Special Tribal Consultation Meeting: COVID-19 and General AHCCCS Update

April 13, 2021
COVID-19 Public Health
Emergency-Specific Information
AHCCCS Updates

Jami Snyder, AHCCCS Director
AHCCCS Enrollment: May 2020- April 2021
Public Health Emergency (PHE)

- Currently extended through 4/20/2021
- HHS letter to Governors on 1/22/21
- PHE will likely remain in place for the entirety of 2021
- When a decision is made to terminate the declaration or let it expire, HHS will provide 60 days’ notice

NAMD Statement

Providing states assurance that the PHE will extend through 2021 removes a significant source of uncertainty which materially impacts state budgeting and planning for Medicaid programs and state budgets writ large. It also ensures states and Medicaid providers can continue employing important flexibilities in the program, such as rapidly enrolling new providers to administer COVID-19 vaccines and providing behavioral health services remotely via audio/video technology or over the phone. With these tools, states can continue ensuring that Medicaid members are able to access care, providers remain viable and services are as robust as possible.
COVID-19 Vaccination

AHCCCS Vaccine Strategy
WHERE CAN I FIND THE COVID-19 VACCINE?

WHEN WILL IT BE MY TURN TO GET THE VACCINE?
Each county prioritizes their vaccine distribution according to their populations. It can be different from county to county. Find vaccination sites in your county at azhealth.gov/findvaccine and see which phase your county is currently in.

WHERE DO I GO TO GET VACCINATED?
- State Farm Stadium in Glendale, AZ (all available Jan. and Feb. appointments are full.)
- Phoenix Municipal Stadium in Phoenix, AZ (coming Feb. 1, all available Feb. appointments are full.)
  - Book an appointment: podvaccine.azdhs.gov
    - If you received a first dose at State Farm Stadium, you will receive an email invitation to schedule a second dose for self, family member(s) and dependents.
  - Find vaccination sites in your county at azhealth.gov/findvaccine

IS THE VACCINE FREE?
AHCCCS members will not be charged for the COVID-19 vaccine.

IS THE COVID-19 VACCINE SAFE?
COVID-19 Vaccine Distribution Strategy
COVID-19 Vaccine Strategies: Registering for Vaccine

For AHCCCS members who request assistance:

• Crisis Response Network staff will be registering AHCCCS members for vaccination appointments
• Crisis Response Network staff will also assist with transportation scheduling in conjunction with the vaccine appointment scheduling
• Arizona COVID-19 Hotline number (1-844-542-8201)
COVID-19 Vaccine Strategies: Transportation

- Traditional NEMT model leverages a drop-off, pick-up approach
- In order to address the need for time spent in a vehicle while going through a drive-through vaccination event, AHCCCS is adopting a temporary rate/policy for NEMT to include payment for the time spent in a vehicle

COVID-19 FAQs (azahcccs.gov)
COVID-19 Vaccine Strategies: Mobile Vaccinators

- Leveraging onboarded mobile providers that can travel to congregate care settings as well as home-based settings
- All interested staff and residents can be vaccinated at the same time
- AHCCCS health plans coordinating directly with counties, congregate care/home-based settings, and on-boarded mobile providers
COVID-19 Vaccine Strategies: Data Analysis

- Given many sites are not billing for vaccine administration, hybrid methodology using claims/encounters + ASIIS data is key to understanding AHCCCS member COVID-19 vaccine rates

American Rescue Plan Act of 2021

- Clarifies that COVID-19 vaccines and administration are covered without cost-sharing for Medicaid beneficiaries; applies to all Medicaid beneficiaries including those with limited benefits
- Offers 100% FMAP for COVID vaccine and vaccine administration

Status:
In Progress
The mandatory COVID-19 vaccine coverage provision has been implemented for AHCCCS members. AHCCCS is seeking further guidance from CMS on the expectation related to limited benefit populations.

The 100% FMAP is currently available to AHCCCS.
American Rescue Plan Act of 2021

- Creates a state option to cover community-based mobile crisis intervention services with 85% federal matching funds
- Authorizes $15 million for state planning grants, to be awarded by the HHS Secretary as soon as practicable

Status:
This Provision Is Not Yet In Effect
AHCCCS is working with stakeholder partners to explore potential program improvements that meet the parameters advanced by the legislation.
American Rescue Plan Act of 2021

Eliminates federal rebate cap on the amount of rebates manufacturers pay to Medicaid in exchange for coverage of their FDA-approved drugs; currently, the rebate cap is set at 100% of the average manufacturer price.

**Status:**
This Provision Is Not Yet In Effect
This provision will be effective on 1/1/24
American Rescue Plan Act of 2021

- Provides 100 percent federal matching funds for services received through Urban Indian Health Programs with grants or contracts with Indian Health Service

**Status:**
**In Progress**
The 100% FMAP is currently available to AHCCCS.
American Rescue Plan Act of 2021

Provides 10 percentage point increase in federal matching funds (capped at 95 percent) for Home and Community Based Services (HCBS) to implement or expand one or more activities to enhance HCBS

Status:
In progress
AHCCCS is awaiting guidance from CMS on what services qualify as HCBS improvement activities; CMS’ understanding of the requirement that the funds be used only to supplement, not supplant, current levels of state HCBS spending; and the timeframe for spending any accrued savings.
American Rescue Plan Act of 2021

Twelve Months Postpartum Coverage
4/1/22 - 3/31/27

Creates a state option to extend coverage for postpartum women to 12 months, instead of 60 days

Status:
This Provision Is Not Yet In Effect
AHCCCS already provides ongoing coverage to individuals up to 133% of FPL. AHCCCS is seeking guidance from CMS to clarify if states can implement this expansion of coverage for individuals 134-150% of FPL, leaving existing eligibility determinations for those up to 133% unchanged.
DFSM Vaccination Update

