Subject: Reminder Regarding Timeliness of Encounter Submissions
Date: Thursday, July 13, 2017 4:12:00 PM

As previously communicated:

- Beginning with dates of service 10/1/17 forward AHCCCS will initiate enforcement of the current 240 day Contract Language for the submission of Encounters;
 - This enforcement will necessitate the development of a New Edit R805 as outlined below;
 - Unique to this new edit, it will be applied upon initial submission of Encounters and once failed and logged will not persist when the Encounter is next edited or recycled;
 - Failure of this edit will result in the generation of specific monthly reports which will be reviewed with each MCO and will be subject to sanctions once finalized for each month.
-
- Beginning with dates of service 10/1/18 forward AHCCCS intends to change the current 240 day Contract Language for the submission of Encounters to 210 days;
 - This enforcement of this timeframe distinctly from the timeframe for Encounters with dates of service 10/1/17 through 9/30/18, will necessitate the development of a New Edit R806 as outlined below;
 - Again, unique to this new edit, it will be applied upon initial submission of Encounters and once failed and logged will not persist when the Encounter is next edited or recycled;
 - Failure of this edit will result in the generation of specific monthly reports which will be reviewed with each MCO and will be subject to sanctions once finalized for each month.
