

AHCCCS “Hot Topics” can help AHCCCS members, their family members, stakeholders, advocates, and community members learn more and interact with Arizona’s Medicaid program. **Join us March 17 for the AHCCCS Works Overview.**

**TOPIC:** Join us for an overview of the AHCCCS Works proposal. In accordance with A.R.S. 36-2903.09, the Arizona Health Care Cost Containment System (AHCCCS) is requesting an amendment to the 1115 Research and Demonstration Waiver. The waiver amendment seeks authority to implement community engagement or work requirements and a five-year maximum lifetime benefit limit for a portion of the AHCCCS Medicaid population. Titled “AHCCCS Works,” the waiver amendment is designed to provide low-income, “able-bodied adults” the tools needed to gain and maintain meaningful employment, job training, and education.
