I. PURPOSE

This Policy applies to ACC, ACC-RBHA, ALTCS E/PD, DCS/CHP (CHP), and DES/DDD (DDD) Contractors. This Policy specifies the sanctions which may be imposed by AHCCCS in accordance with Federal and State laws, regulations and the AHCCCS Contract. This Policy does not limit the authority of the AHCCCS Office of the Inspector General to investigate fraud, waste, and abuse, conduct audits and pursue any legal remedies arising from the findings of those investigations and audits.

II. DEFINITIONS

Definitions are located on the AHCCCS website at: [AHCCCS Contract and Policy Dictionary](#).

III. POLICY**A. GENERAL**

AHCCCS expects the Contractor to align its performance of the Contract with the AHCCCS mission and vision and implement program innovation and best practices on a continual basis while adding value to the AHCCCS program.

In the event the Contractor fails to demonstrate compliance with contractual requirements, AHCCCS may elect to impose an administrative action. AHCCCS reserves the right to issue an administrative action for any occurrence of non-compliance with Title XIX/XXI or Non-Title XIX/XXI Contract provisions. Each occurrence of non-compliance will be evaluated for determination and issuance of potential administrative action. Administrative actions may include issuance of any or all of the following: Notice of Concern (NOC), Notice to Cure (NTC), a mandate for Correction Action Plan (CAP), and sanctions. The administrative actions described in this Policy are non-exclusive; that is, the issuance of an administrative action or the imposition of any particular sanction by AHCCCS does not preclude AHCCCS from pursuing any other remedy available in law or contract arising from the same conduct.

To promote transparency, administrative actions and related documentation may be published on the AHCCCS website. In certain instances, an NOC may be published to the AHCCCS website. In these instances, AHCCCS will provide notice to the Contractor prior to the publication of an NOC.

B. AHCCCS COMPLIANCE COMMITTEE

1. With the exception of encounter-related sanctions for aged, pending encounters as outlined in the AHCCCS Encounter Manual, and encounter data validation sanctions as outlined in the AHCCCS Encounter Data Validation Technical Document, the AHCCCS Compliance Committee will evaluate recommendations for proposed sanctions and will determine the appropriate sanction to be imposed after consideration of relevant factors, and ensure consistency in the application and amount of sanctions being applied. The Compliance Committee may, but is not required to, review administrative actions that do not include a sanction such as issuing an NOC, an NTC, or requiring a CAP.
2. The Compliance Committee is comprised of the following individuals, or their designees:

- b. Suspending all new enrollment, including auto-assignments, after the effective date of the Sanction (If another Contractor is available), and
- c. Suspending payment for members enrolled after the effective date of the sanction until CMS or AHCCCS is satisfied that the reason for the sanction no longer exists and is not likely to recur.
