The Differential Adjusted Payment Schedule represents a positive adjustment to the AHCCCS Fee-For-Service rates. These payment adjustments will occur for all dates of service in CYE 2018 only. The purpose of the Differential Adjusted Payment is to distinguish facilities which have committed to supporting designated actions that improve patients’ care experience, improve members’ health, and reduce cost of care growth.

1. To qualify for the Differential Adjusted Payment, a nursing facility must meet the following criteria:
   a) Must be an AHCCCS registered provider type 22; and
   b) i) Must meet or exceed the Arizona average for the percentage of long stay residents assessed and given, appropriately, the pneumococcal vaccine for the most recently published performance score as of April 30, 2017; and/or
      ii) Must meet or exceed the Arizona average for the percentage of long stay residents assessed and given, appropriately, the influenza vaccine for the most recently published performance score as of April 30, 2017.
   c) AHCCCS shall use the nursing facility’s performance results published on the Medicare Nursing Home Compare Website (https://data.medicare.gov/Nursing-Home-Compare/Quality-Measures-Long-Stay/1q03-nsf3) to determine the facilities that meet the performance standards described in subsection 1(b)(i) and 1(b)(ii).

2. Nursing facilities that meet the requirements described in subsection 1 shall be eligible to receive a differential adjusted payment. Eligible nursing facilities will receive a 1% increase in payment to its fee-for-service reimbursement rate for October 1, 2017 through September 30, 2018 for meeting either subsection 1(b)(i) or subsection 1(b)(ii). Eligible nursing facilities which meet both subsection 1(b)(i) and 1(b)(ii) will receive a 2% increase to its fee-for-service reimbursement rate for October 1, 2017 through September 30, 2018
