RE: Release from August 9, 2017 Corrective Action Plan - Provision of Special Assistance

Dear Mr. Nau:

The Arizona Health Care Cost Containment System (AHCCCS), Division of Health Care Management (DHCM) is writing to Steward Health Choice Arizona (SHCA) to formally close the Corrective Action Plan (CAP) issued August 9, 2017. The CAP was issued under AHCCCS Contract YH17-0001-02 for SHCA's failure to comply with requirements regarding the records retention, tracking, monitoring and provision of Special Assistance for persons determined to have a Serious Mental Illness (SMI).

SHCA has demonstrated sustained compliance from March of 2018 through January of 2019 and is therefore released from all associated CAP submissions and reporting requirements.

AHCCCS expects SHCA will continue to demonstrate sustained compliance regarding Contract requirements for provision of Special Assistance. Any further non-compliance may result in additional compliance action.

Should you have any questions regarding this matter, please contact the Office of Human Rights Bureau Chief, CJ Loiselle at CJ.Loiselle@azahcccs.gov or 602.417.4659.

Sincerely,

Meggan LaPorte (Harley), MSW, CPPO
Chief Procurement Officer
