ANSWERS TO VENDOR QUESTIONS

MMIS Planning - RFI # YH19-0058

PROPOSAL DUE DATE: February 5, 2019 AT 3:00 P.M. ARIZONA TIME

Question #	VENDOR NAME	Paragraph # or Title	Page #	Vendor Question	Leave Blank for AHCCCS Response
1.	CJIS Group			If a subsequent RFP is released, when is the Departments anticipated timeline for the release?	We have no timeline for future work at this time.
2.	CJIS Group			What is the estimated cost?	We have issued this RFI in hopes of gaining an understanding of the costs for the roadmap.
3.	CJIS Group			How long after the roadmap is developed, will the Department release a solicitation for the Medicaid Management Information System (MMIS) Replacement?	See answer to Question 1.
4.	CJIS Group			What is the estimated cost of the MMIS replacement?	This question is outside the scope of this RFI.
5.	CJIS Group			How is the MMIS planning being funded?	This question is outside the scope of this RFI.
6.	CJIS Group			How is the replacement of the MMIS being funded?	This question is outside the scope of this RFI.
7.	Cognosante	4.16.1	4	In your preamble it seems the thrust of this RFI is learning how best to build a roadmap to modularity. Does the reference to "... complete operational and implementation cost details ..." refer to the cost to build and evolve the roadmap? Or are you seeking information regarding the cost to complete the development	In this RFI we are seeking information regarding cost to build a roadmap to modularity and any resulting services that would be recommended.

				and implementation of the modular system?	
8.	Cognosante	4.16.2	4	Again, in your preamble you say that the information contained in the response to the RFI will be "... used as input in the development of an RFP for the development of a roadmap to achieve this [system] update process ..." Without the existence of a roadmap, estimation of the solution development cost would be no better than a guess. Are you looking for suggested solutions in this RFI or are you trying to find a qualified partner that can help you develop a clear roadmap that will have as part of its content cost estimates like the ones you are seeking in this section? Do you want us to provide you an estimate of what pricing might look like to develop a roadmap?	In this RFI we are seeking information only about the development of the roadmap and resulting services.
9.	Cognosante	4.16.3	4	Considering our question about section 4.16.2, should we provide you our assumptions regarding timing and level-of-effort to construct modular system development roadmap?	Yes.
10.	Grant Thornton, LLP	Cover page - Request for Information Overview & Section 4.	1 & 4	Please clarify if respondents need to address each item requested for Section 4. Would responses be considered if not all items in section are addressed?	Yes.

		Information Requested			
11.	Grant Thornton, LLP	4.16. Financial/Total Cost of Ownership	4	Please confirm if a response on question 4.16 is optional? We are an Advisory Services Firm focused on finding the best solution based on AHCCCS' goals and requirements. We do not sell software.	Yes.
12.	Netlogx LLC	Section 4. Information Requested Paragraph – Paragraph 4.16 Financial/Total Cost of Ownership	4	Could AHCCCS please clarify the scope of the total cost of ownership information requested in 4.16.1 and 4.16.2 and how this relates to the Roadmap development?	See answer to questions 7, 8 and 9.
13.	FEI Systems	RFI Section 4, Ref. 4.1.	Page 4	Since the modular approach differs from an "all-at-once" replacement of the underlying system(s) and its associated contract(s), would AHCCCS support the inclusion of a strong governance component to the roadmap?	Yes.
14.	FEI Systems	RFI Section 4, ref. 4.2.	Page 5	Since cost is always a consideration and the key drivers of costs are schedule, scope, contractual dependencies, integration dependencies, etc., the development and maintenance of a roadmap becomes a critical part of the strategies to properly execute the work. As such can the state provide guidance on what level of	The roadmap will need to be at a level of detail that will allow the states to clearly articulate their goals and track to those goals if implemented.
