I. SCOPE OF WORK

A. Background and Purpose

1. The Pascua Yaqui Tribe recognizes that it is beneficial for the State of Arizona to acknowledge and understand the history of the Yoeme (Yaqui) people and its significance in the healing of the various Yoeme communities through the provision of Behavioral Health and Medical/Dental Services. While each Indian Tribe has its own unique history and culture, all share a common experience of historical/post-colonization trauma and immense human loss that occurred as a result of the genocide policies by the colonizers. It is recognized that history impacts the health of American Indians today, especially that of tribal elders who struggled for survival. The State of Arizona, through the Arizona Health Care Cost Containment System, acknowledges the need to form a partnership with the Pascua Yaqui Tribe to meet the behavioral health care needs of tribal members. The State recognizes the sovereign right of the Pascua Yaqui Tribe to determine the applicability of and the extent to which its tribal values and belief systems will be incorporated into the behavioral health services it provides.

2. This Agreement values the collective efforts and the desire to build a genuine partnership, which reiterates the commitment to the government-to-government relationship that exists between the State of Arizona and Pascua Yaqui Tribe. The development and implementation of the Agreement is in recognition of this special relationship.

3. The State of Arizona recognizes the right of tribal governments to self-govern and supports tribal sovereignty and self-determination and to negotiate this agreement in good faith. AHCCCS will seek a waiver from the Centers for Medicare and Medicaid for exemption from 42 C.F.R. § 440.90 the four-walls provision.

4. The Arizona Health Care Cost Containment System has the authority to administer the Medicaid and behavioral health systems in the State of Arizona. The purpose of this Agreement is to delegate from AHCCCS to the PVT TRBHA the duties described herein. The PVT TRBHA agrees to use the funding provided through this Agreement to administer the programs described in this Agreement solely for the benefit of individuals and families who:

   4.1. Are members of the Pascua Yaqui Tribe, a federally-recognized Tribe, their dependents, and/or individuals with close economic and social ties with the Pascua Yaqui Tribe;

   4.2. Reside in the geographic service area, which includes Traditional Yoeme Communities; and

   4.3. Meet the qualifications for one of the following eligibility groups:

   4.1.1. Individuals eligible for services under Titles XIX and XXI of the Social Security Act;

   4.1.2. Regardless of Titles XIX or XXI eligibility, persons who, in accordance with state law and SMI Eligibility Determination policies, have been determined to be “Seriously Mentally Ill” as defined by A.R.S. § 36-550(4) (2016);

   4.1.3. General Mental Health Adults (“GMH”): persons age eighteen (18) and older who have general behavioral health issues but 1) have not been determined to be Seriously Mentally Ill and 2) are not eligible for services under Titles XIX or XXI of the Social Security Act;

   4.1.4. Substance Abuse Adults (“SA”): persons age eighteen (18) and older who have a
substance use disorder, or are referred for DUI screening, education and treatment, but 1) have not been determined to be Seriously Mentally Ill and 2) are not eligible for services under Titles XIX or XXI of the Social Security Act;

4.1.5. Children below the age of 18 who are in need of behavioral health services but do not qualify for services under Titles XIX or XXI of the Social Security Act; or

4.1.6. Any individual who participates in mental-health related prevention programs provided by or through the Agreement.

5. Throughout this Agreement, the individuals and families who are eligible for the PYT TRBHA’s services will be referred to as “Members.”

The PYT TRBHA’s records, including treatment plans and communication of clinical and behavioral information for each Member, must reflect all aspects of Members’ care coordination. The PYT TRBHA’s policies must include processes for digital (electronic) signatures when electronic documents are utilized. In situations, such as public health emergencies, when telehealth is a primary mode of service delivery, the PYT TRBHA policies include a process for obtaining signatures through a non-digital method (i.e., verbal authorization via telehealth). In such situations, AHCCCS will engage CMS to seek written authority, where permissible, for obtaining signatures through non-digital methods.

If AHCCCS makes such a change to the provider network, the PYT TRBHA will collaborate with AHCCCS-DFSM to identify Members who need to transition to a different provider and will work on ensuring continuity of care for members.

3.3. The PYT TRBHA will collaborate with AHCCCS to ensure that providers will not be restricted or inhibited in any way from communicating freely with or advocating for persons regarding:

3.3.1. Behavioral health care, medical needs and treatment options, even if needed services are not covered by AHCCCS or if an alternate treatment is self-administered;
3.3.2. Any information the behavioral health recipient needs in order to decide among all relevant treatment options;

4.2.2.3. Inviting DDD staff to participate in the development of the behavioral health services plan and all subsequent planning meetings as part of the clinical team, and
4.2.2.4. Exchanging information regarding the initial assessment, and Individual or Family Support Plan.
4.2.2.5. AHCCCS and DES will work to ensure that the PVT TRBHA and DDD members are consulted as to the member’s preferred behavioral health assignment.

4.4.1. The issue that the PYT TRBHA is unable to resolve;
4.4.2. The actions already taken that have not resulted in resolution of the issue; and
4.4.3. Recommendations for resolution of the problem.

4.5. AHCCCS will work with its network providers regarding their contractual obligations to coordinate care with the PYT TRBHA and provide appropriate member information as needed.

5. Performance Standards:

5.1. Definitions

5.1.1. “Minimum Performance Standard” is the minimally expected level of performance by the PYT TRBHA.
5.1.2. “Goal” is a reachable standard for a given performance indicator for the contract year. If the PYT TRBHA has already met or exceeded the AHCCCS established or approved Minimum Performance Standard for any indicator, the PYT TRBHA will strive to meet the Goal for that indicator.
5.2. AHCCCS-DFSM will conduct biennial Operational Reviews/Administrative Reviews to ensure the PYT TRBHA is meeting the Minimum Performance Standards of 85%, with a goal of 95%, for each Standard identified in the Operational Review Tool. The Operational Review Tool will be provided to the PYT TRBHA sixty days before the review is scheduled to occur. AHCCCS will provide the PYT TRBHA a report of the Operational Review findings within sixty days of completing the Operational Review.

