a transplant covered by a source other than AHCCCS, medically necessary non-experimental services are provided within limitations after the discharge from the acute care hospitalization for the transplantation. AHCCCS maintains specialty contracts with transplantation facility providers for the Contractor's use or the Contractor may select its own transplantation provider. Refer to Section D, Paragraph 57, Reinsurance.

Transportation: These services include emergency and non-emergency medically necessary transportation. Emergency transportation, including transportation initiated by an emergency response system such as 911, may be provided by ground, air or water ambulance to manage an AHCCCS member's emergency medical condition at an emergency scene and transport the member to the nearest appropriate medical facility. Non-emergency transportation shall be provided for members who are unable to provide or secure their own transportation for medically necessary services using the appropriate mode based on the needs of the member. The Contractor shall ensure that members have coordinated, reliable, medically necessary transportation to ensure members arrive on-time for regularly scheduled appointments and are picked up upon completion of the entire scheduled treatment.

Treat and Refer: Interaction with an individual who has accessed 911 or a similar public emergency dispatch number, but whose illness or injury does not require ambulance transport to an emergency department based on the clinical information available at that time. The interaction must include: (1) documentation of an appropriate clinical and/or social evaluation, (2) a treatment/referral plan for accessing social, behavioral, and/or healthcare services that address the patient's immediate needs, and (3) evidence of efforts to follow-up with the patient to ascertain adherence with the treatment plan, and (4) documentation of efforts to assess customer satisfaction with the treat and refer visit. Treat and Refer standing orders shall be consistent with medical necessity and consider patient preference when the clinical condition allows.

Triage/Screening and Evaluation: These are covered services when provided by an acute care hospital, IHS or 638 tribal facility and after-hours settings to determine whether or not an emergency exists, assess the severity of the member's medical condition and determine services necessary to alleviate or stabilize the emergent condition. Triage/screening services must be reasonable, cost effective and meet the criteria for severity of illness and intensity of service.

Vision Services/Ophthalmology/Optomety: The Contractor shall provide all medically necessary emergency eye care, vision examinations, prescriptive lenses, frames, and treatments for conditions of the eye for all members under the age of 21.

Members shall have full freedom to choose, within the Contractor's network, a practitioner in the field of eye care, acting within the scope of their practice, to provide the examination, care or treatment for which the member is eligible. A "practitioner in the field of eye care" is defined to be either an ophthalmologist or an optometrist.

Well Exams: Well visits, such as, but not limited to, well woman exams, breast exams, and prostate exams are covered for members 21 years of age and older. For members under 21 years of age, AHCCCS continues to cover medically necessary services under the EPSDT Program.

11. SPECIAL HEALTH CARE NEEDS

AHCCCS has specified in its *Quality Assessment and Performance Improvement Strategy* certain populations with special health care needs as defined by the State [42 CFR 438.208(c)(1)].^v

Members with special health care needs are those members who have serious and chronic physical, developmental, or behavioral conditions requiring medically necessary health and related services of a type or amount beyond that required by members generally. A member will be considered as having special health care needs if the medical condition simultaneously meets the following criteria:^{vi}

- a. Lasts or is expected to last one year or longer, and
- b. Requires ongoing care not generally provided by a primary care provider.

AHCCCS has determined that the following populations meet this definition:^{vii}

- a. Members who are recipients of services provided through the Children's Rehabilitative Services (CRS) program
- b. Members who are recipients of services provided through the contracted Regional Behavioral Health Authorities (RBHAs), and
- c. Members diagnosed with HIV/AIDS
- d. Arizona Long Term Care System:
 - Members enrolled in the ALTCS program who are elderly and/or have a physical disability, and
 - Members enrolled in the ALTCS program who have a developmental disability.

AHCCCS monitors quality and appropriateness of care/services for routine and special health care needs members through annual Operational and Financial Reviews of Contractors and the review of required Contractor deliverables set forth in contract, program specific performance measures, and performance improvement projects.^{viii}

The Contractor shall have in place a mechanism to identify and stratify all members with special health care needs [42 CFR 438.240(b)(4)]. The Contractor shall implement mechanisms to assess each member identified as having special health care needs, in order to identify any ongoing special conditions of the member which require a course of treatment, or regular care monitoring. The assessment mechanisms shall use appropriate

health care professionals [42 CFR 438.208(c)(2)]. The Contractor shall share with other entities providing services to that member the results of its identification and assessment of that member's needs so that those activities need not be duplicated [42 CFR 438.208(b)(3)].

For members with special health care needs determined to need a specialized course of treatment or regular care monitoring, the Contractor must have procedures in place to allow members to directly access a specialist (for example through a standing referral or an approved number of visits) as appropriate for the member's condition and identified needs [42 CFR 438.208(c)(4)].

The Contractor shall have a methodology to identify providers willing to provide medical home services and make reasonable efforts to offer access to these providers.

The American Academy of Pediatrics (AAP) describes care from a medical home as:

- Accessible
- Continuous
- Coordinated
- Family-centered
- Comprehensive
- Compassionate
- Culturally effective

The Contractor shall ensure that populations with ongoing medical needs, including but not limited to dialysis, radiation and chemotherapy, have coordinated, reliable, medically necessary transportation to ensure members arrive on-time for regularly scheduled appointments and are picked up upon completion of the entire scheduled treatment. See Section D, Paragraph 33, Appointment Standards.

12. BEHAVIORAL HEALTH SERVICES

AHCCCS members receive behavioral health services through a Regional Behavioral Health Authority (RBHA) or for American Indians, through a Tribal Regional Behavioral Health Authority (TRBHA) or IHS or 638 tribal facility. Behavioral health services include but are not limited to screening, treatment and assistance in coordinating care among providers.

CRS Eligibility: CMDP enrolled members receiving CRS services receive all behavioral health and CRS-related services through the CRS Contractor. Members continue to receive acute care services from the primary program of enrollment (CMDP).

Member Education: The Contractor shall be responsible for educating members in the Member Handbook and other materials to inform members how to access covered behavioral health services. Materials shall include information about behavioral health conditions that may be treated by a primary care provider (PCP) which includes anxiety, depression and ADHD. Refer to the AMPM Chapter 300 for covered behavioral health services.

Referrals: A direct referral for a behavioral health evaluation may be made by any health care professional. A member, his/her family and/or guardian, may also self-refer to the T/RBHA for screening, evaluation or treatment or be referred by schools, State agencies, providers, or other parties. The Contractor shall develop, monitor and continually evaluate its processes for timely referral for behavioral health services.

EPSDT: As specified in Section D, Paragraph 10, Scope of Services, EPSDT, the Contractor must provide behavioral health screenings for members up to 21 years of age in compliance with the AHCCCS periodicity

schedule. The Contractor shall ensure the initiation and coordination of behavioral health referrals when determined necessary through the screening process.

Access to Behavioral Health Services: The Contractor is responsible for collaborating with T/RBHAs regarding referrals and follow-up activities, as necessary, for members identified by the Contractor as needing behavioral health evaluation and treatment. The Contractor is responsible for providing transportation to a member's first behavioral health evaluation appointment if a member is unable to provide their own transportation.

Emergency Services: When members present in an emergency room setting, the Contractor is responsible for payment of all emergency room services, transportation, and associated professional services as indicated by the principal diagnosis on the claim and delineated in ACOM Policy 432. When members present in an emergency room setting, the Contractor is responsible for payment of all emergency room services and transportation for all members regardless of the principal diagnosis on the emergency room and/or transportation claim. In addition to those emergency services listed above, the Contractor is responsible for payment of the associated professional services when the principal diagnosis on the claim is physical health, as delineated in ACOM Policy 432.

Court Ordered Treatment: Reimbursement for court ordered screening and evaluation services is not the responsibility of the Contractor and instead falls to the county pursuant to A.R.S. §36-545. For additional information regarding behavioral health services refer to Title 9 Chapter 22 Articles 2 and 12.

The Contractor shall develop policies that outline its role and responsibility related to the treatment of individuals who are unable or unwilling to consent to treatment. The policy must be submitted for review as specified in Attachment F3, Contractors Chart of Deliverables. The policy must address:

1. Involuntary evaluation/petitioning
2. Court ordered process, including tracking the status of court orders
3. Execution of court order, and
4. Judicial review

Home Health Services: In the event that a member's mental health status renders them incapable or unwilling to manage their medical condition and the member has a skilled medical need, the Contractor must arrange ongoing medically necessary nursing services. The Contractor shall also have a mechanism in place for tracking members for whom ongoing medically necessary services are required. This service shall be provided under the direction of a physician to prevent hospitalization or institutionalization and may include nursing, therapies, supplies and home health aide services. It shall be provided on a part-time or intermittent basis. The Contractor is prohibited from paying for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) for home health care services provided by an agency or organization, unless AHCCCS Provider Registration verifies compliance with the surety bond requirements specified in Sections 1861(o)(7) and 1903(i)(18) of the Social Security Act.^{ix}

Coordination of Care: The Contractor shall require the PCP to respond to RBHA/provider information requests pertaining to ADHS behavioral health recipients within 10 business days of receiving the request. The response should include, but is not limited to, current diagnoses, medications, laboratory results, most recent PCP visit, and information about recent hospital and emergency room visits. The Contractor shall require the PCP to document or initial signifying review of member behavioral health information received from a RBHA behavioral health provider who is also treating the member. The Contractor will ensure coordination of referrals and follow-up collaboration, as necessary, for members identified by the behavioral health provider as needing acute care services. For guidance in addressing the needs of members with multi system involvement and complex behavior health and co-occurring conditions, refer to AMPM Policy 570, Community Collaborative Care Teams.

Medical Records: The Contractor is responsible for ensuring that a medical record is established by the PCP when behavioral health information is received from the T/RBHA or the behavioral health provider about a member assigned to the PCP even if the PCP has not yet seen the assigned member. In lieu of establishing a medical record, the information may be kept in an appropriately labeled file but must be associated with the member's medical record as soon as one is established.

Sharing of Data: On a recurring basis (no less than quarterly based on adjudication date), AHCCCS shall provide the Contractor an electronic file of claims and encounter data for members enrolled with the Contractor who have received services, during the member's enrollment period, from another contractor or through AHCCCS FFS for purposes of member care coordination. Data sharing will comply with Federal privacy regulations.

Medication Management Services: The Contractor shall allow PCPs to treat members diagnosed with anxiety, depression and Attention Deficit Hyperactivity Disorder (ADHD). For purposes of medication management, it is not required that the PCP be the member's assigned PCP. PCPs who treat members with these behavioral health conditions may provide medication management services including prescriptions, laboratory and other diagnostic tests necessary for diagnosis, and treatment. The Contractor shall make available, on the Contractor's formulary, medications for the treatment of these disorders. The Contractor is responsible for these services both in the prospective and prior period coverage timeframes.

Tool Kits: Clinical tool kits for the treatment of anxiety, depression, and ADHD are available in the AMPM. Refer to AMPM Appendix E, Childhood and Adolescent Behavioral Health Tool Kits and Appendix F Behavioral Health Tool Kits. These tool kits are a resource only and may not apply to all patients and all clinical situations. The tool kits are not intended to replace clinical judgment. The Contractor shall ensure that PCPs who have an interest or are actively treating members with these disorders are aware of these resources and/or are utilizing other recognized, clinical tools/evidence-based guidelines. The Contractor shall develop a monitoring process to ensure that PCPs utilize evidence-based guidelines/recognized clinical tools when prescribing medications to treat depression, anxiety, and ADHD.

Step Therapy: The Contractor may implement step therapy for behavioral health medications used for treating anxiety, depression and ADHD disorders. The Contractor shall provide education and training for providers regarding the concept of step therapy. If the T/RBHA/behavioral health provider provides documentation to the Contractor that step therapy has already been completed for the conditions of anxiety, depression or ADHD, or is medically contraindicated, the Contractor shall continue to provide the medication at the dosage at which the member has been stabilized by the behavioral health provider. In the event the PCP identifies a change in the member's condition, the PCP may utilize step therapy until the member is stabilized for the condition of anxiety, depression or ADHD. The Contractor shall monitor PCPs to ensure that they prescribe medication at the dosage at which the member has been stabilized.

Monitoring, Training and Education: The Contractor is responsible for training the Behavioral Health Coordinator/staff and providers, in sufficient detail and frequency, to identify and screen for members' behavioral health needs. At a minimum, training shall include information regarding covered behavioral health services and referrals, how to access services, including the petitioning process, how to involve the member and their family in decision-making and service planning. The Contractor shall establish policies and procedures for referral and consultation and shall describe them in its provider manual. Training for Behavioral Health Coordinator/staff and providers may be provided through employee orientation, clinical in-services and/or information sharing via newsletters, brochures, etc. The Contractor shall maintain documentation of the behavioral health trainings in accordance with AMPM Policy 310.

Transfer of Care: When a PCP has initiated medication management services for a member to treat a behavioral health disorder, and it is subsequently determined by the PCP or Contractor that the member should be transferred to a RBHA prescriber or the CRS Contractor for evaluation and/or continued medication

management services, the Contractor will require and ensure that the PCP or Contractor coordinates the transfer of care. All affected subcontracts shall include this provision. The Contractor shall establish policies and procedures for the transition of members who are referred to the RBHA or the CRS Contractor for ongoing treatment. The Contractor shall ensure that PCPs maintain continuity of care for these members. The policies and procedures must address, at a minimum, the following:

1. Guidelines for when a transition of the member to the RBHA or the CRS Contractor for ongoing treatment is indicated.
2. Protocols for notifying the RBHA or the CRS Contractor of the member's transfer, including reason for transfer, diagnostic information, and medication history.
3. Protocols and guidelines for the transfer of medical records, including but not limited to which parts of the medical record are to be copied, timeline for making the medical record available to the RBHA or the CRS Contractor, observance of confidentiality of the member's medical record, and protocols for responding to RBHA or the CRS Contractor requests for additional medical record information.
4. Protocols for transition of prescription services, including but not limited to notification to the RBHA or the CRS Contractor of the member's current medications and timeframes for dispensing and refilling medications during the transition period. This coordination must ensure at a minimum, that the member does not run out of prescribed medications prior to the first appointment with a RBHA prescriber or the CRS Contractor and that all relevant member pertinent medical information as outlined above and including the reason for transfer is forwarded to the receiving RBHA prescriber or the CRS Contractor prior to the member's first scheduled appointment with the RBHA prescriber or the CRS Contractor.
5. Contractor activities to monitor to ensure that members are appropriately transitioned to the RBHA for care.

The Contractor shall ensure that its quality management program incorporates monitoring of the PCP's management of behavioral health disorders and referral to, coordination of care with and transfer of care to RBHA providers or the CRS Contractor as required under this Contract.

Specific Requirements for Services for Behavioral Health Services for persons in legal custody of the Department of Child Safety (DCS): The Contractor shall ensure timely care coordination with the Regional Behavioral Health Authorities (RBHAs) and CRS for members receiving behavioral health services. The Contractor shall also track and report to AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables inquiries regarding members who are in DCS custody or adopted members related to access to behavioral health services. Additionally, the Contractor shall report this information to the RBHAs and CRS as appropriate and ensure coordination of care for members to ensure the provision of timely behavioral health services. The report shall include but is not limited to the following:

- Member name, AHCCCS ID, date of birth
- Number of calls received
- Nature of each call
- Disposition of each call

13. AHCCCS GUIDELINES, POLICIES AND MANUALS

All AHCCCS guidelines, policies and manuals, including but not limited to, ACOM, AMPM, Reporting Guides, and Manuals are hereby incorporated by reference into this contract. Guidelines, policies and manuals are available on the AHCCCS website. The Contractor is responsible for ensuring that its subcontractors are notified when modifications are made to the AHCCCS guidelines, policies, and manuals. The Contractor is responsible for complying with all requirements set forth in these sources as well as with any updates. In addition, linkages to AHCCCS rules, statutes and other resources are available through the AHCCCS website. Upon adoption by AHCCCS, updates will be available on the AHCCCS website.

14. MEDICAID SCHOOL BASED CLAIMING PROGRAM

Pursuant to an Intergovernmental Agreement with the Department of Education, and a contract with a Third Party Administrator, AHCCCS pays participating school districts for specifically identified Medicaid services when provided to Medicaid-eligible children who are included under the Individuals with Disabilities Education Act (IDEA). The Medicaid services must be identified in the member's Individual Education Plan (IEP) as medically necessary for the child to obtain a public school education. See AMPM Chapter 700.

Medicaid School Based (MSB) services are provided in a school setting or other approved setting specifically to allow children to receive a public school education. They do not replace medically necessary services provided outside the school setting or other MSB approved alternative setting. Currently, services include audiology, therapies (occupational (OT), physical (PT) and speech/language); behavioral health evaluation and counseling; nursing and attendant care (health aid services provided in the classroom); and specialized transportation to and from school on days when the child receives an AHCCCS-covered MSB service.

The Contractor's evaluations and determinations, about whether services are medically necessary, should be made independent of the fact that the child is receiving MSB services. If a request is made for services that also are covered under the MSB program for a child enrolled with the Contractor, the request shall be evaluated on the same basis as any request for a covered service.

The Contractors and its providers should coordinate with schools and school districts that provide MSB services to the Contractor's enrolled members. Services should not be duplicative. Contractor case managers, working with special needs children, should coordinate with the appropriate school staff working with these members. Transfer of member medical information and progress toward treatment goals between the Contractor and the member's school or school district is required as appropriate and should be used to enhance the services provided to members.

15. PEDIATRIC IMMUNIZATIONS AND THE VACCINES FOR CHILDREN PROGRAM

Through the Vaccine for Children Program (VFC), the Federal and State governments purchase, and make available to providers at no cost, vaccines for AHCCCS children under age 19. The Contractor shall not utilize AHCCCS funding to purchase vaccines for members under the age of 19. If vaccines are not available through the VFC program, the Contractor shall contact AHCCCS Division of Health Care Management, Clinical Quality Management for guidance. Any provider, licensed by the State to administer immunizations, may register with Arizona Department of Health Services (ADHS) as a VFC provider and receive these free vaccines. The Contractor shall not reimburse providers for the administration of the vaccines in excess of the maximum allowable as set by CMS. The Contractor shall comply with all VFC requirements and monitor contracted providers to ensure that physicians are registered as VFC providers when acting as primary care provider (PCP) for members under the age of 19 years.

Due to low numbers of children in their panels, providers in certain geographic service areas (GSAs) may choose not to provide vaccinations. Whenever possible, members should be assigned to VFC registered providers within the same or a nearby community. When that is not possible, the Contractor must develop processes to ensure vaccinations are available through a VFC enrolled provider or through the appropriate County Health Department. In all instances, the vaccines are to be provided through the VFC program. The Contractor must develop processes to pay the administration fee to whoever administers the vaccine regardless of their contract status with the Contractor.

Arizona State law requires the reporting of all immunizations given to children under the age of 19. Immunizations must be reported at least monthly to the ADHS Immunization Registry. Reported immunizations are held in a central database known as ASIIS (Arizona State Immunization Information System), which can be accessed by providers to obtain complete, accurate immunization records. Software is

available from ADHS to assist providers in meeting this reporting requirement. Contractors must educate its provider network about these reporting requirements and the use of this resource.

16. STAFF REQUIREMENTS AND SUPPORT SERVICES

The Contractor shall have in place the organization, operational, managerial and administrative systems capable of fulfilling all contract requirements. For purposes of this contract, the Contractor shall not employ or contract with any individual who has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity or from participating in non-procurement activities under regulations issued under Executive Order No 12549 or under guidelines implementing Executive Order 12549 [42 CFR 438.610(a) and (b), 42 CFR 1001.1901(b), 42 CFR 1003.102(a)(2)]. The Contractor is obligated to screen employees and subcontractors to determine whether they have been excluded from participation in Federal health care programs as outlined in Section D, Paragraph 62, Corporate Compliance.

The Contractor must employ sufficient staff and utilize appropriate resources to achieve contractual compliance. The Contractor's resource allocation must be adequate to achieve outcomes in all functional areas within the organization. Adequacy will be evaluated based on outcomes and compliance with contractual and AHCCCS policy requirements. If the Contractor does not achieve the desired outcomes or maintain compliance with contractual obligations, additional monitoring and regulatory action may be employed by AHCCCS. This action may include, but is not limited to, requiring the Contractor to hire additional staff and actions specified in Section D, Paragraph 72, Sanctions.

The Contractor shall have local staff available 24 hours per day, seven days per week to work with AHCCCS and/or other State agencies, such as Arizona Department of Health Services (ADHS)/Office of Licensure, on urgent issue resolutions. Urgent issue resolutions include Immediate Jeopardies (IJ), fires, or other public emergency situations. These staff shall have access to information necessary to identify members who may be at risk and their current health/service status, the ability to initiate new placements/services, and have the ability to perform status checks at affected facilities and perform ongoing monitoring, if necessary. The Contractor shall supply AHCCCS Clinical Quality Management (CQM) with the contact information for these staff, as specified in Attachment F3, Contractor Chart of Deliverables. At a minimum the contact information shall include a current 24/7 telephone number. CQM must be notified and provided back up contact information when the primary contact person will be unavailable.

For functions not required to be in State, the Contractor must notify AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables, prior to moving functions outside the State of Arizona. The notification must include an implementation plan for the transition.

The Contractor shall be responsible for costs associated with on-site audits or other oversight activities which result when functions are located outside of the State of Arizona.

An individual staff member is limited to occupying a maximum of two Key Staff positions listed below, unless prior approval is obtained by AHCCCS, DHCM. When submitting its functional organizational chart, as specified in Attachment F3, Contractor Chart of Deliverables, the Contractor must document, for each Key Staff position, the portion of time allocated to each Medicaid contract as well as all other lines of business. The Contractor shall also inform AHCCCS DHCM, in writing as specified in Attachment F3, Contractor Chart of Deliverables, when an employee leaves one of the **Key Staff** positions listed below. The name of the interim contact person should be included with the notification. The name and resume of the permanent employee should be submitted as soon as the new hire has taken place along with a revised Organization Chart complete with Key Staff. If, at any point, the Contractor fails to maintain compliance with contractual obligations, AHCCCS reserves the right to evaluate staffing allocations and require staffing enhancements in order to ensure adherence to established requirements.

At a minimum, the following staff is required:

Staff Training and Meeting Attendance: The Contractor shall ensure that all staff members have appropriate training, education, experience and orientation to fulfill the requirements of the position. AHCCCS may require additional staffing for a Contractor that has substantially failed to maintain compliance with any provisions of this contract and/or AHCCCS policies.

The Contractor must provide initial and ongoing staff training that includes an overview of AHCCCS; AHCCCS Policy and Procedure Manuals, and contract requirements and State and Federal requirements specific to individual job functions. The Contractor shall ensure that all staff members having contact with members or providers receive initial and ongoing training with regard to the appropriate identification and handling of quality of care/service concerns.

All transportation, prior authorization and member services representatives must be trained in the geography of any/all GSA(s) in which the Contractor holds a contract and have access to mapping search engines (e.g. MapQuest, Yahoo Maps, Google) for the purposes of authorizing services in; recommending providers in; and transporting members to, the most geographically appropriate location.

The Contractor shall provide the appropriate staff representation for attendance and participation in meetings and/or events scheduled by AHCCCS. AHCCCS may require attendance by subcontracted entities, as defined in Section D, Paragraph 37, Subcontracts, when deemed necessary. All meetings shall be considered mandatory unless otherwise indicated.

17. WRITTEN POLICIES AND PROCEDURES

The Contractor shall develop and maintain written policies and procedures for each functional area consistent in format and style. The Contractor shall maintain written guidelines for developing, reviewing and approving all policies and procedures. All policies and procedures shall be reviewed at least annually to ensure that the Contractor's written policies reflect current practices. Reviewed policies shall be dated and signed by the Contractor's Director or Administrator. Minutes reflecting the review and approval of the policies by an appropriate committee, chaired by the Contractor Chief Executive Officer/Administrator, Chief Medical Officer or Chief Financial Officer are also acceptable documentation. All medical and quality management policies must be approved and signed by the Contractor's Medical Director.

If AHCCCS deems a Contractor policy or process to be inefficient and/or place an unnecessary burden on the members or providers, the Contractor must work with AHCCCS to change the policy or procedure within a time period specified by AHCCCS. In addition, if AHCCCS deems a Contractor lacks a policy or process necessary to fulfill the terms of this contract, the Contractor must work with AHCCCS to adopt a policy or procedure within a time period specified by AHCCCS.

18. MEMBER INFORMATION

The Contractor shall be accessible by phone for general member information during normal business hours. All enrolled members will have access to a toll free phone number. All informational materials, prepared by the Contractor, shall be approved by AHCCCS prior to distribution to members. The reading level and name of the evaluation methodology used shall be included. The Contractor should refer to ACOM Policy 404 for further information and requirements. See also Attachment F3, Contractor Chart of Deliverables.

All materials shall be translated when the Contractor is aware that a language is spoken by 3,000 or 10%, whichever is less, of the Contractor's members, who also have Limited English Proficiency (LEP).

All vital materials shall be translated when the Contractor is aware that a language is spoken by 1,000 or 5%, whichever is less, of the Contractor's members, who also have LEP [42 CFR 438.10(c)(3)]. Vital materials must include, but are not limited to the following:

1. Member Handbooks
2. Consent Forms
3. Member notices
4. Grievance, appeal, and request for State fair hearing information
5. Written notices informing members of their right to interpretation and translation services

In addition, the following Vital Materials must include a tagline in all languages spoken by 1,000 or 5%, whichever is less, of the Contractor's members, who also have LEP. The Vital Materials must be made available in the LEP language spoken by 1,000 or 5% of the population upon request by the member.

1. Notices of Actions
2. Notices of Appeal Resolution
3. Communications requiring a response from the member

Oral interpretation services must be available and at no cost to all members regardless of the prevalence of the language. The Contractor must notify all members of their right to access oral interpretation services and how to access them. Refer to ACOM Policy 404 [42 CFR 438.10(c)(4) and (5)].

The Contractor shall make every effort to ensure that all information prepared for distribution to members is written using an easily understood language and format and as further described in ACOM Policy 404 [42 CFR. 438.10(b)(1)]. Regardless of the format chosen by the Contractor, the member information must be printed in a type, style and size, which can easily be read by members with varying degrees of visual impairment. The Contractor must notify its members that alternative formats are available and how to access them [42 CFR 438.10(d)]. The Contractor shall adhere to the requirements for Social Networking Activities as described in ACOM Policy 425.

When there are program changes, notification shall be provided to members at least 30 days before implementation.

Website Requirements

The Contractor shall develop and maintain a website that is focused, informational, user-friendly, functional, and provides the information as required in ACOM Policy 416 and ACOM Policy 404.

Member Handbook and Provider Directory

The Contractor shall provide the following information to each member/representative or household within 12 business days of receipt of notification of the enrollment date [42 CFR 438.10(f)(3)]:

1. A **Member Handbook** which, at a minimum, shall include the items listed in ACOM Policy 404.

The Contractor shall review and update the Member Handbook at least once a year. The Handbook must be submitted to AHCCCS, Division of Health Care Management for approval as specified in Attachment F3, Contractor Chart of Deliverables.

The Contractor has the option of providing the Member Handbook in hard copy format with the new member packet, or providing the member written notification of how the Member Handbook information is available to the member on the Contractor's website, via electronic mail or via postal mailing. Should the Contractor elect not to provide the Member Handbook in hard copy format with the member packet, the following provisions apply:

1. The Contractor must submit a request for approval to forgo provision of the hard copy as specified in the Contract, Attachment F3, Contractor Chart of Deliverables.
2. The member notification must be approved in accordance with ACOM Policy 404.
3. The written notification must give the member the option to obtain a printed version of the Member Handbook.

2. A **Provider Directory**, which at a minimum, includes those items listed in ACOM Policy 404.

The Contractor has the option of providing the Provider Directory in hard copy format or providing written notification of how the Provider Directory information is available on the Contractor's website, via electronic mail, or via postal mailing as described in ACOM Policy 404.

The Contractor must give written notice about termination of a contracted provider, within 15 days after receipt or issuance of the termination notice, to each member who received their primary care from, or is seen on a regular basis by, the terminated provider [42 CFR 438.10(f)(5)]. The Contractor shall have information available for potential enrollees as described in ACOM Policy 404 [42 CFR 438.10(f)(4)]. The written notification shall be sent to members within 12 business days of receipt of notification of the enrollment date [42 CFR 438.10(f)(3)].

Member Newsletter

The Contractor must develop and distribute, at a minimum, two member newsletters during the contract year. The following types of information are to be contained in the newsletter at least annually:

1. Educational information on chronic illnesses and ways to self-manage care
2. Reminders of flu shots and other prevention measures at appropriate times
3. Medicare Part D issues
4. Cultural Competency, other than translation services
5. Contractor specific issues (in each newsletter)
6. Tobacco cessation information
7. HIV/AIDS testing for pregnant women
8. Other information as required by AHCCCS

Member Rights

The Contractor will, on an annual basis, inform all members of their right to request the following information [42 CFR 438.10(f)(6) and 42 CFR 438.100(a)(1) and (2)]. This information may be sent in a separate written communication or included with other written information such as in a member newsletter:

1. An updated Member Handbook at no cost to the member
2. The Provider Directory as described in ACOM Policy 404

The Contractor shall ensure compliance with any applicable Federal and State laws that pertain to member rights and ensure that its staff and subcontractors take those rights into account when furnishing services to members.

The Contractor shall ensure that each member is guaranteed the right to request and receive one copy of the member's medical record at no cost to the member and to request that the record be amended or corrected, as specified in 45 CFR Part 164.

