ix. Emergency Medical Care Technicians(EMCT) providing Treat and Refer services through an AHCCCS-registered Treat and Refer entity, in accordance with locally adopted Treat and Refer standards of care, education and certification requirements, and demonstration of competence pursuant to A.R.S. 36-2204. EMCT personnel are able to perform medical treatments, procedures or techniques within their scope of practice when certified by the statewide Emergency Medical Services and Trauma System. A Treat and Refer interaction is a healthcare event with an individual that accessed 9-1-1 or a similar emergency number, but whose illness or injury does not require ambulance transport to an emergency department, or other such facility. The interaction must include (1) documentation of an appropriate clinical and social evaluation, (2) a treatment/referral plan for accessing social, behavioral and/or healthcare services that address the patient's immediate needs, (3) evidence of efforts to follow-up with the patient to ascertain adherence with the treatment plan, and (4) documentation of efforts to assess customer satisfaction with the treat and refer visit.

x. Clinical Nurse Specialist
