

AHCCCS seeks public input on two amendments to its 1115 Research and Demonstration Waiver

Housing Waiver Amendment:

With expenditure authority from CMS, AHCCCS will implement the Housing and Health Opportunities (H2O) demonstration, a project that strives to enhance and expand housing services and interventions for AHCCCS members who are homeless or at risk of becoming homeless.

Targeted Investments program 2.0:

AHCCCS also seeks waiver authority to extend the Targeted Investments (TI) Program from 2021 through 2026. Known as the TI Program 2.0, this program will sustain the integration efforts of current TI participants, expand integration opportunities to new providers, and improve the program requirements to provide whole person care more comprehensively.

Details of these proposals will be presented at the following public forums:
