

December 30, 2020

The Honorable Douglas A. Ducey
Governor of Arizona
1700 W Washington
Phoenix, Arizona 85007

The Honorable Karen Fann
Arizona State Senate
1700 W Washington
Phoenix, Arizona 85007

The Honorable Russell Bowers
Speaker of the House
Arizona House of Representatives
1700 W Washington
Phoenix, Arizona 85007

Dear Governor Ducey, President Fann, and Speaker Bowers:

Pursuant to A.R.S. 36-2023(C)(6), AHCCCS is required to submit an annual report on its Substance Use Disorder (SUD) treatment programs by January 1 of each year. This submission represents the agency's 2020 report to comply with the requirement above. This report includes the names and locations of each program, the amount and sources of funding for each program, the number of clients who received services during the preceding fiscal year, the demographic descriptions of clients served, and a population description of client problems addressed by the programs, including the types of substances abused. This report also includes a summary of the numbers and types of services available and provided during the preceding fiscal year and an evaluation of the results achieved by the programs.

If you have any questions regarding this report, please feel free to contact me at (602) 417-4711.

Sincerely,

Jami Snyder
Director

Cc: Christina Corieri, Governor's Office Senior Policy Advisor
Matthew Gress, Director, Governor's Office of Strategic Planning and Budgeting
Richard Stavneak, Director, Joint Legislative Budget Committee

**Annual Report:
Substance Use Treatment Programs
State Fiscal Year 2020**

July 1, 2019 to June 30, 2020

**January 2021
Jami Snyder, Director**

Background

The Arizona Health Care Cost Containment System (AHCCCS) is the single state Medicaid agency for the State of Arizona. In that capacity it is responsible for operating the Title XIX and Title XXI programs through the state's 1115 Research and Demonstration Waiver, which was granted by the Centers for Medicare and Medicaid Services (CMS), U.S. Department of Health and Human Services (HHS). As of July 2020, AHCCCS provides coverage to over 2 million members in Arizona. AHCCCS also administers several Non-Title XIX programs through federal grant funds received from the Substance Abuse and Mental Health Services Administration (SAMHSA) under HHS.

AHCCCS has conducted an assessment of its Substance Use Disorder (SUD) treatment programs in accordance with the requirements outlined in Arizona Revised Statutes (A.R.S.) § 36-2023(C)(6):

Prepare an annual report on drug abuse treatment programs in this state that receive monies from the administration to be submitted by January 1 of each year to the governor, the president of the senate and the speaker of the house of representatives and to be made available to the general public through the Arizona drug and gang prevention resource center. The report shall include:

- (a) The name and location of each program.*
- (b) The amount and sources of funding for each program.*
- (c) The number of clients who received services during the preceding fiscal year.*
- (d) A description of the demographic characteristics of the client population served by each program, including age groups, gender and ethnicity.*
- (e) A description of client problems addressed by the programs, including the types of substances abused.*
- (f) A summary of the numbers and types of services available and provided during the preceding fiscal year.*
- (g) An evaluation of the results achieved by the programs.*

Utilization data used in this report are for dates of service in State Fiscal Year (SFY) 2020 from July 1, 2019 through June 30, 2020 and were extracted in November 2020. Due to the four-month lag from the last date of service, data may be slightly understated.

In a Special Session of the Legislature, members of the Arizona House and Senate unanimously passed the Arizona Opioid Epidemic Act, which Governor Ducey signed into law on January 26, 2018. The Arizona Opioid Epidemic Act included several key initiatives to combat the opioid epidemic in Arizona. Opioid use disorder (OUD) treatment was enhanced by identifying gaps in and improving access to treatment, including for uninsured or underinsured Arizonans, with a \$10 million Substance Use Disorder Services (SUDS) Fund appropriation to AHCCCS through the legislation.

