If the Subcontract is terminated under this section, unless the Subcontractor is a governmental agency, instrumentality or subdivision thereof, AHCCCS shall be entitled to a penalty, in addition to any other damages to which it may be entitled by law, and to exemplary damages in the amount of three times the cost incurred by the Subcontractor in providing any such gratuities to any such officer or employee. b. This requirement shall not apply to each Contractor or Subcontractor that is exempt under A.R.S. §23-901, and when such Contractor or Subcontractor executes the appropriate waiver form (Sole Proprietor or Independent Contractor).

b. In the event that the professional liability insurance required by this Contract is written on a claims-made basis, Subcontractor warrants that any retroactive date under the policy shall precede the effective date of this Contract and Subcontract; and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this Contract or Subcontract is completed, whichever is later.

c. Policy shall cover professional misconduct or wrongful acts for those positions defined in the Scope of Work of this Contract or Subcontract.

I. Additional Insurance Requirements

The policies shall include, or be endorsed to include, as required by this written agreement, the following provisions:

The Subcontractor’s policies, as applicable, shall stipulate that the insurance afforded the Subcontractor shall be primary and that any insurance carried by the Department of Administration, its agents, officials, employees or the State of Arizona shall be excess and not contributory insurance, as provided by A.R.S. §41-621 (E).

Insurance provided by the Subcontractor shall not limit the Subcontractor’s liability assumed under the indemnification provisions of this Subcontract.
J. **Notice of Cancellation**
Applicable to all insurance policies required within the Insurance Requirements of this Contract or the Subcontract, Subcontractor’s insurance shall not be permitted to expire, be suspended, be canceled, or be materially changed for any reason without thirty (30) days prior written notice the Prime Contractor.

K. **Acceptability of Insurers**
Subcontractor’s insurance shall be placed with companies licensed in the State of Arizona or hold approved non-admitted status on the Arizona Department of Insurance List of Qualified Unauthorized Insurers. Insurers shall have an “A.M. Best” rating of not less than A- VII. The State of Arizona in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor or Subcontractor from potential insurer insolvency.

If the Subcontractor utilizes the Social Service Contractors Indemnity Pool (“SSCIP”) or other approved insurance pool for insurance coverage, SSCIP or the other approved insurance pool is exempt from the A.M. Best's rating requirements listed in this section. If the Subcontractor chooses to use SSCIP or another approved insurance pool as its insurance provider, the Subcontract would be considered in full compliance with insurance requirements relating to the A.M. Best rating requirements.

L. **Verification of Coverage**
The Subcontractor shall furnish the Contractor with certificates of insurance (valid ACORD form or equivalent approved by the State of Arizona) evidencing that Subcontractor has the insurance as required by this Subcontract. An authorized representative of the insurer shall sign the certificates. Subcontractor shall also furnish certificates to AHCCCS if requested.

Each insurance policy required by this Subcontract must be in effect at, or prior to, commencement of work under this Subcontract. Failure to maintain the insurance policies as required by this Subcontract, or to provide evidence of renewal, is a material breach of contract.

All certificates required by this Subcontract shall be sent directly to the Contractor. All Subcontractors are required to maintain insurance and to provide verification upon request. The AHCCCS contract number and project description shall be noted on the certificate of insurance. The State of Arizona and AHCCCS reserve the right to require complete copies of all insurance policies required by this Subcontract at any time.

M. **Subcontractors**
Subcontractors’ certificate(s) shall include all of its subcontractors as insureds under its policies or Subcontractor shall be responsible for ensuring and/or verifying that all of its subcontractors have valid and collectable insurance as evidenced by the certificates of insurance and endorsements for each of its subcontractor. All coverages for subcontractors shall be subject to the Minimum Subcontract Provisions located on the AHCCCS website. AHCCCS reserves the
right to require, at any time throughout the life of the Contract or Subcontract, proof from the Subcontractor that its subcontractors have the required coverage.

N. **Approval and Modifications**
AHCCCS, in consultation with State Risk, reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this Contract or Subcontract, as deemed necessary. Such action will not require a formal contract or subcontract amendment but may be made by administrative action.

O. **Exceptions**
In the event the Contractor or Subcontractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a certificate of self-insurance. If the Contractor or Subcontractor(s) is/are a State of Arizona agency, board, commission, or university, none of the above shall apply.
