Welcome and AHCCCS Overview

Beth Kohler
AHCCCS, Deputy Director
Mission
Reaching across Arizona to provide comprehensive, quality health care for those in need.

Vision
Shaping tomorrow’s managed health care... from today’s experience, quality and innovation.
AHCCCS Strategic Plan

Reaching Across Arizona to Provide Comprehensive, Quality Health Care for Those in Need

- Bend the cost curve while improving the member’s health outcomes
- Pursue continuous quality improvement
- Reduce fragmentation in healthcare delivery driving towards an integrated system
- Maintain core organizational capacity, infrastructure and workforce.

*Fully integrated contractors for acute and behavioral health services for members with serious mental illness (SMI) and carved out behavioral health services for Acute Care/DD adults with general mental health and substance abuse needs (GMH/SA) and children.
AHCCCS Partnership Strategy

Our success is dependent upon the success of our Contractors:

- Set clear and reasonable expectations for Contractor performance
- Understand and respect each other’s challenges
- Listen and provide feedback
- Ensure ongoing communication
- Promote mutual accountability
- Maintain flexibility
- Strive for a long-term relationship
- Regulatory action as appropriate

AHCCCS Managed Care Principles

• Promote competition and choice in marketplace
  o RFPs structured to encourage strong plan competition

• Establish proper infrastructure for oversight
  o Staff of 140 to oversee Plans
  o Very good encounter data used for rate setting and quality measures

• Demand improved member outcomes and plan performance
  o Track quality measures – sanctions for poor results

• Establish broad networks to ensure member access
  o Regular monitoring

Reaching across Arizona to provide comprehensive quality health care for those in need
AHCCCS Expectations

• Contractor performance accountability
  o Self-monitor operations and clinical performance, using available data
  o Develop and implement interventions designed to improve operational or clinical performance
  o Evaluate effectiveness of interventions and adjust as necessary to achieve excellence
  o Staff to meet AHCCCS performance expectations

• Contractor/AHCCCS partnership
  o Recognize that members and providers are valued partners in the AHCCCS program
  o Manage administrative subcontractors
  o Eliminate inefficient/burdensome Contractor policies/processes

• Contractor collaboration and best practices
Examples of Contract Monitoring Tools

• Operational Reviews
• Deliverable review
• Clinical performance measures
• Quality improvement projects
• Medical Management/Utilization Management
• Provider network monitoring
• Claims payment timeliness and accuracy
• Grievance System (member grievances and appeals and claim dispute monitoring)
Vision - Integration at all 3 Levels

Current Configuration:
- Health Plan (physical health)
- RBHA
- ADHS/DBHS (behavioral health)

Alternative Payment Models

Reaching across Arizona to provide comprehensive quality health care for those in need
Alternative Payment Models - Efforts to Date

1. AHCCCS role – establish broad goals for system
2. Goals and progress is incremental
3. System Design Matters - True VBP requires Integration to align incentives
4. Pursuing VBP requires resources and leadership at Medicaid agency and MCOs
5. Culture of learning
6. Requires improved access to actionable data - HIE
7. Defining measures is challenging
AHCCCS VBP Fee Schedule Changes

- 2014 – Hospital IP – APR-DRG
- 2015 - MCOs pay FQHC full rate
- 2016 - Hospital bump for sharing data with HIE and meeting MU2
- 2016 - SNFs – increase for those above avg with pneumococcal vaccine
- 2016 - Integrated Clinics- physical health
- 2016 – Freestanding ED – new provider type
- 2016 – Treat and Refer

AHCCCS Complete Care (ACC) Program Overview

Virginia Rountree & Shelli Silver
Assistant Directors
AHCCCS, Division of Health Care Management
ACC Program

The ACC Program is designed to further integrate care delivery systems and align incentives to transition the structure of the Medicaid program to improve health outcomes and better manage limited resources.
ACC Program

The design provides for:

- Comprehensive and coordinated delivery of integrated services including administrative and clinical integration
- The delivery of physical and behavioral health services to meet the whole health needs of members
- Improved member experience
ACC Program - Geographic Service Areas

The geographic structure for ACC Contractors will align with the Geographic Service Areas (GSAs) established for the ALTCS contract – effective 10/1/17