On May 1, 2017, AHCCCS received an Opioid State Targeted Response (STR) grant from SAMHSA for prevention and treatment activities in the amount of \$24.3 million over the course of three years; the grant ended April 30, 2020. The objectives of the grant were to reduce the number of individuals with OUD and the number of opioid-related deaths. State partners included the Governor's Office of Youth, Faith and Family (GOYFF), Arizona Department of Health Services (ADHS), and the Department of Child Safety (DCS). Prevention activities included conducting Screening, Brief Intervention and Referral to Treatment (SBIRT) models;

increasing access to Naloxone for law enforcement; providing education and outreach to older adults; and implementing community-based awareness and education activities. Treatment activities were centered around increasing access, participation and retention in Medication Assisted Treatment (MAT) and recovery support services. Activities included 24/7 access to care sites for OUD treatment; increasing peer support networks; incarceration alternative projects; care coordination for individuals re-entering the community from correctional settings; and expanded options for residential services. More information on the grant can be found on the AHCCCS website: <https://www.azahcccs.gov/Resources/Grants/STR/>

On September 19, 2018, Arizona received the State Opioid Response (SOR) grant in the amount of \$20.3 million per year for two years to assist in combatting this nationwide epidemic and sustain the impactful programs that were developed through the STR grant. On May 2, 2019, Arizona received \$10.5 million to supplement first-year SOR funding. The project approach includes developing and supporting state, regional, and local level collaborations and service enhancements to develop and implement best practices. This work comprehensively addresses the full continuum of care related to opioid misuse, abuse and dependency. The funding is geared towards implementing, expanding and sustaining services that support the full continuum of care for an individual throughout their course of recovery. On August 27, 2020, Arizona received the State Opioid Response II (SOR II) grant in the amount of \$31.6 million per year for two years to continue and expand SOR programming to include stimulant use disorder. AHCCCS, as the single state agency for SUD Treatment, administers the grant and works with other state agencies and sub-recipients to implement the following activities:

- Sustaining and enhancing community Naloxone distribution;
- Increasing localized community opioid prevention efforts;
- Reducing stigma and increasing public awareness on the medical model of opioid dependency;
- Expanding trauma-informed prevention, treatment and recovery efforts;
- Expanding navigation and access to MAT through 24/7 access points;
- Expanding access to recovery support services (supportive housing, peer supports, job assistance and supportive recovery programming);
- Increasing public access to real-time prevention, treatment and recovery resources through the “no-wrong door” model;
- Equipping law enforcement and first responders with Naloxone;
- Promoting prescriber education and a statewide chronic pain self-management campaign;
- Collaborating with law enforcement, corrections, first responders and Emergency Departments for diversion and targeted care coordination efforts in high impact sectors;
- Collaborating with justice partners to integrate pre and post booking programs for those involved with the criminal justice system; and
- Targeted focus on treatment and recovery services for pregnant women and parents with OUD.

Lastly, the activities in the SOR program place a strong emphasis on comprehensive strategies to ensure a full continuum of care for this population. The objectives are geared towards addressing prevention, treatment and recovery supports for individuals suffering from an opioid use disorder. Focus is placed on integration efforts, and working to deliver services that are clinically indicated as best practices. In addition, the providers working within SOR were selected due to their person-centered approach and experience with addressing substance use, underlying and core issues, behavioral health disorders, trauma, family dynamics, lack of motivation and purpose, education or employment, life skills development, and aftercare support and housing.

Whether this occurs through a continuum of services from a single treatment provider or several providers, the cohesiveness within the SOR model ensures the provision of appropriate clinical services and has greater impact to retain those in services. More information on the grant can be found on the AHCCCS website: <https://www.azahcccs.gov/Resources/Grants/SOR/>

Location of Substance Use Disorder Treatment Programs

The locations of the state’s SUD treatment programs are divided in three distinct geographic service areas (GSAs) throughout the state with oversight provided by Integrated Managed Care Organizations (MCOs), Regional Behavioral Health Authorities (RBHAs) and Tribal Regional Behavioral Health Authorities (TRBHAs). Like last year’s report, all AHCCCS contracted MCOs are included in this report due to the implementation of the AHCCCS Complete Care (ACC) program effective October 1, 2018. By adding the ACC MCOs, the number of programs and members in this report increased significantly from prior years’ reports. Significant growth is also observed when compared to last year’s report, which also included all ACC MCOs.

ACC, RBHA and TRBHA	GSA
Care 1 st - ACC	North & Central
Health Choice Arizona – RBHA/ACC	North & Central
Banner University Family Care - ACC	Central & South
Arizona Complete Health – RBHA/ACC	Central & South
UnitedHealthcare - ACC	Central & South
Magellan Complete Care - ACC	Central
Mercy Care – RBHA/ACC	Central
Navajo Nation - TRBHA	North
Pascua Yaqui Tribe - TRBHA	South
White Mountain Apache Tribe - TRBHA	North & South
Gila River Indian Community - TRBHA	Central & South

The ACCs, MCOs, RBHAs and TRBHAs are required to maintain a comprehensive network of behavioral health providers to deliver prevention, intervention, treatment and rehabilitative services to members enrolled in the AHCCCS program. This structure allows communities to provide services in a manner appropriate to meet the unique needs of members and families residing within their local areas. Appendix A lists the names and locations of providers throughout the state who had a Substance Use Treatment Program during SFY 2020. There were approximately 1,336 SUD programs in the State of Arizona, as summarized below.