The Contractor shall ensure that each member is free to exercise their rights and that the exercise of those rights does not adversely affect the way the Contractor or its subcontractors treat the member [42 CFR 438.100(c)]

19. SURVEYS

The Contractor may be required to perform surveys at AHCCCS' request. AHCCCS may provide the survey tool or require the Contractor to develop the survey tool. The final survey tool shall be approved in advance by AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables. The results and the analysis of the results shall be submitted to the AHCCCS Division of Health Care Management as specified in Attachment F3, Contractor Chart of Deliverables.

For non-AHCCCS required surveys, the Contractor shall provide notification as specified in Attachment F3, Contractor Chart of Deliverables. The notification must include a project scope statement, project timeline and a copy of the survey. The results and analysis of the results of any Contractor initiated surveys shall be submitted to the Division of Health Care Management as specified in Attachment F3, Contractor Chart of Deliverables. Surveys performed by the Contractor to evaluate plan satisfaction for previous members (exit surveys), are subject to the above notification requirement for non-AHCCCS required surveys and are not subject to Marketing Committee approval.

AHCCCS may conduct surveys of a representative sample of the Contractor's membership and providers. The results of AHCCCS conducted surveys will become public information and available to all interested parties on the AHCCCS website. The Contractor will be responsible for reimbursing AHCCCS the cost of such surveys based on its share of AHCCCS enrollment.

As specified in Attachment F3, Contractor Chart of Deliverables, the Contractor is required to perform periodic surveys of its membership, as outlined in ACOM Policy 424, in order to verify that members have received services that have been paid for by the Contractor and to identify potential service/claim fraud [42 CFR 455.20 and 433.116].

20. CULTURAL COMPETENCY

The Contractor shall ensure compliance with a Cultural Competency Plan which meets the requirements of ACOM Policy 405. An annual assessment of the effectiveness of the plan, along with any modifications to the plan, must be submitted to the DHCM Operations Unit, no as specified in Attachment F3, Contractor Chart of Deliverables. This plan shall address cultural considerations and limited English proficiency for all services and settings [42 CFR 438.206(c)(2)].

21. MEDICAL RECORDS

The member's medical record is the property of the provider who generates the record. Medical records include those maintained by PCPs or other providers as well as but not limited to those kept in placement settings such as nursing facilities, assisted living facilities and other home and community based providers. Each member is entitled to one copy of his or her medical record at no cost annually. The Contractor shall have written policies and procedures to maintain the confidentiality of all medical records.

The Contractor is responsible for ensuring that a medical record (hard copy or electronic) is established when information is received about a member. If the PCP has not yet seen the member, such information may be kept temporarily in an appropriately labeled file, in lieu of actually establishing a medical record, but must be associated with the member's medical record as soon as one is established.

The Contractor shall have written policies and procedures for the maintenance of medical records to ensure those records are documented accurately and in a timely manner, are readily accessible, and permit prompt and systematic retrieval of information. Medical records shall be maintained in a detailed and comprehensive manner, which conforms to professional standards, permits effective medical review and audit processes, and which facilitates an adequate system for follow-up treatment.

The Contractor shall have written standards for documentation on the medical record for legibility, accuracy and plan of care, which comply with the AMPM.

When a member changes PCPs, his or her medical records or copies of medical records must be forwarded to the new PCP within 10 business days from receipt of the request for transfer of the medical records.

AHCCCS is not required to obtain written approval from a member, before requesting the member's medical record from the PCP or any other organization or agency. The Contractor may obtain a copy of a member's medical records without written approval of the member, if the reason for such request is directly related to the administration of the AHCCCS program. AHCCCS shall be afforded access to all members' medical records whether electronic or paper within 20 working days of receipt of request or more quickly if necessary.

Information related to fraud and abuse may be released, however, HIV-related information shall not be disclosed except as provided in A.R.S. §36-664, and substance abuse information shall only be disclosed consistent with Federal and State law, including but not limited to 42 CFR 2.1 et seq.

22. RESERVED**23. QUALITY MANAGEMENT AND PERFORMANCE IMPROVEMENT**

The Contractor shall provide quality medical care and services to members, regardless of payer source or eligibility category. The Contractor shall promote improvement in the quality of care provided to enrolled members through established Quality Management and Performance Improvement (QM/PI) processes. The Contractor shall execute processes to assess, plan, implement, and evaluate QM/PI activities [42 CFR 438]. At a minimum, the Contractor's QM/PI programs shall comply with the requirements outlined in the AMPM Chapters 400 and 900. See also Attachment F3, Contractor Chart of Deliverables.

The Contractor must ensure that the QM/PI Unit within the organizational structure is separate and distinct from any other units or departments such as Medical Management or Case Management. The Contractor is expected to integrate quality management processes, such as tracking and trending of issues throughout all areas of the organization. Ultimate responsibility for QM/PI activities resides within the QM/PI Unit.

QM/PI positions performing work functions related to the contract must have a direct reporting relationship to the local Chief Medical Officer (CMO) and the local Chief Executive Officer (CEO). The local CMO and CEO shall have the ability to direct, implement and prioritize interventions resulting from quality management and quality improvement activities and investigations. Contractor staff, including administrative services subcontractors' staff, that performs functions under this contract related to QM and QI shall have the work directed and prioritized by the Contractor's local CEO and CMO.

Federal regulation prohibits payment for Provider-Preventable Conditions that meet the definition of a Health Care-Acquired Condition (HCAC) or an Other Provider-Preventable Condition (OPPC) and that meet the following criteria: ^x

- d. Is auditable
- e. Includes, at a minimum, wrong surgical or other invasive procedure performed on a patient; surgical or other invasive procedure performed on the wrong body part; surgical or other invasive procedure performed on the wrong patient [42 CFR 438.6(f)(2)(i), 42 CFR 434.6(a)(12)(i), 42 CFR 447.26(b)]

If an HCAC or OPPC is identified, the Contractor must report the occurrence to AHCCCS and conduct a quality of care investigation as outlined in AMPM Chapter 900 and Attachment F3, Contractor Chart of Deliverables [42 CFR 438.6(f)(2)(ii) and 42 CFR 434.6(a)(12)(ii)].^{xi}

Quality Management Program:

The Contractor shall have an ongoing quality management program for the services it furnishes to members. The quality management program shall include but is not limited to:

1. A written QM/PI plan and an evaluation of the previous year's QM/PI program.
2. Quality management quarterly reports that address strategies for QM/PI activities.
3. QM/PI program monitoring and evaluation activities which include Peer Review and Quality Management Committees which are chaired by the Contractor's local Chief Medical Officer.
4. Protection of medical records and any other personal health and enrollment information that identifies a particular member or subset of members in accordance with Federal and State privacy requirements.
5. Member rights and responsibilities [42 CFR 238.100(b)(2)(iv)].
6. Uniform provisional credentialing, initial credentialing, re-credentialing and organizational assessment verification [42 CFR 438.206(b)(6)]. The Contractor shall demonstrate that its providers are credentialed and reviewed through the Contractor's Credentialing Committee that is chaired by the Contractor's Medical Director [42 CFR 438.214]. The Contractor should refer to the AMPM Chapter 900 and Attachment F3, Contractor Chart of Deliverables, for reporting requirements. The process:
 - a. Shall follow a documented process for provisional credentialing, initial credentialing, re-credentialing and organizational credentialing verification of providers who have signed contracts or participation agreements with the Contractor;
 - b. Shall not discriminate against particular providers that serve high-risk populations or specialize in conditions that require costly treatment;
 - c. Shall not employ or contract with providers excluded from participation in Federal health care programs.
7. Tracking and trending of member and provider issues, which includes, but is not limited to, investigation and analysis of quality of care issues, abuse, neglect, exploitation and unexpected deaths. The resolution process must include:
 - a. Acknowledgement letter to the originator of the concern;
 - b. Documentation of all steps utilized during the investigation and resolution process;
 - c. Follow-up with the member to assist in ensuring immediate health care needs are met;

- d. Closure/resolution letter that provides sufficient detail to ensure that the member has an understanding of the resolution of their issue, any responsibilities they have in ensuring all covered, medically necessary care needs are met, and a Contractor contact name/telephone number to call for assistance or to express any unresolved concerns;
 - e. Documentation of implemented corrective action plan(s) or action(s) taken to resolve the concern; and
 - f. Analysis of the effectiveness of the interventions taken.
8. Mechanisms to assess the quality and appropriateness of care furnished to members with special health care needs.
 9. Participation in community initiatives including applicable activities of the Medicare Quality Improvement Organization (QIO).
 10. Performance improvement programs including performance measures and performance improvement projects.

Credential Verification Organization Contract: The Arizona Association of Health Plans (AzAHP) has established a contract with a Credential Verification Organization (CVO) that is responsible for receiving completed applications, attestations and primary source verification documents. The CVO is also responsible for conducting annual delegated entity site visits to ensure compliance with AHCCCS requirements. The AHCCCS Contractor must utilize the contracted CVO as part of its credentialing and recredentialing process regardless of membership in the AzAHP. This requirement eases the administrative burden for providers that contract with AHCCCS Contractors which often results in duplicative submission of information used for credentialing purposes. The Contractor shall follow the AHCCCS recredentialing timelines for providers that submit their credentialing data and forms to the AzAHP CVO. The Contractor is responsible for completing the credentialing process. The Contractor shall continue to include utilization, performance, complaint, and quality of care information, as specified in the AMPM, to complete the credentialing or recredentialing files that are brought to the Credentialing Committee for a decision. In addition, the Contractor must also meet the AMPM requirements for provisional/temporary credentialing.

Credentialing Timelines: The Contractor is required to process credentialing applications in a timely manner. To assess the timeliness of provisional and initial credentialing a Contractor shall calculate and report to AHCCCS as outlined in AMPM Policy 950. The Contractor must report the credentialing information with regard to all credentialing applications as specified in Attachment F3, Contractor Chart of Deliverables.

Quality Improvement

The Contractor's quality management program shall be designed to achieve and sustain, through ongoing measurements and intervention, significant improvement in the areas of clinical care and non-clinical care which are expected to have a favorable effect on health outcomes and member satisfaction. The Contractor must [42 CFR 438.240(b)(2) and (c)]:

1. Measure and report to the State its performance, using standard measures required by AHCCCS, or as required by CMS;
2. Submit specified data to the State that enables the State to measure the Contractor's performance; or
3. Perform a combination of the above activities.

The Contractor shall have an ongoing program of performance improvement projects that focus on clinical and non-clinical areas, as specified in the AMPM, and that involve the following [42 CFR 438.240(b)(1) and (d)(1)]:

1. Measurement of performance using objective quality indicators
2. Implementation of system interventions to achieve improvement in quality
3. Evaluation of the effectiveness of the interventions
4. Planning and initiation of activities for increasing or sustaining improvement

Performance Measures

The Contractor shall comply with AHCCCS quality management requirements to improve performance for all AHCCCS- performance measures. Descriptions of the AHCCCS Clinical Quality Performance Measures and links to the CMS and the measure host sites can be found on the AHCCCS website. The EPSDT Participation performance measure description utilizes the methodology established in CMS “Form 416” which can be found on the AHCCCS website.

The Contractor must comply with Federal performance measures and levels that may be identified and developed by CMS or those that are developed in consultation with AHCCCS and/or other relevant stakeholders. CMS has been working in partnership with states in developing core performance measures for Medicaid and CHIP programs. As the Core Measure sets are implemented, performance measures required by AHCCCS may be updated to include these measures.

AHCCCS may utilize a hybrid or other methodologies for collecting and reporting performance measure rates, as allowed by the National Committee of Quality Assurance (NCQA), for selected Healthcare Effectiveness Data and Information Set (HEDIS) measures or as allowed by other entities for nationally recognized measure sets. The Contractor shall collect data from medical records, electronic records or through approved processes such as those utilizing a health information exchange and provide these data with supporting documentation, as instructed by AHCCCS, for each hybrid measure. The number of records that each Contractor collects will be based on HEDIS, External Quality Review Organization (EQRO), or other sampling guidelines and may be affected by the Contractor’s previous performance rate for the measure being collected.

The Contractor must have a process in place for monitoring performance measure rates. The Contractor shall utilize a standard methodology established or adopted by AHCCCS for measurement of each required performance measure. The Contractor’s QM/PI Program will report its measured performance on an ongoing basis to its Administration. The Contractor performance measure monitoring results shall also be reported to AHCCCS in conjunction with its EPSDT Improvement and Adult Quarterly Monitoring Report.

The Contractor must meet AHCCCS stated Minimum Performance Standards (MPS) for each population/eligibility category for which AHCCCS reports results. AHCCCS-reported rates are the official rates utilized for determination of Contractor compliance with performance requirements. It is equally important that, in addition to meeting the contractual MPS, the Contractor continually improve performance measure outcomes from year to year. Contractor calculated and/or reported rates will be used strictly for monitoring Contractor actions and not be used for official reporting or for consideration in corrective action purposes.

Minimum Performance Standard – MPS is the minimal expected level of performance by the Contractor.

If a Contractor does not achieve this standard, the Contractor will be required to submit a corrective action plan and may be subject to sanction of up to \$100,000 dollars for each deficient measure.

A Contractor must show demonstrable and sustained improvement toward meeting AHCCCS Performance Standards. AHCCCS may impose sanctions on Contractors that do not show statistically significant improvement in a measure rate as calculated by AHCCCS. Sanctions may also be imposed for statistically significant declines of rates even if they meet or exceed the MPS, for any rate that does not meet the AHCCCS MPS, or a rate that has a significant impact to the aggregate rate for the State. AHCCCS may require the Contractor to demonstrate that they are allocating increased administrative resources to improving rates for a particular measure or service area. AHCCCS also may require a corrective action plan for measures that are below the MPS or that show a statistically significant decrease in its rate, even if it meets or exceeds the MPS.

An evidence-based corrective action plan that outlines the problem, planned actions for improvement, responsible staff and associated timelines as well as a place holder for evaluation of activities must be received by AHCCCS within 30 days of receipt of notification of the deficiency from AHCCCS. This plan must be

approved by AHCCCS prior to implementation. AHCCCS may conduct one or more follow-up desktop or on-site reviews to verify compliance with a corrective action plan.

All Performance Measures apply to all member populations [42 CFR 438.240(a)(2), (b)(2) and (c)]. AHCCCS may analyze and report results by line of business, by Geographical Service Area (GSA), or County, and/or other applicable demographic factors.

AHCCCS has established standards for the measures listed below.

The following table identifies the MPS for each measure:

CMDP Performance Measures	
Measure	Minimum Performance Standard
Children's Access to PCPs, by age: 12-24 mo.	93%
Children's Access to PCPs, by age: 25 mo.-6 yrs.	84%
Children's Access to PCPs, by age: 7-11 yrs.	83%
Children's Access to PCPs, by age: 12-19 yrs.	82%
Well-Child Visits: 3-6 yrs.	66%
Adolescent Well-Care Visit: 12-21 yrs.	41%
Children's Dental Visits: (ages 2-21)	60%
Percentage of Eligibles Who Received Preventive Dental Services ⁽¹⁾	46%
SEAL: Dental Sealants for Children Ages 6-9 at Elevated Caries Risk	Baseline Measurement Year; CMS will be establishing MPS
Use of Multiple Concurrent Antipsychotics in Children and Adolescents	Baseline Measurement Year
Use of Opioids From Multiple Providers at High Dosage in Persons Without Cancer	Baseline Measurement Year
<i>Childhood Immunization</i>	
DTaP	85%
IPV ⁽²⁾	91%
MMR ⁽²⁾	91%
Hib ⁽²⁾	90%
HBV ⁽²⁾	90%
VZV ⁽²⁾	88%
PCV ⁽²⁾	82%
Hepatitis A (HAV)	85%
Rotavirus	60%
Influenza	45%
Combination 3 (4:3:1:3:3:1:4)	68%

CMDP Performance Measures	
Measure	Minimum Performance Standard
<i>Adolescents Immunizations</i>	
Adolescent Meningococcal	75%
Adolescent Tdap/Td	75%
Combination 1	75%
Human Papillomavirus Vaccine for Female Adolescents	50%

Notes:

⁽¹⁾ EPSDT Dental Participation Standards are based on the CMS-established goal that states improve their rates of children ages one through 20 enrolled in Medicaid or CHIP who received any preventive dental service by 10 percentage points over a five-year period.

⁽²⁾ AHCCCS will continue to measure and report results of these individual antigens; however, a Contractor may not be held accountable for specific Performance Standards unless AHCCCS determines that completion of a specific antigen or antigens is affecting overall completion of the childhood immunization series.

*Performance Measures with Reserve Status**

Measure	Minimum Performance Standard
Inpatient Utilization	23 Per 1000 Member Months
ED Utilization	43Per 1000 Member Months
Weight Assessment and counseling - Body Mass Index (BMI) Assessment for Children/Adolescents	55%
EPSDT Participation ⁽¹⁾	68%
Developmental Screening in the First Three Years of Life	55%

Note:

* Performance measures remain important to AHCCCS and as such will continue to be monitored by AHCCCS. Should Contractor performance results for Performance Measures in Reserve Status decline, the Contractor may be subject to corrective action. AHCCCS may require individual Contractors to implement improvement actions for Performance Measures with Reserve Status in order to ensure quality of care to AHCCCS members. Measures deemed in Reserve Status will be reported out when appropriate.

⁽¹⁾ The EPSDT Participation rate is the percent of all children and adolescent younger than 21

years, who were eligible for at least 90 days and who were due for at least one EPSDT visit, depending on their age and the state's EPSDT Periodicity Schedule, and had a visit during the contract year.

Contractor Performance is evaluated annually using the AHCCCS-reported rate for each measure. AHCCCS rates are considered the official measurement for each Performance Measure. AHCCCS calculated rates by Contractor for each measure will be compared with the MPS specified in the contract effective during the measurement period. For instance, Performance Standards in the Contract Year Ending (CYE) 2015 contract apply to results calculated by AHCCCS for the CYE 2015 measurement period. AHCCCS will utilize methodologies that are reflective of the requirements for the measurement period. For instance, CYE 2014 performance measure data will be based on the published 2014 CMS Core Sets and 2014 HEDIS technical specifications. Contractors are responsible for monitoring and reporting to AHCCCS CQM the status of, and any discrepancies identified in encounters received by AHCCCS including paid, denied and pended for purposes of Performance Measure monitoring prior to the AHCCCS Performance Measure rate calculations being conducted.

The Contractor shall participate in immunization audits, at intervals specified by AHCCCS, based on random sampling to verify the immunization status of members at 24 months of age and by 13 years of age. If records are missing for more than five percent (5%) of the Contractor's final sample, the Contractor is subject to sanctions by AHCCCS. An External Quality Review Organization (EQRO) may conduct a study to validate the Contractor's reported rates.

AHCCCS will measure and report the Contractor's EPSDT Participation rate and Dental Participation (Preventive Dental) rate utilizing the CMS 416 methodology. The EPSDT Participation rate is the number of children younger than 21 years that receive medical screens in compliance with the State's Periodicity Schedule, compared to the number of children expected to receive medical screens per the State's Periodicity Schedule. The Preventive Dental Participation rate is the number of children aged one through 20 who have a preventive dental visit, compared to the number of children who has at least 90-days continuous enrollment during the Contract Year (measurement period).

The Contractor is responsible for applying the correct CMS-416 methodology as developed and maintained by CMS for its internal monitoring of performance measure results.

AHCCCS uses the national CMS 416 methodology to generate the EPSDT Participation and Dental Participation rates through a CMS-validated process. The rates are generated one time a year and reported to CMS within specified timeframes. Aggregate rates as well as Contractor-specific rates are included in this process.

The Contractor must participate in the delivery and/or results review of member surveys as requested by AHCCCS. Surveys may include Home and Community Based (HCBS) Member Experience surveys, HEDIS Experience of Care (Consumer Assessment of Healthcare Providers and Systems – CAHPS) surveys, and/or any other tool that AHCCCS determines will benefit quality improvement efforts. While not included as an official performance measure, survey findings or performance rates for survey questions may result in the Contractor being required to develop a Corrective Action Plan (CAP) and/or participate in technical assistance or AHCCCS-led workgroups to improve any areas of concern noted by AHCCCS. Failure to effectively develop or implement AHCCCS-approved CAPs and drive improvement may result in additional regulatory action.

The Contractor must monitor rates for postpartum visits and low/very low birth weight deliveries and implement interventions as necessary to improve or sustain these rates. The Contractor must implement processes to monitor and evaluate cesarean section and elective inductions rates prior to 39 weeks gestation to ensure medical necessity, and implement interventions to decrease the incidence of occurrence.

Performance Improvement Projects (PIPs): The Contractor shall have an ongoing program of performance improvement projects that focus on clinical and non-clinical areas as specified in the AMPM, and that involve the following: [42 CFR 438.240(b)(1) and (d)(1)]

- a. Measurement of performance using objective quality indicators;
- b. Implementation of system interventions to achieve improvement in quality;
- c. Evaluation of the effectiveness of the interventions;
- d. Planning and initiation of activities for increasing or sustaining improvement.

PIPs are mandated by AHCCCS, the Contractor should also self-select additional projects based on opportunities for improvement identified by internal data and information. The Contractor shall report the status and results of each project to AHCCCS as requested using the AHCCCS PIP Reporting Template included in the AMPM. Each PIP must be completed in a reasonable time period to allow information on the success of PIPs in the aggregate to produce new information on quality of care every year [42 CFR 438.240(d)(2)].

Data Collection Procedures: When requested by AHCCCS, the Contractor must submit data for standardized Performance Measures and/or within specified timelines and according to AHCCCS procedures for collecting and reporting the data. The Contractor is responsible for collecting valid and reliable data and using qualified staff and personnel to collect the data. The Contractor must ensure that data collected by multiple parties/people for Performance Measures and/or PIP reporting is comparable and that an inter-rater reliability process was used to ensure consistent data collection. Data collected for Performance Measures and/or PIPs must be returned by the Contractor in a format specified by AHCCCS, and by the due date specified. Any extension for additional time to collect and report data must be made in writing in advance of the initial due date and is subject to approval by AHCCCS. Failure to follow the data collection and reporting instructions that accompany the data request may result in sanctions imposed on the Contractor.

24. MEDICAL MANAGEMENT

The Contractor shall implement processes to assess, plan, implement, evaluate and as mandated, report Medical Management (MM) monitoring activities, as specified in the AMPM Chapter 1000. This shall include the Quarterly Inpatient Hospital Showings report, HIV Specialty Provider List, Transplant Log and Prior Authorization Requirements report as specified in the AMPM and Attachment F3, Contractor Chart of Deliverables. The Contractor shall evaluate MM activities, as specified in the AMPM Chapter 1000, including:

1. Pharmacy Management; including the evaluation, reporting, analysis and interventions based on the data and reported through the MM Committee which is chaired by the Contractor's Chief Medical Officer.
2. Prior Authorization and Referral Management, for the processing of requests for initial and continuing authorizations of services the Contractor shall:
 - a. Have in effect mechanisms to ensure consistent application of review criteria for authorization decisions;
 - b. Consult with the requesting provider when appropriate [42 CFR 438.210(b)(2)];
 - c. Monitor and ensure that all enrollees with special health care needs have direct access to care.
 - d. Review all prior authorization requirements for services, items or medications annually. The review will be reported through the MM Committee and will include the rationale for changes made to prior authorization requirements. A summary of the prior authorization requirement changes and the rationale for those changes must be included in the annual MM Evaluation submission; and
 - e. Comply with all decision timelines as outlined in the ACOM and the AMPM.

3. Development and/or Adoption of Practice Guidelines [42 CFR 438.236(b)], that:
 - a. Are based on valid and reliable clinical evidence or a consensus of providers in the particular field;
 - b. Consider the needs of the Contractor's members;
 - c. Are adopted in consultation with contracting health care professionals;
 - d. Are reviewed and updated periodically as appropriate;
 - e. Are disseminated by Contractors to all affected providers and, upon request, to enrollees and potential enrollees [42 CFR 438.236(c)]; and
 - f. Provide a basis for consistent decisions for utilization management, member education, coverage of services, and other areas to which the guidelines apply [42 CFR 438.236(d)].
4. Concurrent review:
 - a. Consistent application of review criteria; provide a basis for consistent decisions for utilization management, coverage of services, and other areas to which the guidelines apply;
 - b. Contractors must have policies and procedures in place that govern the process for proactive discharge planning when members have been admitted into acute care facilities. The intent of the discharge planning policy and procedure would be to increase the utilization management of inpatient admissions and decrease readmissions within 30 days of discharge.
 - c. In addition, 42 CFR 447.26 prohibits payment for Provider-Preventable Conditions that meet the definition of a Health Care-Acquired Condition (HCAC) or an Other Provider –Preventable Condition (OPPC) (refer to AMPM Chapter 1000). If an HCAC or OPPC is identified, the Contractor must report the occurrence to AHCCCS and conduct a quality of care investigation.
5. Continuity and coordination of care:
 - a. Establish a process to ensure coordination of member care needs across the continuum based on early identification of health risk factors or special care needs;
 - b. Establish a process for timely and confidential communication of clinical information among providers;
 - c. Must proactively provide care coordination for members who have multiple complaints regarding services or the AHCCCS Program. This includes, but is not limited to, members who do not meet the Contractor's criteria for case management;
 - d. Must proactively provide care coordination for members who have both behavioral health and physical health needs. The Contractor must meet regularly with the CRS Contractor and the T/RBHAs to improve and address coordination of care issues. Meetings shall occur at least every other month or more frequently if needed to develop processes, implement interventions, and discuss outcomes. Care coordination meetings and staffings shall occur at least monthly or more often as necessary to affect change; and
 - e. The Contractor must implement procedures to deliver primary care to and coordinate health care service for members. These procedures must ensure that each member has an ongoing source of primary care appropriate to his or her needs and a person or entity formally designated as primarily responsible for coordinating the health care services furnished to the enrollee. [42 CFR 438.208(b)(1)].

The Contractor shall implement and report the following:

- Identify high need/high cost members for each Regional Behavioral Health Authority (RBHA) as specified in Section B, Capitation Rates and Contractor Specific Requirements in accordance with the standardized criteria developed by the AHCCCS/Contractor workgroup;
- Plan interventions for addressing appropriate and timely care for these identified members; and

- Report outcome summaries to AHCCCS utilizing the standardized template developed by the AHCCCS/Contractor workgroup as specified in Attachment F3, Contractor Chart of Deliverables.
6. Monitor and evaluate of over and/or underutilization of services [42 CFR 438-240(b)(3)];
 7. Evaluation of new medical technologies, and new uses of existing technologies; and
 8. Disease Management or Chronic Care Program that reports results and provides for analysis of the program through the MM Committee.

On a recurring basis (no less than quarterly based on adjudication date), AHCCCS shall provide the Contractor a file of claims and encounter data for members enrolled with the Contractor who have received services, during the member's enrollment period, from another contractor or through AHCCCS FFS for purposes of member care coordination. Data sharing will comply with Federal privacy regulations.

The Contractor shall develop a plan outlining short- and long-term strategies for improving care coordination using the physical and behavioral health care data available for members. In addition, the Contractor shall develop an outcome measurement plan to track the progress of the strategies. The plan outlining the strategies for improving care coordination and the outcome measurement must be reported in the annual MM Plan, Evaluation and Work Plan submitted to AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables.

The Contractor shall have a process to report MM data and management activities through a MM Committee. The Contractor's MM Committee will analyze the data, make recommendations for action, monitor the effectiveness of actions and report these findings to the Committee. The Contractor shall have in effect mechanisms to assess the quality and appropriateness of care furnished to members with special health care needs [42 CFR 438.240(b)(4)].

The Contractor will assess, monitor and report quarterly through the MM Committee medical decisions to assure compliance with timeliness, language, Notice of Action intent and that the decisions comply with all Contractor coverage criteria. This includes quarterly evaluation of all Notice of Action decisions that are made by a subcontracted entity.

The Contractor shall maintain a written MM Plan and Work Plan that addresses monitoring of MM activities (AMPM Chapter 1000). The Plan and Work Plan must be submitted for review by within timelines specified in Attachment F3, Contractor Chart of Deliverables.

Engaging Members through Technology: AHCCCS is exploring options for engaging its membership through web based applications. AHCCCS is requesting the Contractor identify populations who can benefit from web based applications used to assist members with self-management of health care needs such as, chronic conditions, pregnancy, or other health related topics the Contractor considers to be most beneficial to members and submit a summary of findings. The Contractor shall submit an executive summary to AHCCCS, DHCM, Medical Management Unit by December 1, 2016 to include an explanation of how web based applications may serve to encourage member engagement.

Monitoring Controlled and Non-Controlled Medication Utilization: The Contractor must engage in activities to monitor controlled and non-controlled medication use as outlined in AMPM Policy 310-FF to ensure members receive clinically appropriate prescriptions. The Contractor is required to report to AHCCCS, as specified in Attachment F3, Contractor Chart of Deliverables, a Pharmacy and/or Prescriber - Member Assignment report which includes the number of members which on the date of the report are restricted to

using a specific Pharmacy or Prescriber/Providers due to excessive use of prescriptive medications (narcotics and non-narcotics).

The Contractor must identify and track members who utilize Emergency Department (ED) services inappropriately four or more times within a six month period. Interventions must be implemented to educate the member on the appropriate use of the ED and divert members to the right care in the appropriate place of service. The Contractor shall submit a semi-annual report as specified in AMPM Policy 1020 and Attachment F3, Contractor Chart of Deliverables.

AHCCCS covers medically necessary transplantation services and related immunosuppressant medications in accordance with Federal and State law and regulations. The Contractor shall not make payments for organ transplants not provided for in the State Plan except as otherwise required pursuant to 42 USC 1396 (d)(r)(5) for persons receiving services under EPSDT. The Contractor must follow the written standards that provide for similarly situated individuals to be treated alike and for any restriction on facilities or practitioners to be consistent with the accessibility of high quality care to enrollees per Sections (1903(i) and 1903(i)(1)) of the Social Security Act. Refer to the AMPM, Chapter 300, Exhibit 310-DD and the AHCCCS Reinsurance Policy Manual.^{xiii}

25. TELEPHONE PERFORMANCE STANDARDS

The Contractor must meet and maintain established telephone performance standards to ensure member and provider satisfaction as specified in ACOM Policy 435.

