Core Component #12
Module Pediatric PCP Area of Concentration

Develop protocols for using Trauma Informed Care for all Children/Youth in the High-Risk Registry
Review of Core Component #7

12. Develop protocols for using Trauma-Informed Care for all children/youth in the high-risk registry, which includes:
   1) How screening for trauma will be conducted, with what frequency and with which evidence-based screening tools, and
   2) How assessments or referrals for assessments will be made for children/youth who screen positive.

**Practice Reporting Requirement to State**
By September 30, 2018, demonstrate that all staff who screen for trauma and care managers have participated in an AHCCCS-identified Trauma-Informed Approach training program.

**Practice Reporting Requirement to State**
Document protocols for using a Trauma-Informed Approach to caring for all children/youth in the high-risk registry.
Pediatric PCP Core Component #12

Develop protocols for Trauma-Informed Care

- Develop protocols for utilizing the AHCCCS defined standardized suite of evidence-based practices and trauma-informed services.
- AHCCCS has partnered with the Arizona Adverse Childhood Experiences Consortium to bring Trauma Informed Care training for Pediatric Primary Care participants.
- Evidence-based practices for trauma-informed services and will be presented in the Trauma Informed Care training.
Training details

• The Arizona Adverse Childhood Experience (ACE) Consortium is hosting training on trauma and adverse childhood experiences that is designed especially for physicians, care managers, and nurse practitioners.

• Training will cover:
  o The national movements towards trauma-informed care
  o The Prevalence of childhood trauma in Arizona
  o Referring patients to skilled providers

• Additional information:
  When: Saturday, June 2 2018 (7:30am-12pm)
  Where: Phoenix Children’s Hospital
  Cost: $200 (breakfast included)
Registration details

• Please register at:

Year 2 Measurement Period
October 1, 2017 - September 30, 2018

Requirement to the State
By September 30, 2018:

• Identify which AHCCCS-defined evidence-based practices will be implemented

AND

• Demonstrate that all staff AHCCCS-requires to be trained and have participated in the AHCCCS-identified Trauma-Informed Care training program or registered for training by that date.
Attestation and Document Validation

- AHCCCS will open a TI Attestation Portal through AHCCCS Online (https://azweb.statemedicaid.us/Account/Login.aspx?ReturnUrl=%2f)
- The portal will be available for attestation and document upload in June 2018
- Some of the Milestones will require providers to submit documentation that will need to be uploaded through the Attestation Portal for review by AHCCCS.
- In order to attest for this Core Component, participants will need to attest that all appropriate staff [pediatricians, nurse practitioners, and case managers] has taken, or registered for, Trauma Informed Care training before September 30, 2018.
- More detailed information about how to use the TI Attestation Portal will be available prior to June 2018.
