

REINSURANCE HOT NEWS

March 27, 2019

As everyone is aware, Ruth Venturini moved into another role within AHCCCS which left the Reinsurance Supervisor position empty for a period of time. We wanted to announce that we have filled the role of Reinsurance Supervisor with Tracy Thomas. Tracy has almost 8 years with the AHCCCS Reinsurance Unit (and more than 20 years of state service). He is extremely knowledgeable of all things Reinsurance and we look forward to the growth of this unit through his leadership.

It was communicated several months ago that we were suspending the Quarterly Reinsurance Workshops until a new supervisor is identified. We will be determining when the next one will be held and the content that will be discussed and we will share this information as soon as we are able to. We expect the workshop to take place in a few months prior to the next round of updates for the Reinsurance Manual.

Have a great day!
