5. An agency's justification and reason why a rule should be made, amended, repealed or renumbered, to include an explanation about the rulemaking:

The rulemaking is necessary to comport with federal law and to ensure that AHCCCS maximizes the opportunity for recovery of payments made for medical assistance to ALTCS members consistent with federal

law. In addition, the rulemaking will likely increase State revenues and improve the fiscal health of the State by extending the imposition of TEFRA liens to members under the age of 55 years.

6. A reference to any study relevant to the rule that the agency reviewed and proposes either to rely on or not to rely on in its evaluation of or justification for the rule, where the public may obtain or review each study, all data underlying each study, and any analysis of each study and other supporting material:

A study was not referenced or relied upon when revising these regulations.

7. A showing of good cause why the rulemaking is necessary to promote a statewide interest if the rulemaking will diminish a previous grant of authority of a political subdivision of this state:

Not applicable.

8. The preliminary summary of the economic, small business, and consumer impact:

The economic impact will be minimal on consumers and the Administration, because the changes are anticipated to affect only a small number of ALTCS members. Additionally, any economic impact on the economy of the State will be minimal because when AHCCCS does make recoveries, roughly 70% is returned to the federal government.

9. The agency's contact person who can answer questions about the economic, small business and consumer impact statement:

No other matters have been prescribed.

a. Whether the rule requires a permit, whether a general permit is used and if not, the reasons why a general permit is not used:

The rule does not require a permit.

b. Whether a federal law is applicable to the subject of the rule, whether the rule is more stringent than federal law and if so, citation to the statutory authority to exceed the requirements of federal law:

The TEFRA lien provisions are codified at 42 U.S.C. 1396p(a), providing AHCCCS the authority to file TEFRA liens on the real property of certain Medicaid members who are determined to be permanently institutionalized (PI) and cannot return home. However, the Administration's TEFRA regulations are not more stringent than the applicable federal law.

c. Whether a person submitted an analysis to the agency that compares the rule's impact of the competitiveness of business in this state to the impact on business in other states:

A member may rebut the presumption by providing a written opinion from a treating physician, rendered to a reasonable degree of medical certainty, that the member’s condition is likely to improve to the point that the member will be discharged from the medical institution and will be capable of returning home by a date certain.
- C. A TEFRA lien may also be imposed against the property of a member where a court judgement determined that benefits were incorrectly paid on behalf of the member.

- B. After the member’s death, AHCCCS shall seek to recover a TEFRA lien for the amount of the medical assistance received by the member at the age of 55 years or older from the member’s estate after the sale or transfer of the real property subject to the lien. However, AHCCCS shall not seek to recover the TEFRA lien or attempt recovery against any real property subject to the TEFRA lien so long as the member is survived by the member’s:

4. A written statement, if any, made by the member prior to death regarding the services received; and
5. A written statement from physician, friend, or relative as witness to the care provided.
