

SSR #	Ticket Number	Description
NOVEMBER RELEASE 11/21/2019		
2017-0154		Ordering Provider Edit - A new edit, P602 "ORDERING PROVIDER NPI INVALID" is created to ensure the appropriate capturing of ordering and referring providers.
2019-0137	51865	Inactivated BH Records - Fixed a system issue in where, in certain circumstances, the inappropriate behavioral health category is being used.
2018-0138		Member Case ID's - Updated member's Case ID's to ensure they cannot be a Social Security Number.
2019-0150		A905 Form Type C Bypass - Add a bypass check for the A905 (UNREASONABLE AHCCCS ALLOWED AMT IN RELATION TO BILLED AMT) form type C to also compare the AHCCCS allowed to the ingredient cost submitted. If those two amounts are reasonable, bypass the A905.
DECEMBER QUARTERLY RELEASE 12/12/2019		
2019-0159		Review Edits R466 (RECIPIENT INELIGIBLE FOR LTC SERVICES ON DOS) and R467 (RECIPIENT INELIGIBLE FOR LTC SERVICES ON DOS - SPLIT BILL) - Cleaned up edits to ensure contract type C and D do not fail these edits inappropriately.
2019-0173		Modify Edit R660 (DHS MHS ENC RCP MUST BE ON MHS ENROLL) for Integration - This change will look to see if the primary diagnosis is Behavior Health, then the member must have a BH FYI record. This change will eliminate the large volume of invalid encounter pends.
2019-0174		Modify Edits A950 (DATA GATHERING ERROR), R480(RECIPIENT NOT ENROLLED ON SERVICE DATES), R397 (NO AHCCCS OR STATE ONLY ELIG/ENRL FOR DOS) - This change is needed due to the State Only redesign last year and will eliminate a large volume of invalid encounter pends.
DECEMBER RELEASE 12/26/2019		
2019-0162	50508 59892 73553	State Only Records on Medicaid BH 834 - Fix a system issue to ensure that RBHA's are consistently receiving State Only 834 enrollment transactions.
2019-0196	80766	State Only BH Incorrectly on Temporary FFS (008690) - Ensure that behavioral health segments are not created for member's enrolled in Temporary FFS.
2019-0202		Primary DX restrictions for Social Determinants of Health (SDoH) - Impacts claims and encounters appropriate adherence to coding standards. Ensures claims and encounters for all MCO's other than CMDP (010166), do not use SDoH diagnosis as a primary or principal diagnosis.
JANUARY RELEASE 1/16/2020		
2019-0167	66515	Add Field to Encounter Panel - This will create a VBP Contract ID field for form type C that will be populated with the appropriate value that is being submitted on the Post Adjudication file.
2019-0178		The DUGless process will be modified to not accept entry of substance use data without attestation by the provider of the member's informed consent to share this data and the upload and capture of a PDF or scanned image of the member's signed AHCCCS required consent form. Also, the effective date of the data added via file upload to the DUGless is captured. It will also give providers time to test these changes