ACC, RBHA and TRBHA	Number of Programs ¹
Care 1 st - ACC	697
Health Choice Arizona - RBHA/ACC	150
Banner University Family Care – ACC	189
Arizona Complete Health - RBHA/ACC	206
UnitedHealthcare – ACC	59
Magellan Complete Care - ACC	120

¹ More than 100 SUD programs serve more than one MCO, RBHA or TRBHA thus the data in the table will exceed 1,336 SUD programs.

Mercy Care - RBHA/ACC	563
Navajo Nation – TRBHA	6
Pascua Yaqui Tribe – TRBHA	76
White Mountain Apache Tribe - TRBHA	1
Gila River Indian Community - TRBHA	3

Program Funding

During SFY 2020, AHCCCS expended over \$529 million in service funding for members and families with SUD. The single largest source of SUD treatment funding was Medicaid as reflected in Table I, followed by Federal Substance Abuse Block Grant (SABG) funds. Additional funding included Other Federal funding including Discretionary Funds, Substance Use Disorder Services funds (the appropriated monies included in the Arizona Opioid Epidemic Act), State Appropriated dollars, funds from Maricopa County for local detoxification services, funds available through intergovernmental agreements (IGA) with the City of Phoenix, and liquor fees.

**Table I: Substance Use Disorder Treatment Funding Summary
SFY 2020 - July 1, 2019 to June 30, 2020**

Fund Source ²	Dollar Amount	Percentage
Medicaid Funding (State Match and Title XIX)	\$463,471,270	88%
Federal: Substance Abuse Block Grant (SABG)	\$29,869,776	6%
Federal: Other (Discretionary Funds)	\$25,808,377	4%
State Appropriated	\$3,247,524	1%
Substance Use Disorder Services Fund	\$5,557,049	1%
Intergovernmental Agreements: Maricopa County; City of Phoenix Central City Addiction Recovery Center	\$1,489,871	0%
Liquor Fees	\$56,815	0%
Total Funding:	\$529,500,682	100.00%

Enrolled and Served Demographics

AHCCCS policy requires that members with behavioral health needs undergo a clinical assessment, administered by a clinician through a mental health or substance use treatment

² Funding in Table I represents payments to TRBHAs/RBHAs, with the exception of the Medicaid Funding data which includes substance use funding for all AHCCCS programs including RBHA, ALTCS/EPD, ACC, and the American Indian Health Program. Funding includes administrative components and other amounts that will not be reflected in the provider level substance abuse utilization data in this report (Table VI). The State Appropriated line represents Crisis Services for individuals with a Substance Use Disorder which includes behavioral health services. Federal Discretionary funds include, but are not limited to, the STR grant and the MAT-PDOA grant.

program. The information gathered during this assessment process includes several identifiable factors, such as race and ethnicity, gender, and reasons for seeking treatment. Members identified in this report include those with a SUD who were enrolled in AHCCCS and received a service from a SUD program (Appendix A) during SFY 2020.

Tables II and III below detail the demographics of these members by RBHA GSA and provide statewide totals. In SFY 2020, there were 132,076 members enrolled in AHCCCS who received at least one service from a SUD program. The Central GSA has the largest AHCCCS population in the state and consistent with its overall AHCCCS membership, represents 60% of those receiving SUD treatment services.

Table II: Members Served with a Substance Use Disorder by GSA SFY 2020 – July 1, 2019 to June 30, 2020

GSA's	Count	Percentage
North	17,486	13.2%
South	35,289	26.7%
Central	79,301	60.1%
Statewide	132,076	100.0%

Table III: Demographics of Members Served with a Substance Use Disorder by GSA SFY2020 – July 1, 2019 to June 30, 2020

Gender

The percentage of males versus females served is consistent between GSAs and statewide, with the SUD treatment population comprised of more men than women—58% versus 42%, respectively. This statistic remains consistent with the data reported for the prior year.

