The AHCCCS Rates team posted an updated DRG Policy Document to the Webpage today, the intent of this update is to incorporate necessary changes made 10/1/18 to date that were not previously reflected in this document itself but communicated via other methods and/or to clarify questions that have come up since the last publication.

Any questions let us know. Thanks!

The DRG Payment Policies document has been revised to add clarifications in response to questions received by AHCCCS. This document is posted with tracked changes in order to highlight the revisions. Questions and comments from providers and MCOs have been extremely helpful to this transition process, and AHCCCS very much appreciates the input.
