### MEDICARE ADVANTAGE ORGANIZATION AGREEMENT BETWEEN AHCCCS AND

Participant: Magellan Complete Care of Arizona, Inc.  
AHCCCS AGREEMENT # **YH21-0006-05**

This AGREEMENT is entered into by the Arizona Health Care Cost Containment System (AHCCCS), the Arizona State Medicaid Agency, having its principal office at 801 East Jefferson Street, Mail Drop 4100, Phoenix, Arizona 85034, and hereafter referred to as "AHCCCS", and the Participant: Magellan Complete Care of Arizona, Inc. hereafter referred to as "Medicare Advantage Organization (MAO)".

The purpose of this Agreement is to coordinate care for individuals in Arizona who are enrolled in Medicare and receive assistance under Medicaid, known as "Dual Eligible Members." This Agreement outlines requirements which aim to improve care coordination and timely information sharing by both parties for Dual Eligible Members enrolled in an AHCCCS-certified or State-licensed MAO, consistent with the requirements of 42 CFR 422.107, the Medicare Improvements for Patients and Providers Act of 2008 (MIPPA), and the Patient Protection and Affordable Care Act of 2010 and as amended by the Health Care and Education Reconciliation Act of 2010 (PPACA). As required in its AHCCCS contract, each AHCCCS Complete Care (ACC) or ALTCS Health Plan is required to also operate an MAO offering a Dual Eligible Special Needs Plan (D-SNP) product(s) in all Geographic Service Areas (GSAs) in which it holds a Medicaid contract. Per the requirements of *AHCCCS Contractor Operations Manual (ACOM) Policy 107*, AHCCCS shall execute an Agreement only when an MAO holds a companion AHCCCS program contract that covers the requested county(ies) and AHCCCS population(s).

As required by Arizona Revised Statutes (A.R.S.) §36-2906.01, each contracted Medicaid MCO or ALTCS Health Plan shall establish an affiliated corporation whose only authorized business is to provide services to enrolled AHCCCS eligible persons. Each contracted Medicaid MCO shall have, and assure AHCCCS it does have, the legal and actual authority to direct, manage, and control the operations of both the corporation established under its AHCCCS contract and its companion MAO to the extent necessary to ensure integration of Medicare and AHCCCS services for individuals enrolled for both programs. The AHCCCS-contracted MAO shall be an affiliated organization of the companion Medicaid MCO as defined. To meet federal integration requirements for Fully Integrated D-SNPs (FIDE SNPs), the MAO and ALTCS Health Plan contracts shall be held by the same Arizona single legal entity.