Gender ³	North		South		Central		Statewide	
	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage
Male	9,747	55.7%	20,434	57.9%	45,779	57.7%	75,960	57.5%
Female	7,739	44.3%	14,855	42.1%	33,522	42.3%	56,116	42.4%
Totals	17,486	100.0%	35,289	100.0%	79,301	100.0%	132,076	100.0%

Race and Ethnicity

The majority (53%) of members who were enrolled and received a SUD treatment service in SFY 2020 were White. As the table illustrates, approximately 8% of members enrolled and served were African American, 7% were American Indian, 1% were Asian and <1% were Native Hawaiian/Pacific Islander. Statewide, 3% of members enrolled and served identified as Hispanic/Latino.

³ Data Source: AHCCCS enrollment data set.

Race/Ethnicity ⁴	North		South		Central		Statewide	
	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage
American Indian	3,281	18.8%	2,586	7.3%	3,825	4.8%	9,692	7.3%
Asian	56	0.3%	211	0.6%	541	0.7%	808	0.6%
African American	265	1.5%	1,850	5.2%	8,126	10.2%	10,241	7.7%
Native Hawaiian/Pacific Islander	26	0.2%	55	0.2%	134	0.2%	215	0.2%
White	11,093	63.4%	19,090	54.1%	40,272	50.8%	70,455	53.3%
Hispanic	124	0.7%	816	2.3%	2,309	2.9%	3,249	2.5%
Multi-Racial	12	0.1%	18	0.1%	37	0.1%	67	0.1%
Data Unavailable	2,629	15.0%	10,663	30.2%	24,057	30.3%	37,349	28.3%
Totals	17,486	100.0%	35,289	100.0%	79,301	100.0%	132,076	100.0%

Age

An aggregate review of the data detailing members' age indicates the vast majority of members with a SUD and served in SFY 2020 were adults, with those between the ages of 25 and 44 accounting for more than half of all members (51%). Additionally, 29% of members enrolled and served were between the ages of 45 – 64. Around two percent of members were under the age of 18. This data is similar to the age distribution reported for SFY 2019.

Age Distribution ⁵	North		South		Central		Statewide	
	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage
Birth – 4	6	0.0%	20	0.5%	43	0.0%	69	0.1%
5 – 11	4	0.0%	17	0.0%	57	0.1%	78	0.1%
12 – 14	28	0.2%	78	0.2%	142	0.2%	248	0.2%
15 – 17	206	1.2%	696	2.0%	1,267	1.6%	2,169	1.6%
18 – 20	392	2.3%	847	2.4%	1,857	2.3%	3,096	2.3%
21 – 24	876	5.0%	1,788	5.1%	4,270	5.4%	6,934	5.2%

Substance Use Disorders Addressed by the Programs

Table IV below illustrates the number of substance types used, as reported by members.

⁴ Data Source: AHCCCS enrollment data set

⁵ Data Source: AHCCCS enrollment data set.

Members are allowed to report up to three substance types. Hallucinogens was the most common reported substance used statewide by those in treatment in SFY 2020 at 37%, followed by opiates at 27%. The next substance used was alcohol at 17%, and other stimulants at 12%. The least common substance reported was benzodiazepines (<1%).

The most common substance reported by GSA was hallucinogens. It was followed by alcohol (29%) in the North GSA and opiates in the South GSA (26%) and Central GSA (27%).

**Table IV: Substance Use Type by GSA
SFY 2020 - July 1, 2019 to June 30, 2020**

Substance Type ⁶	North		South		Central		Statewide	
	Count	Percentage	Count	Percentage	Count	Percentage	Count	Percentage
Opiates	2,256	27.0%	4,233	25.8%	7,038	26.7%	13,527	26.5%
Alcohol	2,376	28.5%	2,314	14.1%	3,731	14.2%	8,421	16.5%
Marijuana/ Hashish	20	0.2%	51	0.3%	60	0.2%	131	0.3%

Summary of Services

AHCCCS maintains a comprehensive service delivery network providing primary prevention, treatment and rehabilitation programs to children and adolescents with Serious Emotional Disturbances (SED) and/or SUD, as well as adults with General Mental Health disorders (GMH) and/or SUD, and adults determined to have a Serious Mental Illness (SMI).