5.3. If the PYT TRBHA does not meet the Minimum Performance Standards pertaining to the Standards outlined in the Operational Review Tool, AHCCCS will notify the PYT TRBHA and collaboratively develop a work plan to address the identified Standards.

5.3.1. The work plan will be received by AHCCCS within thirty (30) calendar days after notification to the PYT TRBHA.

5.3.2. The work plan will be approved by AHCCCS prior to implementation.

5.3.3. AHCCCS may conduct one or more follow-up onsite reviews or other audit processes to verify progress with the work plan.

5.3.4. AHCCCS and the PYT TRBHA will work together to jointly resolve issues and engage in ongoing collaboration to implement systemic improvements as outlined in the work plan. If there is unresponsiveness or neglect in implementing the work plan, AHCCCS may issue to the PYT TRBHA a Notice of Concern, followed by a Corrective Action Plan, if necessary.

C. Block Grant Funded Services

1. The Substance Abuse Prevention and Treatment Block Grant (SABG) and Mental Health Block Grant (MHBG) are annual formula grants provided to the states as authorized by the U.S. Congress to support behavioral health services. AHCCCS is the designated Single State Agency to administer block grants in Arizona. AHCCCS will communicate to the PYT TRBHA the availability of new grant resources received and made available by the State of Arizona, and the ability and process for requesting additional funds as needed. Refer to AMPM Policy 320-T1 and AMPM Policy 300-2B for additional guidance related to Non-Title XIX/XXI behavioral health services funded by Block Grants and Discretionary Grants.

2. General Requirements

2.1. The PYT TRBHA will ensure that services funded under the federal block grants meet all legal requirements of the respective block grant.

2.2. The PYT TRBHA will establish a mechanism for determining eligibility for utilization of block grant funding.

2.3. The PYT TRBHA will ensure that block grant funds are the payer of last resort. This shall not be interpreted as being in conflict with the Indian Health Service definition of payer of last resort as defined in federal regulations.

3. General Prohibitions. The PYT TRBHA will not expend Block Grant funds on the following activities:
3.1. To provide inpatient hospital services, with the exception of detox services (only if provided in an Outpatient setting, a free-standing Level I sub-acute facility, or Rural Substance Abuse Transitional Center) and as provided in 4.3. below.

3.2. To make cash payments to intended recipients of health services.

3.3. To purchase or improve land, purchase, construct, or permanently improve (other than minor remodeling) any building or other facility, or purchase major medical equipment.

3.4. To satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds (Maintenance of Effort).

3.5. To provide financial assistance to any entity other than a public or nonprofit private entity.

3.6. To provide individuals with hypodermic needles or syringes so that such individuals may use illegal drugs, unless the Surgeon General of the Public Health Service determines that a demonstration needle exchange program would be effective in reducing drug abuse and the risk that the public will become infected with the etiologic agent for AIDS or Hepatitis-C.

3.7. To pay the salary of an individual through a grant or other extramural mechanism at a rate in excess of Level I of the Executive Salary Schedule for the award year; see http://grants.nih.gov/grants/policy/salcap_summary.htm.

3.8. To purchase treatment services in penal or correctional institutions.

3.9. To provide acute care or physical health care services including payments of co-pays.

3.10. To make flex funds purchases.

4. Substance Abuse Block Grant Requirements.

4.1. Purpose: The SABG supports primary prevention and treatment services for persons with substance use disorders. It is used to plan, implement and evaluate activities to prevent and treat substance abuse.

4.2. SABG funds are used to ensure access to treatment and long-term recovery support services for (in order of priority):

   4.2.1. Pregnant women/teenagers who use drugs by injection;
   4.2.2. Pregnant women/teenagers who use substances;
   4.2.3. Other persons who use drugs by injection;
   4.2.4. Substance using women and teenagers with dependent children and their families, including females who are attempting to regain custody of their children; and
   4.2.5. All other clients with a substance abuse disorder, regardless of gender or route of use, (as funding is available).

4.3. As a condition of receiving SABG Treatment funding, the PYT TRBHA will establish mechanisms to ensure that each pregnant woman who requests and is in need of substance use disorder
treatment is admitted within forty-eight (48) hours and is provided interim services through admission.

4.4. As applicable, the PYT TRBHA will provide AHCCCS a waitlist report for documenting any SABG Priority Population Member who is awaiting placement in a residential treatment center.

4.5. The PYT TRBHA will establish early intervention services for Members diagnosed with HIV or TB which may include testing for those diseases if a part of the PYT TRBHA’s spending plan.

4.6. Subject to the availability of funds, the PYT TRBHA will develop and implement primary substance abuse prevention services. Prevention services will be made available for all individuals to reduce the risk of development or emergence of substance use disorders and to improve overall behavioral health status in targeted families and communities.

4.6.1. The PYT TRBHA will utilize evidence-based prevention strategies or promising practices. Promising practices include concepts such as culture as prevention, traditional healing and other identified protective factors in tribal communities.

4.6.2. The PYT TRBHA will submit to AHCCCS every three years a Strategic Prevention Plan for the state fiscal year timeline which includes the activities for delivering and sustaining effective prevention services.

4.6.3. The PYT TRBHA will submit to AHCCCS annually a Prevention Logic Model encompassing all prevention activities being proposed and implemented for the upcoming State Fiscal Year. The PYT TRBHA may request a template from AHCCCS Division of Grants Administration.

4.6.4. The PYT TRBHA will submit to AHCCCS an annual Prevention Budget detailing the planned expenditures under SABG Prevention dollars for the State Fiscal Year.

4.6.5. The PYT TRBHA will submit quarterly Prevention Progress Reports, including but not limited to, community network collaborations, coalition efforts, prevention providers meetings, trainings, and community events and outreach activities.

