F. Nursing Facility Differential Adjusted Payment
As of October 1, 2018 through September 30, 2019 (Contract Year Ending (CYE) 2019), nursing facilities that are located in Arizona with Arizona Medicaid utilization that meet AHCCCS established value based performance metrics requirements in subsection 1 below will receive a Differential Adjusted Payment described in subsection 2 below. The Differential Adjusted Payment Schedule represents a positive adjustment to the AHCCCS Fee-For-Service rates. These payment adjustments will occur for all dates of service in CYE 2019 only. The purpose of the Differential Adjusted Payment is to distinguish facilities which have committed to supporting designated actions that improve patients’ care experience, improve members’ health, and reduce cost of care growth.

1. To qualify for the Differential Adjusted Payment, a nursing facility must meet the following criteria:
   a) Must be an AHCCCS registered provider type 22; and
   b) i) Must be at or below the Arizona average percent of High-Risk Residents with Pressure Ulcers (Long Stay) based on the facility’s performance results for long-stay, high-risk residents with Stage II-IV pressure ulcers reported in MDS 3.0 for this CMS Nursing Home Quality Measure metric as of April 30, 2018.

2. Nursing facilities that meet the requirements described in subsection 1 shall be eligible to receive a differential adjusted payment. Eligible nursing facilities will receive a 2% increase to its fee-for-service reimbursement rate for October 1, 2018 through September 30, 2019

Exemptions:
IHS and 638 tribally owned and/or operated facilities, including nursing facilities are exempt from this initiative based on payments primarily at the all-inclusive rate.