AHCCCS covers a variety of screenings through Medicaid for child members at a minimum of three different stages in which tobacco, alcohol, drug (including prescription drug) and inhalant use and misuse are screened beginning with the 9-12 years of age group, then during the 13 to 17 years of age group, and again during the 18-21 years of age group. Screening can occur at more frequent intervals depending upon need and practice preferences of providers.

⁶ Data Source: AHCCCS Online Portal, Unique Member Characteristics (UMC). Not all members selected for this report had data in UMC. AHCCCS is working on streamlining the data and data collection process to improve data submissions. Data collection of UMC data started in October 2018

With respect to SUD treatment, AHCCCS works diligently with MCOs and TRBHAs to ensure the service delivery network presents individuals with a choice of multiple, highly-qualified providers, each offering varying levels of care spanning multiple treatment modalities.

Services can primarily be grouped into eight major categories: Inpatient, Support, Medical/Pharmacy, Residential Services, Behavioral Health Day Programs, Treatment, Crisis, and Rehabilitation. Table V details the array of SUD services offered.

**Table V: Services Available to Members
SFY 2020 - July 1, 2019 to June 30, 2020**

Service Category ⁷	Description
1. Inpatient Services	Inpatient detoxification and treatment services delivered in hospitals and sub-acute facilities, including Level I residential treatment centers that provide 24-hour supervision, an intensive treatment program, and on-site medical services.
2. Support Services	Case management, self-help/peer support services and transportation.
3. Medical and Pharmacy	Medications and medical procedures which relieve symptoms of addiction and/or promote or enhance recovery from addiction.
4. Residential Services	Residential treatment with 24-hour supervision
5. Behavioral Health Day Programs	Skills training and ongoing support to improve the individual’s ability to function within the community. Specialized outpatient substance abuse programs provided to a person, group of persons and/or families in a variety of settings.
6. Treatment Services	Individual and group counseling, therapy, assessment, evaluation, screening, and other professional services.
7. Crisis Intervention	Stabilization services provided in the community, hospitals and residential treatment facilities.
8. Rehabilitation Services	Living skills training, cognitive rehabilitation, health promotion, and ongoing support to maintain employment.

The services listed in Table V are available to all AHCCCS members and are delivered based on need per each member’s individualized treatment plan.

Table VI shows utilization of these service categories via the number of claims, and amounts paid to providers, for AHCCCS members served with a SUD. It should be noted that the data in Table VI represents all services included in Table V provided to members with a SUD diagnosis who received at least one paid service from any of the providers in Appendix A. As indicated in the Table, on a statewide basis Inpatient Services were utilized at the highest percentage (34%) based on paid amount, followed by Residential Services (16%), whereas Behavioral Health Day Program services were used the least (1%). Utilization by service category was consistent across GSAs.

⁷ The Service Category Medical and Pharmacy is shown in two rows in Table VI to differentiate the expenditures for the Medical Services compared to the Pharmacy amounts. The Service Category Outpatient Services (UB92) is listed as an additional row in Table VI to represent the Outpatient Hospital Services expenditures.

**Table VI: Utilization by Service Category (Based on Number of Claims and Paid Amount)
SFY 2020 - July 1, 2019 to June 30, 2020⁸**

Service Category	North		South		Central		Statewide	
	Count	Paid Amount	Count	Paid Amount	Count	Paid Amount	Count	Paid Amount
Treatment Services	91,225	\$12,292,728	230,768	\$27,498,679	434,565	\$50,837,086	756,558	\$90,628,494
Rehabilitation Services	42,673	\$2,890,379	99,889	\$7,617,666	301,560	\$21,585,152	444,122	\$32,093,198

Summary of Medication Assisted Treatment Services

AHCCCS maintains a comprehensive network of MAT providers throughout the state. These treatment providers use a combination of counseling and ancillary support services with medications for the treatment of OUD. The medications used for OUD treatment are in the form of Methadone, Buprenorphine (Suboxone and/or Subutex) and Naltrexone. AHCCCS maintains a minimum list of medications to ensure the availability of necessary, safe and cost effective medications for persons with behavioral health disorders.

Through AHCCCS’ response to the opioid epidemic, efforts have been focused toward enhancing the state’s multi-sector strategic plan to address the gaps in prevention, treatment and recovery support. These specific initiatives include: increasing access to OUD treatment, expanding access to MAT, increasing public awareness through stigma reduction and education, enlisting new MAT providers, ensuring 24/7 access to care points, increasing access to peer support services and increasing recovery support options.