4.6.6. The TRBHA shall submit a Prevention Program Description prior to the implementation of any new prevention program, including program name, a brief description of the programs consisting of the setting, priority population, intervention and goals, and monitoring and evaluation activities.

5. Mental Health Block Grant

5.1. The MHBG establishes or expands an organized community-based system of care for providing mental health services to adults determined to have a serious mental illness (“SMI”) and children determined to have a serious emotional disturbance (“SED”).

5.2. Services funded through the MHBG are based on available funding. The PYT TRBHA will prioritize expenditures of block grant funds and delivery of services for the following priority populations:
   5.2.1. Non-Title XIX/XXI SMI; and
   5.2.2. Non-Title XIX/XXI SED.

5.3. The PYT TRBHA shall submit quarterly MHBG Program Status Reports to include information on SMI and SED services and activities. The PYT TRBHA may request a template from AHCCCS Division of Grants Administration.
D. Crisis Response System

1. The PYT TRBHA will maintain a twenty-four (24) hours per day, seven (7) days per week crisis response system.

2. The crisis response system will fulfill the following requirements:

   2.1. The PYT TRBHA will have one toll free crisis telephone number and may have a local crisis telephone number. The crisis telephone number will be widely publicized within the service area. Having one publicized telephone crisis response line for the service area does not preclude the PYT TRBHA from allowing or requesting providers to be the primary contact for crisis calls from behavioral health recipients that the provider serves.

   2.2. A telephone crisis response line will be sufficiently staffed to meet the reasonably expected service demand of all persons in the service area. The crisis phone response service will, to the extent possible, be answered within three (3) telephone rings. Crisis phone response will include triage, referral and dispatch of service providers and patch capabilities to and from 911 and other crisis providers as applicable.

   2.3. Response to crisis calls will be designed to meet the immediate and urgent response requirements as outlined in the AHCCCS policy and have the ability to record referrals, dispositions, and overall response time.

   2.4. The PYT TRBHA will coordinate with appropriate providers to obtain substance use disorder/psychiatric stabilization services for Members on a 24-hour basis.

   2.5. The crisis response system may respond with any of the services outlined in the Scope of Work of this Agreement, but the service will be clinically responsive to the needs of the person.

   2.6. Services provided in response to immediate and urgent response needs will be provided in order to intervene and offer resolutions, not merely triage and transfer, and will be provided in the least restrictive setting possible, consistent with individual and family need and community safety.

   2.7. The crisis response system must have the capacity to communicate with individuals who do not speak or understand English.

   2.8. The PYT TRBHA’s customer service will have patch capabilities to the crisis response system.

   2.9. To the extent possible, the PYT TRBHA will initiate and maintain a collaborative effort with fire, police, emergency medical services, hospital emergency departments, AHCCCS Health Plans and other providers of public health and safety services as appropriate, to inform them of how to use the crisis response system. To the extent possible, the PYT TRBHA will meet periodically with representatives of fire, police, emergency medical services and hospital emergency departments to coordinate services and to assess and improve the PYT TRBHA’s crisis response services.
2.10. To the extent possible, the PYT TRBHA is responsible for coordinating psychiatric and/or psychological consultations provided to Title XIX and Title XXI enrolled behavioral health recipients in emergency room settings.

2.11. If a provider determines that the person receiving services may need court-ordered evaluation and the person is off reservation, the PYT TRBHA will comply with relevant state law (A.R.S. Title 36, Chapter 5, Article 4). If the person is on reservation the PYT TRBHA will comply with the relevant laws of the Pascua Yaqui Tribe.

2.12. If a Tribal Court orders an involuntary commitment for inpatient treatment, AHCCCS will assist the PYT TRBHA in admitting the patient in the appropriate facility.

E. Individuals Determined to Have a Serious Mental Illness

1. Overview: Individuals who have been determined to have a serious mental illness have distinct behavioral health care needs. AHCCCS and the PYT TRBHA are committed to meeting the behavioral health care needs of persons who have been determined to have a serious mental illness. Towards that end, the PYT TRBHA will fulfill the additional requirements set forth in this section to meet the needs of persons with a serious mental illness.

2. Eligibility Determinations for Serious Mental Illness

2.1. The PYT TRBHA will conduct reviews to determine if an adult person is seriously mentally ill as defined in A.R.S. § 36-550(4) in accordance with the Arizona Administrative Code Title 9, Chapter 21, Article 3 and the SMI Eligibility Determination Policy contained within the AHCCCS Medical Policy Manual (“AMP”) Policy 320-P. These reviews will be conducted for all persons who request a determination or those who meet criteria during an assessment as outlined in the AHCCCS policy.

2.2. The PYT TRBHA will ensure that processes developed and utilized to determine if a person has a serious mental illness do not result in barriers for behavioral health recipients and excessive expense due to multiple layers of reviews beyond what is required by the SMI Eligibility Determination Policy.

3. Delivery of Services. Delivery of services for persons determined to have a serious mental illness will comply with Arizona Administrative Code Title 9, Chapter 21. In addition to the other services described in this Scope of Work, the PYT TRBHA will fulfill the following services delivery requirements for Members who have been determined to have a serious mental illness.

3.1 Special Assistance

3.1.1. Special Assistance is the support provided to a person determined to have a Serious Mental Illness who is also unable to articulate treatment preferences and/or participate effectively in the development of the Individual Service Plan (ISP), Inpatient Treatment and Discharge Plan (ITDP), grievance investigation and/or appeal processes due to cognitive/intellectual impairment and/or a medical condition.

12. The PYT TRBHA will reimburse AHCCCS upon request, or AHCCCS may deduct from future payments to the PYT TRBHA, any amounts determined by AHCCCS to represent:

12.1 Costs related to services which have been inaccurately reported;

12.2 Costs related to services that have not been provided;

12.3 Costs of services for which the PYT TRBHA’s books, records, and other documents are not sufficient to clearly confirm were used by the PYT TRBHA to provide such services;

12.4 Costs of services sustained as a financial audit exception; or

12.5 Costs of services which have not been provided in accordance with applicable regulations, laws, policies and this Agreement, to include services which have been determined to be unnecessary.