ACC Program - Geographic Service Areas

Additional zip code exceptions may be considered to allow for further alignment with certain tribal lands.
ACC Program - Population & Services

MCOs responsible for the provision of integrated care addressing physical and behavioral health needs for the following TXIX/XXI populations:

- Children, including children with CRS qualifying conditions *excluding children in ALTCS and Foster Children (CMDP)*
- Adults age 18 and older not determined SMI

MCOs responsible for the provision of physical health needs for adults determined SMI who opt out of a RBHA

Members will receive the same array of covered physical and behavioral health services
ACC Program - Integration of CRS

Members with CRS Qualifying Conditions

- Integrated into ACC
- Choice of ACC Contractors
- ACC Contractors will provide services to
  - Members aged 0-20 - through the EPSDT delivery system
  - Members aged 21+
AHCCCS Division of Member Services will continue to perform the CRS medical determination process.

CRS designation will be provided to the ACC Contractors.

ACC Contractors specific timeline requirements for service plans and initial service delivery.
ACC Program - Integration of CRS Program - Network

• Contractors are expected to contract with Multi-Specialty Interdisciplinary Clinics (MSIC) as well as offer a comprehensive community based provider network

• Members with Medicare or commercial insurance continue to have choice of Medicare/commercial network in addition to ACC network and ACC is payor of last resort
ACC Program – Integration of CRS Program - CMDP and ALTCS

Services for CMDP members with CRS designation:

• Will be transitioned to CMDP for physical health services (including CRS) and will be transitioned to RBHA for behavioral health services

Services for ALTCS/DDD members with CRS designation:

• Will be transitioned to DES/DDD for both physical (including CRS) and behavioral health services

https://des.az.gov/services/disabilities/developmental-disabilities/integrated-health-plan

Note - ALTCS/EPD members with a CRS designation were integrated into ALTCS/EPD in 2013
RBHA Services 10/1/2018

- RBHA GSAs do not change
- RBHAs will continue to serve:
  - Foster children enrolled in CMDP for behavioral health services
  - Individuals enrolled in DES/DDD for behavioral health services
  - Individuals determined to be SMI for integrated services
- Crisis services that will remain with the RBHA include:
  - ACC members – Immediate crisis services provided via telephone hotline and mobile teams, and stabilization and observation under 24 hours
  - Non-ACC members – all crisis services
- Grant funded and state-only funded services will continue with the RBHA
  - ACC required to coordinate with RBHA
ACC Program Values

• Prompt and easy access to culturally competent care
• Comprehensive care coordination for physical and behavioral health services
• Integration of clinical and non-clinical health care related services
• Provision of preventive, health promotion, wellness, and disease management services
ACC Program Values

- Delivery of behavioral health services consistent with:
  - Nine Guiding Principles for Adult BH Services
  - Twelve Principles for Children’s BH Services
- Member and family engagement at all system levels
- Preservation of key operational functions to ensure integrated service delivery
- Effective innovation promoting evidence based practices
- Continuous quality improvement

Reaching across Arizona to provide comprehensive quality health care for those in need
ACC Program Values

• Improved health outcomes
• Education and guidance to providers on service integration and care coordination
• Cost containment and efficiencies
• Collaboration with community
• Embraces system transformation
• Implementation of HIT to facilitate communication and care coordination
ACC Program
Integrated Services

• Advances administrative and clinical integration of health care services
• More efficiently coordinate delivery of integrated services
• Requires strategies to:
  o Enhance care coordination
  o Improve health outcomes
  o Increase member satisfaction

Reaching across Arizona to provide comprehensive quality health care for those in need
The Contractor shall:

• Proactively identify members in need of care management for physical and behavioral health care
• Implement appropriate and necessary levels of care coordination and care management
• Provide a single member services/nurse triage line for physical and behavioral health services
• Develop and utilize integrated service settings
ACC Program
AHCCCS Initiatives

- Arizona Opioid State Targeted Response
- Children at risk of removal by DCS
- Services for children with Autism Spectrum Disorder
- Justice system transitions
- Payment modernization
- Electronic health records
- Targeted Investments

Other Requirements

Reaching across Arizona to provide comprehensive quality health care for those in need
Medicare Advantage D-SNP Plan Requirement