A key component of the Arizona strategy for preventing overdose deaths from opioids is through increasing community-based access to Naloxone, the overdose reversal medication. AHCCCS continues to partner with contracted network providers and first responders to enhance statewide Naloxone distribution and accessibility. AHCCCS has developed policies and contract

⁸ Data Source: AHCCCS Encounter and Claims Data.

language for RBHAs and their network providers so they may implement a direct service, community Naloxone distribution network in order to meet the needs of the population. Providers are focusing specifically on the most vulnerable populations for opioid overdose, which include those living in poverty, transitioning out of the criminal justice system, and those with perceived barriers to obtaining a prescription for the medication. From July 1, 2019 through June 30, 2020, AHCCCS grant funding enabled local entities to distribute 123,207 doses of Naloxone throughout Arizona.⁹ This was a reduction from SFY 2019, likely due to the COVID-19 Pandemic.

Table VII provides unique member counts for MAT medication utilization by GSA. Table VIII (on the following page) details unique member counts utilizing MAT services as well as the additional services listed. Members can, and do, move from one GSA to another, as well as receive more than one kind of behavioral health service. However, the summary lines are distinct in total.

**Table VII: MAT Medication Utilization^{10 11 12}
SFY 2020 - July 1, 2019 to June 30, 2020**

MAT Medication Utilization	North	South	Central	Statewide
	Count	Count	Count	Count
Total	2,403	8,239	19,074	29,289

⁹ With State Targeted Response to the Opioid Crisis (Opioid STR) and State Opioid Response (SOR) funding, Arizona Department of Health Services has distributed 26,152 Naloxone doses dispensed in Arizona; With Arizona's Substance Abuse Block Grant (SABG) funding, Sonoran Prevention Works has distributed 97,055 doses throughout Arizona.

¹⁰ Data Source: AHCCCS Encounter and Claims Data. The data methodology has been improved to more accurately reflect the utilization of MAT medication services and is not comparable to previous reports.

¹¹ Medication Assisted Treatment (MAT) refers to members diagnosed with Opiate Use Disorder (OUD) (diagnosed within 90 days of the MAT) who are receiving medication to treat opioid dependence and addiction.

¹² The Summary Count of members by County is distinct in total. A member may appear in more than one GSA if they move GSAs within the reporting period.

Table VIII: Services in Conjunction with MAT Medications^{13 14}
SFY 2020 - July 1, 2019 to June 30, 2020

Support Services Type	North	South	Central	Statewide
	Count	Count	Count	Count

Totals	2,491	8,320	19,244	29,297

Summary of Substance Use Disorder Services (SUDS) fund

The SUDS fund appropriation has supplied 51,907 services to 32,555 under and uninsured distinct, unduplicated individual with OUD in Arizona between February 1, 2018 and September 30, 2020. SUDS funding allows for additional direct service options including treatment, rehabilitation, medical services, medication-assisted treatment, peer and family supports, case management, crisis intervention, inpatient services, detoxification, residential services, day program services, transportation, and assistance with high co-pays or deductibles, which often serve as a barrier to accessing treatment and other support services. This year, the five most utilized services covered include: medical services (i.e. medication services; medical management; laboratory; radiology and medical imaging), methadone for medication assisted treatment, case management services, treatment services (i.e. behavioral health counseling and therapy; assessment, evaluation and screening services) and transportation services.

Summary

AHCCCS continues to implement strategies to maximize the benefit to Arizonans who need treatment for SUD, including the recent establishment of the AHCCCS Health Equity Committee which is tasked with understanding health disparities and developing strategies to ensure health equity for all AHCCCS members across all programs. Continual efforts are being conducted in partnership with other state agencies, MCOs, providers and stakeholders committed to assisting those seeking recovery assistance in improving their quality of life and success in the community. The comprehensive array of services provided through the funding described in this

¹³ Data Source: AHCCCS Encounter and Claims Data. The data methodology has been improved to more accurately reflect the utilization of services and is not comparable to previous reports.

¹⁴ This table reports on behavioral health service categories for the members receiving MAT for Opiate use disorder.

report offer opportunities for each member in need of SUD services to be provided with treatment through the use of evidence based practices and individualized treatment planning. Services are available statewide and are tailored to be clinically and culturally appropriate for all age groups, genders, races, ethnic backgrounds and other areas of diversity.
