Re: [] Letter of Intent (LOI) to Participate in the AHCCCS Targeted
Investments 2.0 Program
Dear Director Heredia and CEO Kotrys:
intends to participate in Contexture, Arizona's Health Information
Exchange (HIE) and therefore qualify for the AHCCCS Targeted Investments 2.0 (TI 2.0)
Program through September 30, 2027.
specified dates or maintain its participation in the milestone activities if they have already been achieved.
achieved.
also agrees to comply with any minimal or reduced changes to the
requirements or dates as posted to the AHCCCS Targeted Investments Website.

- Electronic Health Record (EHR) System Requirement: No later than 9/30/2025, all
 participating clinics under the participating Tax ID will implement an EHR system
 capable of sending and receiving data from Contexture.
- HIE Requirement: No later than 9/30/2025, or within one year of the platform's availability (whichever is later), all participating clinics under the participating Tax ID will achieve bi-directional data sharing with the new HIE platform.

For any eligibility requirement that includes electronic submission of patient information, the information listed below must be transferred to the qualifying HIE and must be actual patient data. Note the transfer of test data does not fulfill these requirements. It must include all patient data, including Behavioral health data and data covered by 42 C.F.R. Part 2. Bidirectional data

exchange is considered complete when utilizing any combination of the following standards and services:

- 1. Standards
 - a. HL7 can be used to send and/or receive patient information
 - b. C-CDA can be used to send and/or receive patient information
 - c. Query-Response can be used to receive patient information
- 2. Services

Email Address

- a. Provider Portal can be used to receive patient information
- b. Notifications can be used to receive patient information

	anticipates implementing the foll	lowing EHR system as of September 30,
2025: [<u>l.</u>	
program participation selected on the TI 2	on and fails to achieve these elig 2.0 application by the specified d and [] receives payment as a result of TI 2.0 libility requirements for all participating clinicate, AHCCCS may recoup all TI 2.0 program] will be withdrawn from future
Respectfully Subm	itted,