26. GRIEVANCE AND APPEAL SYSTEM

The Contractor shall have in place a written Grievance and Appeal System process for subcontractors, enrollees and non-contracted providers, which define their rights regarding disputed matters with the Contractor. The Contractor's Grievance and Appeal System for members includes a grievance process (the procedures for addressing member grievances), an appeals process and access to the State's fair hearing process as outlined in Attachment F1, Enrollee Grievance and Appeal System Standards. The Contractor's dispute process for subcontractors and non-contracted providers includes a claim dispute process and access to the State's fair hearing process as outlined in Attachment F2, Provider Claim Dispute Standards. The Contractor shall remain responsible for compliance with all requirements set forth in Attachments F1, Enrollee Grievance and Appeal System Standards, F2, Provider Claim Dispute Standards, and 42 CFR Part 438 Subpart F.

Information to enrollees must meet cultural competency and limited English proficiency requirements as specified in Section D, Paragraph 18, Member Information and Paragraph 20, Cultural Competency.

The Contractor shall provide the appropriate professional, paraprofessional and clerical personnel for the representation of the Contractor in all issues relating to the Grievance and Appeal System and any other matters arising under this contract which rise to the level of administrative hearing or a judicial proceeding. Unless there is an agreement with the State in advance, the Contractor shall be responsible for all attorney fees and costs awarded to the claimant in a judicial proceeding.

The Contractor may delegate the Grievance and Appeal System to subcontractors, however, the Contractor must ensure that the delegated entity complies with applicable Federal and State laws, regulations and policies, including, but not limited to 42 CFR Part 438 Subpart F. The Contractor shall remain responsible for compliance with all requirements. The Contractor shall also ensure that it timely provides written information to both enrollees and providers, which clearly explains the Grievance and Appeal System requirements. This information must include a description of: the right to a State fair hearing, the method for obtaining a State fair

hearing, the Rules that govern representation at the hearing, the right to file grievances, appeals and claim disputes, the requirements and timeframes for filing grievances, appeals and claim disputes, the availability of assistance in the filing process, the toll-free numbers that the enrollee can use to file a grievance or appeal by phone, that benefits will continue when requested by the enrollee in an appeal or State fair hearing request concerning certain actions which are timely filed, that the enrollee may be required to pay the cost of services furnished during the appeal/hearing process if the final decision is adverse to the enrollee, and that a provider may file an appeal on behalf of an enrollee with the enrollee's written consent.

The Contractor must provide reports on the Grievance and Appeal System as required in the AHCCCS Grievance and Appeal System Reporting Guide available on the AHCCCS website. See also Attachment F3, Contractor Chart of Deliverables.

27. NETWORK DEVELOPMENT

The Contractor shall develop and maintain a provider network that is supported by written agreements which is sufficient to provide all covered services to AHCCCS members. The Contractor shall ensure covered services are reasonably accessible in terms of location and hours of operation. The Contractor must provide a comprehensive provider network that ensures its membership has access at least equal to community norms. Services shall be as accessible to AHCCCS members in terms of timeliness, amount, duration and scope as those services are available to non-AHCCCS persons within the same service area [42 CFR 438.210(a)(2)]. The Contractor is encouraged to have available non-emergent after-hours physician or primary care services within its network. If the Contractor's network is unable to provide medically necessary services required under contract, the Contractor must adequately and timely cover these services through an out of network provider until a network provider is contracted. The Contractor shall ensure coordination with respect to authorization and payment issues in these circumstances [42 CFR 438.206(b)(4) and (5)].

The Contractor is expected to design a network that provides a geographically convenient flow of patients among network providers to maximize member choice. The provider network shall be designed to reflect the needs and service requirements of AHCCCS' culturally and linguistically diverse member population. The Contractor shall design its provider networks to maximize the availability of community based primary care and specialty care access and that reduces utilization of emergency services, one day hospital admissions, hospital based outpatient surgeries when lower cost surgery centers are available, and hospitalization for preventable medical problems.

There shall be sufficient personnel for the provision of covered services, including emergency medical care on a 24-hour-a-day, seven-days-a-week basis [42 CFR 438.206(c)(1)(iii)].

The Contractor shall develop and maintain a Provider Network Development and Management Plan which ensures that the provision of covered services will occur as stated above [42 CFR 438.207(b)]. The requirements for the Network Development and Management Plan are found in ACOM Policy 415. The Network Development and Management Plan shall be evaluated, updated annually and submitted to AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables. The submission of the network management and development plan to AHCCCS is an assurance of the adequacy and sufficiency of the Contractor's provider network. The Contractor shall also submit, as needed, an assurance when there has been a significant change in operations that would affect adequate capacity and services. These changes would include, but would not be limited to, changes in services, covered benefits, geographic service areas, payments or eligibility of a new population.

In accordance with the requirements specified in ACOM Policy 436, the network shall be sufficient to provide covered services within designated time and distance limits. This includes a network such that 90% of its members residing in Pima and Maricopa Counties do not have to travel more than 15 minutes or 10 miles to visit a PCP, dentist or pharmacy, unless accessing those services through a Multi-Specialty-Interdisciplinary Clinic (MSIC). The Contractor must obtain hospital contracts as specified in ACOM Policy 436.

AHCCCS may impose sanctions for material deficiencies in the Contractor's provider network.

The Contractor shall not discriminate with respect to participation in the AHCCCS program, reimbursement or indemnification against any provider based solely on the provider's type of licensure or certification [42 CFR 438.12(a)(1)(2)]. In addition, the Contractor must not discriminate against particular providers that service high-risk populations or specialize in conditions that require costly treatment [42 CFR 438.214(c)]. This provision, however, does not prohibit the Contractor from limiting provider participation to the extent necessary to meet the needs of the Contractor's members. This provision also does not interfere with measures established by the Contractor to control costs and quality consistent with its responsibilities under this contract nor does it preclude the Contractor from using different reimbursement amounts for different specialists or for different practitioners in the same specialty [42 CFR 438.12(b)(1)]. If a Contractor declines to include individuals or groups of providers in its network, it must give the affected providers timely written notice of the reason for its decision [42 CFR 438.12(a)(1)]. The Contractor may not include providers excluded from participation in Federal health care programs, under either section 1128 or section 1128A of the Social Security Act [42 CFR 438.214(d)].

MSICs are established facilities providing interdisciplinary services for members with qualifying CRS conditions and are under contract with the CRS Contractor. Contractors are encouraged to contract with MSICs for specialty care. Pediatric specialists that work in the MSIC are in limited quantity in Arizona. Contracting with the MSICs provides Contractors an opportunity to increase access to these pediatric specialists

The Contractor must pay all AHCCCS registered Arizona Early Intervention Program (AzEIP) providers, regardless of their contract status with the Contractor, when Individual Family Service Plans identify and meet the requirement for medically necessary EPSDT covered services. Refer to AMPM Chapter 400, Exhibit 430-3. AHCCCS has developed an AzEIP Speech Therapy Fee Schedule and rates incorporating one procedure code, along with related modifiers, settings, and group sizes. The Contractor shall utilize this methodology and these rates for payment for the speech therapy procedure when provided to an AHCCCS member who is a child identified in the AHCCCS system as an AzEIP recipient.

The Contractor is also encouraged to develop non-financial incentive programs to increase participation in its provider network.

AHCCCS is committed to workforce development and support of the medical residency and dental student training programs in the State of Arizona. AHCCCS expects the Contractor to support these efforts. AHCCCS encourages plans to contract with or otherwise support the many Graduate Medical Education (GME) Residency Training Programs currently operating in the State and to investigate opportunities for resident participation in Contractor medical management and committee activities. In the event of a contract termination between the Contractor and a GME Residency Training Program or training site, the Contractor may not remove members from that program in such a manner so as to harm the stability of the program. AHCCCS reserves the right to determine what constitutes risk to the program. Further, the Contractor must attempt to contract with graduating residents and providers that are opening new practices in, or relocating to, Arizona, especially in rural or underserved areas.

Homeless Clinics: Contractors in Maricopa and Pima County must contract with homeless clinics at the AHCCCS Fee-For-Service rate for Primary Care services. Contracts must stipulate that:

1. Only those members who request a homeless clinic as a PCP may be assigned to them; and
2. Members assigned to a homeless clinic may be referred out-of-network for needed specialty services.

The Contractor must make resources available to assist homeless clinics with administrative issues such as obtaining prior authorization, and resolving claims issues.

28. PROVIDER AFFILIATION TRANSMISSION

The Contractor must submit information quarterly regarding its provider network. This information must be submitted in the format described in the Provider Affiliation Transmission (PAT) User Manual which can be found on the AHCCCs website. The PAT must be submitted as specified in Attachment F3, Contractor Chart of Deliverables.

29. NETWORK MANAGEMENT

The Contractor shall have policies on how the Contractor will [AMPM, 42 CFR 438.214(a)]:

- a. Communicate with the network regarding contractual and/or program changes and requirements;
- b. Monitor network compliance with policies and Rules of AHCCCS and the Contractor, including compliance with all policies and procedures related to the grievance/appeal processes and ensuring the member's care is not compromised during the grievance/appeal processes;
- c. Evaluate the quality of services delivered by the network;
- d. Provide or arrange for medically necessary covered services should the network become temporarily insufficient within the contracted service area;
- e. Monitor the adequacy, accessibility and availability of its provider network to meet the needs of its members, including the provision of care to members with limited proficiency in English;
- f. Process provisional credentials;
- g. Recruit, select, credential, re-credential and contract with providers in a manner that incorporate quality management, utilization, office audits and provider profiling;
- h. Provide training for its providers and maintain records of such training;
- i. Track and trend provider inquiries/complaints/requests for information and take systemic action as necessary and appropriate; and
- j. Ensure that provider calls are acknowledged within three business days of receipt; resolved and the result communicated to the provider within 30 business days of receipt (this includes referrals from AHCCCS).

Contractor policies shall be subject to approval by AHCCCS, Division of Health Care Management, and shall be monitored through operational audits.

The Contractor shall hold a Provider Forum no less than semi-annually. The forum must be chaired by the Contractor's Administrator/CEO or designee. The purpose of the forum is to improve communication between the Contractor and its providers. The forum shall be open to all providers including dental providers. The Provider Forum shall not be the only venue for the Contractor to communicate and participate in the issues affecting the provider network. Provider Forum meeting agendas and minutes must be made available to AHCCCS upon request. The Contractor shall report information discussed during these Forums to Executive Management within the organization.

Material Change to Provider Network: The Contractor is responsible for evaluating all provider network changes, including unexpected or significant changes, and determining whether those changes are material changes to the Contractor's provider network [42 CFR 438.207 (c)]. All material changes to the provider network must be approved in advance by AHCCCS, Division of Health Care Management. A material change to the provider network is defined as one that affects, or can reasonably be foreseen to affect, the Contractor's ability to meet the performance and/or provider network standards as described in this contract including, but not limited to, any change that would cause or is likely to cause more than 5% of members in a GSA to change the location where services are received or rendered.

The Contractor must submit the request for approval of a material change to the provider network with information including, but not limited to, how the change will affect the delivery of covered services, the

Contractor's plans for maintaining the quality of member care, and communications to providers and members, as outlined in ACOM Policy 439 and as specified in Attachment F3, Contractor Chart of Deliverables. AHCCCS will review and respond to the Contractor within 30 days of the submission. A material change in the Contractor's provider network requires 30 days advance written notice to members and providers. For emergency situations, AHCCCS will expedite the approval process. In the event unforeseen circumstances prevent the Contractor from providing 30 days advance written notice to members and providers, the Contractor shall notify AHCCCS within one business day of identifying the material change to the provider network for AHCCCS determination of notification requirements.

The requirements regarding material changes to the provider network do not apply to the contract negotiation process between the Contractor and a provider.

See Section D, Paragraph 44, regarding material changes by the Contractor that may impact business operations.

See Section D, Paragraph 55, Capitation Adjustments regarding material changes by the Contractor that may impact capitation rates.

The Contractor shall give hospitals and provider groups 90 days' notice prior to a contract termination without cause. Contracts between the Contractor and single practitioners are exempt from this requirement.

Provider/Network Changes Report: The Contractor must submit a Quarterly Provider/Network Changes Due to Rates Report as described in ACOM Policy 415 and Attachment F3, Contractor Chart of Deliverables.

30. PRIMARY CARE PROVIDER STANDARDS

The Contractor shall include in its provider network a sufficient number of PCPs to meet the requirements of this contract. Health care providers designated by the Contractor as PCPs shall be licensed in Arizona as allopathic or osteopathic physicians who generally specialize in family practice, internal medicine, obstetrics, gynecology, or pediatrics; certified nurse practitioners or certified nurse midwives; or physician's assistants [42 CFR 438.206(b)(2)].

The Contractor shall assess the PCP's ability to meet AHCCCS appointment availability and other standards, when determining the appropriate number of its members to be assigned to a PCP. The Contractor shall adjust the size of a PCP's panel, as needed, for the PCP to meet AHCCCS appointment and clinical performance standards. AHCCCS shall inform the Contractor when a PCP has a panel of more than 1,800 AHCCCS members, to assist in the assessment of the size of their panel. This information will be provided on a quarterly basis.

The Contractor shall have a system in place to monitor and ensure that each member is assigned to an individual PCP and that the Contractor's data regarding PCP assignments is current. The Contractor is encouraged to assign members with complex medical conditions, who are age 12 and younger, to board certified pediatricians. PCP's, with assigned members diagnosed with AIDS or as HIV positive shall meet criteria and standards set forth in the AMPM.

The Contractor shall ensure that providers serving EPSDT-aged members utilize the AHCCCS-approved EPSDT Tracking forms and standardized developmental screening tools and are trained in the use of the tools. EPSDT-aged members shall be assigned to providers who are trained on and who use AHCCCS approved developmental screening tools.

The Contractor shall offer members freedom of choice within its network in selecting a PCP consistent with 42 CFR 438.6(m) and 438.52(d) and this contract. Any American Indian who is enrolled with the Contractor and

who is eligible to receive services from a participating I/T/U provider may elect that I/T/U as his or her primary care provider, if that I/T/U participates in the network as a primary care provider and has capacity to provide the services per ARRA Section 5006(d) and SMD letter 10-001).^{xiii} The Contractor may restrict this choice when a member has shown an inability to form a relationship with a PCP, as evidenced by frequent changes, or when there is a medically necessary reason. When a new member has been assigned to the Contractor, the Contractor shall inform the member in writing of his enrollment and of his PCP assignment within 12 days of the Contractor's receipt of notification of assignment by AHCCCS. See ACOM Policy 404 for member information requirements.

At a minimum, the Contractor shall hold the PCP responsible for the following activities [42 CFR 438.208(b)(1)]:

- a. Supervising, coordinating and providing care to each assigned member (except for well woman exams children's dental services when provided without a PCP referral);
- b. Initiating of referrals for medically necessary specialty care;
- c. Maintaining continuity of care for each assigned member;
- d. Maintaining the member's medical record, including documentation of all services provided to the member by the PCP, as well as any specialty or referral services including behavioral health;
- e. Utilizing the AHCCCS approved EPSDT Tracking form; and
- f. Providing clinical information regarding member's health and medications to the treating provider (including behavioral health providers) within 10 business days of a request from the provider; and
- g. If serving children, for enrolling as a Vaccines for Children (VFC) provider.

The Contractor shall establish and implement policies and procedures to monitor PCP activities and to ensure that PCPs are adequately notified of, and receive documentation regarding, specialty and referral services provided to assigned members by specialty physicians, and other health care professionals.

31. MATERNITY CARE PROVIDER STANDARDS

The Contractor shall ensure that a maternity care provider is designated for each pregnant member for the duration of her pregnancy and postpartum care and that those maternity services are provided in accordance with the AMPM. Members becoming eligible or transitioning to another Contractor during their third trimester shall be allowed to complete maternity care and delivery with an AHCCCS registered provider from whom they have been receiving maternity services. The Contractor may include in its provider network the following maternity care providers:

- a. Arizona licensed allopathic and/or osteopathic physicians who are Obstetricians or general practice/family practice providers who provide maternity care services;
- b. Physician Assistants;
- c. Nurse Practitioners;
- d. Certified Nurse Midwives;
- e. Licensed Midwives.

Pregnant members may choose, or be assigned, a PCP who provides obstetrical care. Such assignment shall be consistent with the freedom of choice requirements for selecting health care professionals while ensuring that the continuity of care is not compromised. Members receiving maternity services from a certified nurse midwife or a licensed midwife must also be assigned to a PCP for other health care and medical services. A certified nurse midwife may provide primary care services that he or she is willing to provide and that the member elects to receive from the certified nurse midwife. Members receiving care from a certified nurse midwife may elect to receive some or all her primary care from the assigned PCP. Licensed midwives may not provide any additional medical services as primary care is not within their scope of practice.

All physicians and certified nurse midwives who perform deliveries shall have hospital privileges for obstetrical services. Practitioners performing deliveries in alternate settings shall have a documented hospital coverage agreement. Licensed midwives perform deliveries only in the member's home. Labor and delivery services may be provided in the member's home by physicians, nurse practitioners, and certified nurse midwives who include such services within their practice.

32. REFERRAL MANAGEMENT PROCEDURES AND STANDARDS

The Contractor shall have adequate written procedures regarding referrals to specialists, to include, at a minimum, the following:

- a. Use of referral forms clearly identifying the Contractor
- b. A process in place that ensures the member's PCP receives all specialist and consulting reports and a process to ensure PCP follow-up of all referrals including EPSDT referrals for behavioral health services.
- c. A referral plan for any member who is about to lose eligibility and who requests information on low-cost or no-cost health care services.
- d. Referral to Medicare.
- e. Women shall have direct access to in-network gynecological providers, including physicians, physician assistants and nurse practitioners within the scope of their practice [42 CFR 438.206(b)(2)]
- f. For members with special health care needs determined to need a specialized course of treatment or regular care monitoring, the Contractor must have a mechanism in place to allow such members to directly access a specialist (for example through a standing referral or an approved number of visits) as appropriate for the member's condition and identified needs.
- g. Allow for a second opinion from a qualified health care professional within the network, or if one is not available in network, arrange for the member to obtain one outside the network, at no cost to the member [42 CFR 438.206(b)(3)].

The Contractor shall comply with all applicable physician referral requirements and conditions defined in Sections 1903(s) and 1877 of the Social Security Act and their implementing regulations which include, but are not limited to, 42 CFR Part 411, Part 424, Part 435 and Part 455. Sections 1903(s) and 1877 of the Act prohibits physicians from making referrals for designated health services to health care entities with which the physician or a member of the physician's family has a financial relationship. Designated health services include:

- a. Clinical laboratory services
- b. Physical therapy services
- c. Occupational therapy services
- d. Radiology services
- e. Radiation therapy services and supplies
- f. Durable medical equipment and supplies
- g. Parenteral and enteral nutrients, equipment and supplies
- h. Prosthetics, orthotics and prosthetic devices and supplies
- i. Home health services
- j. Outpatient prescription drugs
- k. Inpatient and outpatient hospital services

33. APPOINTMENT STANDARDS

The Contractor shall actively monitor and track provider compliance with appointment availability standards as required in ACOM Policy 417 [42 CFR 438.206]. The Contractor shall ensure that providers offer a range of appointment availability, per appointment timeliness standards, for intakes and ongoing services based upon

the clinical need of the member. The exclusive use of same-day only appointment scheduling and/or open access is prohibited within the contractor's network. The Contractor is required on a quarterly basis to conduct review of the availability of the below listed providers in sufficient quantity to ensure results are meaningful and representative of the Contractor's network and report this information as specified in Attachment F3, Contractor Chart of Deliverables.

For purposes of this section, "urgent" is defined as an acute, but not necessarily life-threatening disorder, which, if not attended to, could endanger the patient's health. The Contractor shall have procedures in place that ensure the following standards are met.

For *Primary Care Provider Appointments*, the Contractor shall be able to provide:

- a. Immediate Need appointments the same day or within 24 hours of the member's phone call or other notification
- b. Urgent care appointments within 2 days of request
- c. Routine care appointments within 21 days of request

For *Specialty Provider Referrals*, the Contractor shall be able to provide:

- a. Immediate Need appointments within 24 hours of referral
- b. Urgent care appointments within 3 days of referral
- c. Routine care appointments within 45 days of referral

For *Dental Provider Appointments*, the Contractor shall be able to provide:

- a. Immediate Need appointments within 24 hours of request
- b. Urgent appointments within 3 days of request
- c. Routine care appointments within 45 days of request

For *Maternity Care Provider Appointments*, the Contractor shall be able to provide initial prenatal care appointments for enrolled pregnant members as follows:

- a. First trimester - within 14 days of request
- b. Second trimester - within 7 days of request
- c. Third trimester - within 3 days of request
- d. High risk pregnancies - within 3 days of identification of high risk by the Contractor or maternity care provider, or immediately if an emergency exists

For wait time in office, the Contractor shall actively monitor and ensure that a member's waiting time for a scheduled appointment at the PCP's or specialist's office is no more than 45 minutes, except when the provider is unavailable due to an emergency.

For medically necessary non-emergent transportation, the Contractor shall schedule transportation so that the member arrives on time for the appointment, but no sooner than one hour before the appointment; nor have to wait more than one hour after the conclusion of the treatment for transportation home; nor be picked up prior to the completion of treatment. Also see Section D, Paragraph 11, Special Health Care Needs. The Contractor must develop and implement a quarterly performance auditing protocol to evaluate compliance with the standards above for all subcontracted transportation vendors/brokers and require corrective action if standards are not met.

The Contractor must use the results of appointment standards monitoring to assure adequate appointment availability in order to reduce unnecessary emergency department utilization. The Contractor is also encouraged

to contract with or employ the services of non-emergency facilities to address member non-emergency care issues occurring after regular office hours or on weekends.

The Contractor shall establish processes to monitor and reduce the appointment “no-show” rate by provider and service type. As best practices are identified, AHCCCS may require implementation by the Contractor.

The Contractor shall have written policies and procedures about educating its provider network regarding appointment time requirements. The Contractor must develop a corrective action plan when appointment standards are not met. In addition, the Contractor must develop a corrective action plan in conjunction with the provider when appropriate [42 CFR 438.206(c)(1)(iv), (v) and (vi)]. Appointment standards shall be included in the Provider Manual. The Contractor is encouraged to include the standards in the provider subcontract.

34. FEDERALLY QUALIFIED HEALTH CENTERS AND RURAL HEALTH CLINICS

The Contractor is encouraged to use Federally Qualified Health Centers and Rural Health Clinics (FQHCs/RHCs) and FQHC Look-Alikes in Arizona to provide covered services. FQHCs/RHCs and FQHC Look-Alikes are paid unique, cost-based Prospective Payment System (PPS) rates for non-pharmacy ambulatory Medicaid-covered services. The PPS rate is an all-inclusive per visit rate.^{xiv}

To ensure compliance with the requirement of 42 USC 1396b(m)(2)(A)(ix) that the Contractor’s payments, in aggregate, will not be less than the level and amount of payment which the Contractor would make for the services if the services were furnished by a provider which is not a FQHC or RHC:^{xv}

1. For dates of service from October 1, 2014 through March 31, 2015, the Contractor shall negotiate rates of payment with FQHCs/RHCs and FQHC Look-Alikes for non-pharmacy ambulatory services that are comparable to the rates paid to providers that provide similar services.
2. For dates of service on and after April 1, 2015, the Contractor shall pay the unique PPS rates, or negotiate sub-capitated agreements comparable to the unique PPS rates, to FQHCs/RHCs and FQHC Look-Alikes for PPS-eligible visits.

AHCCCS reserves the right to review a Contractor’s rates with an FQHC/RHC and FQHC Look-Alikes for reasonableness and to require adjustments when rates are found to be substantially less than those being paid to other, non-FQHC/RHC/FQHC Look-Alikes providers for comparable services, or not equal to or substantially less than the PPS rates.

The Contractor may be required to submit member information for Title XIX and Title XXI members for each FQHC/RHC/FQHC Look-Alikes as specified in Attachment F3, Contractor Chart of Deliverables. AHCCCS may perform periodic audits of the member information submitted. The Contractor should refer to the AHCCCS Financial Reporting Guide for the CMDP Contractor for further guidance. The FQHCs/RHCs/FQHC Look-Alikes registered with AHCCCS are listed on the AHCCCS website.

See Section D, Scope of Services Paragraph 10, *Prescription Medications* for more information related to 340B Drug Pricing.

35. PROVIDER MANUAL

The Contractor shall develop, distribute and maintain a provider manual as described in ACOM Policy 416.

36. PROVIDER REGISTRATION

The Contractor shall ensure that all of its subcontractors register with AHCCCS as an approved service provider. For specific requirements on Provider Registration refer to the AHCCCS website.

The National Provider Identifier (NPI) is required on all claim submissions and subsequent encounters (from providers who are eligible for an NPI). The Contractor shall work with providers to obtain their NPI.

Except as otherwise required by law or as otherwise specified in a contract between a Contractor and a provider, the AHCCCS Fee-For-Service provisions referenced in the AHCCCS Provider Participation Agreement located on the AHCCCS website (e.g. billing requirements, coding standards, payment rates) are in force between the provider and Contractor.

37. SUBCONTRACTS

The Contractor shall be legally responsible for contract performance whether or not subcontracts are used [42 CFR 438.230(a) and 434.6(c)]. No subcontract shall operate to terminate the legal responsibility of the Contractor to assure that all activities carried out by the subcontractor conform to the provisions of this contract. The Contractor shall be held fully liable for the performance of all contract requirements and shall develop and maintain a system for regular and periodic assessment of all subcontractors' compliance with its terms. Subject to such conditions, any function required to be provided by the Contractor pursuant to this contract may be subcontracted to a qualified person or organization [42 CFR 438.6]. All such subcontracts must be in writing [42 CFR 438.6(l)]. All subcontracts entered into by the Contractor are subject to prior review and written approval by AHCCCS, Division of Health Care Management, and shall incorporate by reference the applicable terms and conditions of this contract.

Before entering into a subcontract which delegates duties or responsibilities to a subcontractor the Contractor must evaluate the prospective subcontractor's ability to perform the activities to be delegated. If the Contractor delegates duties or responsibilities then the Contractor shall establish a written agreement that specifies the activities and reporting responsibilities delegated to the subcontractor. The written agreement shall also provide for revoking delegation or imposing other sanctions if the subcontractor's performance is inadequate. The Contractor's local CEO must retain the authority to direct and prioritize any delegated contract requirements. In order to determine adequate performance, the Contractor shall monitor the subcontractor's performance on an ongoing basis and subject it to formal review at least annually or more frequently if requested by AHCCCS. As a result of the performance review, any deficiencies must be communicated to the subcontractor in order to establish a corrective action plan [42 CFR 438.230(b)]. The results of the performance review and the correction plan shall be communicated to AHCCCS upon completion.

The Contractor shall maintain a fully executed original or electronic copy of all subcontracts, which shall be accessible to AHCCCS within five business days of the request by AHCCCS. All requested subcontracts must have full disclosure of all terms and conditions and must fully disclose all financial or other requested information. Information may be designated as confidential but may not be withheld from AHCCCS as proprietary. Information designated as confidential may not be disclosed by AHCCCS without the prior written consent of the Contractor except as required by law. All subcontracts shall comply with the applicable provisions of Federal and State laws, regulations and policies.

AHCCCS may, at its discretion, communicate directly with the governing body or Parent Corporation of the Contractor regarding the performance of a subcontractor or Contractor respectively.

Minimum Subcontract Provisions: All subcontracts must reference and require compliance with the Minimum Subcontract Provisions. See Minimum Subcontract Provisions on the AHCCCS Website.

In addition, each subcontract must contain the following:

1. Full disclosure of the method and amount of compensation or other consideration to be received by the subcontractor;
2. Identification of the name and address of the subcontractor;
3. Identification of the population, to include patient capacity, to be covered by the subcontractor;
4. The amount, duration and scope of medical services to be provided, and for which compensation will be paid;
5. The term of the subcontract including beginning and ending dates, methods of extension, termination and re-negotiation;
6. The specific duties of the subcontractor relating to coordination of benefits and determination of third-party liability;
7. A provision that the subcontractor agrees to identify Medicare and other third-party liability coverage and to seek such Medicare or third party liability payment before submitting claims to the Contractor;
8. A description of the subcontractor's patient, medical, dental and cost record keeping system;
9. Specification that the subcontractor shall cooperate with quality management programs, and comply with the utilization control and review procedures specified in 42 CFR Part 456, as specified in the AMPM;
10. A provision stating that a merger, reorganization or change in ownership of an Administrative Services subcontractor of the Contractor shall require a contract amendment and prior approval of AHCCCS;
11. A provision that indicates that AHCCCS is responsible for enrollment, re-enrollment and disenrollment of the covered population;
12. A provision that the subcontractor shall be fully responsible for all tax obligations, Worker's Compensation Insurance, and all other applicable insurance coverage obligations which arise under this subcontract, for itself and its employees, and that AHCCCS shall have no responsibility or liability for any such taxes or insurance coverage;
13. A provision that the subcontractor must obtain any necessary authorization from the Contractor or AHCCCS for services provided to eligible and/or enrolled members;
14. A provision that the subcontractor must comply with encounter reporting and claims submission requirements as described in the subcontract;
15. Provision(s) that allow the Contractor to suspend, deny, refuse to renew or terminate any subcontractor in accordance with the terms of this contract and applicable law and regulation;
16. A provision that the subcontractor may provide the member with factual information, but is prohibited from recommending or steering a member in the member's selection of a Contractor; and
17. A provision that compensation to individuals or entities that conduct utilization management and concurrent review activities is not structured so as to provide incentives for the individual or entity to deny, limit or discontinue medically necessary services to any enrollee [42 CFR 438.210(e)].

