

Prospective MED Capitation Rates for CYE'09

The Prospective MED rates for CYE'09 (10/01/08 – 09/30/09) are set by AHCCCS. These rates were developed using a combination of encounters and financials with most weight on the encounters. The capitation rates are set by GSA and assume that all plans are at the \$20,000 deductible level for reinsurance. For information on what to do with the prospective MEDs when submitting a bid see “Update Instructions for MEDs” in Section F – Bid Submission Information in the Bidder’s Library.
