Special Tribal Consultation Meeting: COVID-19 Update

March 24, 2021
AHCCCS Updates

Shelli Silver, AHCCCS Deputy Director
COVID-19 Public Health Emergency-Specific Information
AHCCCS Enrollment: April 2020- March 2021
Public Health Emergency (PHE)

- Currently extended through 4/20/2021
- HHS letter to Governors on 1/22/21
- PHE will likely remain in place for the entirety of 2021
- When a decision is made to terminate the declaration or let it expire, HHS will provide 60 days’ notice

**NAMD Statement**

Providing states assurance that the PHE will extend through 2021 removes a significant source of uncertainty which materially impacts state budgeting and planning for Medicaid programs and state budgets writ large. It also ensures states and Medicaid providers can continue employing important flexibilities in the program, such as rapidly enrolling new providers to administer COVID-19 vaccines and providing behavioral health services remotely via audio/video technology or over the phone. With these tools, states can continue ensuring that Medicaid members are able to access care, providers remain viable and services are as robust as possible.
COVID FAQs and Where To Find Webpage

Learn more about coronavirus (COVID-19)

Where Can I Find The COVID-19 Vaccine?
WHERE CAN I FIND THE COVID-19 VACCINE?

WHEN WILL IT BE MY TURN TO GET THE VACCINE?
Each county prioritizes their vaccine distribution according to their populations. It can be different from county to county. Find vaccination sites in your county at azhealth.gov/findvaccine and see which phase your county is currently in.

WHERE DO I GO TO GET VACCINATED?
- State Farm Stadium in Glendale, AZ (all available Jan. and Feb. appointments are full.)
- Phoenix Municipal Stadium in Phoenix, AZ (coming Feb. 1, all available Feb. appointments are full.)
  - Book an appointment: podvaccine.azdhs.gov
  - If you received a first dose at State Farm Stadium, you will receive an email invitation to schedule a second dose for self, family member(s) and dependents.
- Find vaccination sites in your county at azhealth.gov/findvaccine

IS THE VACCINE FREE?
AHCCCS members will not be charged for the COVID-19 vaccine.
COVID-19 Vaccine Distribution Strategy
COVID-19 Vaccine Strategies: Registering for Vaccine

For AHCCCS members who request assistance:

• Crisis Response Network staff will be registering AHCCCS members for vaccination appointments
• Crisis Response Network staff will also assist with transportation scheduling in conjunction with the vaccine appointment scheduling
• Arizona COVID-19 Hotline number (1-844-542-8201)
COVID-19 Vaccine Strategies: Transportation

• Traditional NEMT model leverages a drop-off, pick-up approach
• In order to address the need for time spent in a vehicle while going through a drive-through vaccination event, AHCCCS is adopting a temporary rate/policy for NEMT to include payment for the time spent in a vehicle

COVID-19 FAQs (azahcccs.gov)
COVID-19 Vaccine Strategies: Mobile Vaccinators

- Leveraging onboarded mobile providers that can travel to congregate care settings as well as home-based settings
- All interested staff and residents can be vaccinated at the same time
- AHCCCS health plans coordinating directly with counties, congregate care/home-based settings, and on-boarded mobile providers
COVID-19 Vaccine Strategies: Data Analysis

• Given many sites are not billing for vaccine administration, hybrid methodology using claims/encounters + ASIIS data is key to understanding AHCCCS member COVID-19 vaccine rates
DFSM Vaccination Update

• 3 vaccines available now
• Efforts to vaccinate differ by county
• Groups eligible for vaccine range from 1A to 1C
• DFSM efforts concentrate on the congregate settings
• Progress report:
  o 214 congregate setting facilities identified (BHRF, AL, SNF, etc.)
  o Lists shared with counties and providers for inclusion in vaccination
  o Vaccinations available also through PODS, pharmacies and on tribal land through IHS/638 facilities
Vaccine Administration

The AHCCCS Fee-For-Service Program (FFS) shall reimburse COVID-19 vaccine administration fee(s) to the following AHCCCS registered providers:

• Pharmacies obtaining the vaccine directly from the federal government,
• IHS & 638 Tribal facilities administering the vaccine, and
• The Arizona Department of Health Services (ADHS) COVID-19 Onboarded providers.
Vaccine administration billing

- IHS/638 clinics
  - Vaccine administration can be provided and AIR can be billed as part of billable visit. AHCCCS is awaiting CMS response on additional AIR for RN administration based on individual or standing orders.

- IHS/638 pharmacies
  - AHCCCS is also temporarily allowing IHS/638 pharmacies to be reimbursed an additional pharmacy AIR for COVID-19 administration fee(s) in addition to the limitation of one pharmacy AIR per day per member per facility. We will also continue to reimburse a second AIR for the flu vaccine.
DFSM Updates

• AHCCCS is temporarily modifying Non-Emergency Medical Transportation (NEMT) wait time billing rules and reimbursement through the end of the PHE.
• NEMT providers may be reimbursed for transportation of a member to, through, and from a drive-through vaccination site.
• Providers may bill for wait time (T2007) at the site using the TU modifier effective February 22, 2021.
• Additional coding & billing guidance information found on the COVID-19 FAQ page.