In the event of a modification to the AHCCCS Minimum Subcontract Provisions the Contractor shall issue a notification of the change to its subcontractors within 30 days of the published change and ensure amendment of affected subcontracts. Affected subcontracts shall be amended on their regular renewal schedule or within six calendar months of the update, whichever comes first. See also ACOM Policy 416.

Administrative Services Subcontracts: Administrative Services subcontracts shall be submitted to AHCCCS, Division of Health Care Management for prior approval as specified in ACOM Policy 438 and Attachment F3, Contractor Chart of Deliverables. If at any time during the period of the subcontract, the subcontractor is found to be in non-compliance, the Contractor shall notify AHCCCS as specified in ACOM Policy 438 and Attachment F3, Contractor Chart of Deliverables. The Contractor will submit this in writing and provide the corrective action plan and any measures taken by the Contractor to bring the subcontractor into compliance.

The Contractor must submit an annual Administrative Services Subcontractor Evaluation Report as specified in ACOM Policy 438 and Attachment F3, Contractor Chart of Deliverables. The report shall include any findings of

subcontract non-compliance and any corrective action plans and/or measures taken by the Contractor to bring the subcontractor into compliance.

The Contractor shall require Administrative Services Subcontractors to adhere to screening and disclosure requirements as described in Paragraph 62, Corporate Compliance.

A merger, acquisition, reorganization or change in ownership of an Administrative Services subcontractor of the Contractor requires prior approval of AHCCCS, as outlined in ACOM Policy 438.

AHCCCS will not permit one organization to own or manage more than one contract within the same program in the same GSA.

Provider Agreements: The Contractor shall not include covenant-not-to-compete requirements in its provider agreements. Specifically, the Contractor shall not contract with a provider and require that the provider not provide services for any other AHCCCS Contractor. In addition, the Contractor shall not enter into subcontracts that contain compensation terms that discourage providers from serving any specific eligibility category.

The Contractor must make reasonable efforts to enter into a written agreement with any provider providing services at the request of the Contractor more than 25 times during the previous contract year and/or are anticipated to continue providing services for the Contractor. The Contractor must follow ACOM Policy 415 and consider the repeated use of providers operating without a written agreement when assessing the adequacy of its network.

For all subcontracts in which the Contractor and subcontractor have a capitated arrangement/risk sharing arrangement, the following provision must be included verbatim in every contract:

If <the Subcontractor> does not bill <the Contractor>, < the subcontractor's> encounter data that is required to be submitted to <the Contractor> pursuant to contract is defined for these purposes as a "claim for payment". <The Subcontractor's> provision of any service results in a "claim for payment" regardless of whether there is any intention of payment. All said claims shall be subject to review under any and all fraud and abuse statutes, rules and regulations, including but not limited to Arizona Revised Statute (A.R.S.) §36-2918, §36-2932, and §36-2957.

38. CLAIMS PAYMENT/HEALTH INFORMATION SYSTEM

The Contractor shall develop and maintain claims processes and systems that ensure the accurate collection and processing of claims, analysis, integration, and reporting of data. These processes and systems shall result in information on areas including, but not limited to, service utilization, claim disputes and appeals [42 CFR 438.242(a)].

General Claims Processing Requirements

The Contractor must include nationally recognized methodologies to correctly pay claims including but not limited to:

- a. Medicaid National Correct Coding Initiative (NCCI) for Professional, ASC and Outpatient services;
- b. Multiple Procedure/Surgical Reductions;
- c. Global Day E & M Bundling standards.

The Contractor's claims payment system must be able to assess and/or apply data related edits including but not limited to:

- a. Benefit Package Variations;
- b. Timeliness Standards;
- c. Data Accuracy;
- d. Adherence to AHCCCS Policy;
- e. Provider Qualifications;
- f. Member Eligibility and Enrollment;
- g. Over-Utilization Standards.

The Contractor must produce a remittance advice related to the Contractor's payments and/or denials to providers and each must include at a minimum:

- a. The reason(s) for denials and adjustments
- b. A detailed explanation/description of all denials, payments and adjustments
- c. The amount billed
- d. The amount paid
- e. Application of COB and copays
- f. Provider rights for claim disputes

Additionally, the Contractor must include information in its remittance advice which informs providers of instructions and timeframes for the submission of claim disputes and corrected claims. All paper remittance advices must describe this information in detail. Electronic remittance advices must either direct providers to the link where this information is explained or include a supplemental file where this information is explained.

The related remittance advice must be sent with the payment, unless the payment is made by electronic funds transfer (EFT). Any remittance advice related to an EFT must be sent to the provider, no later than the date of the EFT. See Section D, Paragraph 64, Systems and Data Exchange Requirements, for specific standards related to remittance advice and EFT payment.

AHCCCS requires the Contractor to attend and participate in AHCCCS workgroups including Technical Consortium meetings to review upcoming initiatives and other technical issues.

Per A.R.S. §36-2904, unless a shorter time period is specified in contract, the Contractor shall not pay a claim initially submitted more than six months after the date of service or date of eligibility posting whichever is later, or pay a clean claim submitted more than 12 months after the date of service or date of eligibility posting, whichever is later; except as directed by AHCCCS or otherwise noted in this contract.

Regardless of any subcontract with an AHCCCS Contractor, when one AHCCCS Contractor recoups a claim because the claim is the payment responsibility of another AHCCCS Contractor (responsible Contractor), the provider may file a claim for payment with the responsible Contractor. The responsible Contractor shall not deny a claim on the basis of lack of timely filing if the provider submits a clean claim to the responsible Contractor no later than 60 days from the date of the recoupment, 12 months from the date of service, or 12 months from date that eligibility is posted, whichever date is later.

Claim payment requirements pertain to both contracted and non-contracted providers. The receipt date of the claim is the date stamp on the claim or the date electronically received. The receipt date is the day the claim is received at the Contractor's specified claim mailing address, received through direct electronic submission to the Contractor, or received by the Contractor's designated Clearinghouse. The paid date of the claim is the date on the check or other form of payment [42 CFR 447.45(d)]. Claims submission deadlines shall be calculated from the claim end date or the effective date of service, inpatient claim date of discharge or the effective date of eligibility posting, whichever is later as stated in A.R.S. §36-2904. Additionally, unless a subcontract specifies otherwise, the Contractor shall ensure that for each form type (Dental/Professional/Institutional), 95% of all clean

claims are adjudicated within 30 days of receipt of the clean claim and 99% are adjudicated within 60 days of receipt of the clean claim.

In accordance with the Deficit Reduction Act of 2005, Section 6085, SMD letter 06-010, and Section 1932 (b)(2)(D) of the Social Security Act, the Contractor is required to reimburse non-contracted emergency services providers at the AHCCCS Fee-For-Service rate.^{xvi} This applies to in state as well as out of state providers.

In accordance with A.R.S. §36-2904 the Contractor is required to reimburse providers of hospital and non hospital services at the AHCCCS fee schedule in the absence of a contract or negotiated rate. This requirement applies to services which are directed out of network by the Contractor or to emergency services. For inpatient stays at urban hospitals pursuant to A.R.S. §36-2905.01 for non-emergency services, the Contractor is required to reimburse non-contracted providers at 95% of the AHCCCS fee schedule specified in A.R.S. §36-2903.01. All payments are subject to other limitations that apply, such as provider registration, prior authorization, medical necessity, and covered service.

The Contractor is required to reimburse providers for previously denied or recouped claims if the provider was subsequently denied payment by the primary insurer based on timely filing limits or lack of prior authorization and the member failed to initially disclose additional insurance coverage other than AHCCCS.

The provider shall have 90 days from the date they become aware that payment will not be made, to submit a new claim to the Contractor which includes the documentation from the primary insurer that payment will not be made. Documentation includes but is not limited to any of the following items establishing that the primary insurer has or would deny payment based on timely filing limits or lack of prior authorization; an EOB, policy or procedure, Provider Manual excerpt, etc.

For hospital clean claims, in the absence of a contract specifying otherwise, a Contractor shall apply a quick pay discount of 1% on claims paid within 30 days of receipt of the clean claim. For hospital clean claims, in the absence of a contract specifying other late payment terms, a Contractor is required to pay slow payment penalties (interest) on payments made after 60 day of receipt of the clean claim. Interest shall be paid at the rate of 1% per month for each month or portion of a month from the 61st day until the date of payment (A.R.S. §36-2903.01).

For all non-hospital clean claims, in the absence of a contract specifying other late payment terms, a Contractor is required to pay interest on payments made after 45 days of receipt of the clean claim (as defined in this contract). Interest shall be at the rate of 10% per annum (prorated daily) from the 46th day until the date of payment.

In the absence of a contract specifying other late payment terms, a claim for an authorized service submitted by a licensed skilled nursing facility, assisted living ALTCS provider or a home and community based ALTCS provider shall be adjudicated within 30 calendar days after receipt by the Contractor. A Contractor is required to pay interest on payments made after 30 days of receipt of the clean claim. Interest shall be paid at the rate of 1% per month (prorated on a daily basis) from the date the clean claim is received until the date of payment (A.R.S. §36- 2943.D).

The Contractor shall pay interest on all claim disputes as appropriate based on the date of the receipt of the original clean claim submission (not the claim dispute).

When interest is paid, the Contractor must report the interest as directed in the AHCCCS Encounter Manual and the AHCCCS Claims Dashboard Reporting Guide.

See ACOM Policy 203 for additional information regarding requirements for the adjudication and payment of claims.

Recoupments: The Contractor's claims processes, as well as its prior authorization and concurrent review process, must minimize the likelihood of having to recoup already-paid claims.

Any individual recoupment in excess of \$50,000 per provider, or Tax Identification Number within a contract year or greater than 12 months after the date of the original payment must be approved as specified in Attachment F3, Contractor Chart of Deliverables and as further described in ACOM Policy 412.

When recoupment amounts for a Provider TIN cumulatively exceed \$50,000 during a contract year (based on recoupment date), the Contractor must report the cumulative recoupment monthly to the designated AHCCCS Operations and Compliance Officer as outlined in the AHCCCS Claims Dashboard Reporting Guide and Attachment F3, Contractor Chart of Deliverables.

The Contractor must void encounters for claims that are recouped in full. For recoupments that result in a reduced claim value or adjustments that result in an increased claim value, replacement encounters must be submitted. AHCCCS may validate the submission of applicable voids and replacement encounters upon completion of any approved recoupment that meets the qualifications of this section. All replaced or voided encounters must reach adjudicated status within 120 days of the approval of the recoupment. The Contractor should refer to ACOM Policy 412 and AHCCCS Encounter Manual for further guidance.

Appeals: If the Contractor or a Director's Decision reverses a decision to deny, limit, or delay authorization of services, and the member received the disputed services while an appeal was pending, the Contractor shall process a claim for payment from the provider in a manner consistent with the Contractor's or Director's Decision and applicable statutes, Rules, policies, and contract terms. The provider shall have 90 days from the date of the reversed decision to submit a clean claim to the Contractor for payment. For all claims submitted as a result of a reversed decision, the Contractor is prohibited from denying claims for untimeliness if they are submitted within the 90 day timeframe. The Contractor is also prohibited from denying claims submitted as a result of a reversed decision because the member failed to request continuation of services during the appeals/hearing process: a member's failure to request continuation of services during the appeals/hearing process is not a valid basis to deny the claim.

ICD-10 Readiness: In 2009 the Federal government published the final regulation that adopted the ICD-10 code sets as HIPAA standards (45 CFR 162.1002). As HIPAA covered entities, State Medicaid programs must comply with use of the ICD-10 code sets by the deadline established by CMS. The compliance date published in the final rule is October 1, 2013. However, in 2014 the compliance effective date was further delayed to October 1, 2015, though AHCCCS did not amend its requirement that the Contractor be ready to implement ICD-10 effective October 1, 2014.

Claims Processing Related Reporting: The Contractor shall submit a monthly Claims Dashboard as specified in the AHCCCS Claims Dashboard Reporting Guide and Attachment F3, Contractor Chart of Deliverables.

AHCCCS may require the Contractor to review claim requirements, including billing Rules and documentation requirements, and submit a report to AHCCCS that will include the rationale for specified requirements. AHCCCS shall determine and provide a format for the reporting of this data at the time of the request.

Claims System Audits: The Contractor shall develop and implement an internal ongoing claims audit function that will include, at a minimum, the following:

- a. Verification that provider contracts are loaded correctly
- b. Accuracy of payments against provider contract terms

Audits of provider contract terms must be performed on a regular and periodic basis and consist of a random, statistically significant sampling of all contracts in effect at the time of the audit. The audit sampling methodology must be documented in policy and the Contractor should review the contract loading of both large groups and

individual practitioners at least once every five year period in addition to any time a contract change is initiated during that timeframe. The findings of the audits described above must be documented and any deficiencies noted in the resulting reports must be met with corrective action.

In addition, in the event of a system change or upgrade, as specified in Attachment F3, Contractor Chart of Deliverables, the Contractor may also be required to initiate an independent audit of the Claim Payment/Health Information System. The Division of Health Care Management will approve the scope of this audit, and may include areas such as a verification of eligibility and enrollment information loading, contract information management (contract loading and auditing), claims processing and encounter submission processes, and will require a copy of the final audit findings.

Recovery Audit Contractor Audits: A Recovery Audit Contractor (RAC) is a private entity that is contracted to identify underpayments and overpayments, and to recoup overpayments made to providers. The Affordable Care Act of 2010 required States to establish Medicaid RAC programs. CMS promulgated rules regarding the implementation of the Medicaid RAC requirements (42 CFR 455.500 et seq.), including the provision that Medicaid RACs are only required to review Fee-For-Service claims until a permanent Medicare managed care RAC program is fully operational or a viable State managed care model is identified and CMS undertakes rules regarding managed care RAC efforts.

AHCCCS is exploring what opportunities may exist in the marketplace regarding a methodology for conducting a recovery audit of its services delivered through its managed care contracts (excluding reinsurance). The Contractor shall participate in any RAC activities mandated by AHCCCS, via contract amendment or policy, upon determination of the method of approach.

39. SPECIALTY CONTRACTS

AHCCCS may at any time negotiate or contract on behalf of the Contractor and AHCCCS for specialized hospital and medical services. AHCCCS will consider existing Contractor resources in the development and execution of specialty contracts. AHCCCS may require the Contractor to modify its delivery network to accommodate the provisions of specialty contracts. AHCCCS may consider waiving this requirement in particular situations if such action is determined to be in the best interest of the State; however, in no case shall reimbursement exceeding that payable under the relevant AHCCCS specialty contract be considered in capitation rate development or risk sharing arrangements, including reinsurance.

During the term of specialty contracts, AHCCCS may act as an intermediary between the Contractor and specialty Contractors to enhance the cost effectiveness of service delivery, medical management and adjudication of claims related to such payments provided under specialty contracts shall remain the responsibility of the Contractor. AHCCCS may provide technical assistance prior to the implementation of any specialty contracts.

AHCCCS has specialty contracts, including but not limited to, transplant services, anti-hemophilic agents and pharmaceutical related services. AHCCCS shall provide at least 60 days advance written notice to the Contractor prior to the implementation of any specialty contract.

40. HOSPITAL SUBCONTRACTING AND REIMBURSEMENT

In the absence of a contract between the Contractor and a hospital providing otherwise, the Contractor shall reimburse hospitals for inpatient and outpatient hospital services as required by A.R.S. §§36-2904 and 2905.01, and 9 A.A.C. 22, Article 7, which includes without limitation: reimbursement of the majority of inpatient hospital services with discharge dates on and after October 1, 2014, using the APR-DRG payment methodology in A.A.C. R9-22-712.60 through A.A.C. R9-22-712.81; reimbursement of limited inpatient hospital services with discharge dates on and after October 1, 2014, using per diem rates described in A.A.C.

R9-22-712.61; and, in Pima and Maricopa Counties, payment to non-contracted hospitals at 95% of the amounts otherwise payable for inpatient services.

The Contractor is encouraged to obtain subcontracts with hospitals in all GSAs. A Contractor serving out-of-state border communities (excluding Mexico) is strongly encouraged to establish contractual agreements with those out-of-state hospitals in counties that are identified by GSA in ACOM Policy 436. The Contractor, upon request, shall make available to AHCCCS, all hospital subcontracts and amendments.

The Contractor may conduct prepayment, concurrent and post-payment medical reviews of all hospital claims including outlier claims. Erroneously paid claims may be subject to recoupment. If the Contractor fails to identify lack of medical necessity through prepayment and/or concurrent medical review, lack of medical necessity shall not constitute a basis for recoupment of paid hospital claims, including outlier claims, unless the Contractor identifies the lack of medical necessity through a post-payment medical review of information that the Contractor could not have discovered during a prepayment and/or concurrent medical review through the exercise of due diligence. The Contractor shall comply with Section D, Paragraph 38, Claims Payment/Health Information System.

For information on Value Based Purchasing Differential Adjusted Payments see Paragraph 87, Value-Based Purchasing.

41. RESPONSIBILITY FOR NURSING FACILITY REIMBURSEMENT

The Contractor shall provide medically necessary nursing facility services as outlined in Section D, Paragraph 10, Scope of Services. The Contractor shall also provide medically necessary nursing facility services for any enrolled member who has a pending ALTCS application who is currently residing in a nursing facility and is eligible for services provided under this contract. If the member becomes ALTCS eligible and is enrolled with an ALTCS Contractor before the end of the maximum 90 days per contract year of nursing facility coverage, the Contractor is only responsible for nursing facility reimbursement during the time the member is enrolled with the Contractor as shown in the PMMIS. Nursing facility services covered by another liable party (including Medicare) while the member is enrolled with the Contractor, shall be applied to the 90 day per contract year limitation.

The Contractor shall not deny nursing facility services when the member's eligibility, including prior period coverage, had not been posted at the time of admission. In such situations the Contractor shall impose reasonable authorization requirements. There is no ALTCS enrollment, including prior period coverage, which occurs concurrently with AHCCCS acute enrollment.

The Contractor shall notify the Assistant Director of the Division of Member Services, when a member has been residing in a nursing facility, alternative residential facility or receiving home and community based services for 45 days as specified in Section D, Paragraph 10, Scope of Services, under the heading *Nursing Facility*. This will allow AHCCCS time to follow-up on the status of the ALTCS application and to consider potential Fee-For-Service coverage if the stay goes beyond the 90 day per contract year maximum.

For information on Value Based Purchasing Differential Adjusted Payments see Paragraph 87, Value-Based Purchasing.

42. INCENTIVES/PAY FOR PERFORMANCE

Physician Incentives

The Contractor must comply with all applicable physician incentive requirements and conditions defined in 42 CFR 417.479. These regulations prohibit physician incentive plans that directly or indirectly make payments to a doctor or a group as an inducement to limit or refuse medically necessary services to a member. The

reporting requirements under 42 CFR 417.479 have been suspended. No reporting to CMS is required until the suspension is lifted.

The Contractor shall disclose to AHCCCS the information on physician incentive plans listed in 42 CFR 417.479(h)(1) through 417.479(i) upon request from AHCCCS or CMS and to AHCCCS members who request them. AHCCCS shall also review the Value-Based Purchasing (VBP) deliverables required under Section D, Paragraph 76, and may request supplemental information from the Contractor in fulfillment of the requirements in 42 CFR 417.479(h)(1) through 417.479(i).

The Contractor shall not enter into contractual arrangements that place providers at substantial financial risk as defined in 42 CFR 417.479 unless specifically approved in advance by the AHCCCS, Division of Health Care Management. In order to obtain approval when the contractual arrangements meet the definition of substantial financial risk, the following must be submitted to the AHCCCS, Division of Health Care Management 45 days prior to the implementation of the contract as specified in Attachment F3, Contractor Chart of Deliverables, [42 CFR 438.6(g)]:

1. The type of incentive arrangement
2. A plan for the member satisfaction survey;
3. Details of the stop-loss protection provided;
4. A summary of the compensation arrangement that meets the substantial financial risk definition; and
5. Any other items as requested by AHCCCS

Any Contractor-selected and/or developed pay for performance initiative that meets the requirements of 42 CFR 417.479 must be approved by AHCCCS, Division of Health Care Management prior to implementation as specified in Attachment F3, Contractor Chart of Deliverables.

The Contractor shall also comply with all physician incentive plan requirements as set forth in 42 CFR 422.208, 422.210 and 438.6(h). These regulations apply to contract arrangements with subcontracted entities that provide utilization management services.

43. MANAGEMENT SERVICES AGREEMENT AND COST ALLOCATION PLAN

If a Contractor has subcontracted for management services, the management service agreement must be approved in advance by AHCCCS, Division of Health Care Management. If there is a cost allocation plan as part of the management services agreement, it is subject to review by AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables. AHCCCS reserves the right to perform a thorough review of actual management fees charged and/or corporate allocations made.

If there is a change in ownership of the entity with which the Contractor has contracted for management services, AHCCCS must review and provide prior approval of the assignment of the subcontract to the new owner. The performance of management service subcontractors must be evaluated and included in the Annual Subcontractor Assignment and Evaluation Report required by Section D, Paragraph 37, Subcontracts and Attachment F3, Contractor Chart of Deliverables.

44. MATERIAL CHANGE TO BUSINESS OPERATIONS

The Contractor is responsible for evaluating all operational changes, including unexpected or significant changes, and determining whether those changes are material changes to the Contractor's business operations [42 CFR 438.207 (c)]. All material changes to the business operations must be approved in advance by AHCCCS, Division of Health Care Management. A material change to business operations is defined as any change in overall business operations (e.g., policy, process, protocol, such as prior authorization or retrospective review) that affects, or can reasonably be foreseen to affect, the Contractor's ability to meet the

performance standards as described in this contract including, but not limited to, any changes that would impact or is likely to impact more than 5% of total membership and/or provider network in a specific GSA.

The Contractor must submit the request for approval of a material change to business operations with information including, but not limited to, how the change will affect the delivery of covered services, the Contractor's plans for maintaining the quality of member care, and communications to providers and members, as outlined in ACOM Policy 439 and as specified in Attachment F3, Contractor Chart of Deliverables. AHCCCS will respond to the Contractor within 30 days of the submission. A material change in the Contractor's business operations requires 30 days advance written notice to providers and members. For emergency situations, AHCCCS will expedite the approval process.

The Contractor may be required to conduct meetings with providers to address issues (or to provide general information, technical assistance, etc.) related to Federal and State requirements, changes in policy, reimbursement matters, prior authorization and other matters as identified or requested by the AHCCCS.

See Section D, Paragraph 29, regarding material changes by the Contractor that may impact the provider network.

See Section D, Paragraph 64, for additional submission requirements regarding system changes and upgrades.

49. ADVANCES, DISTRIBUTIONS, AND LOANS

The Contractor shall not, without the prior approval of AHCCCS, make any advances, distributions, loans or loan guarantees, including, but not limited to those to related parties or affiliates including another fund or line of business within its organization. The Contractor shall not, without prior approval of AHCCCS, make loans or advances to providers in excess of \$50,000. All requests for prior approval are to be submitted to the AHCCCS Division of Health Care Management as specified in Attachment F3, Contractor Chart of Deliverables. Refer to ACOM Policy 418 for further information.

50. FINANCIAL VIABILITY STANDARDS

The Contractor must comply with the AHCCCS-established financial viability standards. On a quarterly basis, AHCCCS will review the following ratios with the purpose of monitoring the financial health of the Contractor: current ratio; medical expense ratio; and the administrative cost percentage.

Sanctions may be imposed if the Contractor does not meet these financial viability standards. AHCCCS will take into account the Contractor's unique programs for managing care and improving the health status of members when analyzing medical expense and administrative ratio results. However, if a critical combination of the Financial Viability Standards are not met, additional monitoring, such as monthly reporting may be required.

FINANCIAL VIABILITY STANDARDS:

Current Ratio Current assets divided by current liabilities. "Current assets" includes any long-term investments that can be converted to cash within 24 hours without significant penalty (i.e., greater than 20%).

Standard: At least 1.00

PERFORMANCE GUIDELINES:

Medical Expense Ratio Total medical expenses less TPL, divided by the sum of total PPC and prospective capitation + PPC Settlement + Reinsurance less premium tax.

Standard: At least 85%

Administrative Cost Percentage Total administrative expenses, divided by the sum of total PPC and prospective capitation + PPC Settlement + reinsurance less premium tax.

Standard: No more than 15%

The Contractor shall comply with all financial reporting requirements contained in Attachment F3, Contractor Chart of Deliverables and the AHCCCS Financial Reporting Guide for the CMDP Contractor, a copy of which may be found on the AHCCCS website. The required reports are subject to change during the contract term and are summarized in Attachment F3, Contractor Chart of Deliverables.

51. RESERVED**52. MERGER, ACQUISITION, REORGANIZATION, JOINT VENTURE AND CHANGE IN OWNERSHIP**

When a state agency reorganization is required, resulting from an act of the Governor of the State of Arizona or the Arizona State Legislature, the Contractor shall submit prior notification and a detailed transition plan to AHCCCS, as outlined in ACOM Policy 317 and Attachment F3, Contractor Chart of Deliverables. The purpose of the plan review is to ensure uninterrupted services to members, evaluate the new entity's ability to maintain and support the contract requirements, ensure services to members are not diminished, and major components of the organization and AHCCCS programs are not adversely affected by such reorganization. A state agency reorganization may require a contract amendment.

53. COMPENSATION

The method of compensation under this contract will be Prior Period Coverage (PPC) capitation, prospective capitation, and reinsurance, as described and defined within this contract and appropriate laws, regulations or policies.

Actuaries establish the capitation rates using practices established by the Actuarial Standards Board. AHCCCS provides the following data to its actuaries to establish rates for the purposes of rebasing and/or updating the capitation rates:

- a. Utilization and unit cost data derived from adjudicated encounters
- b. Both audited and unaudited financial statements reported by Contractors
- c. Market basket inflation trends
- d. AHCCCS Fee-For-Service schedule pricing adjustments
- e. Programmatic or Medicaid covered service changes that affect reimbursement
- f. Other changes to medical practices or administrative requirements that affect reimbursement

AHCCCS adjusts its rates to best match payment to risk. This further ensures the actuarial basis for the capitation rates. Risk factors that may be considered in capitation rate development include:

- a. Reinsurance (as described in Section D, Paragraph 57, Reinsurance)
- b. Age/Gender
- c. Medicare enrollment
- d. Geographic Service Area adjustments
- e. Risk sharing arrangements for specific populations
- f. Member specific statistics, e.g. member acuity, member choice, member diagnosis, etc.

The above information is reviewed by AHCCCS' actuaries in renewal years to determine if adjustments are necessary. A Contractor may cover services that are not covered under the State Plan or the Arizona Medicaid Section 1115 Demonstration Waiver Special Terms and Conditions approved by CMS; however those services are not included in the data provided to actuaries for setting capitation rates [42 CFR 438.6(e)] (Section 1903(i) and 1903(i)(17) of the Social Security Act).^{xvii} Graduate Medical Education payments (GME) are not included in the capitation rates but paid out separately consistent with the terms of Arizona's State Plan.^{xviii} Likewise, because AHCCCS does not delegate any of its responsibilities for administering Electronic Health Record (EHR) incentive payments to the Contractor, EHR payments are also excluded from the capitation rates and are paid out separately by AHCCCS pursuant to Section 4201 of the HITECH Act, 42 USC 1396b(t), and 42 CFR 495.300 et seq.^{xix}

In instances in which AHCCCS has specialty contracts or legislation/policy limits the allowable reimbursement for certain services or pharmaceuticals, the amount to be used in the capitation rate setting process and reconciliations will be the lesser of the contracted/mandated amount or the Contractor paid amount.

Prospective Capitation: The Contractor will be paid capitation for all prospective member months, including partial member months. This capitation includes the cost of providing medically necessary covered services to members during the prospective period coverage.

Prior Period Coverage (PPC) Capitation: Except for KidsCare members, the Contractor will be paid capitation for all PPC member months, including partial member months. This capitation includes the cost of providing medically necessary covered services to members during prior period coverage. The PPC capitation rates will be set by AHCCCS and will be paid to the Contractor along with the prospective capitation described below. The Contractors will not receive PPC capitation for newborns of members who are enrolled at the time of delivery. There is no PPC capitation for members enrolled with the Contractor who are initially found eligible for AHCCCS through Hospital Presumptive Eligibility. These members will receive coverage of services during the PPC period through AHCCCS Fee-For-Service.

Reconciliation of PPC Costs to Reimbursement: AHCCCS will reconcile the Contractor's PPC medical cost expenses to PPC net capitation paid to the Contractor during the year. This reconciliation will limit the Contractor's profits and losses to 2%. Any losses in excess of 2% will be reimbursed to the Contractor, and likewise, profits in excess of 2% will be recouped. Refer to ACOM Policy 302 CYE 14 AND FORWARD for further details.

Cost Settlement for Primary Care Payment Parity: The Patient Protection and Affordable Care Act (ACA) requires that the Contractor make enhanced payments for primary care services delivered by, or under the supervision of, a physician with a specialty designation of family medicine, general internal medicine, or pediatric medicine. [11/06/2012 final rule, 42 CFR 438.6(c)(5)(vi), 42 CFR 447.400(a)] The Contractor shall base enhanced primary care payments on the Medicare Part B fee schedule rate or, if greater, the payment rate that would be applicable in 2013 and 2014 using the CY 2009 Medicare physician fee schedule conversion factor. If no applicable rate is established by Medicare, the Contractor shall use the rate specified in a fee schedule established by CMS. [11/06/2012 final rule, 42 CFR 438.6(c)(5)(vi), 42 CFR 447.405] The Contractor shall make enhanced primary care payments for all Medicaid-covered Evaluation and Management (E&M) billing codes 99201 through 99499 and Current Procedural Terminology (CPT) vaccine administration codes 90460, 90461, 90471, 90472, 90473, and 90474, or their successor codes. [11/06/2012 final rule, 42 CFR 438.6(c)(5)(vi), 42 CFR 447.405(c)].^{xx} AHCCCS has developed an enhanced fee schedule containing the qualifying codes using the 2009 Medicare conversion factor in compliance with the greater-of requirement. The enhanced payments apply only to services provided on and after January 1, 2013 by qualified providers, who self-attest to AHCCCS as defined in the federal regulations. These reimbursement requirements for the enhanced payments apply to payments made for dates of service January 1, 2013 through December 31, 2014.