- Contractor required to have a Medicare Advantage D-SNP in awarded GSAs
  - Not permitted to have Medicare Advantage D-SNP if no ACC contract in the GSA
- Offeror is required to be licensed by DOI or certified by AHCCCS
- Offeror is required to hold AHCCCS MI PPA contract
Affiliated Organizations Requirement

- A single legal entity and brand shall be established by October 1, 2018, if the Offeror awarded the ACC Contract is an affiliated organization of the RBHA in the same GSA
- The single legal entity shall be extended to other GSAs
- AHCCCS intends to amend contracts for redundancies and/or inconsistent terms and requirements
RBHA Contractor Option

- RBHA Contractors not awarded an ACC Contract nor affiliated with an Offeror awarded an ACC contract in the same GSA will be given the option to expand services.
- If option to expand services is elected, RBHA must successfully complete readiness activities.
- Election will be for the remainder of the current RBHA contract term.
- Option not permitted if it results in ACC Contracts in all GSAs.
Prior Period Coverage

- When a member is receiving grant or state funded services as a Non-TXI X/XXI member and subsequently is found eligible for TXI X/XXI, the member’s Title-XIX behavioral health assignment will remain with the RBHA for any Prior Period Coverage (PPC) timeframe.

- The member will be enrolled with the ACC Contractor for physical health services only for this PPC timeframe, then will be enrolled for both physical and behavioral health with the ACC Contractor prospectively.

Capitation & Finance-Related Issues

Shelli Silver
Assistant Director
AHCCCS, Division of Health Care Management
Important to Note

• RFP and Bidders’ Library Content prevail in case of any inconsistencies between those documents and this presentation

• See the Data Supplement in the Bidders’ Library for resources to assist with capitation bid development
Capitation Bid

• Parts of the non-benefit component of the cap rates will be bid by GSA using the Non-Benefit Costs Bid Submission workbook
  - Administrative bid
  - Underwriting Gain for each of the first three years of the contract

• Medical services component of the cap rate will not be bid
Capitation Bid, cont.

- Actuarial Certification for non-benefit costs bids for all GSAs must be submitted.
- Actuarially-sound rates developed by AHCCCS’ actuaries to be published before October 1, 2018.
- CEO signed agreement to accept the actuarially sound capitation rates must be submitted.
Administrative Bid Adjustment

• Administrative component of cap rates will be adjusted after award/before October 1, 2018 when preliminary membership has been determined through initial assignment and member choice

• May be adjusted in subsequent years to comply with Medicaid Managed Care regulations
Underwriting Gain Bid

- Bids must be greater than zero and less than or equal to one percent
- AHCCCS may or may not elect to use the underwriting gain bid in the capitation rates, depending on ongoing discussions with CMS
- If UW Gain bid used in year 1 of the contract, AHCCCS may adjust the UW Gain in subsequent years to comply with Medicaid Managed Care regulations
Financial Viability Increases

• Minimum Capitalization requirements are increased over prior years

• Equity Per Member requirements are increased and phased-in over 3 years
  o CYE 19 – $150
  o CYE 20 – $200
  o CYE 21 – $250
  o Contractors have the full year to come into compliance
Compensation Changes

• Population Risk to be addressed immediately upon commencement of contract
  o Unlikely to be diagnostic-based risk adjustment in year 1 of the contract
  o Population risk adjustment could occur more than one time in year 1 of the contract, to be determined by the actuaries
Compensation Changes, cont.

• New Risk Groups
  o Age < 1
  o Age 1-20
  o Age 21+
  o Duals
  o SSI WO
  o Prop 204 Childless Adults
  o Expansion Adults
Compensation Changes, cont.

- Revenue/Expense reconciliation changes
  - PPC and Prospective combined in single recon
  - 2% loss
  - 4% gain (tiered)
- PPC and Prospective expenses and member months are combined to compute a single cap rate
- This single cap rate will paid for both PPC and Prospective member months
Reinsurance Changes

- All ACC members included under reinsurance

- Regular reinsurance
  - Deductible increased to $50,000 (subject to change to $35,000)
  - PPC expenses included
  - Inpatient psych hospital services included

- All reinsurance case types (excluding transplants)
  - Stop loss increased to $1 million