Other AHCCCS Updates
(not COVID-Specific)
AHCCCS APR-DRG Rebase Timeline

Benjamin Kauffman, AHCCCS Reimbursement Administrator
AHCCCS plans to implement APR-DRG 3M Version 38 on October 1, 2021
  - APR-DRG 3M Version 34 is in use for October 1, 2020 rates

APR-DRG payment model does not impact the Inpatient AIR

Benefits from implementing Version 38:
  - Updates Version 34 that was published October 1, 2016
  - DRG relative weights are updated using most recent claim data
  - Data for DRG relative weights use only ICD-10 diagnosis codes
  - Eliminates having to implement a version that could be impacted by COVID-19 data
• Calendar Year 2019 claim and encounter data will be used for rate setting purposes
• AHCCCS rebase will be evaluating the following items:
  o Implement rates that are budget neutral in aggregate
  o Inpatient outlier payment thresholds
  o Service Policy Adjustors
  o High Utilization, Out-of-State Hospitals criteria
• AHCCCS has formed a workgroup and invited all hospitals reimbursed using the APR-DRG method to participate with the expected completion by early May

AHCCCS Policy Updates
AHCCCS TC Process for Policies

• In agreement with tribes as of calendar year 2016, AHCCCS has created a standard process for tribes and ITUs to submit written testimony regarding new or revised AHCCCS Medical Policy Manual (AMPM) or AHCCCS Contractors Operations Manual (ACOM) policies.
• AHCCCS also welcomes requests or recommendations from tribes or ITUs to include a particular AMPM or ACOM policy on a Tribal Consultation, usually Quarterly, Agenda for discussion.
AHCCCS Policy Process - Tribal Input Protocol

1. **Initial Policy Overview during Tribal Consultation Meeting**
   a. For all new or substantially revised AMPM or ACOM policies undergoing the AHCCCS Policy Process

2. AHCCCS Policy Committee (APC)

3. Written Testimony on behalf of a tribe or ITU via the AHCCCS Policy Public Comment Portal

4. Request/Recommend for AMPM/ACOM Policy to be included on TC agenda for consultation
Step 1: Initial Policy Overview

Background:
Tribes and ITUs have requested that AHCCCS bring “any and all” policies we are considering creating or making changes to to TC as a “heads up”

Protocol:
• At earliest possible time, AHCCCS Policy Lead presents overview of policy at TC
• Engage in discussion: This is the time for tribes and ITUs to brainstorm with our agency on considerations for the policy at a high level BEFORE changes are made or policies are written.
Workflow for AHCCCS Policies

A need is identified (by system change or stakeholders) to start a new policy and/or revise an existing policy. New policies will go to Tribal Consultation before starting the process.

All existing stakeholder input (including from tribal partners and previous tribal consultations) is reviewed to consider in the new policy or existing policy.

The workload is identified for AHCCCS staff for proposing policy and/or revisions.

Following assignments given at the kick-off, the staff does the work.

Financial & legal impact review

If needed, AHCCCS assesses the cost and/or legal ramifications.

The policy leadership review

Leaders give feedback to staff about any needed changes before the Assistant Director approves to go to stakeholder review.

AHCCCS Policy Committee Meeting (APC)

Stakeholder input is included in the reasons for changes. Stakeholders that sit on APC, including 5 tribal representatives, comment on adjustments that may be needed.

AHCCCS authors present changes and reasons for changes.

Post-APC Revisions

Stakeholder input is included in the reasons for changes. Stakeholders that sit on APC, including 5 tribal representatives, comment on adjustments that may be needed.

AHCCCS authors present changes and reasons for changes.

AHCCCS takes back all APC feedback and makes adjustments agreed upon from AHCCCS staff and stakeholders.

*Note: This period may be expedited to a two-week period. Assistant Directors determine which policies must undergo the Public Comment and Tribal Consultation process.

Tribes express policy positions and reactions to proposed policy changes either during Tribal Consultation meeting OR via written testimony (using the AHCCCS Policy Public Comment portal).

AHCCCS posts all updated policies open for Tribal Consultation via written testimony every Friday.

Tribal Consultation

Follow policies and provide any feedback on-going for a future parking lot for the next round of revisions.

Post final on website.

Publish

Review policy, suggest edits and provide the rationale. Publish on website. Review all comments that come in over the 45 days.

AHCCCS takes back all APC feedback and makes adjustments agreed upon from AHCCCS staff and stakeholders.

Open Discussion

AHCCCS welcomes any recommendations of language for inclusion or exclusion at this time
Topics and Questions to Consider

Goal: Ensure that all persons designated SMI experiencing homelessness or with a housing need are aware of and can access AHCCCS Housing Program subsides or resources. This includes AI/AN members.

- Are there unique “providers” within tribal systems who may be able to identify, assess, engage or deliver supportive services to eligible members with housing needs?
- What are key organizations or institutions that may be addressing homelessness or housing crises at discharge?
- Are there unique circumstances or situations in which eligible members may be likely to become homeless?
- Are there other recommended evidence based or cultural practices that should be recognized to reduce barriers or make housing or housing related services more effective?
Feedback Timeline

• Feedback on ACOM 448 can be submitted to Amanda Bahe through Close of Business April 6, 2021.
  o Email to Amanda.Bahe@azahcccs.gov