13. “State fiscal year” means the period beginning with July 1 and ending June 30.

14. No profit is allowed under this Agreement. The PYT TRBHA is under no obligation to deliver or pay for services unfunded by the Agreement. The PYT TRBHA will manage allocated funds in a manner sufficient to enable to perform under the Agreement for the entire state fiscal year.

15. Costs and Payments

15.1 Applicable Taxes.

15.1.1 Payment of Taxes. The PYT TRBHA will be responsible for paying all applicable taxes.

15.1.2 State and Local Transaction Privilege Taxes. The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes.

15.1.3 Tax Indemnification. The PYT TRBHA will pay all Federal, state and local taxes applicable to its operation and any persons employed by the PYT TRBHA. The PYT TRBHA will hold the State harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs including
transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation. The PYT TRBHA will add these requirements to its contracts with subcontractors.

15.1.4 IRS W9 Form. In order to receive payment, the PYT TRBHA will have a current I.R.S. W9 Form on file with the State of Arizona, unless not required by law.

15.2 Availability of Funds for the Next State Fiscal Year. Funds may not presently be available for performance under this Agreement beyond the current state fiscal year. No legal liability on the part of the State for any payment may arise under this Agreement beyond the current state fiscal year until funds are made available for performance of this Agreement.

15.3 Availability of Funds for the Current State Fiscal Year. Should the State Legislature enter back into session and reduce the appropriations or for any reason and these goods or services are not funded, the State may take any of the following actions:

15.3.1 Accept a decrease in price offered by the PYT TRBHA; or
15.3.2 Cancel the Agreement.

B. Management of Title XIX/XXI Administrative Funding

1. To determine the annual budget for the PYT TRBHA, AHCCCS will take into account the number of staff performing work under the Agreement, their salaries, the time spent performing duties, caseload ratios, vehicle costs, Employee Related Expenses ("ERE"), and other indirect costs. The model may be updated yearly as new information becomes available. Based on the annual budget, AHCCCS will make monthly payments to the PYT TRBHA in compliance with A.R.S. Titles 35, 36 and 41.

2. The PYT TRBHA will submit a quarterly report by the 60th calendar day following the end of each quarter detailing the Title XIX Revenues and Expenditures along with copies of CERs for the quarter and any adjusted CERs from previous quarters, if requested, to AHCCCS-DHCM. The quarterly report will be used by AHCCCS to reconcile the monthly payments made during the quarter to the PYT TRBHA. If there is an overpayment or underpayment, AHCCCS will adjust future payments to the PYT TRBHA accordingly to make the account whole. Failure of the PYT TRBHA to submit timely quarterly financial reports will result in payment delays to the PYT TRBHA.

3. Any Title XIX/XXI administrative funds remaining subsequent to the state’s fiscal year end will be used in accordance with this Agreement within 90 days. For funds not expended within 90 days after the state’s fiscal year end, the TRBHA will present a plan for AHCCCS’ approval describing its plan to utilize remaining funds within 180 days of the state’s fiscal year end. The following year’s revenue may be adjusted if the TRBHA does not provide a reasonable plan to spend remaining funds.

4. All funding received under this Agreement must be maintained in a separate fund (account). The PYT TRBHA will provide AHCCCS with a quarterly report detailing all activities in the fund (account) as described in the Chart of Deliverables.

C. Management of State General Funds for NTXIX Services
1. At AHCCCS’ request, the PYT TRBHA will submit a Contractor Expenditure Report ("CER") with supporting documentation for reimbursement of State General Funds for NTXIX Services, Supported Housing, and Crisis.

2. Any State General Funds allocated for housing must be spent in accordance with an approved housing plan for individuals meeting the Seriously Mental Ill designation.

3. Mortgages and Financing of Property: AHCCCS will be under no obligation to assist, facilitate, or help the PYT TRBHA secure the mortgage or financing if a PYT TRBHA intends to obtain a mortgage or financing for the purchase of real property or construction of buildings on real property.

D. Management of Federal Block Grant and other NTXIX Federal Funds

1. The PYT TRBHA will use SABG funds solely for planning, implementing and evaluating activities to prevent and treat substance abuse, and provide early intervention services for HIV and tuberculosis disease in high-risk substance users.

2. The PYT TRBHA will use MHBG funds solely for services for adults determined to have a SMI and children determined to have a SED, and evidence-based practices for first episode psychosis.

   4.2. No later than March 31st of each year, the PYT TRBHA will provide AHCCCS-DHM with a list of Block Grant Funds, by funding source, that the PYT TRBHA and its subcontractors will not expend by the end of the state fiscal year.

   4.3. Comply with all terms, conditions, and requirements of the SABG and MHBG Block Grants, including but not limited to:

      4.3.5. Children's Health Act of 2000 (P.L. 106-310);
      4.3.6. ADAMHA Reorganization Act of 1992 (P.L. 102-321); and
      4.3.7. Public Health Service Act (includes Title V and Title XIX).

   4.4. Report MHBG and SABG grant funds and services separately and provide information related to block grant expenditures to AHCCCS upon request.
4.5. Submit PYT TRBHA and subcontractor expenditure data to AHCCCS consistent with the annual funding levels in the Allocation Schedule.

4.6. Manage the federal block grant funds during each fiscal year to make funds available for obligation and expenditure until the end of the fiscal year for which the funds were paid. When making transfers involving federal block grant funds, the PYT TRBHA will comply with the requirements in accordance with the Federal Block Grant Funds Transfers Cash Management Improvement Act of 1990 and any rules or regulations promulgated by the U.S. Department of the Treasury including, 31 CFR Part 205, and the State of Arizona Accounting Manual (SAAM).