The Contractor shall reprocess all qualifying claims for qualifying providers back to January 1, 2013 dates of service with no requirements that providers re-submit claims or initiate any action. The Contractor shall not apply any discounts to the enhanced rates.

In the event that a provider retroactively loses his/her qualification for enhanced payments, the Contractor shall identify impacted claims and automatically reprocess for the recoupment of enhanced payments. It is expected that this reprocessing will be conducted by the Contractor without requirement of further action by the provider.

AHCCCS will make quarterly cost-settlement payments to the Contractor. The cost-settlement payment is a separate payment arrangement from the capitation payment. (CMS Medicaid Managed Care Payment for PCP Services in 2013 and 2014: Technical Guide and Rate Setting Practices) Cost Settlement payments will be based upon adjudicated/approved encounter data.^{xxi} This data will provide the necessary documentation to AHCCCS, sufficient to enable AHCCCS and CMS to ensure that primary care enhanced payments were made to network providers. [11/06/2012 final rule, 42 CFR 438.6(c)(5)(vi)(B)]^{xxii} The Contractor will be required to refund payments to AHCCCS for any reduced claim payments in the event that a provider is subsequently “decertified” for enhanced payments due to audit or other reasons.

Refer to ACOM Policy 207 for further details.

54. PAYMENTS TO CONTRACTOR

Subject to the availability of funds, AHCCCS shall make payments to the Contractor in accordance with the terms of this contract provided that the Contractor’s performance is in compliance with the terms and conditions of this contract. Payment must comply with requirements of A.R.S. Title 36. AHCCCS reserves the option to make payments to the Contractor by wire or National Automated Clearing House Association (NACHA) transfer and will provide the Contractor at least 30 days’ notice prior to the effective date of any such change.

Where payments are made by electronic funds transfer, AHCCCS shall not be liable for any error or delay in transfer or indirect or consequential damages arising from the use of the electronic funds transfer process. Any charges or expenses imposed by the bank for transfers or related actions shall be borne by the Contractor. Except for adjustments made to correct errors in payment, and as otherwise specified in this contract, any savings remaining to the Contractor as a result of favorable claims experience and efficiencies in service delivery at the end of the contract term may be kept by the Contractor.

All funds received by Contractor pursuant to this contract shall be separately accounted for in accordance with generally accepted accounting principles.

Except for monies received from the collection of third-party liabilities, the only source of payment to Contractor for the services provided hereunder is from funds under the control of AHCCCS. An error discovered by the State in the amount of fees paid to Contractor, with or without audit, will be subject to adjustment or repayment by AHCCCS via a recoupment from future payment(s) to the Contractor, or by making an additional payment to the Contractor. When a Contractor identifies an overpayment, AHCCCS must be notified and reimbursed within 30 days of identification.

No payment due the Contractor by AHCCCS may be assigned or pledged by the Contractor. This section shall not prohibit AHCCCS at its sole option from making payment to a fiscal agent hired by Contractor.

55. CAPITATION ADJUSTMENTS

Except for changes made specifically in accordance with this contract, the rates set forth in Section B shall not be subject to re-negotiation during the contract period. AHCCCS may, at its option, review capitation rates to determine if a capitation adjustment is needed for reasons including, but not limited to, the following:

- Program changes
- Legislative requirements
- Changes in trend assumptions
- Updated encounter experience
- Actuarial assumptions

If a capitation rate adjustment is determined necessary, the adjustment and assumptions may be discussed with the Contractor prior to modifying capitation rates. The Contractor may request a review of a program change if it believes the program change was not equitable; AHCCCS will not unreasonably withhold such a review.

The Contractor is responsible for notifying AHCCCS of program and/or expenditure changes initiated by the Contractor during the contract period that may result in material changes to the current or future capitation rates.

Contractor Default: If the Contractor is in any manner in default in the performance of any obligation under this contract, AHCCCS may, at its option and in addition to other available remedies, adjust the amount of payment until there is satisfactory resolution of the default.

Change in Member Status: The Contractor shall reimburse AHCCCS and/or AHCCCS may deduct from future monthly capitation for any portion of a month during which the Contractor was not at risk due to, for example:

- a. Death of a member
- b. Inmate of public institution
- c. Duplicate capitation to the same Contractor
- d. Adjustment based on change in member's contract type
- e. Child was not eligible for CMDP as described in A.R.S. §8-512.

Upon becoming aware that a member may be an inmate of a public institution, the Contractor must notify AHCCCS for an eligibility determination. Notifications must be sent via email to the following email address: MCDUJustice@azahcccs.gov

Notifications must include:

- AHCCCS ID
- Name
- Date of Birth (DOB)
- When incarcerated
- Where incarcerated

The Contractor does **not** need to report members incarcerated with the Arizona Department of Corrections.

Inmate of a Public Institution Reporting: Several Counties are submitting daily files of all inmates entering their jail and all inmates released. AHCCCS will match these files against the database of active AHCCCS members. AHCCCS members who become incarcerated will be disenrolled from their Contractor and placed in a “no-pay” status for the duration of their incarceration. The Contractor will see the “IE” code for ineligible associated with the disenrollment. Upon release from jail, the member will be re-enrolled with their previous Contractor. A member is eligible for covered services until the effective date of the member’s “no-pay” status.

AHCCCS reserves the right to modify its policy on capitation recoupments at any time during the term of this Contract.

56. MEMBER BILLING AND LIABILITY FOR PAYMENT

AHCCCS registered providers may charge AHCCCS members for services which are excluded from AHCCCS coverage or which are provided in excess of AHCCCS limits according to the guidelines set forth in A.A.C R9-22-702.

The Contractor must ensure that members are not held liable for:

- a. The Contractor’s or any subcontractor’s debts in the event of Contractor’s or the subcontractor’s insolvency [42 CFR 438.106(a)];
- b. Covered services provided to the member except as permitted under A.A.C. R9-22-702 [42 CFR 438.106(b)(1)]; or,
- c. Payments to the Contractor or any subcontractors for covered services furnished under a contract, referral or other arrangement, to the extent that those payments are in excess of the amount the member would owe if the Contractor or any subcontractor provided the services directly [42 CFR 438.106(b)(2); 42 CFR 438.106(c); 42 CFR 438.6(l); 42 CFR 438.230].

57. REINSURANCE

Reinsurance is a stop-loss program provided by AHCCCS to the Contractor for the partial reimbursement of covered medical services and incurred for a member beyond an annual deductible level. AHCCCS is self-insured for the reinsurance program which is characterized by an initial deductible level and a subsequent coinsurance percentage. The coinsurance percentage is the rate at which AHCCCS will reimburse the Contractor for covered services incurred above the deductible. The deductible is the responsibility of the Contractor. Deductible levels are subject to change by AHCCCS during the term of this contract. Any change would have a corresponding impact on capitation rates. The reinsurance contract year is the year beginning on October 1 and ending on September 30. Refer to the AHCCCS Reinsurance Policy Manual for further details on the Reinsurance Program.

The table below represents deductible and coinsurance levels. See specific case types below for coverage details.

Reinsurance Case Types	Deductible	Coinsurance
<i>Regular Reinsurance</i>	\$20,000	75%
<i>Catastrophic Reinsurance</i>	N/A	85%
<i>Transplant and Other Case Types</i>	<i>See specific paragraphs below</i>	<i>See specific paragraphs below</i>

Annual deductible levels apply to all members except for State Only Transplant members. These deductible levels are subject to change by AHCCCS during the term of this contract. Any change in deductible levels will have a corresponding impact on capitation rates.

PPC expenses are not covered for any members under the reinsurance program unless they qualify under transplant reinsurance.

Reinsurance Case Types

For all reinsurance case types, in the instances in which AHCCCS has specialty contracts or legislation/policy limits the allowable reimbursement for certain services or pharmaceuticals, the amount to be used in the computation of reinsurance will be the lesser of the contracted/mandated amount or the Contractor paid amount.

Regular Reinsurance: Regular reinsurance covers partial reimbursement of covered inpatient facility medical services. This coverage applies to prospective enrollment periods. In certain situations as outlined in the AHCCCS Reinsurance Policy Manual, per diem rates paid for nursing facility services provided within 30 days of an acute hospital stay, including room and board, provided in lieu of hospitalization for up to 90 days in any contract year shall be eligible for reinsurance coverage. Same-day admit-and-discharge services do not qualify for reinsurance.

Catastrophic Reinsurance: The Catastrophic Reinsurance program encompasses members receiving certain biotech drugs and those members diagnosed with hemophilia, von Willebrand's Disease, or Gaucher's Disease, as follows:

Biotech Drugs: Catastrophic reinsurance is available to cover the cost of certain biotech drugs when medically necessary. The biotech drugs covered under reinsurance may be reviewed by AHCCCS at the start of each contract year. Refer to the Reinsurance Processing Manual for a complete list of the approved biotech drugs. When a generic equivalent of a biotech drug is available, AHCCCS will reimburse at the lesser of the biotech drug or its generic equivalent for reinsurance purposes, unless the generic equivalent is contra-indicated for a specific member.

Hemophilia: Catastrophic reinsurance coverage is available for all members diagnosed with Hemophilia.

Von Willebrand's Disease: Catastrophic reinsurance coverage is available for all members diagnosed with von Willebrand's Disease who are non-DDAVP responders and dependent on Plasma Factor VIII.

Gaucher's Disease: Catastrophic reinsurance is available for members diagnosed with Gaucher's Disease classified as Type I and are dependent on enzyme replacement therapy.

For additional detail and restrictions refer to the AHCCCS Reinsurance Policy Manual and the AMPM. There are no deductibles for catastrophic reinsurance cases. For member's receiving biotech drugs, AHCCCS will

reimburse at 85% of the cost of the drug only. For those members diagnosed with hemophilia, von Willebrand's Disease and Gaucher's Disease, all medically necessary covered services provided during the contract year shall be eligible for reimbursement at 85% of the AHCCCS allowed amount or the Contractor's paid amount, whichever is lower, depending on the subcap/CN1 code indicated on the encounter.

AHCCCS holds a specialty contract for anti-hemophilic agents and related services for hemophilia. The Contractor may access anti-hemophilic agents and related pharmaceutical services for hemophilia or von Willebrand's under the terms and conditions of the specialty contract for members enrolled in their plans. In that instance, the Contractor is the authorizing payor. As such, the Contractor will provide prior authorization, care coordination, and reimbursement for all components covered under the contract for their members. A Contractor utilizing the contract will comply with the terms and conditions of the contract. A Contractor may use the AHCCCS contract or contract with a provider of their choice. Reinsurance coverage for anti-hemophilic blood factors will be limited to 85% of the AHCCCS contracted amount or the Contractor's paid amount, whichever is lower.

The Contractor must notify AHCCCS, DHCM, Medical Management, of cases identified for catastrophic reinsurance coverage, as specified in Attachment F3, Contractor Chart of Deliverables. Catastrophic reinsurance will be paid for a maximum 30-day retroactive period from the date of notification to AHCCCS.

All catastrophic claims are subject to medical review by AHCCCS.

Transplants Reinsurance: This program covers members who are eligible to receive covered major organ and tissue transplantation. Refer to the AMPM and the AHCCCS Reinsurance Policy Manual for covered services for organ and tissue transplants. Reinsurance coverage for transplants received at an AHCCCS contracted facility is paid at the lesser of 85% of the AHCCCS contract amount for the transplantation services rendered or 85% of the Contractor's paid amount. A new component for follow-up care post-transplant has been added to the transplant contracts. Reinsurance for these components will follow the regular reinsurance reimbursement, including a deductible requirement. Reinsurance coverage for transplants received at a non-AHCCCS contracted facility is paid the lesser of 85% of the lowest AHCCCS contracted rate, for the same organ or tissue, or the Contractor paid amount. The new follow-up care component will receive reinsurance coverage in accordance with regular reinsurance reimbursement, including a deductible requirement. The AHCCCS contracted transplantation rates may be found on the AHCCCS website. The Contractor must notify AHCCCS Division of Health Care Management, Medical Management when a member is referred to a transplant facility for evaluation for an AHCCCS-covered organ transplant. In order to qualify for reinsurance benefits, the notification must be received by AHCCCS Medical Management within 30 days of referral to the transplant facility for evaluation.

If a Contractor intends to use an out of state transplant facility for a covered transplant and AHCCCS already holds an in state contract for that transplant type, the Contractor must obtain prior approval from the AHCCCS Medical Director. If no prior approval is obtained, and the Contractor incurs costs at the out of state facility, those costs will not be eligible for either transplant or regular reinsurance.

Option 1 and Option 2 Transplant Services: Reinsurance coverage for State Only Option 1 and Option 2 members (as described in Section D, Paragraph 2, Eligibility Categories) for transplants received at an AHCCCS contracted facility is paid at the lesser of 100% of the AHCCCS contract amount for the transplantation services rendered, or the Contractor paid amount, less the transplant share of cost. For transplants received at a facility not contracted with AHCCCS, payment is made at the lesser of 100% of the lowest AHCCCS contracted amount for the transplantation services rendered, or the Contractor paid amount, less the transplant share of cost. All Option 1 and Option 2 transplants are subject to the terms regarding out of state transplants set forth above and in the AHCCCS Reinsurance Policy Manual. The AHCCCS contracted transplantation rates may be found on the AHCCCS website. When a member is referred to a transplant

facility for an AHCCCS-covered organ transplant, the Contractor shall notify AHCCCS, DHCM, Medical Management as specified in the AMPM Chapter 300, Policy 310 Attachments A and B.

Option 1 Non-transplant Reinsurance: All medically necessary covered services provided to Option 1 members, unrelated to the transplant, shall be eligible for reimbursement, with no deductible, at 100% of the Contractor's paid amount based on adjudicated encounters.

Other Reinsurance: For all reinsurance case types other than transplants, the Contractor will be reimbursed 100% for all medically necessary covered expenses provided in a contract year, after the Contractor paid amount in the reinsurance case reaches \$650,000. It is the responsibility of the Contractor to notify AHCCCS, DHCM, Reinsurance Supervisor, once a reinsurance case reaches \$650,000. Failure to notify AHCCCS or failure to adjudicate encounters appropriately within 15 months from the end date of service will disqualify the related encounters for 100% reimbursement consideration.

Encounter Submission and Payments for Reinsurance

Encounter Submission: All reinsurance associated encounters, except as provided below for "Disputed Matters" must reach a clean claim status within 15 months from the end date of service, or date of eligibility posting, whichever is later.

Encounters for claims which cross over contract years will not be eligible for reinsurance.

AHCCCS will not pay reinsurance on encounters for interim claims. The final claim submitted by a hospital associated with the full length of the patient stay will be eligible for reinsurance consideration as long as the days of the hospital stay do not cross contract years.

AHCCCS will not pay reinsurance on encounters containing any Prior Period Coverage (PPC) for regular, catastrophic and other reinsurance case types. Splitting claims for the purpose of separating PPC from prospective enrollment is not permitted.

Disputed Matters: For encounters which are the subject of a member appeal, provider claim dispute, or other legal action, including an informal resolution originating from a request for a formal claim dispute or member appeal, the Contractor has the greater of: 1) 90 days from the date of the final decision in that proceeding/action or 2) 15 months from the end date of service/date of eligibility posting to file the reinsurance claim AND for the reinsurance claim to reach clean claim status. Therefore, reinsurance claims for disputed matters will be considered timely if the Contractor files such claims in clean claim status no later than 90 days from the date of the final decision in that proceeding/action even though the 15 month deadline has expired.

Failure to submit encounters in clean claim status within the applicable timeframes specified above will result in the denial of reinsurance. The association of an encounter to a reinsurance case does not automatically qualify the encounter for reinsurance reimbursement.

The Contractor must void encounters for any claims that are recouped in full. For recoupments that result in a reduced claim value or any adjustments that result in an increased claim value, replacement encounters must be submitted. See AHCCCS Reinsurance Policy Manual for further details. The Contractor should refer to Section D, Paragraph 65, Encounter Data Reporting, for encounter reporting requirements.

Payment of Regular and Catastrophic Reinsurance Cases: AHCCCS will reimburse a Contractor for costs incurred in excess of the applicable deductible level, subject to coinsurance percentages and Medicare/TPL payment, less any applicable quick pay discounts, slow payment penalties and interest. Amounts in excess of the deductible level shall be paid based upon costs paid by the Contractor, minus the coinsurance and Medicare/TPL payment, unless the costs are paid under a subcapitated arrangement. In subcapitated arrangements, AHCCCS shall base reimbursement of reinsurance encounters on the lower of the AHCCCS

allowed amount or the reported health plan paid amount, minus the coinsurance and Medicare/TPL payment and applicable quick pay discounts, slow payment penalties and interest.

When a member with an annual enrollment choice changes Contractors within a contract year, for reinsurance purposes, costs incurred for that member do not follow the member to the receiving Contractor. Encounters from the Contractor the member is leaving (for dates of service within the current contract year) will not be applied toward the receiving Contractor's deductible level. For further details regarding this policy and other reinsurance policies refer to the AHCCCS Reinsurance Policy Manual.

Payment of Transplant Reinsurance Cases: Reinsurance benefits are based upon the lower of the AHCCCS contract amount or the Contractor's paid amount, subject to coinsurance percentages. The Contractor is required to submit all supporting encounters for transplant services. Reinsurance payments are linked to transplant encounter submissions. In order to receive reinsurance payment for transplant stages, billed amounts and health plan paid amounts for adjudicated encounters must agree with related claims and/or invoices. Timeliness for each stage payment will be calculated based on the latest adjudication date for the complete set of encounters related to the stage. Refer to the AHCCCS Reinsurance Policy Manual for the appropriate billing of transplant services.

Reinsurance Audits

AHCCCS may, at a later date, perform medical audits on reinsurance cases. Terms of the audit process will be disclosed prior to implementation of the audits providing the Contractor with appropriate advance notice.

58. COORDINATION OF BENEFITS AND THIRD PARTY LIABILITY

AHCCCS is the payor of last resort unless specifically prohibited by applicable State or Federal law. This means AHCCCS shall be used as a source of payment for covered services only after all other sources of payment have been exhausted. The Contractor shall take reasonable measures to identify potentially legally liable third party sources.

If the Contractor discovers the probable existence of a liable third party that is not known to AHCCCS, or identifies any change in coverage, the Contractor must report the information within 10 days of discovery, as specified in Attachment F3, Contractor Chart of Deliverables. Failure to report these cases may result in one of the remedies specified in Section D, Paragraph 72, Sanctions. AHCCCS will provide the Contractor with a file of all other coverage information, for the purpose of updating the Contractor's files, as described in the AHCCCS Technical Interface Guidelines.

The Contractor shall coordinate benefits in accordance with 42 CFR 433.135 et seq., A.R.S. §36-2903, and A.A.C. R9-22-1001 et seq., so that costs for services otherwise payable by the Contractor are cost avoided or recovered from a liable third party [42 CFR 434.6(a)(9)]. The term "State" shall be interpreted to mean "Contractor" for purposes of complying with the Federal regulations referenced above. The Contractor may require subcontractors to be responsible for coordination of benefits for services provided pursuant to this contract. The two methods used for coordination of benefits are cost avoidance and post-payment recovery. The Contractor shall use these methods as described in A.A.C. R9-22-1001 et seq., Federal and State law, and AHCCCS Policy.

Cost Avoidance

The Contractor shall take reasonable measures to determine all legally liable parties. This refers to any individual, entity or program that is or may be liable to pay all or part of the expenditures for covered services. The Contractor shall cost avoid a claim if it has established the probable existence of a liable party at the time the claim is filed. For purposes of cost avoidance, establishing liability takes place when the Contractor receives confirmation that another party is, by statute, contract, or agreement, legally responsible for the

payment of a claim for a healthcare item or service delivered to a member. If the probable existence of a party's liability cannot be established, the Contractor must adjudicate the claim. The Contractor must then utilize post-payment recovery which is described in further detail below. If AHCCCS determines that the Contractor is not actively engaged in cost avoidance activities, the Contractor shall be subject to sanctions.

If a third party insurer other than Medicare requires the member to pay any copayment, coinsurance or deductible, the Contractor is responsible for making these payments in accordance with ACOM Policy 434.

Claims for inpatient stay for labor, delivery and postpartum care, including professional fees when there is no global OB package, must be cost avoided. [42 CFR 433.139]

Timely Filing: The Contractor shall not deny a claim for timeliness if the untimely claim submission results from a provider's efforts to determine the extent of liability.

Members Covered by both Medicare and Medicaid (Duals): See Section D, Paragraph 60, Medicare Services and Cost Sharing.

Members with a CRS Condition: Members under 21 years of age who are determined to have a qualifying CRS condition will be enrolled with the CRS Contractor. Members with private insurance or Medicare may use their private insurance or Medicare provider networks to obtain services including those for the CRS condition. The CRS Contractor is responsible for payment for services provided to its enrolled members according to CRS coverage type. See ACOM Policy 426 for CRS Contractor coverage responsibilities and coordination of benefits. If the member has Medicare coverage, ACOM Policy 201 shall apply.

Post-Payment Recoveries

Post-payment recovery is necessary in cases where the Contractor has not established the probable existence of a liable third party at the time services were rendered or paid for, was unable to cost-avoid, or post-payment recovery is required. In these instances, the Contractor must adjudicate the claim and then utilize post-payment recovery processes which include: Pay and Chase, Retroactive Recoveries Involving Commercial Insurance Payor Sources, and other third party liability recoveries. Refer to ACOM Policy 434 for further guidance.

Pay and Chase: The Contractor shall pay the full amount of the claim according to the AHCCCS Capped-Fee-For-Service Schedule or the contracted rate and then seek reimbursement from any third party if the claim is for the following:

- a. Prenatal care for pregnant women, including services which are part of a global OB Package;
- b. Preventive pediatric services, including Early and Periodic Screening Diagnosis and Treatment (EPSDT) and administration of vaccines to children under the Vaccines for Children (VFC) program;
- c. Services covered by third party liability that are derived from an absent parent whose obligation to pay support is being enforced by the Division of Child Support Enforcement; or
- d. Services for which the Contractor fails to establish the existence of a liable third party at the time the claim is filed.

Retroactive Recoveries Involving Commercial Insurance Payor Sources: For a period of two years from the date of service, the Contractor shall engage in retroactive third party recovery efforts for claims paid to determine if there are commercial insurance payor sources that were not known at the time of payment. In the event a commercial insurance payor source is identified, the Contractor must seek recovery from the commercial insurance. The Contractor is prohibited from recouping related payments from providers, requiring providers to take action, or requiring the involvement of providers in any way.

The Contractor has two years from the date of service to recover payments for a particular claim, or to identify claims having a reasonable expectation of recovery. A reasonable expectation of recovery is established when the Contractor has affirmatively identified a commercial insurance payor source and has begun the process of

recovering payment. If AHCCCS determines that a Contractor is tagging claims that do not meet these requirements, AHCCCS may impose sanctions. After two years from the date of service, AHCCCS will direct recovery efforts for any claims not tagged by the Contractor.

AHCCCS will direct recovery efforts for retroactive recovery of claims not previously identified by the Contractor as having a reasonable expectation of recovery. Any recoveries obtained by AHCCCS through its recovery efforts will be retained exclusively by AHCCCS and will not be shared with the Contractor.

The timeframe for submission of claims for recovery is limited to three years from the date of service consistent with A.R.S. §36-2923 and the Deficit Reduction Act of 2005 (Public Law 109-171).

See ACOM Policy 434 for details regarding encounter adjustments as a result of retroactive recoveries and the processes for identifying claims that have a reasonable expectation of recovery.

Other Third Party Liability Recoveries: The Contractor shall identify the existence of potentially liable parties using a variety of methods, including referrals, and data mining through the use of trauma code edits, utilizing the codes provided by AHCCCS. The Contractor shall not pursue recovery in the following circumstances, unless the case has been referred to the Contractor by AHCCCS or AHCCCS' authorized representative:

- Motor Vehicle Cases
- Other Casualty Cases
- Tort feasons
- Restitution Recoveries
- Worker's Compensation Cases

Upon identification of a potentially liable third party for any of the above situations, the Contractor shall, within 10 business days, report the potentially liable third party to AHCCCS' TPL Contractor for determination of a mass tort, total plan case, or joint case, specified in Attachment F3, Contractor Chart of Deliverables. Failure to report these cases may result in one of the remedies specified in Section D, Paragraph 72, Sanctions. A mass tort case is a case where multiple plaintiffs or a class of plaintiffs have filed a lawsuit against the same tort feason(s) to recover damages arising from the same or similar set of circumstances (e.g. class action lawsuits) regardless of whether any reinsurance or Fee-For-Service payments are involved. A total plan case is a case where payments for services rendered to the member are exclusively the responsibility of the Contractor; no reinsurance or Fee-For-Service payments are involved. By contrast, a "joint" case is one where Fee-For-Service payments and/or reinsurance payments are involved. The Contractor shall cooperate with AHCCCS' authorized representative in all collection efforts.

Total Plan Cases: In "total plan" cases, the Contractor is responsible for performing all research, investigation, the mandatory filing of initial liens on cases that exceed \$250, lien amendments, lien releases, and payment of other related costs in accordance with A.R.S. §36-2915 and A.R.S. §36-2916. The Contractor shall use the AHCCCS-approved casualty recovery correspondence when filing liens and when corresponding to others in regard to casualty recovery. The Contractor may retain up to 100% of its recovery collections if all of the following conditions exist:

- a. Total collections received do not exceed the total amount of the Contractor's financial liability for the member;
- b. There are no payments made by AHCCCS related to Fee-For-Service, reinsurance or administrative costs (i.e., lien filing, etc.); and,
- c. Such recovery is not prohibited by State or Federal law.

Prior to negotiating a settlement on a total plan case, the Contractor shall notify AHCCCS or AHCCCS' authorized TPL Contractor to ensure that there is no reinsurance or Fee-For-Service payment that has been

made by AHCCCS. Failure to report these cases prior to negotiating a settlement amount may result in one of the remedies specified in Section D, Paragraph 72, Sanctions.

The Contractor shall report settlement information to AHCCCS, utilizing the AHCCCS-approved casualty recovery Settlement Notification Form, within 10 business days from the settlement date or in an AHCCCS-approved monthly file, as specified in Attachment F3, Contractor Chart of Deliverables. Failure to report these cases may result in one of the remedies specified in Section D, Paragraph 72, Sanctions.

Joint and Mass Tort Cases: AHCCCS' authorized representative is responsible for performing all research, investigation and payment of lien-related costs, subsequent to the referral of any and all relevant case information to AHCCCS' authorized representative by the Contractor. In joint and mass tort cases, AHCCCS' authorized representative is also responsible for negotiating and acting in the best interest of all parties to obtain a reasonable settlement and may compromise a settlement in order to maximize overall reimbursement, net of legal and other costs. The Contractor is responsible for responding to requests from AHCCCS or AHCCCS' TPL contractor to provide a list of claims related to the joint or mass tort case within 10 business days of the request. The Contractor will be responsible for their prorated share of the contingency fee. The Contractor's share of the contingency fee will be deducted from the settlement proceeds prior to AHCCCS remitting the settlement to the Contractor.

Other Reporting Requirements

All TPL reporting requirements are subject to validation through periodic audits and/or operational reviews which may include Contractor submission of an electronic extract of the casualty cases, including open and closed cases. Data elements may include, but are not limited to: the member's first and last name; AHCCCS ID; date of incident; claimed amount; paid/recovered amount; and case status. The AHCCCS TPL Section shall provide the format and reporting schedule for this information to the Contractor.

Title XXI (KidsCare) and BCCTP: Eligibility for KidsCare and BCCTP benefits require that the applicant/member not be enrolled with any other creditable health insurance plan. If the Contractor becomes aware of any such coverage, the Contractor shall notify AHCCCS immediately. AHCCCS will determine if the other insurance meets the creditable coverage definition in A.R.S. §36-2982(G).

Cost Avoidance/Recovery Report: The Contractor shall submit quarterly reports regarding cost avoidance/recovery activities, as specified in Attachment F3, Contractor Chart of Deliverables. The report shall be submitted in a format as specified in the AHCCCS Program Integrity Reporting Guide.

Contract Termination: Upon termination of this contract, the Contractor will complete the existing third party liability cases or make any necessary arrangements to transfer the cases to AHCCCS' authorized TPL representative.

59. COPAYMENTS

The Contractor is required to comply with A.A.C. R9-22-711, ACOM Policy 431, and other direction by AHCCCS. Those populations exempt from copayments or subject to non-mandatory (also known as nominal or optional) copayments may not be denied services for the inability to pay the copayment [42 CFR 438.108]. However, for those populations subject to mandatory copayments services may be denied for the inability to pay the copayment.

60. MEDICARE SERVICES AND COST SHARING

The Contractor must pay most Medicare coinsurance and/or deductibles for covered services provided to dual eligible members within the Contractor's network. However, there are different cost sharing responsibilities

that apply to dual eligible members based on a variety of factors. The Contractor must limit their cost sharing responsibility according to A.A.C. R9-29-301 and A.A.C. R9-29-302 and as further outlined in ACOM Policy 201. Refer to Section D, Paragraph 10, Scope of Services, for information regarding prescription medication for Medicare Part D.

