

AZ WITS & ASAM CONTINUUM[®] Training

Course Title: *AHCCCS - AZ WITS Platform and ASAM Continuum Assessment

Overview: **NOTE: This course will not certify you as an ASAM Facilitator**

This training will provide users with a detailed understanding of the AZ WITS platform and the ASAM CONTINUUM assessment. The first half of the training is dedicated to the AZ WITS platform led by FEI systems and the second half is led by Dr. Gastfried from ASAM and will provide a detailed walk through of the clinical assessment. Providers, behavioral health technicians and office support staff who will be utilizing the AZ WITS platform for ASAM CONTINUUM assessment access are required to complete this training prior to purchasing AZ WITS ASAM CONTINUUM subscriptions through FEI systems.

Required: You will need a laptop or tablet to attend this course (please also bring your charger/power supply)

Pre-Requisite: No pre-requisite