5.1. Policies and procedures that outline internal monitoring of Non-Title XIX/XXI funds, including general funds, Other Federal Grants, and federal block grant requirements.

5.2. Notify relevant subcontractors of required sub-award information and Single Audit submission requirements. Non-Federal entities that expend $750,000 or more in a fiscal year in federal awards will have a Single Audit conducted for that year in accordance with 2 CFR Part 200 Subpart F.

5.3. Subject to tribal authority, maintain tracking tool to monitor receipt of Single Audits. At a minimum, the tool should contain the following information: Provider Name, Audit Received Date, Management Decision Letter Date, Audit Findings (Y/N) and Date Response/Corrective Action Plan Received.

5.4. When applicable, issue management decisions for audit findings as required by §200.521 Management decision.

5.5. Track grant funds, including unexpended funds, for appropriate allocation by category, recoupment and/or return to AHCCCS.

5.6. As appropriate, monitor grant activities and other Non-Title XIX/XXI activities to ensure SABG and MHBG funds, Non-Title XIX/XXI funds, including general funds, and Other Federal Grants are expended for authorized purposes.

III. TERMS AND CONDITIONS

A. Agreement Administration and Operation
1. Offshore Performance of Work Prohibited: Any services that are described in the scope of work that directly serve the State of Arizona or its clients and involve access to secure or sensitive data or personal client data will be performed within the defined territories of the United States. Unless specifically stated otherwise in the specifications, this paragraph does not apply to indirect or overhead services, redundant back-up services, or services that are incidental to the performance of the Agreement. This provision applies to work performed by subcontractors at all tiers.

2. Licenses: The PYT TRBHA will maintain in current status all federal, state and local licenses and permits as required for the operation of the business conducted by the PYT TRBHA.

3. Term of Agreement

3.1. The term of the Agreement is from July 1, 2021, through June 30, 2026, unless otherwise terminated or extended by mutual agreement of the Parties in a duly authorized and executed amendment.

3.2. All Agreement extensions will be through written amendment executed by both Parties. The terms and conditions of any such extension will remain the same as the original Agreement, as amended.

4. Agreement Changes

4.1. Amendments. This Government to Government Agreement may be modified only through an Amendment within the scope of the Agreement. Changes to the Agreement, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the Pascua Yaqui Tribe in writing or made unilaterally are violations of the Agreement. Such changes, including unauthorized written Amendments will be void and without effect, and AHCCCS and the PYT TRBHA will not be entitled to any claim under this Agreement based on those changes.

4.2. Subcontracts. The PYT TRBHA will not enter into any subcontract under this Agreement for the performance of any administrative function required by this Agreement without advance written notice to AHCCCS-DFSM. The PYT TRBHA will clearly list any proposed subcontractors and the subcontractor’s proposed responsibilities. The subcontract will incorporate by reference the terms and conditions of this Agreement. This section does not apply to subcontracts with behavioral health service providers.

4.3. Assignment and Delegation. The PYT TRBHA will not assign any right nor delegate any duty under this Agreement without the prior written approval of AHCCCS-DFSM. AHCCCS will not unreasonably withhold approval.

5. Agreement Interpretation

5.1. Governing Law. This Agreement will be interpreted under the applicable laws of the United States, State of Arizona, and the Pascua Yaqui Tribe. If any laws conflict, the laws of the United States will control.
5.2. Severability. The provisions of this Agreement are severable. Any term or condition deemed illegal or invalid will not affect any other term or condition of the Agreement.

5.3. No Parole Evidence. This Agreement is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade will supplement or explain any terms used in this document and no other understanding either oral or in writing will be binding.

5.4. No Waiver. Either party’s failure to insist on strict performance of any term or condition of the Agreement will not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

6. Agreement Remedies

6.1. Notice and Opportunity to Cure. In the event of a breach of the Agreement, the non-breaching party must notify the breaching party of the breach in writing. If the breach is capable of cure, the non-breaching party must describe how the breach can be cured and identify a reasonable deadline by which any cure must be completed.

6.2. Corrective Action Plans. AHCCCS and the PYT TRBHA may collaboratively develop a corrective action plan to address a breach of this Agreement. The PYT TRBHA will implement the corrective action plan to bring performance into compliance in accordance with the corrective action plan, and within the timeframes agreed to by the PYT TRBHA and AHCCCS.

6.3. Non-exclusive Remedies. The rights and the remedies of AHCCCS under this Agreement are not exclusive.

6.4. Technical Assistance. AHCCCS’ provision of technical assistance to the PYT TRBHA to assist in achievement of compliance with any relevant Agreement terms does not relieve the PYT TRBHA of its obligation to fully comply with any relevant Agreement term or any other terms of this Agreement.

6.5. Right of Offset. AHCCCS will be entitled to offset against any sums due the PYT TRBHA, any expenses or costs incurred by AHCCCS, or damages or sanctions assessed by AHCCCS concerning the PYT TRBHA’s non-conforming performance or failure to perform the Agreement.

6.6. Sanctions

6.6.1. AHCCCS reserves the right to impose financial sanctions if the PYT TRBHA engages in any of the following conduct:
   6.6.1.1. Intentional material misrepresentation or falsification of information provided to AHCCCS;
   6.6.1.2. Intentional material misrepresentation or falsification of information provided to an enrolled person, potential enrolled person, subcontractor or health care provider;
6.6.1.3. Material intentional noncompliance with quality of care or quality management requirements;
6.6.1.4. Submitting intentional incomplete or inaccurate reports, deliverables or other information requested by AHCCCS;
6.6.1.5. Submitting reports, deliverables or other information requested by AHCCCS more than 180 days after the deadline for production; or
6.6.1.6. Engaging in intentional conduct which jeopardizes Federal Financial Participation or other federal funding.