- 3 vaccines available now
- Efforts to vaccinate differ by county
- Groups eligible for vaccine differ, most counties 16+
- DFSM efforts concentrate on the congregate settings
- Progress report:
  - 214 congregate setting facilities identified (BHRF, ALF, SNF, etc.)
  - Lists shared with counties and providers for inclusion in vaccination
  - Vaccinations available also through PODS, pharmacies and on tribal land through IHS/638 facilities
Vaccine Administration

The AHCCCS Fee-For-Service Program (FFS) shall reimburse COVID-19 vaccine administration fee(s) to the following AHCCCS registered providers:

- Pharmacies obtaining the vaccine directly from the federal government,
- IHS & 638 Tribal facilities administering the vaccine, and
- The Arizona Department of Health Services (ADHS) COVID-19 Onboarded providers.
Vaccine administration billing

● IHS/638 clinics
  ○ Vaccine administration can be provided and AIR can be billed as part of billable visit. AHCCCS is awaiting CMS response on additional AIR for RN administration based on individual or standing orders.

● IHS/638 pharmacies including 638 FQHC pharmacies
  ○ AHCCCS is also temporarily allowing IHS/638 pharmacies to be reimbursed an additional pharmacy AIR for COVID-19 administration fee(s) in addition to the limitation of one pharmacy AIR per day per member per facility. We will also continue to reimburse a second AIR for the flu vaccine.
DFSM Updates

• AHCCCS is temporarily modifying Non-Emergency Medical Transportation (NEMT) wait time billing rules and reimbursement through the end of the PHE.
• NEMT providers may be reimbursed for transportation of a member to, through, and from a drive-through vaccination site.
• Providers may bill for wait time (T2007) at the site using the TU modifier effective February 22, 2021.
• Additional coding & billing guidance information found on the COVID-19 FAQ page.
• Pharmacy PA Update

Targeted Investments (TI) Program Renewal Concept Paper
TI 2.0 Program

• AHCCCS seeks waiver authority to extend the TI Program from 2021 through 2026

• This extension request was submitted to CMS in December 2020 with Arizona’s Waiver renewal packet

• AHCCCS developed a concept paper to supplement the waiver renewal request to provide further details on the structure and requirements of the TI Program 2.0
TI 2.0 Program Goals

- **Sustain** the integration efforts of current TI participants
- **Expand** integration opportunities to new providers
- **Improve** the program requirements to provide whole person care
- **Align and support** the AHCCCS 2021 Strategic Plan
TI 2.0 Program Structure

• TI Program 2.0 will include two distinct cohorts:
  o **Extension cohort** will include TI Program providers that completed participation in the current TI Program
  o **Expansion cohort** will include primary care practices and behavioral health providers, integrated clinics with no prior TI participation
TI 2.0 Participants and Stakeholders

- Similar to the original program, participation will be limited to specific provider types:
  - Primary Care
  - Behavioral Health
  - Integrated Clinics
  - Co-located Justice Clinics
  - IHS and Tribal 638 Facilities (Outpatient)*
  - Community Based Organizations (CBOs)*
  - Peer Run Organizations*

*AHCCCS is exploring options for including this participant category.
TI 2.0 Program Funding

• AHCCCS proposes that the maximum total funding for the program not exceed **$250 million over five years** including state and federal match contributions

• AHCCCS anticipates funding TI 2.0 through a combination of state and federal sources

• Funding will direct incentive payments to participating providers to meet program milestones and goals

AHCCCS Policy Updates
AHCCCS TC Process for Policies

• In agreement with tribes as of calendar year 2016, AHCCCS has created a standard process for tribes and ITUs to submit written testimony regarding new or revised AHCCCS Medical Policy Manual (AMPM) or AHCCCS Contractors Operations Manual (ACOM) policies.

• AHCCCS also welcomes requests or recommendations from tribes or ITUs to include a particular AMPM or ACOM policy on a Tribal Consultation, usually Quarterly, Agenda for discussion.
AHCCCS Policy Process - Tribal Input Protocol

1. **Initial Policy Overview during Tribal Consultation Meeting**
   a. For all new or substantially revised AMPM or ACOM policies undergoing the AHCCCS Policy Process

2. AHCCCS Policy Committee (APC)

3. Written Testimony on behalf of a tribe or ITU via the AHCCCS Policy Public Comment Portal

4. Request/Recommend for AMPM/ACOM Policy to be included on TC agenda for consultation
Step 1: Initial Policy Overview

Background:
Tribes and ITUs have requested that AHCCCS bring “any and all” policies we are considering creating or making changes to TC as a “heads up”

Protocol:
• At earliest possible time, AHCCCS Policy Lead presents overview of policy at TC
• Engage in discussion: This is the time for tribes and ITUs to brainstorm with our agency on considerations for the policy at a high level BEFORE changes are made or policies are written.
A need is identified (by system change or stakeholders) to start a new policy and/or revise an existing policy. New policies will go to Tribal Consultation before starting the process.

The workload is identified for AHCCCS staff for proposing policy and/or revisions.

Following assignments given at the kick-off, the staff does the work.

If needed, AHCCCS assesses the cost and/or legal ramifications.

Leaders give feedback to staff about any needed changes before the Assistant Director approves to go to stakeholder review.

Stakeholder input is included in the reasons for changes. Stakeholders that sit on APC, including 6 tribal members, comment on adjustments that may be needed.

AHCCCS authors present changes and reasons for changes.

AHCCCS takes back all APC feedback and makes adjustments agreed upon from AHCCCS staff and stakeholders.

*Note: This period may be expedited to a two-week period. Assistant Directors determine which policies must undergo the Public Comment and Tribal Consultation process.
