

Justice Transitions Update

Michal Rudnick

January 20, 2016

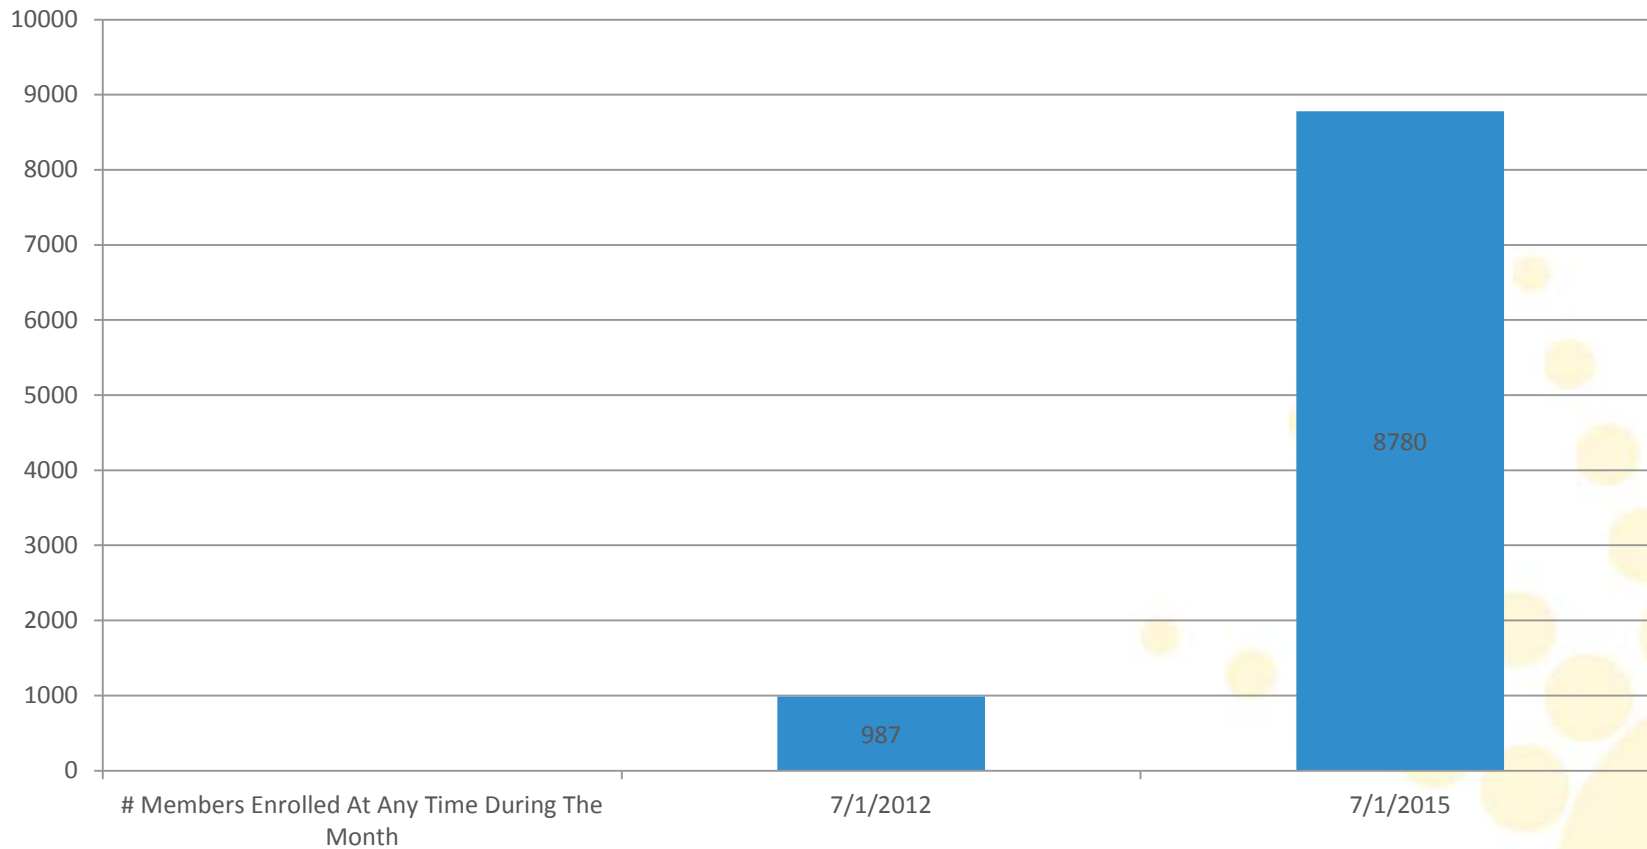

2015 Year in Review

- Enrollment Suspense
- Pre-Release Application Process
- Care Coordination
- Other Highlights in 2015

Enrollment Suspense

- Added 3 counties and the DOC partnered (9 in total)
- Over 40,000 AHCCCS members received better care coordination
- Approximately \$30,000,000.00 in avoided payments

Pre-Release Application Process

- Over 1,500 applications were processed
- Included juveniles, applications for people in need of long-term care and people in need of inpatient hospitalization

Care Coordination

- Over 1,100 AHCCCS members received care coordinated
- 834 justice data provides health plans and RBHAs ability to increase care coordination

Other Highlights in 2015

- 10/1/15 Greater AZ RBHA integration
- Justice transitions is a SIM focus
- Maricopa County jail and DES partnered on ALPHA population
- AHCCCS partnered with Pima County, Yuma County, Yavapai County and Navajo County
- Coconino, Navajo, Greenlee, Pima, Yuma and Maricopa Counties signed a Stepping Up proclamation
- Statewide Justice stakeholders collaboration

2016 – Moving Forward

- Including contract language to increase health plan care coordination
- Establishing a “reach-in” workgroup with health plans, RBHAs and Justice reps to identify processes
- HIE workgroup established to address data needs
- Increasing enrollment activities
- Submit Justice strategies for SIM report
- Reducing recidivism is focus for Governor’s Office