6.6.2. AHCCCS will consider the severity of the violation to determine the amount of sanction. The amount of the sanction will be proportionate to the severity of the non-compliance action.

6.6.3. AHCCCS will provide written notice to the PYT TRBHA specifying the amount of the sanction, the grounds for the sanction, the amount of funds to be withheld from the PYT TRBHA’s payments, the steps necessary to avoid future sanctions and the PYT TRBHA’s right to file a claims dispute to challenge the sanction.

6.6.4. The PYT TRBHA will complete all necessary steps to correct the violation that precipitated the sanction. AHCCCS may impose additional sanctions, which may be equal to or greater than the sanction imposed for the unresolved violation, in the event the PYT TRBHA fails to adequately correct the violation within established timeframes. Sanctions are not subject to the Notice and Opportunity to Cure provisions in A.6.1.

7. Agreement Termination

7.1. Cancellation for Conflict of Interest. AHCCCS may cancel this Agreement within three (3) years after Agreement execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the State is or becomes, at any time while the Agreement or an extension of the Agreement is in effect, an employee of or a consultant to any other party to this Agreement with respect to the subject matter of the Agreement. The cancellation will be effective when the PYT TRBHA receives written notice of the cancellation unless the notice specifies a later time.

7.2. Gratuities. AHCCCS may, by written notice, terminate this Agreement, in whole or in part, if the State determines that employment or a gratuity was offered or made by the PYT TRBHA or a representative of the PYT TRBHA to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing of the Agreement, an amendment to the Agreement, or favorable treatment concerning the Agreement, including the making of any determination or decision about Agreement performance. AHCCCS, in addition to any other rights or remedies, will be entitled to recover exemplary damages in the amount of three times the value of the gratuity offered by the PYT TRBHA.

7.3. Suspension or Debarment. AHCCCS may, by written notice to the PYT TRBHA, immediately terminate this Agreement if AHCCCS determines that the PYT TRBHA has been debarred, suspended, or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of an Agreement will attest that the PYT TRBHA is not currently suspended or debarred. If the PYT TRBHA becomes suspended or debarred, the PYT TRBHA will immediately notify AHCCCS.
7.4. Termination for Convenience. Upon thirty (30) days written notice to the other Party, either Party may terminate the Agreement, in whole or in part, without penalty or recourse. The PVT TRBHA will be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination.

7.5. Termination for Default. Subject to section A 6.1, in addition to the rights reserved in the Agreement, AHCCCS may terminate the Agreement in whole or in part due to the failure of the PVT TRBHA to materially comply with any term or condition of the Agreement, or to make satisfactory progress in performing the Agreement. The Procurement Officer will provide written notice of the termination and the reasons for it to the PVT TRBHA.

7.6. In the event that the Agreement terminates for any reason, the Parties agree to collaborate on transitioning the care of any enrolled persons potentially affected by the termination within a reasonable period of time. The Parties agree to work together to ensure that such a transition occurs in an orderly manner and without significant disruption in services to enrolled persons.

8. Sovereign Immunity

8.1. Except as provided in section A.9.4.3.2 below, nothing in this Agreement will be construed as an express or implied waiver of either Party’s sovereign immunity from suit in any forum or jurisdiction.

9. Agreement Disputes and Arbitration

9.1. In the event of a dispute, claim or controversy (“Dispute”) arising out of or related to this Agreement, the Parties agree that it is in their mutual best interest to meet as promptly as possible for the purpose of informally resolving said Dispute.

9.2. In the event that the Parties cannot resolve their Dispute informally after attempting to work in good faith toward resolution, the Parties agree that Disputes arising out of this Agreement will be administratively adjudicated in accordance with A.R.S. § 2903.01(b)(4), the relevant portions of Arizona’s Administrative Procedures Act, and AHCCCS’ rules pertaining to appeals and grievances, except that the PVT TRBHA may elect to enter into binding arbitration to dispute a Director’s Decision rather than file for a judicial review of an administrative decision.

9.3. After exhausting applicable administrative remedies, the Parties to this Agreement agree to resolve all Disputes arising out of or relating to this Agreement through binding arbitration as provided in the Federal Arbitration Act and A.9.4 below.

9.4. Arbitration and Award

9.4.1. Upon notice by a Party to the other of the intent to arbitrate, the Dispute will be finally and exclusively settle by submission of such Dispute to the American Arbitration Association (“AAA”) under its then prevailing procedural rules contained in the AAA’s Commercial Arbitration Rules to the extent that such rules will not be interpreted to diminished, limit or void the limited waiver of sovereign immunity set
forth in Section A.8 above or to increase the enforcement right of the Parties. Within ten (10) days after the notice of intent to arbitrate, each party will select one person to act as arbitrator and the two selected will select a third arbitrator within ten (10) days of their appointment. The third arbitrator will be a practicing attorney, actively engaged in the practice of law for at least ten (10) years and a member in good standing of the bar of the State of Arizona. Alternatively, the third arbitrator may be a retired judge of the federal court or the trial court of the State of Arizona. At least one of the arbitrators will be knowledgeable with federal Indian law and one arbitrator will have AAA-acknowledged expertise in the appropriate subject matter. By agreement of the parties, when the amount in controversy renders the cost of three arbitrators unreasonable, the parties may agree to select a single arbitrator to resolve a dispute. All arbitrators proceedings will be held in Maricopa County, or at such other place as will be agreed by the Parties.

9.4.2. The award will be made within sixty (60) days of the filing of the notice of intent to arbitrate, and the arbitrators will agree to comply with the schedule before accepting appointment. However, this time limit may be extended by agreement of the Parties or by the majority of the Parties or by the majority of the arbitrators, if necessary. Any award rendered in any such arbitration proceeding will be final and binding upon all Parties to the proceeding.

9.4.3. Enforcement

9.4.3.1. Judgment upon any award rendered by the arbitrators may be entered only in the U.S. District Court for the District of Arizona.