Dual eligible members shall have choice of all providers in the network and shall not be restricted to those that accept Medicare.

When a dual eligible member is in a medical institution and that stay is funded by Medicaid for a full calendar month, the dual eligible person is not required to pay copayments for their Medicare covered prescription medications for the remainder of the calendar year. To ensure appropriate information is communicated for these members to CMS, the Contractor must, notify AHCCCS pursuant to ACOM Policy 201 and as specified in Attachment F3, Contractor Chart of Deliverables.

61. RESERVED

62. CORPORATE COMPLIANCE

Corporate Compliance Program

The Contractor shall be in compliance with 42 CFR 438.608. The Contractor must have a mandatory Corporate Compliance Program, supported by other administrative procedures including a Corporate Compliance Plan that is designed to guard against fraud, waste, and abuse. The Contractor shall have written criteria for selecting a Compliance Officer and the job description clearly outlining the responsibilities and authority of the position. The Contractor's written Corporate Compliance Plan must adhere to Contract and ACOM Policy 103 and must be submitted annually to AHCCCS-OIG as specified in Attachment F3, Contractor Chart of Deliverables.

The compliance program shall be designed to both prevent and detect fraud, waste, and abuse. The compliance program must include:

1. Written policies, procedures, and standards of conduct that articulates the organization's commitment to and processes for complying with all applicable Federal and State rules, regulations, guidelines, and standards.
2. The Compliance Officer must be an onsite management official who reports directly to the Contractor's top management. Any exceptions must be approved by AHCCCS.
3. Effective lines of communication between the compliance officer and the Contractor's employees.
4. Enforcement of standards through well-publicized disciplinary guidelines.
5. Provision for internal monitoring and auditing, as well as provisions for external monitoring and auditing of subcontractors. The Contractor shall provide the external auditing schedule and executive summary of all audits to AHCCCS-OIG as specified in Attachment F3, Contractor Chart of Deliverables.
6. Provision for prompt response to problems detected.
7. The written designation of a Compliance Committee who is accountable to the Contractor's top management. The Compliance Committee which shall be made up of, at a minimum, the Compliance Officer, a budgetary official and other executive officials with the authority to commit resources. The Compliance Committee will assist the Compliance Officer in monitoring, reviewing and assessing the effectiveness of the compliance program and timeliness of reporting.
8. Pursuant to the Deficit Reduction Act of 2005 (DRA), the Contractor, as a condition for receiving payments shall establish written policies for employees detailing:
 - a. The Federal False Claims Act provisions;
 - b. The administrative remedies for false claims and statements;
 - c. Any State laws relating to civil or criminal penalties for false claims and statements; and

- d. The whistleblower protections under such laws.
9. The Contractor must require, through documented policies and subsequent contract amendments, that subcontractors and providers train their staff on the following aspects of the Federal False Claims Act provisions:
 - a. The administrative remedies for false claims and statements;
 - b. Any State laws relating to civil or criminal penalties for false claims and statements; and
 - c. The whistleblower protections under such laws.
10. The Contractor must establish a process for training existing staff and new hires on the compliance program and on the items in number 9 above. All training must be conducted in such a manner that can be verified by AHCCCS.
11. The Contractor must notify AHCCCS, DHCM Data Analysis and Research, as specified in Attachment F3, Contractor Chart of Deliverables of any CMS compliance issues related to HIPAA transaction and code set complaints or sanctions.

Fraud Waste, and Abuse: In accordance with A.R.S. §36-2918.01, §36-2932, §36-2905.04 and ACOM Policy 103, the Contractor, its subcontractors and providers are required to immediately notify the AHCCCS Office of Inspector General (AHCCCS-OIG) regarding all allegations of fraud, waste or abuse involving the AHCCCS Program. The Contractor shall not conduct any investigation or review of the allegations of fraud, waste, or abuse involving the AHCCCS Program. Notification to AHCCCS-OIG shall be in accordance with ACOM Policy 103 and as specified in Attachment F3, Contractor Chart of Deliverables. The Contractor must also report to AHCCCS, as specified in Attachment F3, Contractor Chart of Deliverables, any credentialing denials including, but not limited to those which are the result of licensure issues, quality of care concerns, excluded providers, and which are due to alleged fraud, waste or abuse. In accordance with 42 CFR 455.14, AHCCCS-OIG will then conduct a preliminary investigation to determine if there is sufficient basis to warrant a full investigation. [42 CFR 455.17][42 CFR 455.1(a)(1)]. As stated in A.R.S. §13-2310, incorporated herein by reference, any person who knowingly obtains any benefit by means of false or fraudulent pretenses, representations, promises, or material omissions is guilty of a Class 2 felony.

The Contractor agrees to permit and cooperate with any onsite review. A review by the AHCCCS-OIG may be conducted without notice and for the purpose of ensuring program compliance. The Contractor also agrees to respond to electronic, telephonic or written requests for information within the timeframe specified by AHCCCS. The Contractor agrees to provide documents, including original documents, to representatives of the AHCCCS-OIG upon request and at no cost. The AHCCCS-OIG shall allow a reasonable time for the Contractor to copy the requested documents, not to exceed 20 business days from the date of the AHCCCS-OIG request.

Once the Contractor has referred a case of alleged fraud, waste, or abuse to AHCCCS, the Contractor shall take no action to recoup or otherwise offset any suspected overpayments. AHCCCS-OIG will notify the Contractor when the investigation concludes. If it is determined by AHCCCS-OIG to not be a fraud, waste, or abuse case, the Contractor shall adhere to the applicable AHCCCS policy manuals for disposition.

In addition the Contractor must furnish to AHCCCS or CMS within 35 days of receiving a request, full and complete information, pertaining to business transactions [42 CFR 455.105]:

- The ownership of any subcontractor with whom the Contractor has had business transactions totaling more than \$25,000 during the 12-month period ending on the date of request; and
- Any significant business transactions between the Contractor, any subcontractor, and wholly owned supplier, or between the Contractor and any subcontractor during the five year period ending on the date of the request.

Disclosure of Ownership and Control [42 CFR 455.100 through 106](SMDL09-001)(Sections 1124(a)(2)(A) and 1903(m)(2)(A)(viii) of the Social Security Act):^{xxiii}

The Contractor must obtain the following information regarding ownership and control [42 CFR 455.104]:^{xxiv}

1. The Name, Address, Date of Birth and Social Security Numbers of any individual with an ownership or control interest in the Contractor, including those individuals who have direct, indirect, or combined direct/indirect ownership interest of 5% or more of the Contractor's equity, owns 5% or more of any mortgage, deed of trust, note, or other obligation secured by the Contractor if that interest equals at least 5% of the value of the Contractor's assets, is an officer or director of a Contractor organized as a corporation, or is a partner in a Contractor organized as a partnership (Sections 1124(a)(2)(A) and 1903(m)(2)(A)(viii) of the Social Security Act and 42 CFR 455.100-104)
2. The Name, Address, and Tax Identification Number of any corporation with an ownership or control interest in the Contractor, including those individuals who have direct, indirect, or combined direct/indirect ownership interest of 5% or more of the Contractor's equity, owns 5% or more of any mortgage, deed of trust, note, or other obligation secured by the Contractor if that interest equals at least 5% of the value of the Contractor's assets, is an officer or director of a Contractor organized as a corporation, or is a partner in a Contractor organized as a partnership (Sections 1124(a)(2)(A) and 1903(m)(2)(A)(viii) of the Social Security Act and 42 CFR 455.100-104). The address for corporate entities must include as applicable primary business address, every business location, and P.O. Box address.
3. Whether the person (individual or corporation) with an ownership or control interest in the Contractor is related to another person with ownership or control interest in the Contractor as a spouse, parent, child, or sibling; or whether the person (individual or corporation) with an ownership or control interest in any subcontractor of the Contractor has a 5% or more interest is related to another person with ownership or control interest in the Contractor as a spouse, parent, child, or sibling;
4. The name of any disclosing entity, other disclosing entity, fiscal agent or managed care entity, as defined in 42 CFR 455.101 in which an owner of the Contractor has an ownership or control interest
5. The Name, Address, Date of Birth and Social Security Number of any agent or managing employee (including Key Staff personnel as noted in Section D, paragraph 16) of the Contractor as defined in 42 CFR 455.101.

Disclosure of Information on Persons Convicted of Crimes [42 CFR 455.101; 106; 455.436](SMDL09-001):

The Contractor must do the following:

1. Confirm the identity and determine the exclusion status of any person with an ownership or control interest in the Contractor, and any person who is an agent or managing employee of the Contractor (including Key Staff personnel as noted in Section D, Paragraph 16), through routine checks of Federal databases; and
2. Disclose the identity of any of these excluded persons, including those who have ever been convicted of a criminal offense related to that person's involvement in any program under Medicare, Medicaid, or the Title XX services program since the inception of those programs.

The Contractor shall, on a monthly basis, confirm the identity and determine the exclusion status through routine checks of:

- a. The List of Excluded Individuals (LEIE)
- b. The System for Award Management (SAM) formerly known as the Excluded Parties List (EPLS)
- c. Any other databases directed by AHCCCS or CMS

The Contractor shall provide the above-listed disclosure information to AHCCCS at any of the following times (Sections 1124(a)(2)(A) and 1903(m)(2)(A)(viii) of the Social Security Act, and 42 CFR 455.104(c)(3)).^{xxv}

1. Upon the Contractor submitting the proposal in accordance with the State's procurement process;
2. Upon the Contractor executing the contract with the State;
3. Within 35 days after any change in ownership of the Contractor; and
4. Upon request by AHCCCS.

The results of the *Disclosure of Ownership and Control* and the *Disclosure of Information on Persons Convicted of Crimes* shall be held by the Contractor. Upon renewal or extension of the contract, the Contractor shall submit an annual attestation as specified in Attachment F3, Contractor Chart of Deliverables, that the information has been obtained and verified by the Contractor, or upon request, provide this information to AHCCCS. Refer to ACOM Policy for further information.^{xxvi}

The Contractor must immediately notify AHCCCS-OIG of any person who has been excluded through these checks as specified in Attachment F3, Contractor Chart of Deliverables.

Federal Financial Participation (FFP) is not available for any amounts paid to a Contractor that could be excluded from participation in Medicare or Medicaid for any of the following reasons:^{xxvii}

1. The Contractor is controlled by a sanctioned individual
2. The Contractor has a contractual relationship that provides for the administration, management or provision of medical services, or the establishment of policies, or the provision of operational support for the administration, management or provision of medical services, either directly or indirectly, with an individual convicted of certain crimes as described in Section 1128(b)(8)(B) of the Social Security Act.
3. The Contractor employs or contracts, directly or indirectly, for the furnishing of health care, utilization review, medical social work, or administrative services, with one of the following:
 - a. Any individual or entity excluded from participation in Federal health care programs
 - b. Any entity that would provide those services through an excluded individual or entity (Section 1903(i)(2) of the Social Security Act, 42 CFR 431.55(h), 42 CFR 438.808, 42 CFR 1002.3(b)(3), SMD letter 6/12/08, and SMD letter 1/16/09).

The Contractor shall require Administrative Services Subcontractors adhere to the requirements outlined above regarding Disclosure of Ownership and Control and Disclosure of Information on Persons Convicted of Crimes as outlined in 42 CFR 455.101 through 106, 42 CFR 455.436 and SMDL09-001. Administrative Services Subcontractors shall disclose to AHCCCS-OIG the identity of any excluded person.

In the event that AHCCCS-OIG, either through a civil monetary penalty or assessment, a global civil settlement or judgment, or any other form of civil action, including recovery of an overpayment, receives a monetary recovery from an entity, the entirety of such monetary recovery belongs exclusively to AHCCCS and the Contractor has no claim to any portion of this recovery.

In accordance with Section 1128A(a)(6) of the Act; and 42 CFR section 1003.102(a)(2)(3) civil monetary penalties may be imposed against the Contractor, its subcontractors or providers who employ or enter into contracts with excluded individuals or entities to provide items or services to Medicaid recipients.

The Contractor is prohibited from paying for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) furnished under the plan by any individual or entity during any period when the individual or entity is excluded from participation under title V, XVIII, XIX, XX, or XXI pursuant to Sections 1128, 1128A, 1156, or 1842(j)(2) and (1903(i) and 1903(i)(2)(A)) of the Social Security Act.^{xxviii}

The Contractor is prohibited from paying for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) furnished at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under title V, XVIII, XIX, XX, or XXI pursuant to section 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such item or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person) (Sections 1903(i) and 1903(i)(2)(B)) of the Social Security Act).^{xxix}

The Contractor is prohibited from paying for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) furnished by an individual or entity to whom the state has failed to suspend payments during any period in which the state has notified the Contractor of a pending investigation of a credible allegation of fraud against the individual or entity, unless the state determines there is good cause not to suspend such payments. (Section 1903(i) and 1903(i)(2)(C)) of the Social Security Act)^{xxx}

63. RECORDS RETENTION

The Contractor shall maintain records relating to covered services and expenditures including reports to AHCCCS and documentation used in the preparation of reports to AHCCCS. The Contractor shall comply with all specifications for record keeping established by AHCCCS. All records shall be maintained to the extent and in such detail as required by AHCCCS rules and policies. Records shall include but not be limited to financial statements, records relating to the quality of care, medical records, prescription files and other records specified by AHCCCS.

The Contractor agrees to make available, at all reasonable times during the term of this contract, any of its records for inspection, audit or reproduction by any authorized representative of AHCCCS, State or Federal government. The Contractor shall be responsible for any costs associated with the reproduction of requested information.

The Contractor shall preserve and make available all records for a period of five years from the date of final payment under this contract unless a longer period of time is required by law.

The Contractor shall comply with the record retention periods specified in HIPAA laws and regulations, including, but not limited to, 45 CFR 164.530(j)(2).

The Contractor shall comply with the record keeping requirements delineated in 42 CFR 438.3(u) and retain such records for a period of no less than 10 years.

For retention of patient medical records, the Contractor shall ensure compliance with A.R.S. §12-2297 which provides, in part, that a health care provider shall retain patient medical records according to the following:

1. If the patient is an adult, the provider shall retain the patient medical records for at least six years after the last date the adult patient received medical or health care services from that provider.
2. If the patient is under 18 years of age, the provider shall retain the patient medical records either for at least three years after the child's eighteenth birthday or for at least six years after the last date the child received medical or health care services from that provider, whichever date occurs later.

In addition, the Contractor shall comply with the record retention periods specified in HIPAA laws and regulations, including, but not limited to, 45 CFR 164.530(j)(2).

If this Contract is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of five years from the date of any such termination. Records which relate to grievances, disputes, litigation or the settlement of claims arising out of the performance of this Contract, or costs and expenses of this contract to which exception has been taken by AHCCCS, shall be retained by the Contractor for a period of five years after the date of final disposition or resolution thereof.

64. SYSTEMS AND DATA EXCHANGE REQUIREMENTS

The Contractor is required to exchange data with AHCCCS relating to the information requirements of this contract and as required to support the data elements to be provided to AHCCCS. All data exchanged must be in the formats prescribed by AHCCCS, which includes those required/covered by the Health Insurance Portability and Accountability Act (HIPAA). Details for the formats may be found in the draft HIPAA Transaction Companion Guides, Trading Partner Agreements, the AHCCCS Encounter Manual and in the AHCCCS Technical Interface Guidelines, available on the AHCCCS website.

The information exchanged with AHCCCS shall be in accordance with all procedures, policies, rules, or statutes in effect during the term of this contract. If any of these procedures, policies, rules, regulations or statutes are hereinafter changed, both parties agree to conform to these changes following appropriate notification by AHCCCS.

Electronic Transactions: The Contractor is required to accept and generate all required HIPAA compliant electronic transactions from or to any provider or their assigned representative interested in and capable of electronic submission of eligibility verifications, claims, claims status verifications or prior authorization requests; or the receipt of electronic remittance. The Contractor must be able to make claims payments via electronic funds transfer and have the capability to accept electronic claims attachments.

Contractor Data Exchange: Before a Contractor may exchange data with AHCCCS, certain agreements, authorizations and control documents are required. The Contractor must have completed and submitted the EDI Trading Partner Agreement in order to exchange data with AHCCCS.

Each Contractor is assigned a Transmission Submitter Number (TSN) for encounter submissions. The Contractor may elect to obtain additional TSNs based upon processing or tracking needs.

Contractor Responsibilities: The Contractor is responsible for any incorrect data, delayed submission or payment (to the Contractor or its subcontractors), and/or penalty applied due to any error, omission, deletion, or incorrect data submitted by the Contractor. Any data that does not meet the standards required by AHCCCS shall not be accepted by AHCCCS.

The Contractor is required to provide attestation that any data transmitted is accurate and truthful, to the best of the Contractor's Chief Executive Officer, Chief Financial Officer or designee's knowledge [42 CFR 438.606] as outlined by AHCCCS.

The Contractor is also responsible for identifying any inconsistencies immediately upon receipt of data from AHCCCS. If any unreported inconsistencies are subsequently discovered, the Contractor shall be responsible for the necessary adjustments to correct its records at its own expense.

Member Data: The Contractor shall accept from AHCCCS original evidence of eligibility and enrollment in the AHCCS prescribed electronic data exchange formats. Upon request, the Contractor shall provide to AHCCCS PCP assignments in an AHCCCS prescribed electronic data exchange format.

Claims Data: This system must be capable of collecting, storing and producing information for the purposes of financial, medical and operational management.

The Contractor shall develop and maintain a HIPAA compliant claims processing and payment system capable of processing, cost avoiding and paying claims in accordance with A.R.S. §36-2903 and 2904 and AHCCCS rules A.A.C. R9-22 Article 7. The system must be adaptable to updates in order to support future AHCCCS claims related policy requirements on a timely basis as needed.

On a recurring basis (no less than quarterly based on adjudication date), AHCCCS shall provide the Contractor an electronic file of claims and encounter data for members enrolled with the Contractor who have received services, during the member's enrollment period, from another contractor or through AHCCCS FFS for purposes of member care coordination. Data sharing will comply with Federal privacy regulations.

In addition, the Contractor shall implement and meet the following milestones in order to make claims processing and payment more efficient and timely:

1. Receive 60% of each claim type (professional, institutional and dental) based on volume of actual claims excluding claims processed by Pharmacy Benefit Managers (PBMs) electronically.
2. Produce and distribute 60% of remittances electronically.
3. Provide 60% of claims payments via EFT.

System Changes and Upgrades: The costs of software changes are included in administrative costs paid to the Contractor. There is no separate payment for software changes. A PMMIS systems contact will be assigned after contract award. AHCCCS will work with the Contractor as they evaluate Electronic Data Interchange options. The Contractor will ensure that changing or making major upgrades to the information systems affecting claims processing, payment or any other major business component, will be accompanied by a plan which includes a timeline, milestones, and outlines adequate testing to be completed before implementation. The Contractor shall notify and provide the system change plan to AHCCCS for review and comment as specified in Attachment F3, Contractor Chart of Deliverables.

Health Insurance Portability and Accountability Act (HIPAA): The Contractor shall comply with the Administrative Simplification requirements of 45 CFR Parts 160 and 162 that are applicable to the operations of the Contractor by the dates required by implementing Federal Regulations as well as all subsequent requirements and regulations as published.

Data Security: The Contractor is required to have a security audit performed by an independent third party on an annual basis. The annual audit report must be submitted to AHCCCS as specified in Attachment F3, Contractor Chart of Deliverables.

The audit must include, at a minimum, a review of Contractor compliance with security requirements as outlined in the AHCCCS Security Rule Compliance Summary Checklist, as specified in ACOM Policy 108. In addition, the audit must include a review of Contractor policies and procedures to verify that appropriate security requirements have been adequately incorporated into the Contractor's business practices, and the production processing systems.

The audit must result in a findings report and as necessary a corrective action plan, detailing all issues and discrepancies between the security requirements and the Contractor's policies, practices and systems. The corrective action plan must also include timelines for corrective actions related to all issues or discrepancies identified. The annual report must include the findings and corrective action plan and must be submitted to AHCCCS for review and approval. AHCCCS will verify that the required audit has been completed and that approved remediation plans are in place and being followed.

Health Information Exchange: The Contractor is required to join the membership organization, Arizona Health-e Connection which is a non-profit organization established for the purpose of education and policy setting for Health Information Technology (IT).

To further the integration of technology based solutions and the meaningful use of electronic health records within the system of care, AHCCCS will increase opportunities for providers and Contractors to utilize technological functions for processes that are necessary to meet Medicaid requirements. Expanding the adoption may reduce total spending on health care by diminishing the number of inappropriate tests and procedures, reducing paperwork and administrative overhead, and decreasing the number of adverse events resulting from medical errors. The Contractor will actively participate in offering information and providing provider support and education to further expand provider adoption and use of health information technology. It is AHCCCS' expectation that the Contractor review operational processes to reduce provider hassle factors by implementing technological solutions for those providers utilizing electronic health records and to incentivize providers to implement and meaningfully use health information technology as a standard of doing business with the AHCCCS program. AHCCCS also anticipates establishing minimum standards, goals and requirements related to operational areas where improved efficiencies or effectiveness could be achieved. AHCCCS anticipates accelerating statewide Health Information Exchange (HIE) participation for all Medicaid providers and Contractors by:

- Supporting care coordination between physical and behavioral health providers
- Launching an HIE onboarding program for high volume Medicaid hospitals, Federally Qualified Health Centers, Rural Health Clinics and Look-a-Likes
- Supporting the acceleration of electronic prescribing by Arizona Medicaid providers
- Joining the State level HIE for governance, policy making, and information technology service offerings
- Supporting increased Contractor use of the Network (State HIE) to improve health outcomes
- Identifying value-based purchasing opportunities that link with a providers adoption and use of Health IT

The Contractor is expected to encourage that eligible hospitals and eligible professionals continue to move through the Meaningful Use continuum, accelerate provider statewide HIE participation, and increase use and support of the HIT/HIE. The Contractor is expected to collaborate with AHCCCS and Arizona Health-e Connection and The Network to target efforts to specific areas where HIT and HIE can bring significant change and progress including efforts focused on:

- Behavioral health
- Partnerships for integrated care
- High need/high cost members
- Coordination with the American Indian Health Program
- Coordination with the Qualified Health Plans
- Justice system transitions
- Care coordination
- Pharmacy management
- Quality improvement

65. ENCOUNTER DATA REPORTING

Complete accurate and timely reporting of encounter data is crucial to the success of the AHCCCS program. AHCCCS uses encounter data to pay reinsurance benefits, set Fee-For-Service and capitation rates, determine disproportionate share payments to hospitals, and to determine compliance with performance standards. The

Contractor shall submit encounter data to AHCCCS for all services for which the Contractor incurred a financial liability and claims for services eligible for processing by the Contractor where no financial liability was incurred including services provided during prior period coverage. This requirement is a condition of the CMS grant award [42 CFR 438.242(b)(1)] [42 CFR 455.1 (a)(2)].

Encounter Submissions: Encounters must be submitted in the format prescribed by AHCCCS. Encounter data must be provided to AHCCCS as outlined in the HIPAA Transaction Companion Guides, Trading Partner Agreements and the AHCCCS Encounter Manual, including, but not limited to, inclusion of data to identify the physician who delivers services to patients per Section 1903(m)(2)(A)(xi) of the Social Security Act.^{xxxii}

Professional, Institutional and Dental Encounters not involving services eligible for Federal Drug Rebate processing should be received by AHCCCS no later than 240 days after the end of the month in which the service was rendered, or the effective date of the enrollment with the Contractor, whichever date is later.

Covered outpatient drugs dispensed to individuals eligible for medical assistance who are enrolled with the Contractor shall be subject to the same rebate requirements as the State is subject under Section 1927 of the Social Security Act; the State shall collect such rebates from manufacturers. (Section 1903(m)(2)(A)(xiii) of the Social Security Act and SMD letter 10-006)^{xxxii} To ensure AHCCCS compliance with this requirement, pharmacy related encounter data and other encounters involving services eligible for Federal Drug Rebate processing must be provided to AHCCCS no later than 30 days after the end of the quarter in which the pharmaceutical item was dispensed. The Contractor must report information on the total number of units of each dosage form and strength and package size by National Drug Code of each covered outpatient drug dispensed (other than covered outpatient drugs that under subsection (j)(1) of Section 1927 of the Social Security Act [42 USCS § 1396r-8] are not subject to the requirements of that section) and such other data as required by AHCCCS (Section 1903(m)(2)(A)(xiii) of the Social Security Act and SMD letter 10-006).^{xxxiii}

A Contractor shall prepare, review, verify, certify, and submit, encounters for consideration to AHCCCS. Upon submission, the Contractor must provide attestation that the services listed were actually rendered.

The Contractor may be assessed sanctions for noncompliance with encounter submission completeness, accuracy and timeliness requirements.

Encounter Reporting: The Contractor must produce reports for the purposes of tracking, trending, reporting process improvement and monitoring submissions and revisions of encounters. The Contractor will submit these reports to AHCCCS as required per the AHCCCS Encounter Manual or as directed by AHCCCS and as further specified in Attachment F3, Contractor Chart of Deliverables.

On a monthly basis AHCCCS will produce encounter reconciliation files containing the prior 18 months of approved, voided, plan-denied, pended and AHCCCS-denied encounters received and processed by AHCCCS. These files must be utilized to compare the encounter financial data reported with plan claims data, and to compare submitted encounters to processed claims to validate completeness of encounter submissions.

Encounter Supporting Data Files: AHCCCS provides the Contractor with periodic (no less than twice monthly) full replacement files containing provider and medical coding information as stored in PMMIS. These files should be used by the Contractor to ensure accurate Encounter Reporting. Refer to the AHCCCS Encounter Manual for further information regarding the content and layouts of these files.

Encounter Corrections: The Contractor is required to monitor and resolve pended encounters and encounters denied by AHCCCS.

The Contractor is further required to submit replacement or voided encounters in the event that claims are subsequently corrected following the initial encounter submission. This includes corrections as a result of

inaccuracies identified by fraud and abuse audits or investigations conducted by AHCCCS or the Contractor. The Contractor must void encounters for claims that are recouped in full. For recoupments that result in a reduced claim value or adjustments that result in an increased claim value, replacement encounters must be submitted. Refer to the AHCCCS Encounter Manual for instructions regarding the submission of corrected, replaced or voided encounters.

Encounter Performance Standards: AHCCCS has established encounter performance standards as detailed in the AHCCCS Encounter Manual. All encounters, including, approved, pending, denied and voided encounters, impact completeness, accuracy and timeliness rates. Rates below the established standards (pending encounters that have pending for more than 120 days for example), or poor encounter performance overall, may result in Corrective Action Plans and/or sanctions.

Encounter Validation Studies: Per CMS requirements, AHCCCS will conduct encounter validation studies of the Contractor's encounter submissions. These studies may result in sanction of the Contractor and/or require a corrective action plan for noncompliance with related encounter submission requirements.

The purpose of encounter validation studies is to compare recorded utilization information from a medical record or other source with the Contractor's submitted encounter data. Any and all covered services may be validated as part of these studies. The criteria used in encounter validation studies may include timeliness, correctness and omission of encounters. Refer to the AHCCCS Data Validation Technical Document for further information.

AHCCCS may revise study methodology, timelines, and sanction amounts based on agency review or as a result of consultations with CMS. The Contractor will be notified in writing of any significant change in study methodology.

66. ENROLLMENT AND CAPITATION TRANSACTION UPDATE

AHCCCS produces daily enrollment transaction updates identifying new members and changes to existing members' demographic, eligibility and enrollment data as outlined in the HIPAA Transaction Companion Guides, Trading Partner Agreements, and the AHCCCS Technical Interface Guidelines available on the AHCCCS website. These files shall be utilized by the Contractor to update its member records on a timely and consistent basis. The daily enrollment transaction update, that is run prior to the monthly enrollment and capitation transaction, is referred to as the "last daily" and will contain all rate code changes made for the prospective month, as well as any new enrollments and disenrollments as of the first of the prospective month.

AHCCCS also produces a daily Manual Payment Transaction as outlined in the AHCCCS Technical Interface Guidelines, available on the AHCCCS website, which identifies enrollment or disenrollment activity that was not included on the enrollment transaction update due to internal edits. The Contractor shall use the Manual Payment Transaction in addition to the daily enrollment transaction update to update its member records.

A weekly capitation transaction as outlined in the HIPAA Transaction Companion Guides, and Trading Partner Agreements, will be produced to provide the Contractor with member-level capitation payment information. This file will show changes to the prospective capitation payments, as sent in the monthly file, resulting from enrollment changes that occur after the monthly file is produced. This file will also identify mass adjustments to and/or manual capitation payments that occurred at AHCCCS after the monthly file is produced.

On a daily and monthly basis AHCCCS provides the Contractor with the Rate Code Summary electronic file as outlined in the AHCCCS Technical Interface Guidelines, available on the AHCCCS website, which summarizes the capitation activity for the processing cycle.

The enrollment and capitation transaction updates distributed monthly are generally produced two days before the end of every month. The update will identify the total active population for the Contractor as of the first day of the next month. These updates contain the information used by AHCCCS to produce the monthly capitation payment for the next month. The Contractor must reconcile the member files (including the member's Medicare status, TPL information, etc.) with the AHCCCS monthly update. After reconciling the monthly update information, the Contractor will work to resolve any discrepancies and record the results of the reconciliation. Results of the reconciliation will be made available to AHCCCS upon request. After completion of the reconciliation the Contractor will resume posting daily updates beginning with the last two days of the month. The last two daily updates are different from the regular daily updates in that they pay and/or recoup capitation for the next month. If the Contractor detects an error through the monthly update process, the Contractor shall notify AHCCCS, Information Services Division.

