Claims Dashboard Reporting Guide

Purpose

The AHCCCS Claims Dashboard Reporting Guide applies to ACC, ACC-RBHA, ALTCS E/PD, DCS CHP, and DES DDD Contractors. The purpose of the Guide is to provide instructions to Contractors on how to complete the Claims Dashboard Report for submission to and review by AHCCCS, as required by contract.

DES DDD reports Long Term Care data directly as well as separate reports received from its Subcontracted Health Plans. DCS CHP reports data received from its Subcontracted Health Plan.

Should AHCCCS have concerns regarding the content reported during the quarter, or the Contractor reports non-compliance with any standards, AHCCCS may require the Contractor to submit the Claims Dashboard monthly. After three consecutive months of compliance have been achieved, the Contractor may submit a request to the designated AHCCCS Operations Compliance Officer (OCO) to return to quarterly reporting.