9.4.3.2. For the purposes of this Agreement, and subject to the terms of this section, the Parties agree to a limited waiver of sovereign immunity from suit and consent to be sued on an arbitration award. The Parties agree that this section provides a limited waiver of sovereign immunity solely for the purpose of enforcing any arbitration award hereunder and for no other purpose.

9.5. AHCCCS may take any action described in the Financial Provisions and/or Sections A.6 or A.7 of these Terms and Conditions prior to initiating or engaging in any process described under Section A.9 of these Terms and Conditions. The PYT TRBHA may use the process described under Section A.9 of these Terms and Conditions to appeal such an action.

10. Survival of Rights and Obligations after Agreement Expiration or Termination

10.1. Any provision of this Agreement that contemplates performance or observance subsequent to termination or expiration of this Agreement will survive termination or expiration of this Agreement and continue in full force and effect.

10.2. All representations and warranties made by the PYT TRBHA under this Agreement will survive the expiration or termination hereof.

B. Compliance

The PYT TRBHA will report, in writing, all cases of suspected fraud, waste and/or abuse involving the programs administered by AHCCCS to the AHCCCS Office of the Inspector General (OIG). To report fraud, waste and/or abuse, the PYT TRBHA will complete the online form at https://www.azahcccs.gov/Fraud/ReportFraud/onlineform.aspx.
2. The PYT TRBHA will cooperate with AHCCCS/OIG in any audit, review, investigation and/or request for information of the PYT TRBHA.

3. The PYT TRBHA will cooperate with any onsite review. The PYT TRBHA will provide contact information for coordinating these activities. A review by the AHCCCS-OIG and/or AHCCCS may be conducted with 3 business day prior notification and for the purpose of ensuring program compliance. The PYT TRBHA also agrees to respond to electronic, telephonic or written requests for information within the timeframe specified by AHCCCS-OIG and/or AHCCCS-DFSM. The PYT TRBHA agrees to provide documents, including original documents, to representatives of the AHCCCS-DFSM and/or AHCCCS-OIG, upon request and at no cost. The AHCCCS-DFSM and/or AHCCCS-OIG shall allow a reasonable time for the PYT TRBHA to copy the requested documents, not to exceed twenty (20) business days from the date of the AHCCCS-DFSM and/or AHCCCS-OIG request.

4. Records

4.1. The PYT TRBHA will retain all data and other "records" relating to the acquisition and performance of the Agreement for a period of five years after the completion of the Agreement. The PYT TRBHA will add this same requirement to its contacts with subcontractors.

4.2. All books and records will be maintained to the extent and in such detail as required by AHCCCS Rules and Policies. The AHCCCS records management guidelines are located at: http://www.azahcccs.gov. Records will include, but not be limited to, financial statements, case files (both hard copy and stored data), and other records specified by AHCCCS.

4.3. At any time during the term of this Agreement and five (5) years thereafter, the PYT TRBHA’s or any subcontractor’s books and records will be subject to audit by AHCCCS and, where applicable, the Federal Government, to the extent that the books and records relate to the performance of the Agreement or a subcontract. The PYT TRBHA will make available, at all reasonable times during the term of this Agreement and the period set forth in this section, any of its records for inspection, audit or reproduction by any authorized representative of AHCCCS, the State of Arizona or the Federal government.

4.4. The PYT TRBHA will preserve and make available all records for a period of five (5) years from the date of final payment under this Agreement except as provided below:

4.4.1. If this Agreement is completely or partially terminated, the records relating to the work terminated will be preserved and made available for a period of five years from the date of any such termination.

4.4.2. Records that relate to grievances, disputes, litigation or the settlement of claims arising out of the performance of this Agreement, or costs and expenses of this Agreement to which exception has been taken by AHCCCS, will be retained by the PYT TRBHA for a period of five years after the date of final disposition or resolution thereof.

4.4.3. To the extent that the Agreement or applicable law require the disclosure of records to AHCCCS and/or the Federal government, such disclosure will be made at no cost to AHCCCS or the Federal government.

5. Audits and Inspections
5.1. The PYT TRBHA will cooperate with AHCCCS and/or the Federal government in any audit, review, investigation and/or request for information of the PYT TRBHA and/or its subcontractors. In no event will this Agreement be construed to authorize any audit, review, investigation and/or request for information outside the scope of this Agreement.

5.2. Audits: AHCCCS may conduct periodic audits to confirm the PYT TRBHA’s and subcontractor(s)’ compliance with applicable law and this Agreement. These audits include, but are not limited to:

5.2.1. Administrative Reviews
   5.2.1.1. AHCCCS will, at a minimum, conduct a biennial Administrative Review for the purpose of ensuring compliance with applicable law and this Agreement.
   5.2.1.2. The Administrative Review will be conducted to recommend improvements, monitor the PYT TRBHA’s progress toward implementing mandated programs and work plans, and provide the PYT TRBHA with technical assistance as necessary.
   5.2.1.3. In preparation for the Administrative Review, AHCCCS will work with the PYT TRBHA to identify and request records needed for the Review, and to obtain a right of entry if an inspection is part of the Review.
   5.2.1.4. AHCCCS will furnish a copy of the Administrative Review Report to the PYT TRBHA and give the PYT TRBHA an opportunity to comment on any review findings. AHCCCS and the PYT TRBHA will develop a work plan to address any findings outlined in the Administrative Review Report.
   5.2.1.5. AHCCCS may conduct follow-up reviews to determine the PYT TRBHA’s progress in implementing the work plan. If the PYT TRBHA is unresponsive in implementation of the work plan, AHCCCS may issue a Notice of Concern, followed by a Corrective Action Plan, if necessary.