67. PERIODIC REPORTING REQUIREMENTS

Under the terms and conditions of its CMS grant award, AHCCCS requires periodic reports, encounter data, and other information from the Contractor. The submission of late, inaccurate, or otherwise incomplete reports shall constitute failure to report subject to the penalty provisions described in Section D, Paragraph 72, Sanctions.

Standards applied for determining adequacy of required reports are as follows [42 CFR 438.242(b)(2)]:

- a. Timeliness: Reports or other required data shall be received on or before scheduled due dates.
- b. Accuracy: Reports or other required data shall be prepared in strict conformity with appropriate authoritative sources and/or AHCCCS defined standards.
- c. Completeness: All required information shall be fully disclosed in a manner that is both responsive and pertinent to report intent with no material omissions.

The Contractor shall comply with all reporting requirements contained in this contract. AHCCCS requirements regarding reports, including but not limited to, report content, report frequency, and report submission, are subject to change at any time during the term of the contract. The Contractor shall comply with all changes specified by AHCCCS, including those pertaining to subcontractor and provider reporting requirements. The Contractor shall be responsible for continued reporting beyond the term of the contract.

68. REQUEST FOR INFORMATION

AHCCCS may, at any time during the term of this contract, request financial or other information from the Contractor. Responses shall fully disclose all financial or other information requested. Information may be designated as confidential but may not be withheld from AHCCCS as proprietary. Information designated as confidential may not be disclosed by AHCCCS without the prior written consent of the Contractor except as required by law. Upon receipt of such requests for information from AHCCCS, the Contractor shall provide complete information to AHCCCS as requested no later than 20 days after the receipt of the request unless otherwise specified in the request itself.

If the Contractor believes the requested information is confidential and may not be disclosed to third parties, the Contractor shall provide a detailed legal analysis to AHCCCS, within the timeframe designated by AHCCCS, setting forth the specific reasons why the information is confidential and describing the specific harm or injury that would result from disclosure. In the event that AHCCCS withholds information from a third party as a result of the Contractor's statement, the Contractor shall be responsible for all costs associated with the nondisclosure, including but not limited to legal fees and costs.

69. DISSEMINATION OF INFORMATION

Upon request, the Contractor shall disseminate information prepared by AHCCCS or the Federal government to its and all costs shall be the responsibility of the Contractor. All advertisements, publications and printed materials that are produced by the Contractor and refer to covered services shall state that such services are funded under contract with AHCCCS.

70. RESERVED**71. MONITORING AND OPERATIONAL REVIEWS**

The Contractor shall comply with all reporting requirements contained in this Contract and AHCCCS policy. In accordance with CMS requirements, AHCCCS has in effect procedures for monitoring the Contractors' operations to ensure program compliance and identify best practices, including, but not limited to, evaluation of submitted deliverables, ad hoc reporting, and periodic focused and operational reviews.^{xxxiv}

These monitoring procedures will include, but are not limited to, operations related to the following:^{xxxv}

- a. Member enrollment and disenrollment;
- b. Processing grievances and appeals;
- c. Violations subject to intermediate sanctions, as set forth in Subpart I of 42 CFR 438;
- d. Violations of the conditions for receiving federal financial participation, as set forth in Subpart J of 42 CFR 438; and
- e. All other provisions of the contract, as appropriate. [42 CFR 438.66(a)]

Operational Reviews: In accordance with CMS requirements [42 CFR 434.6(a)(5)] and Arizona Administrative Code [Title 9, A.A.C. Chapter 22 Article 5], AHCCCS, or an independent agent, will conduct periodic Operational Reviews to ensure program compliance and identify best practices [42 CFR 438.204].

The reviews will identify and make recommendations for areas of improvement, monitor the Contractor's progress towards implementing mandated programs or operational enhancements, and provide the Contractor with technical assistance when necessary. The type and duration of the review will be solely at the discretion of AHCCCS.

Except in cases where advance notice is not possible or advance notice may render the review less useful, AHCCCS will give the Contractor at least three weeks advance notice of the date of the scheduled Operational Review. AHCCCS reserves the right to conduct reviews without notice to monitor contractual requirements and performance as needed.

AHCCCS may request, at the expense of the Contractor, to conduct on-site reviews of functions performed at out of State locations and will coordinate travel arrangements and accommodations with the Contractor.

In preparation for the reviews, the Contractor shall cooperate with AHCCCS by forwarding in advance policies, procedures, job descriptions, contracts, records, logs and other material upon request. Documents not requested in advance shall be made available during the course of the review. Contractor personnel shall be available at all times during review activities. The Contractor shall provide an appropriate private workspace and internet access.

The Contractor will be furnished a copy of the draft Operational Review report and given an opportunity to comment on any review findings prior to AHCCCS issuing the final report. The Contractor must develop corrective action plans based on these recommendations. The corrective action plans and modifications to the corrective action plans must be approved by AHCCCS. Unannounced follow-up reviews may be conducted at

any time after the initial Operational Review to determine the Contractor's progress in implementing recommendations and achieving compliance.

The Contractor shall not distribute or otherwise make available the Operational Review Tool, draft Operational Review Report or final report to other Contractors.

72. SANCTIONS

In accordance with applicable Federal and State regulations, AHCCCS rules A.A.C. R9-22-606, ACOM Policy 408 and the terms of this contract. AHCCCS may impose sanctions, for failure to comply with any provision of this contract. Written notice will be provided to the Contractor specifying the sanction to be imposed, the grounds for such sanction and either the length of suspension or the amount of capitation pre-payment to be withheld. The Contractor may dispute the decision to impose a sanction in accordance with the process outlined in A.A.C. R9-34-401 et seq.

Cure Notice Process: AHCCCS may provide a written cure notice to the Contractor regarding the details of the non-compliance. If a notice to cure is provided to the Contractor, the cure notice will specify the period of time during which the Contractor must bring its performance back into compliance with contract requirements.

If, at the end of the specified time period, the Contractor has complied with the cure notice requirements, AHCCCS will not impose a sanction.

AHCCCS may impose sanctions including but not limited to:

1. Civil monetary penalties.
2. Appointment of temporary management for a Contractor as provided in 42 CFR 438.706 and A.R.S. §36-2903 (M).
3. Granting members the right to terminate enrollment without cause and notifying the affected members of their right to disenroll [42 CFR 438.702(a)(3); 42 CFR 438.722].
4. Suspension of all new enrollments, including auto assignments after the effective date of the sanction.
5. Suspension of payment for recipients enrolled after the effective date of the sanction until CMS or AHCCCS is satisfied that the reason for imposition of the sanction no longer exists and is not likely to recur.
6. Additional sanctions allowed under statute or regulation that address areas of noncompliance.

Refer to ACOM Policy 408 for details.

For Technical Assistance the Contractor shall note the following Technical Assistance Provisions:

1. Recognize AHCCCS' technical assistance to help the Contractor achieve compliance with any relevant contract terms or contract subject matter issues does not relieve the Contractor of its obligation to fully comply with contract requirements or any and all other terms in this Contract.
2. Recognize that the Contractor's acceptance of AHCCCS' offer or provision of technical assistance shall not be utilized as a defense or a mitigating factor in a contract enforcement action in which compliance with contract requirements or any and all other terms is at issue.
3. Recognize that AHCCCS not providing technical assistance to the Contractor as it relates to compliance with a contract requirement or any and all other terms, shall not be utilized as a defense or a mitigating factor in a contract enforcement action in which compliance with contract requirements or any and all other terms is at issue.

4. Should a subcontractor to the Contractor participate in the technical assistance matter, in full or in part, the subcontractor participation does not relieve the Contractor of its contractual duties nor modify the Contractor contractual obligations.

73. BUSINESS CONTINUITY AND RECOVERY PLAN

The Contractor shall develop a Business Continuity and Recovery Plan as detailed in ACOM Policy 104, to deal with unexpected events that may affect its ability to adequately serve members. This Plan shall, at a minimum, include planning and training for:

- Electronic/telephonic failure at the Contractor's main place of business
- Complete loss of use of the main site
- Loss of primary computer system/records
- Communication between the Contractor and AHCCCS in the event of a business disruption
- Periodic Testing (at least annually)

The Business Continuity Plan shall be updated annually. The Contractor shall submit a summary of the Plan to AHCCCS as specified in attachment F3, Contractor Chart of Deliverables. All staff shall be trained and familiar with the Plan.

75. PENDING ISSUES

The following constitute pending items that may be resolved after the issuance of this Contract or any Contract amendment. Any program changes due to the resolution of the issues will be reflected in future amendments to the Contract. Capitation rates may also be adjusted to reflect the financial impact of program changes. The items in this paragraph are subject to change and should not be considered all-inclusive.

AHCCCS and its Contractors are subject to legislative mandates, directives, regulatory changes, executive and court orders related to any term in this Contract that may result in changes to the program. AHCCCS will either amend the contract or incorporate changes in policies incorporated in the contract by reference.

Managed Care Regulations: On May 6, 2016 the Centers for Medicare & Medicaid Services (CMS) published final rules focused on advancing delivery system reform, strengthening quality and consumer protections, promoting accountability, and aligning Medicaid managed care rules with other health insurance coverage programs. The provisions of the rule will be implemented in phases throughout years 2016, 2017, and 2018.

The final rule provisions include significant operational changes to numerous areas of the Medicaid Program, including but not limited to the following:

1. Requirements for Long Term Services and Supports
2. Network development standards
3. Grievance and Appeal System
4. Enrollee rights
5. Member information
6. Quality improvement
7. Capitation rate development

Limitations on capitation payments for services provided to persons age 21-64 receiving services in an Institution for Mental Disease (IMD)

Mental Health Parity and Addiction Equity Act: On March 30, 2016 final rules were published providing that financial and treatment limitations on mental health and substance use disorder benefits may be no more restrictive and applied no more stringently than to medical/surgical benefits. On or before October 1, 2017, the Contractor shall demonstrate that services are delivered in compliance with mental health parity consistent with 42 CFR 438.900 et seq. Future information will be provided regarding deliverables and timelines to ensure compliance.

Section 1115 Waiver Demonstration: As of the writing of this Contract, the Section 1115 Waiver Demonstration for the period October 1, 2016 through September 30, 2021, is not yet approved by CMS. Therefore the Waiver approval may necessitate changes to the terms of this Contract which will be executed through a Contract amendment.

Section 1557 of the Affordable Care Act: Pursuant to 45 CFR Part 92, the Contractor is prohibited from discrimination on the basis of race, color, national origin, sex, age, or disability in health programs and activities, any part of which receives federal funding. Under the proposed rule, sex discrimination includes, but is not limited to, discrimination on the basis of pregnancy, sex stereotyping, and gender identity. AHCCCS is reviewing existing policies and system edits to implement necessary changes to conform to the law. The Contractor shall be required to adopt any such changes.

Administrative Simplification: Arizona Laws 2015, Chapter 19, Section 9 (SB 1480) enacts that from and after June 30, 2016, the provision of behavioral health services under the Division of Behavioral Health Services (DBHS) in the Department of Health Services is transferred to and shall be administered by the Arizona Health Care Cost Containment System (AHCCCS). From and after June 30, 2016, the AHCCCS administration succeeds to the authority, powers, duties and responsibilities of DBHS with the exception of the Arizona State Hospital. This act does not alter the effect of any actions or impair the valid obligations of DBHS taken before July 1, 2016. Administrative rules and orders that were adopted by DBHS continue in effect until superseded by administrative action by AHCCCS. Until administrative action is taken by AHCCCS, any reference to DBHS in rules and orders is considered to refer to AHCCCS. All administrative matters, contracts and judicial and quasi-judicial actions, whether completed, pending or in process, of DBHS on July 1, 2016 are transferred to and retain the same status with AHCCCS. AHCCCS and DBHS will work to administratively streamline contractual oversight and monitoring of the Tribal and Regional Behavioral Health Authorities (T/RBHAs) throughout Arizona, pursue continuous quality improvement, and reduce fragmentation in healthcare delivery to develop an integrated system of healthcare. This merger will not impact what services are offered to members or how services are delivered.

76. VALUE-BASED PURCHASING

Value-Based Purchasing (VBP) is a cornerstone of AHCCCS' strategy to bend the upward trajectory of health care costs. AHCCCS is implementing initiatives to leverage the managed care model toward value based health care systems where members' experience and population health are improved, per-capita health care cost is limited to the rate of general inflation through aligned incentives with managed care organization and provider partners, and there is a commitment to continuous quality improvement and learning. The Contractor shall participate in payment VBP efforts.

Centers of Excellence: Centers of Excellence are facilities that are recognized as providing the highest levels of leadership, quality, and service. Centers of Excellence align physicians and other providers to achieve higher value through greater focus on appropriateness of care, clinical excellence, and patient satisfaction. Identification of a Center of Excellence should be based on criteria such as procedure volumes, clinical outcomes, and treatment planning and coordination. Identification of appropriate conditions and/or procedures most suitable to a relationship with a Center of Excellence should be based on analysis of the Contractor's data which demonstrates a high degree of variance in cost and/or outcomes. To encourage Contractor activity which

incentivizes utilization of the best value providers for select, evidenced based, high volume procedures or conditions, the Contractor shall submit a Centers of Excellence Report annually to AHCCCS, DHCM, as specified in Attachment F3, Contractor Chart of Deliverables. The report shall incorporate the CYE 17 implementation of one to two contracts with either the Centers of Excellence identified in the CYE 16 Executive Summary and/or other existing Centers of Excellence based on the criteria above. The Contractor shall identify the Centers of Excellence under contract in CYE 17 and, if different from those identified in the CYE 16 Executive Summary, shall include a description as to how these Centers were selected.

Centers of Excellence Report

The Centers of Excellence Report shall outline the Contractor's process to develop, maintain and monitor activities for Centers of Excellence and include at a minimum:

- Thorough description of the Contractor's initiatives to encourage member utilization
- Goals and outcome measures for the contract year
- Description of monitoring activities to occur throughout the year
- Evaluation of the effectiveness of the previous year's initiatives
- Summary of lessons learned and any implemented changes
- Description of the most significant barriers
- Plan for next contract year

E-Prescribing: E-Prescribing is an effective tool to improve members' health outcomes and reduce costs as delineated in ACOM Policy 321. Benefits afforded by the electronic transmission of prescription-related information include, but are not limited to: reduced medication errors, reductions of drug and allergy interactions and therapeutic duplication, and increased prescription accuracy. The Contractor shall increase its E-Prescribing rate of original prescriptions in accordance with ACOM Policy 321.

The NCPDP Prescription Origin Code and Fill Number (Original or Refill Dispensing) must be submitted on all pharmacy encounter records, as outlined in the AHCCCS NCPDP Post Adjudicated History Transaction Companion Guide, in order for AHCCCS to measure the Contractor's success.

VBP Differential Adjusted Payments: AHCCCS has introduced multiple VBP Differential Adjusted Fee Schedules to distinguish providers who have committed to supporting designated actions that improve patients' care experience, improve members' health, and reduce cost of care growth. The Contractor shall adjust payments for specific providers and provider types as described below:

Nursing Facility: For CYE17, for qualified AHCCCS-registered Arizona Nursing Facility providers meeting criteria as set forth below, the Contractor is required to pass through an additional 1.0% increase in payments above the rates that the Contractor would otherwise pay, inclusive of any AHCCCS fee for service rate changes adopted by the Contractor, to the qualified provider.

Criteria: Nursing Facilities that meet or exceed the Medicare Nursing Home Compare Arizona Average for the pneumococcal vaccine measure qualify for the VBP Differential Adjusted Payment increase.

- The pneumococcal vaccine measure is the percent of long-stay residents assessed and appropriately given the vaccine
- The facility's results on Medicare Nursing Home Compare for this quality measure will be compared to the accompanying Arizona Average results for the measure, for the most recently published rate as of June 1, 2016

Hospital: For CYE17, for both inpatient and outpatient services for qualified AHCCCS-registered Arizona Hospital providers (provider type 02) meeting criteria as set forth below, the Contractor is required to pass through an additional 0.5% increase in payments above the rates that the Contractor would otherwise pay, inclusive of any AHCCCS fee for service rate changes adopted by the Contractor, to the qualified provider.

Criteria:

- The hospital must participate in the Network, the state's health information exchange, by June 1, 2016 as described in A.A.C. R9-22-712.71, and
- The hospital must have achieved Meaningful Use Stage 2 for Program Year 2015 as described in A.A.C. R9-22-712.71

Integrated Clinic: For CYE17, for qualified AHCCCS-registered Integrated Clinics (ICs) meeting criteria as set forth below, the Contractor is required to pass through an additional 10% increase in payments above the rates that the Contractor would otherwise pay for select physical health services, inclusive of any AHCCCS fee for service rate changes adopted by the Contractor, to the qualified provider.

Criteria:

- Providers registered with AHCCCS as Integrated Clinics and licensed by the Arizona Department of Health Services as Outpatient Treatment Center which provide both behavioral health services and physical health services
 - The provider qualifies at any time during CYE17 for those dates of service in CYE17 that coincide with the provider's registration as an IC
- Physical health services which qualify for the increase include Evaluation and Management (E&M) codes, vaccine administration codes, and a global obstetric code

[END OF SECTION D]

SECTION E: CONTRACT TERMS AND CONDITIONS

1. ADVERTISING AND PROMOTION OF CONTRACT

The Contractor shall not advertise or publish information for commercial benefit concerning this contract without the prior written approval of the Contracting Officer.

2. APPLICABLE LAW

Arizona Law - The law of Arizona applies to this contract including, where applicable, the Uniform Commercial Code, as adopted in the State of Arizona.

Implied Contract Terms - Each provision of law and any terms required by law to be in this contract are a part of this contract as if fully stated in it.

3. ARBITRATION

The parties to this contract agree to resolve all disputes arising out of or relating to this contract through arbitration, after exhausting applicable administrative review, to the extent required by A.R.S. §12-1518 except as may be required by other applicable statutes.

4. ASSIGNMENT AND DELEGATION

The Contractor shall not assign any rights nor delegate all of the duties under this contract. Delegation of less than all of the duties of this contract must conform to the requirements of Section D, Subcontracts.

5. RESERVED

6. AUDITS AND INSPECTIONS

The Contractor shall comply with all provisions specified in applicable A.R.S. §35-214 and §35-215 and AHCCCS rules and policies and procedures relating to the audit of the Contractor's records and the inspection of the Contractor's facilities. The Contractor shall fully cooperate with AHCCCS staff and allow them reasonable access to the Contractor's staff, subcontractors, members, and records [42 CFR 438.6(g)].

At any time during the term of this contract, and five (5) years thereafter unless a longer time is otherwise required by law, the Contractor's or any subcontractor's books and records shall be subject to audit by AHCCCS and, where applicable, the Federal government, to the extent that the books and records relate to the performance of the contract or subcontracts [42 CFR 438.242(b)(3)].

AHCCCS, or its duly authorized agents, and the Federal government may evaluate through on-site inspection or other means, the quality, appropriateness and timeliness of services performed under this contract.

7. AUTHORITY

This contract is issued under the authority of the Contracting Officer who signed this contract. Changes to the contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by an unauthorized state employee or made unilaterally by the Contractor are violations of the contract and of applicable law. Such changes, including unauthorized written contract amendments,

shall be void and without effect, and the Contractor shall not be entitled to any claim under this contract based on those changes.

8. CHANGES

AHCCCS may at any time, by written notice to the Contractor, make changes within the general scope of this contract. If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, the Contractor may assert its right to an adjustment in compensation paid under this contract. The Contractor must assert its right to such adjustment within 30 days from the date of receipt of the change notice. Any dispute or disagreement caused by such notice shall constitute a dispute within the meaning of Section E, Disputes, and be administered accordingly.

Contract amendments are subject to approval by the Centers for Medicare and Medicaid Services (CMS), and approval is withheld until all amendments are signed by the Contractor. When AHCCCS issues an amendment to modify the contract, the Contractor shall ensure contract amendments are signed and submitted to AHCCCS by the date specified by AHCCCS. The provisions of such amendment will be deemed to have been accepted on the day following the date AHCCCS requires an executed amendment, even if the amendment has not been signed by the Contractor, unless within that time the Contractor notifies AHCCCS in writing that it refuses to sign the amendment. If the Contractor provides such notification, AHCCCS will initiate termination proceedings.

9. CHOICE OF FORUM

The parties agree that jurisdiction over any action arising out of or relating to this contract shall be brought or filed in a court of competent jurisdiction located in the State of Arizona.

10. COMPLIANCE WITH APPLICABLE LAWS, RULES AND REGULATIONS

The Contractor shall comply with all applicable Federal and State laws and regulations including Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972 (regarding education programs and activities); the Age Discrimination Act of 1975; the Rehabilitation Act of 1973 (regarding education programs and activities), and the Americans with Disabilities Act; EEO provisions; Copeland Anti-Kickback Act; Davis-Bacon Act; Contract Work Hours and Safety Standards; Rights to Inventions Made Under a Contract or Agreement; Clean Air Act and Federal Water Pollution Control Act; Byrd Anti-Lobbying Amendment. The Contractor shall maintain all applicable licenses and permits.

11. CONFIDENTIALITY AND DISCLOSURE OF CONFIDENTIAL INFORMATION

The Contractor shall safeguard confidential information in accordance with Federal and State laws and regulations, including but not limited to, 42 CFR 431, Subpart F, A.R.S. §36-107, §36-2903 (for Acute), §36-2932 (for ALTCS), §41-1959 and §46-135, the Health Insurance Portability and Accountability Act (Public Law 107-191 Statutes 1936), 45 CFR parts 160 and 164, and AHCCCS Rules.

The Contractor shall establish and maintain procedures and controls that are acceptable to AHCCCS for the purpose of assuring that no information contained in its records or obtained from AHCCCS or others carrying out its functions under the contract shall be used or disclosed by its agents, officers or employees, except as required to efficiently perform duties under the contract. Except as required or permitted by law, the Contractor also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of the Contractor as needed for the performance of duties under the contract, unless otherwise agreed to, in writing, by AHCCCS.

The Contractor shall not, without prior written approval from AHCCCS, either during or after the performance of the services required by this contract, use, other than for such performance, or disclose to any person other than AHCCCS personnel with a need to know, any information, data, material, or exhibits created, developed, produced, or otherwise obtained during the course of the work required by this contract. This nondisclosure requirement shall also pertain to any information contained in reports, documents, or other records furnished to the Contractor by AHCCCS.

12. CONFLICT OF INTEREST

The Contractor shall not undertake any work that represents a potential conflict of interest, or which is not in the best interest of AHCCCS or the State without prior written approval by AHCCCS. The Contractor shall fully and completely disclose any situation that may present a conflict of interest. If the Contractor is now performing or elects to perform during the term of this contract any services for any AHCCCS health plan, provider or Contractor or an entity owning or controlling same, the Contractor shall disclose this relationship prior to accepting any assignment involving such party.

13. CONTINUATION OF PERFORMANCE THROUGH TERMINATION

The Contractor shall continue to perform, in accordance with the requirements of the contract, up to the date of termination and as directed in the termination notice.

14. CONTRACT

The contract shall be construed according to the laws of the State of Arizona. The State of Arizona is not obligated for the expenditures under the contract until funds have been encumbered.

15. CONTRACT INTERPRETATION AND AMENDMENT

No Parol Evidence - This contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any term used in this contract.

No Waiver - Either party's failure to insist on strict performance of any term or condition of the contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the non-conforming performance knows of the nature of the performance and fails to object to it.

Written Contract Amendments - The contract shall be modified only through a written contract amendment within the scope of the contract signed by the procurement officer on behalf of the State and signed by a duly authorized representative of the Contractor.

16. COOPERATION WITH OTHER CONTRACTORS

AHCCCS may award other contracts for additional work related to this contract and Contractor shall fully cooperate with such other contractors and AHCCCS employees or designated agents. The Contractor shall not commit or permit any act which will interfere with the performance of work by any other Contractor or by AHCCCS employees.

17. COVENANT AGAINST CONTINGENT FEES

The Contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee. For violation of this warranty, AHCCCS shall have the right to annul this contract without liability.

18. DATA CERTIFICATION

The Contractor shall certify that financial and encounter data submitted to AHCCCS is complete, accurate and truthful. Certification of financial and encounter data must be submitted concurrently with the data. Certification may be provided by the Contractor's Director, Deputy Director of the Division, CFO or an individual who is delegated authority to sign for, and who reports directly to the Director, Deputy Director or CFO [42 CFR 438.604 et seq.].

19. DISPUTES

Contract claims and disputes shall be adjudicated in accordance with State Law, AHCCCS Rules and this contract.

Except as provided by 9 A.A.C. Chapter 22, Article 6, the exclusive manner for the Contractor to assert any dispute against AHCCCS shall be in accordance with the process outlined in 9 A.A.C. Chapter 34 and A.R.S. §36-2932. All disputes except as provided under 9 A.A.C. Chapter 22, Article 6 shall be filed in writing and be received by AHCCCS no later than 60 days from the date of the disputed notice. All disputes shall state the factual and legal basis for the dispute. Pending the final resolution of any disputes involving this contract, the Contractor shall proceed with performance of this contract in accordance with AHCCCS' instructions, unless AHCCCS specifically, in writing, requests termination or a temporary suspension of performance.

20. E-VERIFY REQUIREMENTS

In accordance with A.R.S §41-4401, the Contractor warrants compliance with all Federal immigration laws and regulations relating to employees and warrants its compliance with Section A.R.S. §23-214, Subsection A.

21. EFFECTIVE DATE

The effective date of this contract shall be the Offer and Acceptance date referenced on page 1 of this contract.

22. FEDERAL IMMIGRATION AND NATIONALITY ACT

The Contractor shall comply with all Federal, State and local immigration laws and regulations relating to the immigration status of their employees during the term of the contract. Further, the Contractor shall flow down this requirement to all subcontractors utilized during the term of the contract. The State shall retain the right to perform random audits of Contractor and subcontractor records or to inspect papers of any employee thereof to ensure compliance. Should the State determine that the Contractor and/or any subcontractors be found noncompliant, the State may pursue all remedies allowed by law, including, but not limited to; suspension of work, termination of the contract for default and suspension and/or debarment of the Contractor.

23. GRATUITIES

AHCCCS may, by written notice to the Contractor, immediately terminate this contract if it determines that employment or a gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing the

contract, an amendment to the contract, or favorable treatment concerning the contract, including the making of any determination or decision about contract performance. AHCCCS, in addition to any other rights or remedies, shall be entitled to recover exemplary damages in the amount of three times the value of the gratuity offered by the Contractor.

24. INCORPORATION BY REFERENCE

This solicitation and all attachments and amendments, the Contractor's proposal, best and final offer accepted by AHCCCS, and any approved subcontracts are hereby incorporated by reference into the contract.

25. RESERVED**26. RESERVED****27. RESERVED****28. IRS W9 FORM**

In order to receive payment under any resulting contract, the Contractor shall have a current IRS W9 Form on file with the State of Arizona.

29. LIMITATIONS ON BILLING AND COLLECTION PRACTICES

Except as provided in Federal and State Law and regulations, the Contractor shall not bill, nor attempt to collect payment directly or through a collection agency from a person who was AHCCCS eligible at the time the covered service(s) were rendered, or from the financially responsible relative or representative for covered services that were paid or could have been paid by the system.

30. LOBBYING

No funds paid to the Contractor by AHCCCS, or interest earned thereon, shall be used for the purpose of influencing or attempting to influence an officer or employee of any Federal or State agency, a member of the United States Congress or State Legislature, an officer or employee of a member of the United States Congress or State Legislature in connection with awarding of any Federal or State contract, the making of any Federal or State grant, the making of any Federal or State loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal or State contract, grant, loan, or cooperative agreement. The Contractor shall disclose if any funds paid to the Contractor by AHCCCS have been used or will be used to influence the persons and entities indicated above and will assist AHCCCS in making such disclosures to CMS.

31. NO GUARANTEED QUANTITIES

AHCCCS does not guarantee the Contractor any minimum or maximum quantity of services or goods to be provided under this contract.

32. NON-DISCRIMINATION

In accordance with A.R.S. §41-1461 et seq. and Executive Order 2009-09, the Contractor shall provide equal employment opportunities for all persons, regardless of race, color, religion, creed, sex, age, national origin, disability or political affiliation. The Contractor shall comply with the Americans with Disabilities Act.

33. NON-EXCLUSIVE REMEDIES

The rights and the remedies of AHCCCS under this contract are not exclusive.

34. OFF-SHORE PERFORMANCE OF WORK PROHIBITED

Any services that are described in the specifications or scope of work that directly serve the State of Arizona or its clients and involve access to secure or sensitive data or personal client data shall be performed within the defined territories of the United States. Unless specifically stated otherwise in the specifications, this paragraph does not apply to indirect or “overhead” services, redundant back-up services or services that are incidental to the performance of the contract. This provision applies to work performed by subcontractors at all tiers.

35. ORDER OF PRECEDENCE

The parties to this contract shall be bound by all terms and conditions contained herein. For interpreting such terms and conditions the following sources shall have precedence in descending order: The Constitution and laws of the United States and applicable Federal regulations; the terms of the CMS 1115 waiver for the State of Arizona; the Constitution and laws of Arizona, and applicable State Rules; the terms of this contract which consists of the RFP, the proposal of the successful Offeror, and any Best and Final Offer including any attachments, executed amendments and modifications; and AHCCCS policies and procedures.

36. OWNERSHIP OF INFORMATION AND DATA

Materials, reports and other deliverables created under this contract are the sole property of AHCCCS. The Contractor is not entitled to any rights to those materials and may not transfer any rights to anyone else. Except as necessary to carry out the requirements of this contract, as otherwise allowed under this contract, or as required by law, the Contractor shall not use or release data, information or materials, reports, or deliverables derived from that data or information without the prior written consent of AHCCCS. Data, information and reports collected or prepared by the Contractor in the course of performing its duties and obligations under this contract shall not be used by the Contractor for any independent project of the Contractor or publicized by the Contractor without the prior written permission of AHCCCS. Subject to applicable state and Federal laws and regulations, AHCCCS shall have full and complete rights to reproduce, duplicate, disclose and otherwise use all such information.