5.2.2. Program Integrity Review
   5.2.2.1. AHCCCS-OIG and/or AHCCCS-DFSM may conduct audits of the PYT TRBHA and/or its subcontractors without notice for the purpose of ensuring program integrity.
   5.2.2.2. Upon notice that an audit involves program integrity, the PYT TRBHA will respond to electronic, telephonic or written requests for information within the reasonable timeframe specified by AHCCCS-OIG and/or AHCCCS-DFSM.
   5.2.2.3. Nothing in this subsection shall be construed to allow AHCCCS to enter Pascua Yaqui lands except as provided below in Section B.3.3.

5.3. Inspections: Should it be necessary for AHCCCS-OIG and/or AHCCCS-DFSM to conduct an onsite review of the PYT TRBHA and/or any of its subcontractors, the PYT TRBHA will cooperate with AHCCCS to obtain a right of entry from the Pascua Yaqui Tribe. If AHCCCS cannot obtain a right of entry from the Pascua Yaqui Tribe within a reasonable timeframe requested by AHCCCS, such failure will constitute a material breach of the Agreement and AHCCCS may terminate the Agreement.

C. Risk and Liability

1. Indemnification. Each party (as "Indemnitor") agrees to defend, indemnify, and hold harmless the other party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such Claims which result in vicarious/derivative liability to the Indemnitee are caused by the act,
omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. The State of Arizona, AHCCCS, is self-insured per A.R.S. 41-621.

2. Should the PYT TRBHA utilize a contractor(s) or subcontractor(s) to fulfill the terms of this Agreement, the indemnification clause between the PYT TRBHA and its contractor(s) and subcontractor(s) will include the following:

To the fullest extent permitted by law, Contractor will defend, indemnify, and hold harmless the Pascua Yaqui Tribe and the State of Arizona, and any jurisdiction or agency issuing any permits for any work arising out of this Agreement, and its departments, agencies, boards, commissions, universities, , officers, officials, agents, and employees (hereinafter referred to as “Indemnitee”) from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys’ fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as “Claims”) for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the contractor or any of the directors, officers, agents, or employees or subcontractors of such contractor. This indemnity includes any claim or amount arising out of or recovered under the Workers’ Compensation Law or arising out of the failure of such contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee will, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor from and against any and all claims. It is agreed that such contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. Additionally, on all applicable insurance policies, contractor and its subcontractors will name the State of Arizona, and its departments, agencies, boards, commissions, universities, officers, officials, agents, and employees as an additional insured and also include a waiver of subrogation in favor of the State.

3. The PYT TRBHA will add to its contract(s) with any non-governmental contractor(s) or subcontractor(s) performing services in performance of this Agreement that the contractor(s) or subcontractor(s) will comply with the Minimum Subcontract Provisions found on AHCCCS’ website. The PYT TRBHA has the discretion, based on the work performed by the PYT TRBHA’s contractor(s) or subcontractor(s), to determine which of the insurance provisions in the Minimum Subcontract Provisions apply to each of the PYT TRBHA’s contractor(s) or subcontractor(s)

4. Responsibility for Payments: The PYT TRBHA will be responsible for issuing payment for services performed by the PYT TRBHA’s employees and will be responsible for and hold AHCCCS harmless for all claims whatsoever growing out of the lawful demands of employees, contractors, subcontractors, suppliers, or any other third party incurred in the furtherance of the performance of the Agreement. The PYT TRBHA will, at AHCCCS’ request, furnish satisfactory evidence that all obligations described under this subsection have been paid, discharged or waived.

5. Force Majeure.

5.1. Except for payment of sums due, neither Party will be liable to the other nor deemed in default under this Agreement if and to the extent that such Party’s performance of this Agreement is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots;
strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the Party declaring force majeure which such Party is unable to prevent by exercising reasonable diligence.

5.2. Force Majeure will not include the following occurrences:

5.2.1. Late delivery of equipment or materials caused by congestion at a manufacturer’s plant or elsewhere, or an oversold condition of the market;

5.2.2. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or

5.2.3. Inability of either the PYT TRBHA or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.

5.3. If either Party is delayed at any time in the progress of the work by force majeure, the delayed Party will notify the other Party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and will specify the causes of such delay in such notice. Such notice will be delivered or mailed certified-return receipt and will make a specific reference to this article, thereby invoking its provisions. The delayed Party will cause such delay to cease as soon as practicable and will notify the other party in writing when it has done so. The time of completion will be extended by Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed Party from performing in accordance with this Agreement.

5.4. Any delay or failure in performance by either party hereto will not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

D. Definitions and Documents Incorporated by Reference

Unless otherwise defined in this Agreement or an incorporated document, all terms shall have the same meaning as set forth in Title 36 of the Arizona Revised Statutes and the AHCCCS Medical Policy Manual, Chapter 100. 8. Review: An analysis of all factors affecting a family’s or person’s eligibility.

9. 10. Historical Trauma: The “cumulative emotional and psychological wounding over one’s lifetime and from generation to generation following loss of lives, land and vital aspects of culture.” (Maria Yellow Horse Brave Heart, Ph.D.)

11. Post-colonial trauma: Scholars of indigenous experience have described “post-colonial trauma” (Duran, Duran, Braveheart, & Yellowhorse-Davis, 1998) as a systemic experience of individuals living in previously colonized cultures that leads to post-traumatic symptoms even in the absence of personal exposure to a Criterion A event.

21. To the extent a policy refers to another policy, only the policy referred to in this Agreement is incorporated by reference.

22. If AHCCCS amends a policy incorporated by reference into this Agreement, the PYT TRBHA and AHCCCS agree to enter into good-faith negotiations to incorporate the updated policy into this
Agreement. The PYT TRBHA agrees not to unreasonably withhold its agreement to follow the policy as amended.

ADDENDUM 1: CHART OF DELIVERABLES
The following Chart of Deliverables describes the periodic reporting requirements under Agreement # YH22-0007-03 and is subject to change at any time during the term of the Agreement. The Chart of Deliverables is presented for convenience only and should not be construed to limit the PYT TRBHA's responsibilities in any manner.