At the termination of the contract, the Contractor shall make available all such data to AHCCCS within 30 days following termination of the contract or such longer period as approved by AHCCCS, Office of the Director. For purposes of this subsection, the term “data” shall not include member medical records.

Except as otherwise provided in this section, if any copyrightable or patentable material is developed by the Contractor in the course of performance of this contract, the Federal government, AHCCCS and the State of Arizona shall have a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the work for state or Federal government purposes. The Contractor shall additionally be subject to the applicable provisions of 45 CFR Part 74.

37. RESERVED**38. RELATIONSHIP OF PARTIES**

The Contractor under this contract is an independent Contractor. Neither party to this contract shall be deemed to be the employee or agent of the other party to the contract.

39. RIGHT OF OFFSET

AHCCCS shall be entitled to offset against any sums due the Contractor any expenses or costs incurred by AHCCCS or damages assessed by AHCCCS concerning the Contractor's non-conforming performance or failure to perform the contract, including but not limited to expenses, costs and damages.

40. RIGHT TO ASSURANCE

If AHCCCS, in good faith, has reason to believe that the Contractor does not intend to perform or is unable to continue to perform this contract, the procurement officer may demand in writing that the Contractor give a written assurance of intent to perform. The demand shall be sent to the Contractor by certified mail, return receipt required. Failure by the Contractor to provide written assurance within the number of days specified in the demand may, at the State's option, be the basis for terminating the contract.

40. RIGHT TO INSPECT PLANT OR PLACE OF BUSINESS

AHCCCS may, at reasonable times, inspect the part of the plant or place of business of the Contractor or subcontractor that is related to the performance of this contract, in accordance with A.R.S. §41-2547.

41. RESERVED**42. SEVERABILITY**

The provisions of this contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the contract.

43. SUSPENSION OR DEBARMENT

The Contractor shall not employ, consult, subcontract or enter into any agreement for Title XIX services with any person or entity who is debarred, suspended or otherwise excluded from Federal procurement activity or from participating in non-procurement activities under regulations issued under Executive Order 12549 [42 CFR 438.610(a)(b)] or under guidelines implementing Executive Order 12549. This prohibition extends to any entity which employs, consults, subcontracts with or otherwise reimburses for services any person substantially involved in the management of another entity which is debarred, suspended or otherwise excluded from Federal procurement activity. The Contractor is obligated to screen all employees and contractors to determine whether any of them have been excluded from participation in Federal health care programs. The Contractor can search the HHS-OIG website by the names of any individuals. The database can be accessed at <http://www.oig.hhs.gov/fraud/exclusions.asp>.

The Contractor shall not retain as a director, officer, partner or owner of 5% or more of the Contractor entity, any person, or affiliate of such a person, who is debarred, suspended or otherwise excluded from Federal procurement activity.

AHCCCS may, by written notice to the Contractor, immediately terminate this contract if it determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity.

44. TEMPORARY MANAGEMENT/OPERATION OF A CONTRACTOR

Temporary Management/Operation by AHCCCS: Pursuant to the Medicaid Managed Care Regulations, 42 CFR 438.700 et seq. and State Law A.R.S. §36-2903, AHCCCS is authorized to impose temporary management for a Contractor under certain conditions. Under Federal law, temporary management may be imposed if AHCCCS determines that there is continued egregious behavior by the Contractor, including but not limited to the following: substantial failure to provide medically necessary services the Contractor is required to provide; imposition on enrollees premiums or charges that exceed those permitted by AHCCCS, discrimination among enrollees on the basis of health status or need for health care services; misrepresentation or falsification of information to AHCCCS or CMS; misrepresentation or falsification of information furnished to an enrollee or provider; distribution of marketing materials that have not been approved by AHCCCS or that are false or misleading; or behavior contrary to any requirements of Sections 1903(m) or 1932 of the Social Security Act. Temporary management may also be imposed if AHCCCS determines that there is substantial risk to enrollees' health or that temporary management is necessary to ensure the health of enrollees while the Contractor is correcting the deficiencies noted above or until there is an orderly transition or reorganization of the Contractor. Under Federal law, temporary management is mandatory if AHCCCS determines that the Contractor has repeatedly failed to meet substantive requirements in Sections 1903(m) or 1932 of the Social Security Act. Pursuant to 42 CFR 438.706, AHCCCS shall not delay imposition of temporary management to provide a hearing before imposing this sanction.

If AHCCCS undertakes direct operation of the Contractor, AHCCCS, through designees appointed by the Director, shall be vested with full and exclusive power of management and control of the Contractor as necessary to ensure the uninterrupted care to persons and accomplish the orderly transition of persons to a new or existing Contractor, or until the Contractor corrects the contract performance failure to the satisfaction of AHCCCS. AHCCCS shall have the power to employ any necessary assistants, to execute any instrument in the name of the Contractor, to commence, defend and conduct in its name any action or proceeding in which the Contractor may be a party; such powers shall only apply with respect to activities occurring after AHCCCS undertakes direct operation of the Contractor in connection with this Section.

All reasonable expenses of AHCCCS related to the direct operation of the Contractor, including attorney fees, cost of preliminary or other audits of the Contractor and expenses related to the management of any office or other assets of the Contractor, shall be paid by the Contractor or withheld from payment due from AHCCCS to the Contractor.

45. TERM OF CONTRACT AND OPTION TO RENEW

The initial term of this contract shall be one year, with annual options to extend. The contract cycle is July 1 through June 30 with an annual July 1 renewal. The terms and conditions of any such contract extension shall remain the same as the original contract, as amended. Any contract extension shall be through contract amendment [42 CFR 438.610(c)(3)], and shall be at the sole option of AHCCCS.

When the Contracting Officer issues an amendment to extend the contract, the provisions of such extension will be deemed to have been accepted 30 days after the date of mailing by the Contracting Officer, unless a different time period is specified by AHCCCS, even if the extension amendment has not been signed by the Contractor, unless within that time the Contractor notifies the Contracting Officer in writing that it refuses to sign the extension amendment. If the Contractor provides such notification, the Contracting Officer will initiate contract termination proceedings.

46. TERMINATION

AHCCCS reserves the right to terminate this contract in whole or in part by reason of force majeure, due to the failure of the Contractor to comply with any term or condition of the contract, including, but not limited to, circumstances which present risk to member health or safety, and as authorized by the Balanced Budget Act of 1997 and 42 CFR 438.708. The term force majeure means an occurrence that is beyond the control of AHCCCS and occurs without its fault or negligence. Force majeure includes acts of God and other similar occurrences beyond the control of AHCCCS which it is unable to prevent by exercising reasonable diligence.

If the Contractor is providing services under more than one contract with AHCCCS, AHCCCS may deem unsatisfactory performance under one contract to be cause to require the Contractor to provide assurance of performance under any and all other contracts. In such situations, AHCCCS reserves the right to seek remedies under both actual and anticipatory breaches of contract if adequate assurance of performance is not received. The Contracting Officer shall mail written notice of the termination and the reason(s) for it to the Contractor by certified mail, return receipt requested. Pursuant to the Balanced Budget Act of 1997 and 42 CFR 438.708, AHCCCS shall provide the Contractor with a pre-termination hearing before termination of the contract.

Upon termination, all documents, data, and reports prepared by the Contractor under the contract shall become the property of and be delivered to AHCCCS immediately on demand.

AHCCCS may, upon termination of this contract, procure on terms and in the manner that it deems appropriate, materials or services to replace those under this contract. The Contractor shall be liable for any excess costs incurred by AHCCCS in re-procuring the materials or services.

47. TERMINATION - AVAILABILITY OF FUNDS

Funds are not presently available for performance under this contract beyond the current fiscal year. No legal liability on the part of AHCCCS for any payment may arise under this contract until funds are made available for performance of this contract.

Notwithstanding any other provision in the Agreement, this Agreement may be terminated by Contractor, if, for any reason, there are not sufficient appropriated and available monies for the purpose of maintaining this Agreement. In the event of such termination, the Contractor shall have no further obligation to AHCCCS.

48. TERMINATION FOR CONFLICT OF INTEREST

AHCCCS may cancel this contract without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of AHCCCS is, or becomes at any time while the contract or any extension of the contract is in effect, an employee of, or a consultant to, any other party to this contract with respect to the subject matter of the contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time.

If the Contractor is a political subdivision of the State, it may also cancel this contract as provided by A.R.S. §38-511.

49. TERMINATION FOR CONVENIENCE

AHCCCS reserves the right to terminate the contract in whole or in part at any time for the convenience of the State without penalty or recourse. The Contracting Officer shall give written notice by certified mail, of the termination at least 90 days before the effective date of the termination. Upon receipt of written notice, the

Contractor shall stop all work, as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the State. In the event of termination under this paragraph, all documents, data and reports prepared by the Contractor under the contract shall become the property of and be delivered to AHCCCS immediately upon demand. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination.

50. THIRD PARTY ANTITRUST VIOLATIONS

The Contractor assigns to the State any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor toward fulfillment of this contract.

51. TYPE OF CONTRACT

Fixed-Price, stated as capitated per member per month, except as otherwise provided.

52. WARRANTY OF SERVICES

The Contractor warrants that all services provided under this contract will conform to the requirements stated herein. AHCCCS' acceptance of services provided by the Contractor shall not relieve the Contractor from its obligations under this warranty. In addition to its other remedies, AHCCCS may, at the Contractor's expense, require prompt correction of any services failing to meet the Contractor's warranty herein. Services corrected by the Contractor shall be subject to all of the provisions of this contract in the manner and to the same extent as the services originally furnished.

ATTACHMENT F1:

ENROLLEE GRIEVANCE AND APPEAL SYSTEM STANDARDS

Contract No. YH14-0001

SECTION F: ATTACHMENTS

ATTACHMENT F1. ENROLLEE GRIEVANCE AND APPEAL SYSTEM STANDARDS

The Contractor shall have a written policy delineating its Grievance and Appeal System which shall be in accordance with applicable Federal and State laws, regulations and policies, including, but not limited to 42 CFR Part 438 Subpart F. The Contractor shall furnish Grievance and Appeal System information to enrollees no later than 12 days after the Contractor receives notice of the enrollment and annually thereafter. The Contractor shall also provide this information to all providers and subcontractors at the time of contract. Additionally, the Contractor shall provide written notification of any significant change in this policy at least 30 days before the intended effective date of the change.

The written information provided to enrollees describing the Grievance and Appeal System including the grievance process, the appeals process, enrollee rights, the Grievance and Appeal System requirements and timeframes, shall be in each prevalent non-English language occurring within the Contractor's service area and in an easily understood language and format.

Written documents, including but not limited to, the Notice of Action, the Notice of Extension of Notice of Action, the Notice of Appeal Resolution and Notice of Extension for Resolution, shall contain information in the prevalent non-English language(s), prominently displayed in large bold print on the first page of the document. The information shall advise the enrollee that the written documents are available in the prevalent non-English language(s) and in alternative formats along with an explanation of how enrollees may obtain this written information in the prevalent non-English language(s) and alternative formats. However, if prior to issuing a document in English, the Contractor receives information orally or in writing that the enrollee has a limited English proficiency in a prevalent non-English language, the Contractor shall translate the document in the applicable prevalent non-English language before providing it to the enrollee.

The Contractor shall also inform enrollees that oral interpretation services are available in any language, and alternative communication formats are available for enrollees who have hearing or vision impairment.

For additional information regarding the enrollee Notice of Action process, the Contractor should refer to ACOM Policy 414 and 42 CFR Part 438. **Failure to comply with any of these provisions may result in an imposition of sanctions.**

At a minimum, the Contractor's Grievance and Appeal System Standards and Policy shall specify:

1. That the Contractor shall maintain records of all grievances, appeals and requests for hearing.
2. That the Contractor has a mechanism for tracking receipt, acknowledgement, investigation and resolution of grievances, appeals and requests for hearing within the required timeframes.
3. Information explaining the grievance, appeal, and fair hearing procedures and timeframes. This information shall include a description of the circumstances when there is a right to a hearing, the method for obtaining a hearing, the requirements which govern representation at the hearing, the right to file grievance and appeals and the requirements and timeframes for filing a grievance, appeal, or request for hearing.
4. The availability of assistance in the filing process and the Contractor's toll-free numbers that an enrollee can use to file a grievance or appeal by phone.

5. That the Contractor shall acknowledge receipt of each grievance and appeal. For grievances, the Contractor is not required to acknowledge receipt of the Grievance in writing, however, if the enrollee requests written acknowledgement, the acknowledgement must be made within five business days of receipt of the request. For Appeals, the Contractor shall acknowledge receipt of standard appeals in writing within five business days of receipt and within one business day of receipt of expedited appeals.
6. That the Contractor shall permit both oral and written appeals and grievances and that oral inquiries appealing an action are treated as appeals.
7. The definition of action [42 CFR 438.400(b)] and that an enrollee, or their designated representative, may file an appeal of an action taken by the Contractor. Actions include:
 - a. Denial or limited authorization of a requested service, including the type or level of service;
 - b. Reduction, suspension, or termination of a previously authorized service;
 - c. Denial, in whole or in part, of payment for a service;
 - d. Failure to provide services in a timely manner, as defined by the State;
 - e. Failure to act within the timeframes provided in 42 CFR 438.408(b) required for standard and expedited resolution of appeals and standard disposition of grievances; or
 - f. Denial of a rural enrollee's request to obtain services outside the Contractor's network under 42 CFR 438.52(b)(2)(ii), when the Contractor is the only Contractor in the rural area.
8. The definition of appeal as the request for review of an action, as defined above [42 CFR 438.400(b)].
9. That the Contractor shall ensure that individuals who make decisions regarding grievances and appeals are individuals not involved in any previous level of review or decision making and that individuals who make decisions regarding: 1) appeals of denials based on lack of medical necessity, 2) a grievance regarding denial of expedited resolution of an appeal or 3) grievances or appeals involving clinical issues are health care professionals as defined in 42 CFR 438.2 with the appropriate clinical expertise in treating the enrollee's condition or disease.
10. The definition of grievance as a member's expression of dissatisfaction with any aspect of their care, other than the appeal of actions. There are no time limits for filing an enrollee grievance.
11. That an enrollee must file a grievance with the Contractor and that the enrollee is not permitted to file a grievance directly with AHCCCS.
12. That the Contractor shall not delegate the Grievance and Appeal System requirements to its providers.
13. That the Contractor shall address identified issues as expeditiously as the person's condition requires and must resolve each grievance within 10 business days of receipt, absent extraordinary circumstances. However, no grievances shall exceed 90 days for resolution. Contractor decisions on enrollee grievances cannot be appealed.
14. That the Contractor responds in writing, if an enrollee requests a written explanation of the resolution, and the response must be mailed within 10 business days of resolution of the grievance.
15. That an enrollee shall be given 60 days from the date of the Contractor's Notice of Action to file an appeal.

ATTACHMENT F1:

ENROLLEE GRIEVANCE AND APPEAL SYSTEM STANDARDS

Contract No. YH14-0001

16. Information explaining that a provider acting on behalf of an enrollee and with the enrollee's written consent, may file an appeal.
17. That the Contractor include, as parties to the appeal, the enrollee, the enrollee's legal representative, or the legal representative of a deceased enrollee's estate.
18. That the Contractor must ensure that punitive action is not taken against a provider who either requests an expedited resolution or supports an enrollee's appeal.
19. The resolution timeframes for standard appeals and expedited appeals may be extended up to 14 days if the enrollee requests the extension or if the Contractor establishes a need for additional information and that the delay is in the enrollee's interest.
20. That if the Contractor extends the timeframe for resolution of an appeal when not requested by the enrollee, the Contractor shall provide the enrollee with written notice of the reason for the delay.
21. The definition of a service authorization request as an enrollee's request for the provision of a service [42 CFR 431.201].
22. The definition of a standard authorization request. For standard authorization decisions, the Contractor must provide a Notice of Action to the enrollee as expeditiously as the enrollee's health condition requires, but not later than 14 days following the receipt of the authorization request with a possible extension of up to 14 days if the enrollee or provider requests an extension or if the Contractor establishes a need for additional information and delay is in the enrollee's best interest [42 CFR 438.210(d)(1)]. The Notice of Action must comply with the advance notice requirements when there is a termination or reduction of a previously authorized service OR when there is a denial of an authorization request and the physician asserts that the requested service/treatment is a necessary continuation of a previously authorized service.
23. The definition of an expedited authorization request. For expedited authorization decisions, the Contractor must provide a Notice of Action to the enrollee as expeditiously as the enrollee's health condition requires, but not later than three business days following the receipt of the authorization request with a possible extension of up to 14 days if the enrollee or provider requests an extension or if the Contractor establishes a need for additional information and delay is in the enrollee's interest [42 CFR 438.210(d)(2)].
24. That the Notice of Action for a service authorization decision not made within the standard or expedited timeframes, whichever is applicable, will be made on the date that the timeframes expire. If the Contractor extends the timeframe to make a standard or expedited authorization decision, the Contractor must give the enrollee written notice of the reason to extend the timeframe and inform the enrollee of the right to file a grievance if the enrollee disagrees with the decision. The Contractor must issue and carry out its decision as expeditiously as the enrollee's health condition requires and no later than the date the extension expires.
25. That the Contractor shall notify the requesting provider of the decision to deny or reduce a service authorization request. The notice to the provider must be written.
26. That the Contractor shall mail a Notice of Action: 1) at least 10 days before the date of a termination, suspension or reduction of previously authorized AHCCCS services, except as provided in (a)-(e) below; 2) at least five days before the date of action in the case of suspected fraud; 3) at the time of any action affecting the claim when there has been a denial of payment for a service, in whole or in part; 4) within 14 days from receipt of a standard service authorization request and within three business days from receipt of

an expedited service authorization request, unless an extension is in effect. For service authorization decisions, the Contractor shall also ensure that the Notice of Action provides the enrollee with advance notice and the right to request continued benefits for all terminations and reductions of a previously authorized service and for denials when the physician asserts that the requested service/treatment which has been denied is a necessary continuation of a previously authorized service. As described below, the Contractor may elect to mail a Notice of Action no later than the date of action when:

- a. The Contractor receives notification of the death of an enrollee
 - b. The enrollee signs a written statement requesting service termination or gives information requiring termination or reduction of services (which indicates understanding that the termination or reduction will be the result of supplying that information)
 - c. The enrollee is admitted to an institution where he is ineligible for further services
 - d. The enrollee's address is unknown and mail directed to the enrollee has no forwarding address
 - e. The enrollee has been accepted for Medicaid in another local jurisdiction
27. That the Notice of Action must explain: 1) the action the Contractor has taken or intends to take, 2) the reasons for the action, 3) the enrollee's right to file an appeal with the Contractor, 4) the procedures for exercising these rights, 5) circumstances when expedited resolution is available and how to request it and 6) the enrollee's right to receive continued benefits pending resolution of the appeal, how to request continued benefits and the circumstances under which the enrollee may be required to pay for the cost of these services. The Notice of Action shall comply with ACOM Policy 414.
28. The definition of a standard appeal and that the Contractor shall resolve standard appeals no later than 30 days from the date of receipt of the appeal unless an extension is in effect. If a Notice of Appeal Resolution is not completed when the timeframe expires, the member's appeal shall be considered to be denied by the Contractor, and the member can file a request for hearing.
29. The definition of an expedited appeal and that the Contractor shall resolve all expedited appeals no later than three business days from the date the Contractor receives the appeal (unless an extension is in effect) where the Contractor determines (for a request from the enrollee), or the provider (in making the request on the enrollee's behalf indicates) that the standard resolution timeframe could seriously jeopardize the enrollee's life or health or ability to attain, maintain or regain maximum function. The Contractor shall make reasonable efforts to provide oral notice to an enrollee regarding an expedited resolution appeal. If a Notice of Appeal Resolution is not completed when the timeframe expires, the member's appeal shall be considered to be denied by the Contractor, and the member can file a request for hearing.
30. That if the Contractor denies a request for expedited resolution, it must transfer the appeal to the 30-day timeframe for a standard appeal. The Contractor must make reasonable efforts to give the enrollee prompt oral notice and follow-up within two days with a written notice of the denial of expedited resolution.
31. That benefits shall continue until a hearing decision is rendered if: 1) the enrollee files an appeal before the later of a) 10 days from the mailing of the Notice of Action or b) the intended date of the Contractor's action, 2) a) the appeal involves the termination, suspension, or reduction of a previously authorized course of treatment or b) the appeal involves a denial and the physician asserts that the requested service/treatment is a necessary continuation of a previously authorized service, 3) the services were ordered by an authorized provider and 4) the enrollee requests a continuation of benefits.

For purposes of this paragraph, benefits shall be continued based on the authorization which was in place prior to the denial, termination, reduction, or suspension which has been appealed.

32. That the Contractor continues extended benefits originally provided to the enrollee until any of the following occurs: 1) the enrollee withdraws the appeal, 2) the enrollee has not specifically requested continued benefits pending a hearing decision within 10 days of the Contractor mailing of the appeal resolution notice, or 3) AHCCCS issues a state fair hearing decision adverse to the enrollee.
33. That for appeals, the Contractor provides the enrollee a reasonable opportunity to present evidence and allegations of fact or law in person and in writing and that the Contractor informs the enrollee of the limited time available in cases involving expedited resolution.
34. That for appeals, the Contractor provides the enrollee and his representative the opportunity before and during the appeals process to examine the enrollee's case file including medical records and other documents considered during the appeals process.
35. That the Contractor shall provide written Notice of Appeal Resolution to the enrollee and the enrollee's representative or the representative of the deceased enrollee's estate which must contain: 1) the results of the resolution process, including the legal citations or authorities supporting the determination, and the date it was completed, and 2) for appeals not resolved wholly in favor of enrollees: a) the enrollee's right to request a State fair hearing (including the requirement that the enrollee must file the request for a hearing in writing) no later than 30 days after the date the enrollee receives the Contractor's notice of appeal resolution and how to do so, b) the right to receive continued benefits pending the hearing and how to request continuation of benefits and c) information explaining that the enrollee may be held liable for the cost of benefits if the hearing decision upholds the Contractor.
36. That if the enrollee files a request for hearing the Contractor must ensure that the case file and all supporting documentation is received by the AHCCCS Office of Administrative Legal Services (OALS) as specified by OALS. The file provided by the Contractor must contain a cover letter that includes:
 - a. Enrollee's name
 - b. Enrollee's AHCCCS I.D. number
 - c. Enrollee's address
 - d. Enrollee's phone number (if applicable)
 - e. Date of receipt of the appeal
 - f. Summary of the Contractor's actions undertaken to resolve the appeal and summary of the appeal resolution
37. The following material shall be included in the file sent by the Contractor:
 - a. The Enrollee's written request for hearing
 - b. Copies of the entire appeal file which includes all supporting documentation including pertinent findings and medical records
 - c. The Contractor's Notice of Appeal Resolution
 - d. Other information relevant to the resolution of the appeal
38. That if the Contractor or the State fair hearing decision reverses a decision to deny, limit or delay services not furnished during the appeal or the pendency of the hearing process, the Contractor shall authorize or provide the services promptly and as expeditiously as the enrollee's health condition requires irrespective of whether the Contractor contests the decision.

39. That if the Contractor or State fair hearing decision reverses a decision to deny authorization of services and the disputed services were received pending appeal, the Contractor shall pay for those services, as specified in policy and/or regulation.

40. That if the Contractor or the Director's Decision reverses a decision to deny, limit, or delay authorization of services, and the member received the disputed services while the appeal was pending, the Contractor shall process a claim for payment from the provider in a manner consistent with the Contractor's or Director's Decision and applicable statutes, Rules, policies, and contract terms. The provider shall have 90 days from the date of the reversed decision to submit a clean claim to the Contractor for payment. For all claims submitted as a result of a reversed decision, the Contractor is prohibited from denying claims for un-timeliness if they are submitted within the 90 day timeframe. The Contractor is also prohibited from denying claims submitted as a result of a reversed decision because the member failed to request continuation of services during the appeals/hearing process: a member's failure to request continuation of services during the appeals/hearing process is not a valid basis to deny the claim.

That if the Contractor or State fair hearing decision upholds a decision to deny authorization of services and the disputed services were received pending appeal, the Contractor may recover the cost of those services from the enrollee.

41. That the Contractor shall track and trend Grievance and Appeal System information as a source of information for quality improvement.

ATTACHMENT F2. PROVIDER CLAIM DISPUTE STANDARDS

The Contractor shall have in place a written claim dispute policy for its subcontractors and non-contracted providers. The policy shall be in accordance with applicable Federal and State laws, regulations and policies. **Failure to comply with any of these provisions may result in the imposition of sanctions.**

The claim dispute policy shall include the following provisions:

1. That the Provider Claim Dispute Policy shall stipulate that all claim disputes must be adjudicated in Arizona, including those claim disputes arising from claims processed by an Administrative Services Subcontractor.
2. That the Provider Claim Dispute Policy shall be provided to all subcontractors at the time of contract. For providers without a contract, the claim dispute policy may be mailed with a remittance advice, provided the remittance is sent within 45 days of receipt of a claim.
3. That the Provider Claim Dispute Policy must specify that all claim disputes challenging claim payments, denials or recoupments must be filed in writing with the Contractor no later than 12 months from the date of service, 12 months after the date of eligibility posting or within 60 days after the payment, denial or recoupment of a timely claim submission, whichever is later.
4. That the Provider Claim Dispute Policy must specify a physical local address in Arizona for the submission of all provider claim disputes and hearing requests.
5. That specific individuals are appointed with authority to require corrective action and with requisite experience to administer the claim dispute process.
6. That the Contractor shall develop and maintain a tracking log for all claim disputes containing sufficient information to identify the Complainant, date of receipt, nature of the claim dispute, resolution of the claim dispute and the date of resolution.
7. That claim disputes are acknowledged in writing and within five business days of receipt.
8. Claim disputes are thoroughly investigated using the applicable statutory, regulatory, contractual and policy provisions, ensuring that relevant facts are obtained from all parties.
9. All documentation received by the Contractor during the claim dispute process is dated upon receipt.
10. Claim disputes are filed in a secure, designated area and are retained for five years following the Contractor's decision, the AHCCCS decision, judicial appeal or close of the claim dispute, whichever is later, unless otherwise provided by law.
11. A copy of the Contractor's Notice of Decision "Decision" shall be mailed to all parties no later than 30 days after the provider files a claim dispute with the Contractor, unless the provider and Contractor agree to a longer period. The Decision must include and describe in detail, the following:
 - a. The nature of the claim dispute.
 - b. The specific factual and legal basis for the dispute, including but not limited to, an explanation of the specific facts that pertain to the claim dispute, the identification of the member name,

- pertinent dates of service, dates and specific reasons for Contractor denial / payment of the claim, and whether or not the provider is a contracted provider.
- c. The reasons supporting the Contractor Decision, including an explanation of 1) how the Contractor applies the relevant and specific facts in the case to the relevant laws to support the Contractor's decision and 2) the applicable statutes, rules, contractual provisions, policies, and procedures, if applicable. Reference to general legal authorities alone is not acceptable.
 - d. The Provider's right to request a hearing by filing a written request to the Contractor no later than 30 days after the date the provider receives the Decision.
 - e. If the claim dispute is overturned, in full or in part, the requirement that the Contractor shall reprocess and pay the claim(s) in a manner consistent with the decision within 15 business days of the date of the Decision.
12. If the provider files a written request for hearing, the Contractor must ensure that all supporting documentation is received by the AHCCCS Office of Administrative Legal Services (OALS), no later than five business days from the date the Contractor receives the provider's written hearing request. The file sent by the Contractor must contain a cover letter that includes:
- a. The provider's name
 - b. The provider's address
 - c. The member's name and AHCCCS Identification Number
 - d. The provider's phone number (if applicable)
 - e. The date that the claim dispute was received by the Contractor
 - f. A summary of the actions undertaken by the Contractor to resolve the claim dispute and basis for the determination

If the Contractor upholds a claim dispute and a request for hearing is subsequently filed, the Contractor must review the matter to determine why the request for hearing was filed and resolve the matter when appropriate.

13. The following material shall be included in the file sent by the Contractor:
- a. The written request for hearing filed by the provider
 - b. Copies of the entire file which includes pertinent records; and the Decision
 - c. Other information relevant to the Decision
14. If the Contractor's Decision regarding a claim dispute is reversed, in full or in part, through the appeal process, the Contractor shall reprocess and pay the claim(s) in a manner consistent with the Decision along with any applicable interest within 15 business days of the date of the Decision.

If the Contractor or the State fair hearing decision reverses a decision to deny, limit or delay services not furnished during the claim dispute or the pendency of the hearing process, the Contractor shall authorize or provide the services promptly and as expeditiously as the enrollee's health condition requires irrespective of whether the Contractor contests the decision.

ATTACHMENT F3. CONTRACTOR CHART OF DELIVERABLES

The following table is a summary of the periodic reporting requirements for the Contractor and is subject to change at any time during the term of the contract. The table is presented for convenience only and should not be construed to limit the Contractor’s responsibilities in any manner. Content for all deliverables is subject to review. AHCCCS may assess sanctions if it is determined that late, inaccurate or incomplete data is submitted.

The deliverables listed below are due by 5:00 PM on the due date indicated, if the due date falls on a weekend or a State Holiday the due date is 5:00 PM on the next business day.

If a Contractor is in compliance with the contractual standards on the deliverables below marked with an asterisk (*), for a period of three consecutive months, the Contractor may request to submit data on a quarterly basis. However, if the Contractor is non-compliant with any standard on the deliverable or AHCCCS has concerns during the reporting quarter, the Contractor must immediately begin to submit on a monthly basis until three consecutive months of compliance are achieved.
